He encouraged all churches to be involved in this mission endeavor and put forth every effort to participate along with the Lay Renewal teams, ASSISTeam and PROBE team in the spring of 1989 in helping to start churches in Sao Paulo. Dr. Blackmon said he hoped the churches will take an interest in Lay Renewal. He stated the churches need to be thinking and planning for Simultaneous Revivals in Sao Paulo. He further stated the cost is $1,200 to $1,250 per person, and he hoped the churches have put this in their budget as well as Lottie Moon and Shubal Stearns offerings. He said for the past two years the Lottie Moon offering has dropped. He said he would be contacting all pastors and have a personal interview to go over what they feel can be done to help Christians to be more dedicated to the work of the Lord. He said we are to be concerned about the total Kingdom of God.

Dr. Blackmon also stated more than 50% of the population in Guilford County is not affiliated with any church and we need to work on getting new churches started. He expressed appreciation for the spectaculor job the chaplains are doing. He said the Piedmont Baptist Association looks forward to working with all churches and letting God work through us so that we will accomplish what God would have us do.

Ed Chenoweth then led the congregation in singing "Amazing Grace."

Division of Church Development was recognized by Dr. Blackmon who introduced the directors of each division. Sunday School report was given by John Setchfield, Sunday School and ASSISTeam Director. He said there is a training Clinic scheduled for October 21-29, 1989 which are the dates regularly scheduled for the Annual Meeting. He stated at the last Executive Board meeting it was voted on and approved for the dates to be changed in order that the clinic could be scheduled at that time.

Jill Foster, director, gave the WMU report and expressed willingness to be of service to all churches in training leaders. She also emphasized the need for the Lottie Moon offering and explained the areas in which it is used.

The Brotherhood report was given by Ed Roberts, director. Mr. Roberts said a motion will be brought to our North Carolina Baptist State Convention in November that the Brotherhood will become an auxiliary to the Convention and the name be changed to Baptist Mens Department. He said the first meeting of 1989 would be in January at the First Baptist Church in Charlotte, NC with Jerry Clower as speaker.

The Evangelism report was given by Billy Sloop, director. He expressed excitement for the number of baptisms being up but stated it should be more. He said it takes 51 to lead 1 to Christ. Rev. Sloop said there will be a one day Witnessing Seminar. A motion was made that April 1-8, 1990 will be the dates for the Piedmont Association to participate in the Simultaneous Revivals. The motion was seconded and approved.

The Constitution report was given by Lucille Grubbs who stated the report was in the Book of Reports and noted there had been some changes made in 1988. She brought attention to changes in Article II, Qualification of member churches; Article III, Meetings of the associational Annual Meeting; and Article VII, Amendments section I. Motion was made to adopt the changes, seconded and approved.

Richard Elmore introduced J. W. Hutchens, evangelism director of the Baptist State Convention. Mr. Hutchens spoke on "Missionary at Heart" through the local churches, using as his topic "Do not know what it means." Dr. Hutchens stated people do not know how to pray and did not wait and listen to God, which is the most important part of prayer. He stated there are two kinds of churches, Inward and Outward, in regard to reaching people. Those, he said who are turned inward are in the will of God, going about being busy witnessing for God. Being the leaders and winners for God so His people can grow.

In miscellaneous business, Jimmy Workman asked Bruce Anthony, chairman, to give a report of the ad-hoc Committee on Ways and Means. Dr. Anthony said the committee has committed themselves to a vision over the previous years and the vision has become expensive to the Association. We have reached a time when we will have to determine, as an association, whether our ministries are going to continue and whether our vision is all God wants it to be and if we will achieve the victory the Lord has for us. He further brought attention to the different recommendations from the committee in their meeting of October 26, 1988:

1. That the Executive Board, the Finance Committee, the Personnel Committee and staff be instructed to limit expenditures to the budget. This implies that it would take a called session of the associational messengers to approve any non-budget expenditure.

2. That an ad-hoc committee, comprised of the chairman of the Finance Committee, the Personnel Committee and the Stewardship Committee continue monitoring budget receipts and expenditures, reporting their findings to the Executive Board.

3. That the Director of Missions be instructed to pursue additional funding from the Baptist State Convention for the chaplaincy ministries. (It is possible that as much as $4800 may be available from the chaplaincy department)

4. That the churches be asked to consider any of the following options in increasing their receipts to the Association:

a. Increase their giving to the Association by 1/2% of their 1989 budgets.

b. Take a one-time offering equal to $3.00 per individual of the average Sunday School attendance of that church. Example: A church with an average Sunday School Attendance of 100 would set a goal of $300 for a one-time offering.

c. Each church be encouraged to give $50 per month more than already committed to the association in 1989.

d. Initiate participation in the "1,000 Club." This is a grass roots approach to enlist 1,000 persons willing to give $1.00 per week designated to Piedmont Baptist Association Ministries.

Any of the above options would produce substantial revenue and guarantee that the Association can continue its ministries and program without interruption through the next year.

Dr. Anthony made a motion that the recommendation be accepted. The motion was seconded. He stated that we are presently operating with a deficit of $3,000 a month. This came about because this body last year voted on a very optimistic budget increase. The budget increased from $225,000 in 1987 to $340,765 in 1988. He futher stated the budget previously had no retirement for staff and this was added to the budget in 1987. This increased expenses dramatically beyound anticipated receipts. He said since July, due to non-budget expenditures, the problem has become more complicated and are reason for recommendation #1. He listed the unexpected expenditures which had reduced the reserve fund from $20,000 to $8,000. He stated the Executive Board on October 17, 1988 authorized the moderator to appoint an ad-hoc committee to study the proposed budget. He said, last spring the Executive Board accepted a preliminary budget of some $375,000 which would result in a $50,000 deficit. He stated Dr. Blackmon studied the situation and had a meeting with the ad-hoc committee and the Finance Committee who were pleased that he had taken the initiative with his staff and cut the proposed budget from $375,000 to $342,000.

Dr. Anthony said this needs to be understood, it is a maintenance budget, absolute minimum if we are to continue the present ministries to which the association has committed itself. He said the committee has reviewed the benefits from another action that was taken by the Executive Board in accepting a contract on the Lakewood property. Earlier he said, the Executive Board action mandates that part of the proceeds from the sale of Lakewood be used to pay off the existing debt on the associational office. This will further reduce the annual budget by approximately $9,220 and will eliminate about $763 monthly payments. Dr. Anthony further stated receipts this year of $224,000, including the Shubal Stearns offering, were at an all time high. The PBA has received other receipts, fees, etc. including the Home Mission Board funds which carry over for the second staff position of

Church Growth Director for a total of $32,250. Dr. Anthony said if churches continue this year with a 10% increase in giving, anticipated receipts will be $246,000, short about $100,000. Another $46,800 will be carried over for the Church Growth Director's salary. Additional funds will be coming from the Home Mission Board to help with his salary. He said this means that the association can expect $292,800. The budget, to be presented Friday, in the amount of $342,000 will be bare-bone budget after all cuts have been made and could mean a year-end deficit of $50,000. If Lakewood property sale is closed and recommendation is accepted to apply to the Baptist State Convention for assistance with our chaplaincy program, the deficit can drop as low as $36,000. Questions from the congregation were asked and answered.

Dr. Anthony commented on the vision that had been shown to Manuel Cunnup and felt Dr. Blackmon honors that vision and will continue to give the dynamic leadership to carry on to victory in saving and building the ministries for the future of the association and for the glory of God. He also stated the churches were asked to increase their giving to 5% of undesignated receipts which would keep the association alive and well. Comments were made as to readiness to vote on the recommendaton, it was seconded and approved unanimously. Motion was made to vote in favor of the recommendation, it was seconded and approved. Dr. Blackmon asked for a show of hands as to whether they felt comfortable with the"1,000 Club". He expressed his appreciation to the chuches for the support given.

Jim Fleet expressed his concern and desire for the support of the churches on keeping the lottery out of the community.

Jerry Watts led the congregation in singing "To Worship, Work and Witness."

Missionary at Heart through the local churches was uplifted by Vearle Page of Sixteenth Street Church and George Gambill of Southside Church. Ms. Page stated Sixteenth Street Church had added three new staff members, Jack Morris, Lonnie Wymer, and Daniel Alderman. She said they had a vision of ministries in the church and an excitement for the Lord's work. There was Bible study growth, they now had three volunteer youth workers and there would be three single groups by the end of October. She listed the growth and excitement going on in the music program, visitation program and stated 28% of the budget was going to missions and the reestablishment of Training Union with an attendance of 100 the first Sunday. George Gambill gave the history of Southside and said as time went on with increase of members they were able to build on Freeman Mill Road, but now they will soon be moving into their new church. He stated the highlight in the church were people being saved and an increase in baptisms.

Richard Elmore read Scripture from Matthew 16:13 and had prayer.

Dr. Wilson Stewart introduced Manuel Cunnup, former

Director of Missions, who delivered the Doctrinal Sermon, "The Doctrine of the Church." Rev. Cunnup's message outline was: Nature of the church; Member-determine the nature; Unity-nature, members of building, one body, one Spirit, one hope and one baptism; Purpose-to glorify God; revelation and redemption. The morning benediction and blessing was given by Raymond Futch.

He spoke on "Missionary at Heart" through the Sunday School using Scripture from II Timothy 3:16, 17 and II Timothy 2:15 ending his message in stating, "Become missionaries at heart and practice in Sunday School or wherever you serve." Jack Morris then led in prayer and the meeting was adjourned.

He said some of the students were in need of support and assurance. He expressed the joy he is receiving in being able to be of service to them. He asked that we join with him and work together to try to reach these students so when they return to their countries, they not only will take back an education or impression of the United States, but will take Christ back with them.

Dr. Parker introduced Mary Pearson, family counselor, who gave a report on the progress of the Family Ministry.

Dr. Stewart introduced Barry Nealy, church extension director who advised, we have a challenge to be willing to sacrifice for the lost in building new congregations. He further stated his job is to enlist sponsoring churches, teach growth concepts, develop some guide lines to use in starting new works, and to seek out land for churches. He said he wanted three new works to begin-Black, Hispanic, and Anglo-by the spring of 1989.

Dr. Stewart introduced Calvin Knight, chairman of Church and Community Relations for the Baptist Hospital. Mr. Knight shared the ministry that was going on in the hospital such as chaplains on each floor and that lost souls had been led to the Lord. He further stated that financial needs for the poor are met from funds of the benevolence care supported by the Homes and Hospital Offering.

Edwin Chenoweth led the congregation in singing "Send the Light."

Dr. Stewart introduced Jack Glass from Gate City Church and Diana Byrd of Lawndale Church. They reported on the missionary work carried out in these churches. Jack Glass reported the spiritual and numerical growth, along with the expansion of Gate City Church which is in phase II and looking forward to phase III which is the completion of the sanctuary. He further stated how God had blessed with growth of communities in the church area since the church began in 1974. The membership has grown from thirty two to over five hundred since 1974. He said the visions God has shown the pastor and congregation are being fulfilled.

Division of Church Development was introduced by Dr. Blackmon, who invited Jerry Watts, Music Director and Randy Minix, Recreation Director to give their reports. Herb Meadows, Senior Adult Director, was not present therefore the report on the Senior Adult Ministry was referred to in the Book of Reports.

Jerry Watts stated they were trying to reach as many people as possible with the music program. He stated they were offering a small church music school with workshops to train leaders. He also encouraged churches to develop childrens choirs.

Randy Minix reported the recreation program was alive and well. He said there is a limitation in recreation due to facilities. He further stated he was trying to create opportunities for church members to get together to have fellowship in a Christian environment.

Dr. Stewart brought attention to the change of dates for the next Piedmont Baptist Association Annual Meeting: November 2, 1989 at Sharpe Road and Friendly Avenue Churches and November 3, 1989 at Rankin Church.

Dr. Stewart, finance chairman, stated Bruce Anthony had given the report on stewardship in the Thursday session of the Annual Meeting. He then continued to report on the budget stating the Director of Missions and ad-hoc committee had gone through the budget and trimmed it all that it could be trimmed. Calling attention to the proposed total of $342,260.94. He asked that we think and pray about this and challenge our churches to increase their monies to do one of the things that had been suggested by the ad-hoc committee. He felt we should sacrifice and meet the challenge. Dr. Stewart brought the motion to the floor to approve the budget. There was a motion and seconded. Dr. Blackmon was asked to speak in reference of the budget. His comments were supportive of Dr. Stewart and what had been said at the Thursday session of the Annual Meeting in regard to the budget. Special Called Meeting of the Executive Board
May 12, 1988

The Executive Board of the Piedmont Baptist Association met at Immanuel Baptist Church on May 12, 1988.

The Moderator, Jimmy Workman, called the meeting to order and stated the reason for this special meeting was to call a Director of Missions. Rev. John Lane led in prayer. Sanford Smith was called to give the report on the candidate the Search Comittee had selected.

Sanford, chairman of the Search Committee, stated there were 500 questionaires sent out and 100 were received. The Committee met and reviewed all of the resumes that were submitted to them. Mr. Smith gave instances of how God was leading in the search. For instance, God had led he and Manuel to Dr. Blackmon on their trip to Sao Paulo, when they went down on their training session for the Partnership with Brazil. Dr. Blackmon was asked if he would submit his resume and he did so. After viewing other resumes, the Search Committee narrowed their search to two candidates, Dr. Blackmon and one other candidate. The other candidate withdrew his name. There were interviews with Dr. Blackmon by phone, and he was asked to come to North Carolina for further questions and to meet with the Executive Board of the PBA. Sanford asked Bill Claffey and Jill Foster, members of the Search Committee, to share additional information about Dr. Blackmon.

Mr. Claffey stated they asked four questions about Dr. Blackmon. How does Dr. Blackmon relate to Pastors, his effectiveness in the area of his work, his approach to personal Evangelism and about his family.

The area of new work was very effective and Dr. Blackmon was stong in Evangelism and soul winning. Rev. J. B. Washington of Texas, stated that Dr. Blackmon placed a high priority on his own personal daily devotional life, shared a close communion with God from which he gained strength and a sense of direction in his life.

Rev. Claffey further stated that he felt Dr. Blackmon would be a part of what the Association and churches are doing and would actively lead in the area of church extension and evangelism. When asked by the Search Committee how he viewed the role of Director of Missions, Mr. Blackmon stated his ministry would be to help churches set their goals and reach these goals.

Jill Foster, shared that she talked with two individuals; one who is involved with asociational work and the other works with our Convention. They each confirmed the feelings of the members of the Search Committee. Dr. Blackmon relates well with people, works well with churches and pastors, and with denominational workers. As field consultant, Dr. Blackmon was very effective in strategy planning and his life was a witness to his teaching and he is deeply committed to God and his work.

Dr. Blackmon was asked to share his thoughts. He gave a brief outline of his calling. He was saved at the age of 7, was raised in a Christian home and was an RA under the leadership of his father. He stated that he and his wife had sensed in their prayers that God was leading him back to the United States. When Sanford asked for his resume, he had no question in his mind that it was God's calling. He stated that the reports he was given concerning the PBA were all very positive and was pleased that the Association had such priorities for starting new work and missions. This vision and opportunity is one of the reasons he felt he would be able to accept the invitation and work with the PBA. He gave an outline of how churches can grow. He felt church growth would have to be balanced. There should be more than baptisting, there should be conversions, love and teaching. All must be involved in every area for churches to grow in balance and lead the lost to salvation. If called, he would be available at all times to help local churches, realizing they are autonomous.

Sanford, called for any questions concerning the calling of Dr. Dennis Blackmon as Director of Missions and to present the salary and benefits. The starting salary would be $41,688, which included travel, housing, retirement and insurance. It was further proposed by the Finance Committee, the 1989 annual package would be $45,000 and project for the following two years $48,000 and $52,000. Dr. Blackmon would be given three weeks vacation, one half day a month sick leave (which could be accumulated) but not paid if terminated or resigned. He would be allowed up to four workshops or revivals off the field. The Foreign Mission Board will share part of the relocation expenses. PBA would agree to pay the moving cost of a family of four from

Shreaveport, La. to Greensboro. This should help to reimburse part of the expense of replacing furnishings that were not moved from Brazil. This package was put to a vote as presented, the motion carried and was unanimously approved.

Dr. Blackmon expressed his thanks and his desire to work in love and trust together with the churches, and to win souls to Christ. He closed the meeting with prayer.

The meeting was adjourned.

July 18 1988

Jimmy Workman, Moderator, called the meeting to order.

Rev. Enoch Booth, host pastor, welcomed Executive Board members and others to Guilford Baptist Church and then read scripture and had prayer.

The minutes from the last meeting were reviewed. The question was asked about the ending date of October 1988 for Betty Ashburn, as clerk, recorded in the minutes for April 18, 1988. Jimmy Workman explained, if Betty Ashburn chose to serve as clerk permanently, they would keep that recognizance for the annual meeting in October when the officers for 1988-89 would be elected. No further questions, the minutes were accepted and approved.

Lee King, Treasurer, gave the treasurer's report. He reviewed the receipts and disbursements and gave the balance as of May 31, 1988. The report was accepted and approved.

Old Business: Sanford Smith gave the Properties Committee's report. He stated the present renters of the house at Lakewood are leaving in July. The Committee does have someone else who is interested in renting the house. The present renters recommended the people who are interested. The Properites Committee has looked into this and approved the renters. If the Executive Board agrees for them to move in, the rent will be $100 monthly and they will take care of the lawn and utilities.

The miscellaneous articles and equipment at Lakewood-tractor, refrigerator, pots and pans etc.-will be for sale. James Allred, member of the Properties Committee, will be at Lakewood Baptist Assembly on August 13 from 9:00 a.m. until 12:00 noon for inspection of the articles. The committee asked that bids be submitted by August 22 to the association office. Items for sale will be listed in the August issue of "The Challenger".

Another offer to purchase the Lakewood property was made. The offer of $158,000 was rejected by the committee. The committee has also received several other similar offers.

Dr. Ed Vaughan, member of First Baptist Church Greensboro, made an offer to donate property on Lee Street extension and I-85, 57 acres, to the Piedmont Baptist Association. He also offered this property to the Baptist State Convention which they turned down, reasons unknown. The Executive Board recommended that the Properties Committee take a look at this property and see how it fits into the Long Range Plans. Sanford further stated that the Mega Cities Program, 5 Year Plan needed to be updated and reviewed on an annual basis.

Sanford Smith submitted a recommendation to the Properties Committee, (see attached) in regard to the tract of land on Lee Street at I-85. The Committee felt it was outside the scope of the Committee to suggest how the land should be developed by the Association.

It further suggested that development of the property should be in keeping with the priority concerns of the association. Based on present needs and priority concerns that can be envisioned ten to twenty years into the future, Sanford Smith brought a motion on behalf of the Properties Committee's recommendation: That a committee of 5 people be appointed by the Moderator in consultation with the Vice-Moderator and Director of Missions for the purpose of working with the prospective donor and the Associational Council in presenting a proposal acceptable to the Executive Board and the prospective donor.

This 5 member committee will evaluate the current Five Year Plan as well as direct the planning process for future planning cycles.

The motion was seconded. Asked for discussion. Dr. Blackmon, Director of Missions, was asked to comment. He stated the value of the property can be determined as to the requirements, development and plans acceptable to the donor and PBA for future plans in keeping with the Association. With further discussion, Rev. Otis Davis, pastor of Sedgefield Baptist Church, questioned the time element for the committee to report to the Executive Board. Sanford Smith stated, the Executive Board could expect an answer from the committee in three to six months. The recommendation was voted on and the motion carried unanimously.

Dr. Dennis Blackmon, Director of Missions, gave the report on Sao Paulo Partnership in Jerry Watts absence. He stated a Sao Paulo quartet from Liberdade Baptist Church in Sao Paulo, is scheduled to come to North Carolina in September. They will be involved in several meetings at the invitation of the Baptist State Convention staff. Jerry Watts, PBA Music Director, has arranged for them to be in our association the major part of their time in North Carolina. Dr. Blackmon said, hopefully we will have a group, with help from the churches, going to Brazil by the end of the year.

New Business: The Moderator, Jimmy Workman, recognized Dr. Dennis Blackmon. He was given a warm welcome to his first official Executive Board meeting. Dr. Blackmon reported his activities since getting to Greensboro and what he hoped to do in the future, offering his service to all. He emphasized how he would like for all to be united in living, working and serving Jesus Christ.

Wade Wyle, Chairman of the Personnel Committee, gave hi report. He stated for the past two years the budget has allocated $35,000 salary for a Church Extension Director. Dr Blackmon had introduced a candidate for the position to th Personnel Committee. The Personnel Committee had met with hi and approved of him after an interview and review of his credentials. He will be available to report to work August 1, 1988. The Personnel Committee allocated $4,000 for relocatio expenses, $400 travel and $400 for a Education Conference i Texas. The budget recommendation was approved by the Budge Committee.

Mr. Wylie made this a recommendation and a motion to elec Walter Barry Nealy as Church Extension Director. Barry wa introduced and asked to make some comments. He stated he cam from Louisiana where he served the Westside Baptist Church of Lafayette since June of 1982. At the same time he served the Evangiline Baptist Association as Director of their Mission Committee. He has led in starting five new churches in the las three years. He has had special training by the Home Missio Board in church extension. He stated he had worked with Dr. Blackmon in Brazil and felt he would have no problem working wit him now.

The floor was open for questions. The motion seconde Asked for further discussion. Dr. Blackmon stated Rev. Nealy would be working with the present churches as well as building new churches. The question was asked where the funds came fro for Church Extension? This was explained, bringing attention t Church Extention funds and Mega Cities Focus in the budget. Sanford Smith explained further the Mega Cities Focus program. The Home Mission Board, State Convention and Piedmont Baptis Association will jointly fund the position of Church Extensio Director as follows: the first year 20% will be paid by th association and 80% by the Home Mission Board and Baptist State Convention. The following five years the percentage in funding will drop for the Home Mission Board and Baptist State Conventio to 60%, 40%, 20%.

The motion carried unanimously.

Rev. Nealy expressed his appreciation for the confidence shown in him and stated he would do the best he could in servin the Lord and serving the churches.

Rev. Wilson Stewart gave an invitation to hear the Ambassado Quartet while in the Piedmont area.

The meeting was adjourned and Sanford Smith dismissed with prayer.

Respectfully submitted,
Betty Ashburn

DIRECTOR OF MISSIONS
First Nine Months
Manuel Cunnup

The first nine months of this associational year continued with the momentum established over the past ten years. Many good and wonderful things happened. For me it brought many mixed feelings as I faced the thoughts of retirement, knowing that very soon I would not be serving as Director of Missions of this great and grand association. There are many things that could be written about what happened during this nine month period but I will mention only some highlights.

The Annual Meeting was one of the best we have ever had. Jimmy Workman was elected as moderator, Wilson Stewart as vice-moderator, and Lee King as treasurer. All three of these men are committed to the Lord and dedicated to the work of the association. They will serve us well. Then final approval was given to the calling of a Church Extention Director to serve full-time in the establishment of new work in our association.

On April 18th. the Executive Board called the Reverend Bobby Caffin, pastor of the Pinecroft Baptist Church, to serve as Chaplain to the Sheriff's Department in Guilford County. He began his duties May 15th.

In the same meeting the Board called Scott Wright to serve full- time as the Coordinator of the International Student Ministry of our association. Scott will serve for two years ministering to students on the campus of the colleges and universities in the bounds of our association.

In a special called meeting, the Executive Board called Dr. Dennis Blackmon as the Director of Missions of our association. Dr. Blackmon was serving as the Director of Missions of the Centro Baptist Associationa in the city of Sao Paulo, Brazil. He was highly recommended to the Board by the search committee composed of Sandy Smith, chairman; Jimmy Workman, Jill Foster, Bill Claffey, and Ed Roberts.

Dr. Blackmon graduated from Louisiana College in 1968, Southwestern Seminary in 1970 and received the Doctorate of Ministry degree from Southwestern Seminary in 1981. His top priorities in associational work are evangelism and church extension. We are indeed fortunate to have as our new Director of Missions, Dr. Dennis Blackmon.

My duties as Director of Missions came to an end on June 30. Dr. Blackmon accepted the duties on July 1. In the writing of this report, I bid my last farewell to all of you-the Piedmont Baptist Association. May God bless you.

DIRECTOR OF MISSIONS

The Piedmont Baptist Association has been involved in many important ministries that honor God, serve people, and result in reconciliation between God our Father and those who are lost. Lives have been touched through the literacy and hospital ministries, work with internationals through student ministries and church type missions. Our chaplains have comforted the bereaved, given spiritual direction to those in need and witnessed of the saving love of Christ to hundreds.

Just in the Vietnamese ministry, 17 people were baptized in the last twelve months. A number of churches have baptized men who were saved in the jails. Some of these are already winning others to Christ.

The PBA has been at work providing training opportunities in Sunday School, stewardship, music, WMU and Brotherhood work as well as many other areas. Personnel has been added to improve ministry effectiveness in chaplaincy, ministry to international students and to assist in starting new churches.

We must stop and consider all that God has done through the PBA during the last year. At the same time it would be good to ponder the accomplishments of the Association during the past ten years under the leadership of Manuel Cunnup. We should truly give thanks to God for that which has been done. We should also look with joy and enthusiasm to the challenges that have been set before us.

The downward slide in the number of baptisms was turned around in 1987-88, still the 580 reported is much less than we should be reaching. Studies indicate that at least 175,000 people in Guilford County have never trusted Jesus Christ as their Lord and Saviour.

Lets work together to usher in a new era of reaching people for Christ. In 1988-89 we must especially give attention through developing our Sunday Schools, training people in personal evangelism, preparation for the **Here's Hope Simultaneous Revival** efforts, and reaching the unreached through new churches.

For these challenges to be met, we must all work together. The WMU and Brotherhood must remain strong in its leadership; Church Training must be started or strengthened in every church; personal and total church stewardship must be emphasized. All of us must pray fervently and without ceasing. We must pray for ourselves, for those who disagree with us, for our fellow churches, for our pastors, and for all leaders.

Is anything too big for God? Certainly not! Though our challenges in the Piedmont Baptist Association may be large, God is sufficient.

Dennis Blackmon

STEWARDSHIP COMMITTEE

We are grateful for the assistance of a very fine Stewardship Council this year: Pete Boone, Wofford Boyd, Ward Burch, Jo Clark, Lucille Grubbs, Lee King and Hugh Mann. Their combined efforts contributed to another record year in giving to associational missions on the part of our forty-eight churches.

The following churches are to be congratulated as they are the top five churches in total gifts to the association:

1.	First Baptist Church Greensboro	$23774.29
2.	Friendly Avenue Baptist Church	14622.99
3.	Pleasant Garden Baptist Church	10697.02
4.	First Baptist Church Summerfield	10647.00
5.	Southeast Baptist Church	9252.34

"Missionary At Heart" was this years' theme for the Shubal Stearns Week of Prayer for Piedmont Baptist Association. It was highlighted by a well-attended banquet at Florida Street Baptist Church. The program was built around Mark McMasters, mime artist. This years Shubal Stearns Offering reached $10,228.75.

For the first time, the pastors training luncheon was not held in conjunction with the Pastors' Conference. The annual seminar sponsored by the NC Baptist State Convention Department of Stewardship was well attended. Florida Street Baptist Church hosted the meeting.

The Stewardship Council also sponsored a seminar on family financial planning, ably taught by Wofford Boyd.

The Stewardship Council welcomes Dr. Dennis Blackmon and looks forward to his leadership in the years to come.

CREDENTIALS COMMITTEE

The Credentials Committee met on several occasions during this past year. After much prayer and deliberation, the committee took action on recommending two churches being affiliated with the Piedmont Baptist Association.

Cornerstone Baptist Church completed its year of watchcare status in the association. The committee will recommend that Cornerstone Baptist Church be accepted as an affiliated church.

Also, Peace Baptist Church will be recommended to come under watchcare status of the Piedmont Baptist Association. Peace Baptist Church is currently meeting at 137 Rocky Knoll Circle.

The committee also had contact with New Beginnings but made no recommendation concerning this group.

PERSONNEL COMMITTEE

The personnel committee had a very busy year from October 1, 1987 through September 30, 1988.

In November 1987 the committee approved for recommendation to the budget committee and executive board a plan to pay 5% of base salary and housing if applicable to the Expanded Church Annuity Plan beginning January 1, 1988 and continuing through September 30, 1988. At this time the 5% would be increased to 10% of base salary and housing. This recommendation was subsequently approved by the budget committee and was approved by the executive board on December 7, 1987. The employees may choose their own plan but the money must go to a bona fide retirement plan.

In November the committee began screening resumes for the position of chaplain at the Guilford County Sheriff's Department. Much prayer and deliberation went into this project as we wanted God's man for this position. In February 1988 we began interviewing candidates and subsequently the committee was unanimous in their decision to recommend Bob Caffin as chaplain at the Sheriff's Department. Bob was approved by the executive board on April 18, 1988.

The international student ministry committee recommended Scott Wright to be a full-time coordinator of our international student ministry at the six college campuses in our area. Our committee interviewed Scott and recommended him to the budget committee and on April 18, 1988, we presented our recommendation jointly with the international student ministry committee to the executive board and this was approved.

Our Director of Missions notified us that the church extension committee had a recommendation for our committee to consider. Our committee met and approved the church extension committee's recommendation to call Walter Barry Nealy as director of church extension. This was approved by the executive board at the July meeting.

We also discussed the establishment of policies regarding holidays, vacations, revivals, conferences and the responsibility of staff to the Director of Missions.

Wade Wylie, Chairman

ORDINATION COMMITTEE

Piedmont Baptist Association is composed of people from churches within the association who question, advise and encourage those who feel God's call into the Gospel ministry. Therefore, the committee serves the churches and particular individuals in our association.

The Ordination Committee convenes at the request of a church concerning the ordination of a member into the Gospel ministry. The committee does not assume the responsibility of ordaining people. It gives only recommendations and enouragement to churches and individuals involved.

During the 1987-88 year two men appeared before the Ordination Committee of the PBA and answered questions about (1) their personal lives-such as conversion, call and Christian growth, (2) their understanding of our Baptist Doctrines and polity and (3) their hopes and aims for further service in the Kingdom of God. These two men were Mr. Dennis Murphy of Calvary Baptist Church, November 5, 1987; and Mr. Joe Hollar of South Elm Street Baptist Church on December 3, 1987.

Upon the recommendation of the Ordination Committee, the two above named men were ordained in their respective churches.

PROPERTIES COMMITTEE

Your Properties Committee has been actively seeking a buyer for the Lakewood property and also in disposing of the personal property. Roy Allen, the realtor representing the association, has worked faithfully and helped us to realize the maximum return for the property. The committee recommended to the Executive Board on October 17, 1988 that we accept a proposal from Mr. Stover to purchase the property for $225,009 paid over a five year period, plus interest at the rate of 9% on the unpaid balance. Mr. Stover also agrees to donate 2 acres on the Baptist Assembly Road for a church site.

We thank you for the opportunity of serving the association.

SAO PAULO STEERING COMMITTEE

We have been very active in exploring ways to match resources with needs between the Piedmont Association and the Center Association in Sao Paulo, Brazil.

Manuel Cunnup and your Chairman, along with several other associational representatives, went to Sao Paulo in March and met with pastors of the Center Association and their director of missions, Dr. Dennis Blackmon. As a result of the meetings, a list of needs were developed and are being processed through the Foreign Mission Board.

Tentative plans are to send our ASSISTeam and a PROBE Team to Sao Paulo early Spring (February) of 1989 followed by several Lay Renewal Teams. More information may be reported at the Annual Meeting.

A quartet from Sao Paulo visited Greensboro and sang at the Evangelism Rally and several churches. This was a great kick-off for the Sao Paulo Partnership.

Continue to pray for the partnership, that God will call people and churches to respond to this unique opportunity to become involved in missions. Thank you for your support.

College and Singles Consultant - Kevin Pearce
Youth Consultant - Mark Harper
Children's Consultant - Pamela Medford
Outreach Consultant - G. H. Vaughan
Teaching Improvement Leader - Henry Newton
General Officers Consultant - Jim McClendon
Preschool Consultant - Kathryn Richardson

We hope to have a Vacation Bible School Director very soon. These people are ready, willing and able to assist your church in improving its Sunday School ministry. Please feel free to call on any of them for help and assistance in your Sundy School ministry.

We're looking forward to a great and exciting new year with some events that will really help our Sunday Schools in the Piedmont Baptist Association grow to their potential.

John Setchfield, ASSISTeam Director

MUSIC

During the past year the goal of the music council of the Piedmont Baptist Association has been to reach into the churches and share the love of Christ through music. Our aims were to reach and teach as many as possible and to instill the love of Christ as we praise Him through music.

Special events and activities were planned for every age group and special group in the local church including:

HANDBELL WORKSHOP for music leaders
CHILDRENS CHOIR CAMP for older children
ADULT CHOIR RETREAT
YOUTH CHOIR RETREAT AND MUSICAL PRESENTATION

These and other activities involved 24 of our churches and over 500 singers and musicians plus the audiences who shared in the performances and heard the gospel presented.

This year our approach and goals are the same, but several activities have been changed to better meet the needs of the music programs in our churches. I urge you to support our work and encourage the music leaders in your church to join us in praising God through singing and music.

WOMAN'S MISSIONARY UNION

Woman's Missionary Union celebrates a century! During 1988, WMU SBC's Centennial, we have "Remembered (our) leaders. Those who spoke to you the word of God..." (Hebrews 13:7 RSV, WMU Watchword). All WMU age-levels have taken time to reflect on our history and heritage and to celebrate along the way.

Mission Friends Day Camp centered around a birthday theme. The pre-school boys and girls made birthday hats and cupcakes then sang "Happy Birthday WMU". Missionary, Shirley Gunn, was a special guest at Day Camp. Mission Friends leaders received training at a workshop on How To Guide Preschools. Felicity Gordon, Mission Friends Director, shared her missions testimony at the NC WMU Annual Session held in Greensboro in March.

The GA Fall Missions Fair found the girls talking with clown Jenny Clapp, South Elm Street Baptist Church, as she explained her summer clown ministry. Girls in grades 1-6 celebrated with a Centennial Birthday Party in May. Each participating Girls in Action organization chose one woman in WMU's history and highlighted her contributions to missions. One woman featured was Sara Parker, past president of NC WMU. At the NC WMU Annual Session, GA's from our association did a presentation on "I like GA's".

An Acteens Sleepover in November provided opportunity for girls to fellowship, work on Studiact, spend time in prayer and hear a monologue. The associational Acteens Council with representatives from church Acteens organizations helps plan and carry out activities throughout the year. Acteens held a Centennial Banquet at Lawndale Baptist Church in April. For this celebration, the 7-12 grade girls prepared and served international foods. In August, Acteens gathered for a picnic, games and a time of sharing with a missionary couple.

Baptist Young Women and Baptist Women held banquets, heard missionaries speak, focused on prayer, and provided training for leaders. Ministry through mission action in areas as varied as literacy, international students, migrants, childrens homes and prisons continues to be strongly supported by church WMU's.

On May 14, 1988 more than 100 women and men from our association were among the 13,000 people gathered in Richmond, Virginia to commemorate the organization of Woman's Missionary Union. Lawndale Baptist Church hosted a gathering of Mission Friends to Baptist Women who watched via satellite the Centennial Celebration held in Richmond.

The associational WMU Council conducted a WMU survey of each church. The results of the survey have helped us determine areas of need in WMU. In addition to Fall Leadership Training, council members have worked individually with leaders to strengthen, reorganize or begin new age-level organizations.

Woman's Missionary Union has celebrated and now we accept the challenge to fulfill the future as we march into the second century of missions education, awareness and action!

BROTHERHOOD

This year has been a "learning experience" for me as your new director of Brotherhood work in our Association. If I had been your director in previous years, I would have found it necessary to "re-learn" due to the new format and organization structure. Now there are graded type Baptist Men's and Boy's programs. For example, we now have the following available for our churches: Baptist Men, Baptist Young Men, High School Baptist Young Men, Collegiate Baptist Young Men, Senior Baptist Men; and ofcourse, the fully graded RA program. Literature is available for all of these groups.

I have had a tremendous amount of help in learning this year through the Brotherhood staff of our NC Baptist State Convention. I have "bent their ears" on the phone and in person in an effort to be as informed and knowledgeable about Brotherhood work as I could be. David Langford and his staff have been very helpful.

As an associational director of Brotherhood, I am a member of the Board of Directors of the Baptist Men of North Carolina. I attended both of the meetings, March and September, at Caraway Conference Center and the North Carolina Baptist Assembly at Caswell Beach. These were probably the most helpful to me to gain a perspective of the entire scope of our work at home and overseas. The Baptist Men of North Carolina are doing a great work in so many areas of ministry in our State, Nation and the world.

While I've been learning about Brotherhood, I now find that the name "Brotherhood" will probably be chopped from our vocabulary. A motion will be brought to our NC Baptist State Convention in November that the Baptist Men of NC relate to the Convention in a manner similar to that of the WMU. That is, it will become an auxiliary to the Convention. We will then be the "Baptist Men" Department. Your church will have a Baptist Men's organization with a Baptist Men's director, who will lead the graded groups, a Baptist Men's president, Senior Baptist Men's president, etc. as deemed appropriate for your church. More information will be available before, during and after the November Convention.

My profound thanks to Bill Perdue and the others working with RA's as they have continued to provide leadership in this very important area of Brotherhood work.

Our goal for the church year 1989 is to establish five new units. Our ultimate goal, ofcourse, is to have a Baptist Men's unit in every church in our Association. With your help, encouragement and prayers this will be accomplished.

Ed Roberts, Director

YOUTH MINISTRY

It has been a real privilege and delight to serve for the past several years as Associational Youth Director. I appreciate your cooperation and support in all that we have done. The Lord has really blessed our youth ministry as many young people have made decisions for Christ!

Our youth ministers' meeting continued to be held this past year on the second Monday of each month. There were a number of excellent programs at these meetings as well as good fellowship.

The Piedmont Baptist Association Youth Council continued to meet on a regular basis to determine our needs, plans and directions for the future. I especially appreciated the support of the youth ministers in this endeavor as well as the church youth representatives.

The second annual PBA Youth Volleyball Tournament was held on November, 1987 at the Greensboro First Baptist Church gymnasium. Our churches were well represented by a good number of youth teams participating.

Our annual Youth Rally was held on March 17, 1988 at the Hunter Hills Baptist Church. Becky Hyde; music evangelist; Act '88 mime and clown team; Ike Reighard, pastor of the New Hope Baptist Church in Fayetteville, Georgia, all provided us with a great program. There were approximately 800 in attendance and 146 public decisions for Christ. This was a memorable event where the Lord really blessed our cooperative efforts.

The summer PBA Youth Rally was held on July 25, 1988 at the Emerald Pointe Water Park in Greensboro. There were approximately 500 in attendance with 13 public decisions for Christ. "Witness", the Summer Student Evangelism Team sponsored by the Baptist State Convention of North Carolina, provided for us a program of contemporary Christian music.

I am very thankful for how the Lord has blessed our youth ministry. To Him we give all of the glory and credit for what has been accomplished!

Most of you know by now that I am working with the Baptist State Convention of North Carolina in the Evangelism Division. If I can ever be of assistance to you through the Evangelism Division, please feel free to call me anytime. I look forward to a continued ministry and fellowship with each of you. Thanks for the opportunity to be your co-laborer in Christ.

Larry McElreath, Director

SENIOR ADULTS

Senior Adults, Happy Hearts, Keenagers, Senior Saints, are just a few of the names given to our folks who are past 60 and over. Working with this group has so many rewards it's hard to pin down a title for such a group. There are times when the stories some of us tell seem as silly as a teenager and then the next moment there might be a story with the wisdom of Solomon.

Whatever you might call us, it's hard to imagine a better time of life. I suppose we are the most blessed of all God's children. To have all the friends we have made over the years is a real blessing. We thank God for all the pastors who have touched our lives. Just being a part of God's family has to be one of our cherished blessings; and then to realize that God has allowed us to live in a day when oportunities to serve seem to abound. I am asking all our Senior Adults to put on the whole armor of God, sign up for service, using the wisdom and knowledge that experience brings, and use our retirement years the best we can in His service.

Remember our December 4 "Barbeque Pig-out" at Calvary Baptist Church.

Herb Meadows, Director

EVANGELISM

The primary function of our Evangelism Council is to assist our churches in leading people to know Jesus Christ as Lord and Saviour. In seeking to achieve this, we feel that it is important to offer opportunities of evangelism rallys, training through workshops and seminars and special training to equip our pastors and staff with the best methods available for reaching people with the Gospel.

Some of the events held this year were: The 1988 Evangelism Conference held here in Greensboro, February 8-9. Dr. Landrum Leavell, Rev. Ron Dunn, Rev. Manuel Scott, Rev. Junior Hill, Dr. Charles Page and Rev. Herman Rios brought the messages. Joe Ann Shelton and Loeen Bushman led the music for the conference assisted by Pat Long and Rick Setzer.

Super Summer 88 was held in July at Friendly Avenue Baptist Church, with the crusade on Friday night at the Greensboro Coliseum. Approximately 5,500 attended the crusade with 800 making commitments during the commitment sevice.

On Monday, May 23, Mr. Bob Campbell of the Home Mission Board led a group of 25 pastors in a "Pastoral Evangelism Workshop" at the associational office.

On Wednesday, September 21, an associational Evangelism Rally was held at Friendly Avenue Baptist Church. Jerry Watts led a mass choir and orchestra in inspirational singing. We had as our special guest for the rally a quartet from Sao Paulo Brazil.

Testimonies from Mary Pearson and Hugh Bogues of their partnership mission trips were very moving. Our director of missions, Dr. Dennis Blackmon, brought the rally sermon in which he challenged us to become radical witnesses for Christ so we can reach our world with the gospel.

We were challenged by our Director to get involved in the partnership with the Sao Paulo Association in Brazil. Our goal is to assist them in reaching Brazil for Christ and strengthening their churches.

Also our pastors and staff attended a Regional Evangelism Conference at the Cutting Board Steak House in Burlington, NC on Tuesday, October 11. This conference was led by J. W. Hutchens of the Evangelism Division and Dr. Delos Miles, Professor of Evangelism, Southeastern Baptist Theological Seminary.

Plans are now being made for another simultaneous revival effort called "Here's Hope Jesus Cares For You." The dates for the Piedmont Association are April 1-8, 1990

I would like to thank Manuel Cunnup for his leadership and support of the evangelism council and to our new director of missions, Dr. Dennis Blackmon, for his commitment to evangelism. Also, our appreciation to the pastors who served so faithfully on our council this year-Rev. George "Bubba" Rose, Reedy Fork Church; Rev. Darryll Hester, Hillcrest Church; Dr. Ron Lynch, Hunter Hills Church; Rev. James Lacewell, Good News Church; Rev. Larry Thompson, Central Church.

This will be our last year on the evangelism council and I thank you for the privilege of being the chairman of this group. Let us continue to work and witness that we may see people come to know Christ as Lord and Saviour. It is our prayer that baptisms will begin to rise each year as we work toward our goal of sharing the Gospel with the whole world by the year 2,000.

Billy J. Sloop, Director

RECREATION

Due to limited recreation facilities, our recreation programs have been limited to adult programs generally in cooperation with the Greensboro City Department of Recreation.

The following recreational activities were provided this year:

Softball

Twenty teams from PBA Churches participated in the adult men's league and twelve teams from PBA churches participated in the women's league. Gate City Baptist Church (White) won the Southern Division regular season championship and Friendly Avenue Baptist Church won the Northern Division regular season championship. Rankin Baptist Church won the league tournament championship. Hunter Hills Baptist Church (Red) and Gate City Baptist Church won an ASA qualifying berth in Cary, NC on August 5 and 6.

On July 14-16, Gate City Baptist Church hosted the annual PBA Men's Softball Tournament at their recreation field on Hilltop Road. Eight churches participated in the association tournament. Gate City Baptist Church won the tournament championship with Guilford Baptist Church finishing second and Parkway Baptist Church third.

On August 19 and 20, Gate City Baptist Church and First Baptist Church of Summerfield represented the association in the State Baptist Men's Regional Tournament in Fayetteville, NC. Gate City Baptist Church finished first and on August 26 and 27 represented the association in the State tournament in Winston Salem, NC.

Golf

On September 10, 1988, the fourth annual PBA Invitational Golf Tournament was held at the Bel-Aire Golf Course. Thirty-six teams from twenty-two association churches participated in the tournament. Rankin Baptist Church won the first place team championship with Lawndale Baptist Church finishing second and First Baptist Church Greensboro third.

Basketball

During 1987/88 the adult men's basketball league was conducted by Hunter Hills Baptist Church. Ten teams from PBA churches participated in the league. Hunter Hills Baptist Church won the league championship.

Recreation in a Christian environment can often serve as an effective ministry for our associational churches. Pray that we will be able to expand our programs in 1988/89.

Randy Minix, Director

CHURCH SECRETARIES' CONFERENCE

The Church Secretaries' Conference meets quarterly on Thursdays in December, March, June and September. Hosts for the 1987-88 year were Sixteenth Street Church, Southeast Church, the Piedmont Baptist Association and Magnolia Street Church.

The meetings provide a time for luncheon fellowship, inspiration and encouragement as we draw wisdom and insight from each other and from the informative programs shared by invited guest speakers on a variety of topics. The Program Committee provided excellent glimpses into several vital ministries this year. Rev. and Mrs. Hoa Duc Vo and Bay Pham, of the PBA Vietnamese Mission, opened many hearts to the Christ-centered ministry they are providing for refugees settling in our area. PBA chaplain, Bob Caffin, shared some of his experiences in the great work being accomplished through the jail ministry. The September meeting was a "first" as the secretaries invited their pastors and other church staff for a "Bosses Day" luncheon. Rev. Marilyn Cirulis of Urban Ministry challenged all as she shared the overwhelming needs of the poor and homeless of Guilford County.

The Church Secetaries' Conference adopted a motion from the Benevolence Committee to establish an ongoing missions fund among the secretaries to seek to meet financial needs we become aware of. Our first project has been to encourage the Vietnamese Ministry by giving free will offerings at our meetings as well as seeking to share Rev. Vo's specific needs with our individual churches.

Several of our secretaries plan to attend the Church Secretaries' Conference at Caraway on November 7-9.

We extend a special invitation to all church secretaries to join our meetings each quarter.

Natalie M. Barber, President

CHAPLAINCY MINISTRY

Guilford County Law Enforcement Center
Bob Caffin, Chaplain

Although I have been chaplain for the Sheriff's Department only a half-year, I have come to appreciate the ministry provided by the Piedmont Baptist Association to the Sheriff's Department. I also have a deep appreciation for the dedication and commitment to the Lord's work of Chaplains Beauford Smith and Reginald Cook. The "team spirit" in which we function makes my task one of delight.

To you, the churches of our Association, I express my sincere appreciation for your prayer support and for providing the necessary hygiene items which open the door for your chaplaincy staff to share the message of Jesus Christ. The message that "God cares" brings a ray of hope to inmates and to their families and loved ones. This ministry is a vital link for them.

There are the dedicated and committed officers and staff of the Law Enforcement Center who work under very difficult situations. Here, in the midst of daily human drama, the chaplaincy ministry becomes a source of strength and encouragement. The chaplain becomes a trusted friend, knowing he can identify with the officer or staff person as a "law enforcement chaplain." They in turn can confide in him as friend and/or counselor in whom they can share their most inner feelings. Most of all, the chaplain is a minister of the Lord Jesus Christ who symbolizes God's love reaching out to them that they might come to know Him and the power of His resurrection.

Is the chaplaincy ministry worthwhile? Well, I think so Allowing us (the chaplains) to be a "team member" has opened the door to share Christ. We have seen many come to know Jesus Christ and others to rededicate their life to Him. The Piedmont Baptist Association's willingness to support a chaplaincy ministry to the Sheriff's Department will make a difference in the lives of those whom God leads across our path. As one officer expressed to me, "I am glad you are here as my pastor."

May God give us wisdom and an inner fire to keep the flames of evangelism burning bright-To God Be The Glory! Phil. 1:6 "Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ."

Reginald Cook, Associate Chaplain

Greetings in the name of our Lord and Saviour, Jesus Christ. Another year has come and gone and the Lord is still blessing this ministry.

This year the Lord has used me to provide transportation for four inmates who accepted Christ and were to be baptized in our local churches. One of these inmates, who accepted Christ at Sandy Ridge Prison, has gone on to be with the Lord. "Donald", his first name, was fifty years old before he really made it right with the Lord. Donald died in a prison hospital.

If we would sit back and look at these ministries with a spiritual eye, we would see God at work. God has saved people who's hearts have been hard because all they knew was pleasure, pleasure, pleasure. In this ministry we try our best to put God first. We try not to let our little light go dim. We try to love those who do not believe like we do, we try to be a friend to everyone who will let us be a friend.

Piedmont Baptist Association, may the Lord bless you for the work you are doing in the chaplaincy ministry. I personally thank all of you for the prayers, support, and love you have given me over the last five years. I also thank God for Beauford, David and Bob for their love and patience while we work together in God's vineyard.

Greensboro Police Department

The chaplaincy to the Police Department continues to be a vibrant ministry. This years work has been one of ministering to deep personal issues and crisis. Each year members of the department grow more trusting of the ministry and come to me with deeper and more personal concerns. This year we have dealt with some extremely stressful and painful problems.

The police profession, nationwide, has a divorce rate of eighty- five percent (85%). For women with five years service this divorce rate is one hundred percent (100%). There is great stress which leads to destructive family situations and very painfull broken relationships. The result is much pain, separation and destruction to the lives involved to both spouses and children. The chaplain represents a presence of the love, care and ministry of God.

This year I have participated in a World Mission Conference with the Home Mission Board; hosted the International Conference of Police Chaplains Mid-East Regional Workshops; attended the I.C.P.C. Annual Training Seminar in Baltimore, Maryland; and this ministry was a focus of Baptist State Convention's State Mission Offering promotional materials.

We have offered more than two hundred (200) hours of individual, marriage and family counseling, some two hundred fifty (250) pastoral contacts (hospital visits, funerals, home visits, etc.), participated in some one hundred (100) departmental functions including invocations for retirement dinners, a role model program, seminars, recruit school graduation, etc., and training special teams such as hostage negotiators and peer counselors.

I represented the Police Department and Piedmont Baptists at Cone Hospital this summer when a N. C. Highway Patrolman was fatally injured and his young wife, parents, and family grieved and waited for his inevitable death to occur.

I wish I could adequately convey to you the extent of this ministry across the five hundred twenty-five (525) members of this department and their families (some two thousand people) and beyond to people it effects.

Piedmont Baptist Association did well to follow God in this area of ministry.

Thank you for letting me be your ministry voice in this chaplaincy.

SANDY RIDGE PRISON UNIT

David Fleming

Someone once said, "A song isn't a song until you sing it. A bell isn't a bell until you ring it, and love isn't love until you give it away." The ministry in Sandy Ridge Prison is truly a ministry of love to those who have often never experienced love. To those who often feel there is no hope. In sharing Christian love with these inmates, we have an opportunity to set an example of how God can change lives and turn hate into love, rebellion into submission, discontentment into peace and sadness into joy. Many of these men, for the first time, have felt the love of God, have received Jesus Christ and now have hope. This is why the members of our churches in the PBA are enthusiastic about serving God through the prison ministry. We thank God for providing us with so many concerned Christians interested in witnessing to prison inmates.

We have ministered in many ways to the inmates and their families-food, emergency shelter and other aid has been provided. Also, members of our churches have provided and participated in various services and programs in the prison unit such as: a special Thanksgiving service, several Christmas parties, Christmas gifts for staff and inmates, Christmas gifts for inmates' children, New Years Eve Watchnight Service, Easter Sunrise Service, Mother's Day Service, cook-outs, ballgames, ice cream fellowships, transportation for inmates and employment for inmates.

We now have at least ten ex-inmates who are in the ministry. Two men this year have surrendered to the call of God to enter the ministry. Six were baptized in various churches in our association and others upon their release have joined a church in the Piedmont Baptist Association. There are probably others, whom we are not aware of, whose lives have been changed by this ministry.

The inmates provided a Christmas party for the children in the County Detention Home. Some of them visited there to share their testimonies and also spoke in several of our local churches.

God continues to bless as we are open and yielded to His will.

Beauford Smith

Another year has quickly passed by. As I reflect upon the jail ministry for the past year, the most important thing that stands out is the patient love of God. God's redeeming love has given new hope and life to many of the men and women incarcerated at the Guilford County Jail.

The good news to the incarcerated is made possible because the churches of the Piedmont Baptist Association care about people in need. That care is shown in the distribution of hygiene items, Bibles, magazines, tracks, paper, pencils, envelopes, and various other things.

Many families of inmates call the chaplain's office for information and guidance. From time to time, there is the unpleasant task of notifying an inmate of a family death, but with prayer and God's Word there is comfort to a grieving heart.

This has been a very stressful year for many of the officers working at the jail. The jail has been overcrowded, shifts have been short of personnel, and many changes have taken place. We were able to counsel and share with many of the officers in their time of need.

God has blessed the jail ministry this year in that we were able to see 203 men and women accept Jesus Christ as their personal Saviour. There were over 65 rededications, more than 450 Bible studies, and over 350 individual counseling sessions.

It has been a joy this year for me to work with Bob Caffin and Reginald Cook. Pray for us as we serve God in the jail ministry.

I am thankful for the privilege to serve God and the Piedmont Baptist Association as a chaplain.

EMERGENCY HOSPITAL HOUSING MINISTRY

This ministry is directed primarily to family members of local hospital patients who are critically or terminally ill, or have been injured in an accident far away from their homes. Due to these circumstances, families come to our city to be with the patients during or for part of their stay in the hospital.

The chaplains of our hospitals or designated hospital personnel call upon us to provide lodging, sometimes transportation and help in other areas. It is directed to those who cannot afford lodging expenses and otherwise would sit and sleep in the waiting rooms of the hospital or in their cars.

Another area of ministry was requested of us for three people from homes in California, South Dakota, and Austria. Due to earlier dismissal of patients by hospitals, these three people were released with no place to go and no one to help them. One was on crutches, another wore a steel back and neck brace, and the other was very weak. Some of our Baptist people picked them up from the hospital, took them to the motels, personally brought food, ran errands, and then delivered them to the airport or bus station to go home.

In every opportunity I heard the compassion and love our Piedmont Baptist Association felt for these people and it was expressed to them through a witness of kindness, consideration and sharing God's love through service.

FAMILY MINISTRY

The Family Ministry emphasis in the 1987-88 associational year consisted of continued growth and endorsement of the counseling center.

In the one year and three months since beginning this ministry, more than 75 families and individuals have been seen for on-going counseling. Many others have been short term situations for assessment, information, referrals, on and on. The age range of those helped has been from 7 to 70 with a wide range of socio-economic backgrounds. Numerous church preferences have been represented...Methodist, Presbyterian, Catholic, Independent, Moravian, unchurched and, of course, many Baptists.

The center has served as a resource for pastors in locating helpful sources for their church members in dealing with a variety of physical, mental, emotional or spiritual needs.

Lawndale Baptist Church continues to show their caring concern for the people of Greensboro by providing space for the counseling ministry. For their generosity, the association continues to be grateful.

Having gone from empty files to numerous families committed to Jesus Christ, we feel more excited and more committed to this ministry. What a wonderful beginning! God has truly shown us that He is using this ministry to His Glory!

INTERNATIONAL STUDENT MINISTRY

During the 1987-88 school year the International Student Committee sponsored five events made successful by the hard work of WMU's, International Student Friend Families, and other interested individuals. Those events were the fall picnic at Bryan Park, Thanksgiving dinner at First Baptist Church Greensboro, a Valentine party at Sedgefield Baptist Church, a spring picnic at Dr. Vaughan's farm and a summer mountain trip to Mabry's Mill. Also for the first time and with the Association's help, three international students from this area attended Student Week at Ridgecrest in August.

The Friend Family program continues to link international students with PBA church members giving students contact with Americans and Christians whom they may not meet otherwise and permitting the individuals involved to be in Foreign Missions and ministry at home. This year has seen the addition of new Friend Families from churches where there were none in the past and also the growth of the numbers in some already participating churches. There is always a need for individuals who care and are interested in international students in this city. Anyone interested in participating should contact the associational office.

International student ministry took a new dimension thanks to the cooperative efforts of the Association and the Department of Youth and Campus Ministries of the North Carolina Baptist State Convention. As part of a ministry practicum, I have joined with you to help provide a more direct, personal contact with international students on the campuses across the city. Effort also is being made to continue to develop the network of support for the ministry both in the local churches and in the colleges.

1988-89 academic year began with a rain dampened but successful fall picnic thanks to First Baptist Church Greensboro and their generosity in allowing the use of their facilities at the last minute. The committee continues to look ahead and plan the annual events-all positive Christian impressions on the students. The next scheduled event is the Thanksgiving dinner to be held on November 19. Come and bring a covered dish to share. Call the association office for details. Also this fall it is anticipated that a group of students will attend an International Student Conference at Mars Hill College. Commit yourselves to prayerful support of these students from all over the world whom God has directed to this place at this special time. May we all, students and PBA church members, be open to the moving of God's Spirit.

Scott Wright, International Student Coordinator

CHURCH EXTENSION

Church Extension in Piedmont Baptist Association has taken a giant stride this year in three areas: First, our association employed a director for this work as of August 1, 1988, Barry Nealy. Second, we altered the name of our council to comply with current Southern Baptist Convention jargon. We now have an Associational Missions Development Council. This change includes a concept, not merely a name.

PBA will seek to develop missions within and through local churches rather than on a denominational level. The AMD council formed three work groups to facilitate the flow of information needed to best advise new churches. New policies adopted this month require all new work to relate to PBA through a sponsor church.

Finally a cooperative committee for each new mission church should improve joint decisions and enhance communications.

Barry Nealy

LITERACY

It all began in late summer of 1979. As associational WMU Mission Action Director, I sat in on a local literacy workshop and was impressed with the work. I later went to Rev. Cunnup, our Director of Missions, and told him about the workshop and suggested it would be good if we promoted it as one of our ministries.

He agreed and asked if he could present my name to the nominating committee as the director of literacy in our association. I said yes, was elected, and have been in our literacy ministry for nine years.

We had our first workshop in January 1980 with Mrs. Mary Allred from Nashville, Tennessee coming to lead us and we have continued to have one or two workshops each year. The last few years Mrs. Velma McGee from Winston Salem has come to lead them.

You have heard me say again and again what an exciting, rewarding and challenging experience it is to help someone to read or read better; and yes, I must say we have had some heartbreaks, too, through these years.

This has been a regular year of placing student and teacher together across our area and praying for them as they advance in the great "R" of reading.

It was so good to hear from Jill Foster that she had dismissed her student, a lady age 65, since she has completed all our skill books 1, 2, 3 and 4 and has now moved on to higher reading on her own. Congratulations to Jill and her student.

Another story that makes us feel good is about the lady 65 years old who called us for help with reading. Her husband passed away last year and she had always depended on him for details and information in life, now she must learn to read to take care of herself. She was so pleased when teacher Jean Ellis stepped in to help her. What a blessing as she learns.

Ola Lea McGinnis continues to help students in her area of Climax. This time it is a man 38 years old. This is the way the ministry works. We have teachers all across our Piedmont and she is so cooperative to always help students in her area.

This happens again and again as we continue to place teacher and student together in our quiet ministry. We wish more would come forward for our help but we must wait for them.

We have not been able to have our annual workshop. We did have it scheduled for May 1988 with Mrs. McGee but due to her brother's illness and the recent death of his wife, she felt it necessary to go to South Carolina and assist her family.

However, we have been able to reschedule the workshop for November 3, 4, and 5 with Beverly Alford as our teacher. The workshop will be at the association office and the cost will be $12.00 for materials.

In closing this report, let me introduce to you Mrs. Myrtle Ballard of First Baptist Church Greensboro, as your new Literacy Director and let me say what a privilege and blessing it has been to work with you in this ministry.

Pray for Myrtle and pray for me as I move on to whatever the Lord has for me to do.

Good luck and God bless you Myrtle.

EXECUTIVE BOARD MEETINGS
OF THE
PIEDMONT BAPTIST ASSOCIATION

October 1988 - July 1989

The Executive Board of the Piedmont Baptist Association met at the First Baptist Church Summerfield on October 17, 1988.

Jimmy Workman, Moderator, called the meeting to order. Dr. Wilson Stewart, Pastor of the host church, gave a welcome, read scripture from Matthew 28 and had prayer.

The minutes were read by Betty Ashburn and approved.

Dr. Stewart, chairman of the Finance Committee, reviewed the treasurer's report in the absence of Lee King. He brought to our attention that Piedmont Baptist Association had received the largest receipts in the month of September ever received. He thanked all the churches for their support. He also stated that the Shubal Stearns Offering had not done as well as in years past. Dr. Stewart further stated the balance in the operating fund was in the red, reason being, expenditures that were not in the budget had to come out of the general fund. He explained that having the reserve fund is for use in a case like this. In light of the financial situation, Dr. Stewart presented a recommendation from the Finance Committee that the Moderator appoint a special committee to study the funding needs of the proposed 1988-89 budget, results of which will be brought to the Annual Meeting. The Recommendaton was seconded and approved.

There was no old business.

NEW BUSINESS:

Rev. Barry Nealy, Church Extension Director, submitted recommendations by the Church Extension Council as listed:

1. All New work requiring assistance from this association will relate to Piedmont Baptist Association through a sponsor church.
2. A sponsor church shall be a full member of Piedmont Baptist Association, not one under watchcare.
3. The sponsor church has primary responsibility for supervision of the new work.
4. A Cooperative Committee shall be formed to initiate, review and advise each new work. This committee shall be composed of the following people: pastor of sponsoring church, pastor of new work, members of new work (2 or 3), Director of Missions (PBA), Church Extension Director (PBA), missions development council of sponsoring church, member of associational missions development council, representative of missions department of the Baptist State Convention

5. Cooperative agreement must be signed by all parties prior to any consideration of outside funding.

6. Majority of members of associational missions development council (AMDC) must validate funding agreements.

After a question and answer period, the recommendation was seconded and approved.

Sanford Smith, chairman of the Properties Committee, gave the report of the committee, stating three years ago the Annual Meeting voted to sell the Lakewood property. Shortly thereafter, Kriegsman Realty was engaged to assist in selling the property. During that time several offers were made. In August, 1988 Mr. William T. Stover made an offer which was rejected. Since then the committee has renegotiated with him. Another organization was interested in the property to place manufactured homes on. The committee, in final negotiation, on October 6, 1988 reviewed the proposals. The proposal submitted by Mr. Stover was superior to the other offer. Therefore, the committee made this recommendation:

1) That we sell the Lakewood property to William T. Stover for $225,009.60.

2) Approve the sale of the tractor and ladder (articles for sale at Lakewood) to James Allred for $471.40.

3) Reject the bid of Southside Baptist Church for kitchen and other equipment at Lakewood. Note: These items are included in the sale of the property.

Sanford Smith explained the conditions of the offer made by Mr. William T. Stover. A down payment of $5,000 has been received and $40,000 is to be paid at closing with the balance of $180,000 to be paid over a period of five (5) years in equal payments of $36,000 plus accrued interest, bringing the total to $278,865.36. He further stated that the realtor recommended acceptance of this offer. Although it was announced that another offer was made as Mr. Smith arrived at the meeting, it was felt best not to consider the offer since there was not sufficient time to properly evaluate it. It was recommended that the proposal which was made in three parts be considered separately. First it was moved and seconded that we sell the Lakewood property to William T. Stover for $225,009.60 under the conditions recommended above. After some discussion the motion was approved by an overwhelming majority. Second it was moved and seconded that the tractor and ladder be sold to James Allred for $471.40. Third rejecting the bid from Southside Baptist Church for kitchen and other equipment at Lakewood was seconded and approved.

Question was raised as to whether the proceeds from the sale of Lakewood had been designated for certain use. Sanford Smith said that it was stated at the Annual Meeting the proceeds would be designated to pay off the mortgage of the present Piedmont

Baptist Association office building and the balance to be used for an inner-city Baptist Center.

John Setchfield, associational Sunday School/ASSISTeam director, made a recommendation that dates of the Annual Meeting be changed in order to have the Enrollment and Training Clinic on October 21-29, 1989. The recommendation was seconded. Discussion included the purpose of the clinic:

TO HELP YOUR CHURCH....

1. Discover and reach lost persons in your community
2. Enroll prospects in Bible study
3. Enlarge your Sunday School organization
4. Discover, enlist, and train new Sunday School workers
5. Train Sunday School workers in teaching improvement

Schedule of PBA Enrollment Training Clinic, October 21-29:

Introduction - January 12
Preparation #1 - February 16
Preparation #2 - June 1
Preparation #3 - September 14

He further stated the Evangelism Committee and ASSISTeam has agreed to work together. John Setchfield said Robert Stewart of the State Convention and the Moderator worked together months ago to set this date and also the State Convention has begun to list, tentatively, people that will serve. Dr. Blackmon, director of missions, read the Constitution requirements for changing the date for the Annual Meeting and stated there would be no problem. He said possibly the date for the meeting will be set the first week of November. Rev. Victor Dowd moved to accept the recommendation, it was seconded and approved. John Setchfield said they would be in touch with the churches.

Rick Elmore, chairman of the Evaluation and Planning Committee, reported this committee was formed July, 1988 and members appointed were Jim Palmer, Charles Ripley, Jill Foster, John Lane, Sanford Smith. The committee was assigned to check out the tract of land on Lee Street at I-85, 57 acres; work with the donor, Dr. Ed Vaughan, and the associational council; and report the evaluation of the land and the 5 Year Plan. Rev. Elmore expressed the excitement he had for the great possibilities the land offered for the association. He stated Dr. Vaughan had expressed his desire of having a retirement home put there. With the house, ball diamond, pavilion, etc. taxes paid on the property are $1,300 however the association would not have to pay any tax. There are several options for a nonprofit organization. Also, the State Highway Department wants to purchase 12 acres for right-away. A decision has to be made on the property by December 1, 1988 or Dr. Vaughan will withdraw his offer.

Dr. Blackmon was called on to give a report on Acts. He stated, the Radio and Television Commission have been operating

Acts and is apparently in the process of a different kind of an arrangement with Acts. Not knowing what the current statis of that investment is, he felt we needed to find out because of the churches in our association who have been involved in putting Acts on Cable and have other funds available for that. Therefore, he asked that the moderator be permitted to appoint a committee of three people, who are or have been involved with Acts, to study what is being done and what affect it has or will have on us. The recommendation was seconded and approved.

Sanford Smith gave a report on the Sao Paulo Committee. Probe, new mission work, is set for the second week in March, 1989, and lay-renewal for April 5-17. He said the PBA has been working with the North Carolina Baptist Men encouraging four or five of our local churches to form teams to go to Sao Paulo in April for lay-renewal. Five to seven teams are needed.

Mr. Smith stated the Evangelism council will be going August 31 and September 11 and will involve pastors.

Richard Poindexter, chairman of the Credentials Committee, on behalf of the committee recommended that Peace Baptist Church be accepted under the watchcare of the Piedmont Baptist Association. Evaluaton and observation will be done by the Credentials Committee quarterly throughout the year of watchcare. The motion was seconded. Rev. Poindexter stated that Rev. Tony Horne is the pastor and they are meeting at 137 Rocky Knoll Circle. The committee met with them six times during the year and reviewed their enrollment, by-laws and constitution and financial statis. They plan to purchase land and work with the association. There is no sponsor church. The recommendation was voted on, seconded and approved.

Rev. Poindexter further stated the committee will recommend at the Annual Meeting that Cornerstone Baptist Church be received into the association as an affiliated church. The committee had also been meeting with New Beginnings and will be making recommendations.

Jimmy Workman brought attention to the Annual Meeting October 27-28, 1988 and the Executive Board Meetings for 1989. The first Executive Board meeting will be January 16 at Lawndale; April 17 at First Baptist Greensboro; July 17 at Southeast and October 16 at Bessemer.

The meeting was adjourned and Rick Elmore closed with prayer.

The Executive Board of the Piedmont Baptist Association met at Lawndale Baptist Church on January 16, 1989.

Vice Moderator, Wilson Stewart, called the meeting to order. Rick Elmore, the host pastor, brought a word of welcome to those present and invited everyone to remain after the meeting for a time of refreshments and fellowship. Then after reading from Ephesians 3, Rev. Elmore led in prayer.

Minutes of the previous meeting, October 17, 1988, were presented by Alita Blackmon and approved as presented.

The treasurer's report was presented by Wilson Stewart for the months of October, November and December. A copy of this report is annexed to these minutes. It was pointed out that the financial statement is being presented in a new format, hopefully, more easily understood. It was pointed out that about $25,000.00 a month is needed to meet the operating budget of the Association and only about $21,000.00 to $22,000.00 is being received each month, which results in about a $4,000.00 per month deficit. Board members were asked to promote giving to the Association in their respective churches so that the present ministries of the Association will not suffer cut-backs and so that new, proposed work can be implemented.

The following proposals were submitted to use funds from designated accounts:

1) $600.00 per month from the Shubal Stearns-1987 account to help Scott Wright with international student ministries.

2) $1,000.00 per month from the Baptist State Convention for Church Extension.

3) $1,000.00 per month for 6 months from Baptist State Convention Language Chaplain; and

4) $100.00 per month for 5 months from Baptist State Convention Language Chaplain for refugee relocation ministry.

5) $768.00 per month from the Lakewood property receipts for the payment on the 1030 Homeland Avenue property.

A motion was made by Wilson Stewart, representing the Financial Review Committee (Chairmen of Finance, Personnel and Stewardship Committees), that out of the money received from the sale of the Lakewood property that we hold this money in account drawing interest, but that $768.00 per month be used to pay against the note of our association office on Homeland Avenue. After noting that the figure on the building debt is about $31,000.00, the motion was voted and approved.

A motion was made by Wilson Stewart that we use $5,000.00 out of the $21,000.00 plus, also from the Lakewood receipts, for the Lee Street property for any initial expense, surveys, etc., involved in getting this project underway. The motion passed with two opposing votes.

Sanford Smith brought a final report on the sale of the Lakewood Property. The final survey shows 85.23 acres and the final selling price was $224,228.84. The first payment of $48,713.34 was made at closing. Out of this a 10% realtor's fee was paid as well as $250.00 to Sam Johnson for attorney's fees. This left a balance of $21,275.46. The contract calls for 5 equal installments of $36,000.00 per year plus 9% interest on the outstanding balance.

	Principal	Interest	Total
Due November, 1989	$36,000	$16,200	$52,200
2nd Year	36,000	12,960	48,960
3rd Year	36,000	9,720	45,720
4th Year	36,000	6,480	42,480
5th Year	36,000	3,240	39,240

After the 5 years, a total of $275,865.36 will have been paid. The Association asked of the buyer a 2-acre tract situated on Lakewood Road for the future development of a church and this was granted.

In presenting a report from the Sao Paulo project, Sanford Smith asked that each church present names of people to compose a steering committee. These names need to be submitted before the March meeting. It is hoped that a prayer ministry can soon be started to pray for the Sao Paulo project. It was said that it is necessary to keep requests and information before our churches.

Appreciation was expressed to Sanford Smith for his time and work done for the Association.

New Business

1) Senior Adult Day Care Ministry

Dennis Blackmon stated that a few months ago concern was expressed by Friendly Avenue Baptist Church through Austin Lovin, for senior adults who are in need of day care services. There are a number of such facilities in the area but are quite expensive. It was recommended that we study the possibility of using some of our church facilities in strategic locations to meet the need of these senior adults and that a committee be appointed to do this study and bring their findings to the next meeting of the Executive Board.

Motion was made by G. H. Vaughan to appoint such a committee to study these needs and possible facilities. Motion passed.

Committee appointed is: Austin Lovin, Herb Meadows, Shirley Barricks.

2) Benevolence Ministries

It was recommended that a committee be appointed to do a study with our churches and find out where we have the greatest need for benevolent ministries (food, clothing, help with utilities, etc.) and indicate churches strategically located and pool our resources to meet the needs of those needing help.

Motion was made by Rick Elmore to accept this recommendation and appoint a committee to carry out the study. Motion passed.

Committee appointed is: Ruth Cunnup, G. H. Vaughan, Judy Yelton.

After this report, Dr. Blackmon presented the Associational Sunday School Leadership Diploma from the State Sunday School Department to James Wray for his completion of a Sunday School study course.

G. H. Vaughan brought information on the Associational Sunday School Clinic to be held October 21-29, 1989. There will be 3 preparation meetings. The first will be held on February 16 at the First Baptist Church in Greensboro. The second will be in June and the third in September. At the February 16th. meeting information will be given about how to organize the committees in the church and how to direct them and bring them into the planning process. It was pointed out that it takes months of planning to be successful.

Bruce Anthony, church training director, pointed out that there are several churches in our Association where nothing is happening in the area of Church Training. On January 26 at Florida Street Church, Tommy Dickson will be coming from the State Department of Church Training to give us some help in this area. Pastors, church training directors and other interested persons are urged to attend.

The next meeting of the Piedmont Baptist Association will be held on April 17 at First Baptist Church, Greensboro.

There being no further business, the meeting was adjourned with prayer.

The executive board of the Piedmont Baptist Association met at the First Baptist Church Greensboro on April 17, 1989.

Moderator Jimmy Workman called the meeting to order. John Setchfield welcomed those present on behalf of First Baptist Church and then read from Proverbs and opened with prayer.

Minutes of the January 16 meeting were approved as presented. The treasurer's report given by Lee King was approved as presented and is annexed to these minutes.

The personnel committee report was presented by Wade Wylie. It was stated that because of the financial situation of the association, cost of living increases in salaries could not be recommended. Last year for the current budget, the only increases in salary were for the PBA participation in the Annuity Program. For the 1989-90 budget, the increases in salary would be 2%. A motion was made as follows:

Due to the financial difficulty, the PBA has experienced over the past six months or so, the salary increases could not be kept up to the cost of living, nor in the case of the Director of Missions with the increase authorized in the special meeting of May, 1988. Therefore, it is recommended that if possible the increases over the next two years be enough to make up for these inadequacies.

After much discussion concerning the cost of living index, the reality of the budget situation and the desire to see more increase in the salaries, John Setchfield moved to table the recommendation from the personnel committee until after the finance budget committee report.

Monica Long presented the finance committee report. It was noted that this year the Shubal Stearns part of the budget was separated from the rest of the budget. After discussion, a motion was made to approve the proposed budget as printed. Bruce Anthony brought an amendment to the motion to accept the proposed budget as presented but to instruct the budget finance committee to look over the entire budget again, including the Shubal Stearns challenge budget, and try to see if they can come up with a way to give a 4% increase for staff salaries instead of 2%. The amended motion was noted and passed. A copy of the finance Committee report along with the proposed budget is annexed.

The recommendation from the personnel committeee is to be kept on the table until the next meeting of the executive board.

Edwin Chenoweth presented the nominating committee's report and moved its acceptance. The report was approved as presented and is annexed.

Two upcoming events were brought to the attention of the executive board by Dean Sisk:

1) The Bold Mission Stewardship Conference and lunch is to be held at Florida Street Baptist Church on April 25 at 10:30 a.m. Pastors, stewardship chairpersons, finance committee chairpersons and church treasurers are urged to attend.

2) The annual Shubal Stearns missions banquet is set for Tuesday, May 9, 6:30 p.m., at Florida Street Baptist Church. The theme is to be "We Care Because Jesus Cares."

The Here's Hope Simultaneous Revival meetings are scheduled for April 1-8, 1990. The PBA office needs to know which churches will be participating and the dates each church has set aside for their revival services.

Mary Pearson, family counselor for the PBA, shared that in counseling she has been asked many questions. Some of those questions and their answers are as follows: "Is your counseling based on the Bible?" "Yes, it is." "Do you pray with the clients?" "yes." "Have you had anybody else come in with a problem like mine?" "Yes." "How much does counseling cost?" "Fees are based on a sliding scale according to the income of the individual." "Have you got a couch?" "No, but Lawndale Baptist Church provides a comfortable office in which to work." Mary shared that her work gives her an opportunity to talk with people and to try to help them put the pieces of their lives together in an overall "puzzle" that better fits God's plan for their individual lives.

Judy Yelton presented the Crisis Ministry report. A desire for help was expressed in planning and getting this ministry activated. A meeting is scheduled on April 24 at Florida Street Baptist Church at 7:00 p.m. and on April 25 at Rankin, Parkway and Clifton Road Churches at 7:00 p.m. for input and discussion of the Crisis Ministry. The PBA was divided into four areas hosted by one of the above four churches.

Dr. Blackmon stated that the association is still working on the various aspects concerning the property given by Dr. Vaughan. Plans are being attempted to relate to the total plans of the association. A more detailed report is expected in the near future.

Concerning the Sao Paulo Partnership, Dr. Blackmon stated that definite plans are underway to take a team to Brazil leaving on the 30th. of August. The team will do personal evangelism during the afternoons and hold evening revival services in various mission points in the city. At the present time there are invitations from six mission points. There is a need for at least nine people to go. It was asked that all of the churches be praying about the need for people to volunteer to go, also for financial needs of those going, whether or not your church is participating. When the team returns, it is hoped that they will be able to share their experiences in the churches of the association.

The association is looking into the possibility of matching up with a second association in Sao Paulo. The churches are asked to be in prayer about this. Also in the near future each church will be matched with a church in Brazil. This way the churches can share prayer needs with each other as well as pray for the partnership effort.

Dr. Blackmon said he appreciates the good attitude that the association has about the financial situation we are in and also the ministry and mission that we have in this association. He said that God has presented us with some unusual opportunities in foreign mission ministry with the Vietnamese and international students. Also the Shubal Stearns increased goal indicates a desire to try to meet the needs around us. Dr. Blackmon challenged the churches to give $5.00 per resident member (last year's giving amounted to only .30 per resident member). He said we need to start new churches to reach out to the unchurched in Greensboro. Close to 60% of the people in Greensboro are not affiliated with a local church. He said that together there is no limit to what we can do in this area. We can have an impact for Jesus Christ.

James D. Ray was recognized by Bruce Anthony and presented with two associational leadership diplomas for the completion of a course designed to equip associational leaders and for the completion of a course designed to equip associational pastoral ministries.

There being no further business, the meeting was adjourned.

The executive board of the Piedmont Baptist Association met at the Southeast Baptist Church on July 17, 1989.

Moderator, Jimmy Workman called the meeting to order. Henry

Newton, associate pastor of Southeast Baptist Church, welcomed the executive board on behalf of the church. He then read from Ephesians, Chapter 1 and led in prayer.

The treasurer's report was given by Lee King. It was noted that the receipts for April and May were good, but had declined in June. This report is annexed to these minutes.

The personnel committee report was given by Wade Wylie. It was noted that at the last meeting a 2% increase in salaries was recommended, but a 4% increase was voted. The budget was reworked and these increases are reflected in the proposed budget. A motion was made to recommend that Beauford Smith continue in the Sheriff's Department as chaplain, and that Reginald Cook go full-time at the jail, both effective October 1, 1989. Also due to the increased responsibilities of Beauford and Reggie, their salaries were increased as shown on the budget. This motion was voted and passed.

Monica Long brought the report of the budget-finance committee. It was pointed out that the rate of spending for the nine month period was $296,000. It is estimated that we will be able to come in somewhat above the budget. It was noted that this year's budget is a realistic one. The motion was made to approve the proposed budget as presented to go to the annual meeting. The motion was voted and passed.

A word of appreciation was expressed both to the finance committee and personnel committee for a job well done.

The nominating committee report was given and approved as presented.

Dennis Blackmon gave a report of the Annual Meeting program committee. The committee recommends that we experiment during the next year instead of having an Annual Meeting, we have two general meetings: one in November to meet one day in which the annual sermon would be heard. The meeting would be held during the morning and afternoon. Then in the Spring have another meeting dealing with budget-finance matters as well as nominating committee reports. At this meeting the doctrinal message would be heard. The meeting would be held at the same time as the WMU annual meeting. It would begin on an afternoon, then have an evening meal, afterwards the doctrinal and missions messages would be heard. A constitutional change is not being proposed at this time, only a trial period of one or maybe two years. It is thought that perhaps this method would involve more people in our Annual Meeting. A motion was made to accept the recommendation from the committee. The motion was voted and passed.

The minutes of the April 17, 1989 executive board meeting were presented and approved as presented.

John Setchfield brought the Sunday School report. It was stated that the VBS clinic was a great success. Training opportunities in the month of August were noted. Clinics will be held in how to do effective home Bible studies.

The "Here's Hope" emphasis was reported on by Dennis Blackmon. Preparation is being made for Scripture distribution and door-to-door contacts in preparation for simultaneous revivals. All churches are encouraged to be involved.

Speakers for the Evangelism Conference were noted: On Monday night John Bisagno will be speaking, Tuesday night (youth night) Rick Stanley will be speaking, step-brother of Elvis Presley. Churches are asked to begin now to promote the Evangelism Conference.

The Sao Paulo partnership was reported on by Sanford Smith. It was noted that at least fourteen people would be going on August 30 to Sao Paulo to do one-on-one evangelism and also revival meetings. The churches were encouraged to put money in their budgets to help someone go on a partnership mission. A commissioning service is to be held on August 22 at Rocky Knoll Baptist Church for those going to Sao Paulo.

Sanford Smith, Baptist men's director, also pointed out that it is hoped to get some work started with young Baptist men and high school young men. Volunteers to help start this work are being asked for-either staff persons and or laypersons are needed. A training meeting is to be held on September 7 at Southeast Baptist Church.

Jimmy Workman presented the following motion:

Recognizing that the Piedmont Baptist Association is now incorporated and that title to all property which the Piedmont Baptist Association owns is now vested in the corporation; and further recognizing that the Piedmont Baptist Association has never formally adopted its existing constitution and by-Laws as the constitution and by-laws of the corporation-

Motion is hereby made that the constitution committee meet forthwith, and if they are so inclined, bring back a motion to be presented at the Annual Meeting of the Piedmont Baptist Association in October, 1989. Said motion to provide that Article VI of the constitution as it presently exists be changed in its entirety to read as follows:

Article VI

Legal Title To Property

Recognizing that the Piedmont Baptist Association is incorporated and that by law the corporation holds title to its property; and further recognizing that by law all corporations are required to have officers designated as president, vice president, secretary, and treasurer, the following officers as set forth in Article IV of the constitution are to serve as officers of the corporation in the following capacities:

Moderator - President, Vice Moderator - Vice President, Clerk - Secretary, Treasurer - Treasurer

The signatures of the moderator and clerk, acting as president and secretary of the corporation, shall be required as the means and the only means to effect the transfer of property owned by the corporation. Said transfer, of course, must be authorized and directed by the association as provided in these constitution and by-laws.

It is further moved that the association adopt its existing constitution and by-laws, together with Article VI of the constitution as proposed above to be amended, as the constitution and by-laws of the association. This, ofcourse, would not prevent the association from further amending the constitution and by-laws of the corporation in the future, if it be deemed appropriate.

Included in the motion made to the constitution committee is the recommendation that they consult with attorney, James W. Workman, Jr., between now and the Annual Meeting in October, 1989, concerning the above recommended motion, and if they so desire, to appoint Mr. Workman to present the motion at the Annual Meeting in his individual capacity as attorney acting for the committee not as Moderator.

The motion by Jimmy Workman was voted and passed.

Over the past few months a program has been developing to help in the area of family ministries. The Piedmont Baptist Association needs a committe to help form this new ministry. A motion was made to appoint the following people to this committee: Charles Callahan, Barbara Robinson, Rebecca Smith, Hugh Mann, Sam Bainbridge.

Chris Conner, new pastor at Gibsonville First Baptist Church, was recognized at his first meeting of the executive Board.

The next meeting of the executive board will be held at Bessemer Baptist Church on October 16, 1989.

After announcements, prayer requests were heard and Lawrence Clapp dismissed the executive board meeting with prayer.

PERSONNEL COMMITTEE

The Personnel Committee of the Piedmont Baptist Association was relatively inactive this year except for the following:

1. The chaplain to the Guilford County Sheriff's Department resigned and it was recommended that he not be replaced at this time. The full-time chaplain to the jail will perform this duty and give part-time assistance in the jail ministry. The part-time chaplain in the jail will begin full-time work with both positions receiving increased pay. This is to be effective October 1, 1989.
2. On September 21, 1989 the Personnel Committee approved a recommendation to the executive board as follows:

That the association add a position to the staff as Hispanic Church Planner. The salary to be a minimum of $19,000.00. The length of service to be two years with the possibility of being extended. The source of funding is $15,000.00 from the Baptist State Convention each year for two years with the remaining balance coming from funds currently in the budget and from the sponsoring churches. Several churches have expressed an interest in this work. This person will be fully supervised by the Church Extension Director. The State Convention will not have any involvement in supervision.

3. Routine recommendations were made to the budget committee with regards to salaries and benefits for the association staff.

Wade H. Wylie, Chairman

TRUSTEES

During fiscal 1988-89, the Board of Trustees has been called upon to act in two matters:

(1) On November 21, 1988, pursuant to the vote of the Association, the Trustees conveyed to William T. Stover, the Association's 88.175 acres on Baptist Assembly Road in Guilford County, N. C. The details of that transaction are contained in a closing statement of that date.

(2) On January 31, 1989, the Trustees accepted delivery of the gift of real estate from Dr. Edwin W. Vaughan and wife, Grace Vaughan, in accordance with an agreement of that date, which is among the Association's records.

J. Sam Johnson, Jr. serves as chairman of the Trustees, and Ernestine Myers and Roy V. Thornberry, Jr. serve as members of the board.

PROPERTIES COMMITTEE

The properties committee met on several occasions this past year. We decided to replace the carpet in the association office and also the phone system. Both these items were badly needed. My appreciation to the members of the committee: Lanny Moore, Vivian Riddle, Ralph Webb, Al Chandler, G. H. Vaughan.

EVANGELISM

The Evangelism Council has been active this year in making preparations for the "Here's Hope, America" Simultaneous Revivals April 1-8, 1990. This preparation has included enlistment of churches, publicity, evangelism training, planning a prayer seminar, and a rally for our churches.

Also, the Evangelism Council has been involved in developing plans for an evangelistic crusade to be held in conjunction with the State Evangelism Conference February 5-6, 1990, in the Greensboro Coliseum. During the evangelism sessions, the emphasis will be to present the Gospel message with an opportunity given to make a decision for Christ. PBA churches need to promote this crusade and enlist many of their members and lost people to attend.

The speakers scheduled to appear at the Evangelistic Conference include: John Bisagno; Joel Gregory; Rick Stanley; Frederick Douglas Haynes, III; Jerry Vines; and Richard Harris.

Important dates for "Here's Hope, America" preparation include:

Soul-Winning Workshop	November 11, 1989	Lawndale
Prayer Seminar Led by T. W. Hunt	January 15-16, 1990	Florida Street
Evangelism Conference	February 5-6, 1990	Greens. Coliseum

CHAPLAINCY MINISTRY

Greensboro Police Department
Wofford Boyd

This continues to be a vibrant ministry. Officers and staff continue to request services for personal, family, professional and career concerns.

Members of the Department have come to accept the ministry as another part of the departmental services provided to them. In the beginning it was seen more as a novel idea. Along with their acceptance has come fewer of the conferences dealing with surface issues. Those who do come have more and more deep, painful life issues which are really difficult-some being near impossible. Sometimes I wonder how they continue to function. It takes much more emotional energy to deal with those who have such devastating losses in their lives.

So often there is not a clear solution. But, we offer hope in that God loves, He is with us and concerned for us in the worst of these difficult times and with His help we will survive-things will get better as we find and employ the resources that God has put within each of us.

When one is looking for a way to stop the pain this information sounds hollow; however, as one goes through the process and sees it work, he learns much about himself and God.

I am also intrigued that many people, after a series of sessions, come back again as new crises arise and trigger the old weakness and pain again. It is rewarding to see that individuals have grown emotionally and spiritually in these weaker areas of their personality. Growth is evident even though there are points of crisis which the individual finds too overwhelming to manage without help. This second contact boosts their growth. I think this is what the apostle was describing when he said, "Work out your salvation with fear and trembling."

This is a very different ministry from preaching and seeing people respond to an invitation and walk down the aisle; but it is again with Paul being, "All things to all people that I may win some." People who respond to this ministry see a view of God that they probaby could not accept any other way-but it works.

Along with counseling this year, we have had three professions of faith-one of these died of cancer one week after his profession. I had taken him the Adult Vacation Bible School Study Book and asked him to read the page, "How to Become a Christian." Several weeks later he told his wife to, "Hand me that book the preacher brought." A couple of days later he told his wife, "I have talked to the Lord, and I'm ready to go. I'm too tired to keep fighting and I want to go on and get it over with." I did the funeral.

We have performed several weddings this year and two funerals, taught a program for the peer counseling team, been involved in ceremonies, participated in a World Missions Conference in Thomsville, Georgia for the Home Mission Board and attended the International Conference of Police Chaplains in Sacramento, California. I accepted an invitation to become a member of the advisory committee to the Chaplaincy Division of the Baptist State Convention and was elected Director of the Mid-East Region of International Conference of Police Chaplains.

This has been a busy and productive year. I thank you, the people and churches of Piedmont Baptist Association for letting me be your ministry voice to the Greensboro Police Department.

Guilford County Law Enforcement Center

Beauford Smith, Chaplain

The Bible says, "Lift up your eyes, and look on the fields; for they are white already to harvest." (John 4:35). I believe this Scripture best describes the ministry at the Guilford County Law Enforcement Center for this past year.

Overcrowded conditions have existed in both Greensboro and High Point jails. This condition has added extra work and stress on the officers at the jail. Also this situation has led to more tension among the inmates. Overcrowded conditions have deleted our hygiene supplies. But there is a positive side to the jail condition; it has given us more opportunities to share the Gospel of Jesus Christ.

During this year we have seen 200 men and women accept Jesus Christ as their Saviour. There were 46 who rededicated their life to the Lord, and 325 counseling sessions. We have provided 250 plus Bible sessions and studies. Let us praise God for another fruitful year at the Law Enforcement Center.

There have been many good things that have happened in our ministry this year and I want to share one of these incidents with you.

Recently I received a phone call from out of state. The wife of an inmate was very concerned about her husband being depressed. After the second counseling session this man accepted Christ as his Saviour. He shared with me a concern for his wife who was not saved. His wife came to visit him. They requested a counseling session with me concerning their marriage. At the end of the counseling session the wife accepted Christ too. Needless to say, there was great joy in their hearts.

It has been a privilege and joy for me to have worked with Reginald Cook for another year. Pray for us as Reginald works in the Detention Center full-time, and I will be spending more time working with the officers in the Sheriff's Department.

The opportunity to serve as chaplain is made possible through the Piedmont Baptist Association churches, and for this I am grateful. Thank you for allowing me to be a part of the chaplaincy ministry. Also I am thankful to the PBA staff for the help and encouragement they have given me this past year.

Reginald Cook, Chaplain

"Praise God from whom all blessings flow!" These words are some of the best I know, and we all should give praises to God every day.

Another year has come and gone again, and the Lord is still blessing the jail and prison ministry. This year has been the most challenging of the past six years. The detention center has been filled to its maximum. Many of the people here are repeats, making things more challenging than ever before. This year we have experienced almost a complete staff change, we have more rules to follow than we have ever had before.

In my own words, this year has really been rough, but God has shown me that people can change and live a life for Jesus Christ.

One Monday morning when I came to work, I received a note saying, "I need to see Chaplain Cook." I went to see this man and we began to talk. The first thing I told him was that if he wanted help, he could get help. We began to talk two times a week for the first three weeks. We talked about his life, the past, the present, and what he wanted to do about the future. This man was well educated and had a caring family, but he had something that was destroying him. As time passed, this man made it right with the Lord. After three months had passed and I had received about forty notes from this man, he wanted me to go to court with him and tell the judge about how his life had changed. After much thinking, I decided to go to court with him. I did this because I really believed he had changed and he wanted to live his life for God. I have been working here at this detention center for six years, and I have never before went to court with anyone. After much prayer, I went to court with this man, and told the judge about the change in his life. The judge gave this man two years but suspended it in order to give him a chance to prove himself. Six months has passed and this man has not returned to jail. If this man continues to praise God and live for Him, he may never go to jail agian.

To the members of the Piedmont Baptist Association, I thank you for letting me be a part of you in this great challenge of leading people to the knowledge of a saving Lord. I also give thanks to the staff at the PBA office for their kindness and their moral support to me. Last, but not least, thanks to David Fleming and Beauford Smith for being patient with me, and for working with me in the fight to win lost souls to Jesus Christ.

SANDY RIDGE PRISON UNIT

David Fleming

The inmates, their families and the correctional staff were ministred to in numerous ways throughout the year. Clothes, food, shelter, transportation, employment and other emergency needs were met by our church members who willingly shared their time and money. Several of our churches provided worship services, Bible study, song services, literature, refreshments and recreation, which aided in sharing the Gospel with prisoners.

The Christmas season has the greatest impact upon the lives of prisoners, because they experience the love of God through the Christmas gifts provided for them and their children made possible through the prison ministry of the Piedmont Baptist Association.

During the past year many lives have been touched and changed because of God's grace and our witness. We have had 16 professions of faith and 14 rededications. In my personal ministry to staff and inmates, I have had 449 counseling sessions, 23 speaking engagements and 88 contacts with ministers and volunteers, 18 PRAC classes, 28 hospital visits, 6 funerals, 4 weddings. I attended 2 workshops this year, conducted 146 worship services and 50 Bible studies.

We pray that God will continue to send us volunteers to be a part of the prison ministry in sharing a witness to help lead these men to Jesus Christ. God has blessed us with "changed lives in Sandy Ridge Prison."

WOMAN'S MISSIONARY UNION

Woman's Missionary Union has been challenged in 1988-89 with the emphasis, "A Future to Fulfill...Launching Century 2." We have continued to discover and meet needs through the age-level mission organizations.

At Mission Friend's Day Camp in May, members of the youngest WMU age-level organization explored God's Wonderful World through nature, creative activities, singing and praying. A former MK (missionary kid) from Japan, Susan Stansbury, shared missions with the children. The four and five year olds were especially delighted in seeing Mrs. Stansbury's kimono and receiving a pair of chopsticks from her. Mission Friend's leaders had several training sessions to better equip leaders.

Girls in Action are true to their organizational name-always in action or active. GA's from all of our churches had opportunities to learn about missions through study and hands on activities. Girls, grades 1-6, and their leaders participated in the associational GA Fall Round-up and Spring Fling. GA's and their families took part in the activities of GA Family Day sponsored by NC WMU. GA leaders also attended associational workshops and individual conferences for training.

Acteens spent hours working on Studiact at the Lock-In in December and Studiact training in May. Acteens from local church organizations serving on the PBA Acteen council received training during the year. The Council then assisted the association Acteen director and assistant in planning and carrying out activities throughout the year. At their banquet, the girls used their talents in providing the program for this annual event.

Debbie Nunn, BYW director, assisted several organizations during the year. She helped organize a new BYW at Southeast Church. In turn, the Baptist Young Women hosted the associational BYW banquet.

Baptist Young Women and Baptist Women gathered to pray at the Baptist Women's World Day of Prayer and Annual Prayer Retreat. Women were enlightened to needs and challenged to intercede on behalf of mission needs at home and around the world. Men and women attended the WMU Focus Banquet. Judy Knight, missionary to Yemen, was the featured speaker.

At the WMU Annual Meeting, the associational WMU council for 1989-90 was presented. Dr. Dennis Blackmon spoke briefly about the Sao Paulo Partnership. Pastor of the Vietnamese Mission, Rev. Hoa Duc Vo, told about his work and the needs of this ministry. The churches which received achievement awards were recognized.

Shannon Wyrick, Enlistment and Enlargement director, gave seminars and training for WMU leaders. WMU members in our association were given opportunity to participate in joint mission action projects. Shirley Barbee, Mission Action and Personal Witnessing director, reported a very good response in gifts to the North Carolina Women's Correctional Center and Karts for Kids.

WMU officers and age-level leaders were trained at the Manual Study and WMU Fall Leadership Workshop. Also, individual conferences were conducted to encourage and enable leaders. The WMU council received training at the NC WMU Associational Workshops.

The associational WMU council gave a Pastor/Wife Appreciation Dinner. Southside Church hosted the event and we had the pleasure of fellowship with pastors, PBA staff, and their spouses.

Woman's Missionary Union is into its second century. We will now Reach, Teach and Touch- In His Name!

BAPTIST MEN

Associational leadership training for all age-level Brotherhood work was conducted at Southeast Baptist Church September 7, 1989. Approximately forty-five men and women attended the workshop. We are in the process of recruiting a full Brotherhood council (all age-levels of work represented).

Tentative plans have been made to have quarterly meetings beginning in November 1989 to update Baptist Men and RA leaders on missions and statewide activities.

Sanford Smith, Director

SAO PAULO STEERING COMMITTEE

Fifteen missionaries from our association spent two weeks in Sao Paulo Brazil in September-Gary Byrd, Alita Blackmon, Vernon and Grace Williams, Lewis and Betty Webb, Leroy and Sara Parker, Jo Anne Bettini, Cheryl Cobb, Travis Tobin, Mike Gwinn, Ander Walker, Ed Roberts, Richard Poindexter.

Their task was to work with the churches in the Centre de Capita Association, conduct visitation and speak in the churches on the weekends. You will hear the testamonies of two of our missionaries during the annual meeting.

Another mission trip is planned for 1990. You should be making plans now to be one of our missionaries next year.

SENIOR ADULTS

The hardest thing about writing this report is knowing where to begin. There are so many things that come to mind that I could report. I'm really glad that I have the privilege of working with this group as well as being one of them.

Most of us know some people who are old enough but refuse to admit it, and will not join in the fun of being a part of this growing ministry. If you hang out, you are the loser. I wish everyone could know Alpha Isom from Sharpe Road Church. She is one of our oldest in years and yet one of the youngest in spirit. She has won our most congenial award for our last two trips. She has also won a silver and bronze metal in statewide and national shuffleboard competition. She missed our Canadian tour this year because she was going again to the national finals in shuffleboard competition. She is nearly ninety years old.

Last December on the first Monday, we fed more than 160 for our annual "Barbeque Blast" at Calvary Baptist Church. This December 4, the first Monday, we hope to see at least 200 at Hunter Hills Baptist Church gym for our barbeque cookout.

We have some tours planned for the 90's. Our council met in September to plan for the coming year. I hope more and more of you will get involved in this growing part of our work. Watch "The Challenger" for events we are planning.

Our Senior Adult Council members are: Sandra Dew, chairman; Rose Felder; Fred York

OVERNIGHT HOSPITAL-EMERGENCY HOUSING MINISTRY

Sometime ago I wrote Dennis Blackmon that I would like to be relieved as Director of the Hospital Housing Ministry. Due to the request to curtail spending, we have not approved anyone for the program in many months. Therefore, I have nothing to report at this time.

However, I recommend that when funds are available for the program, the program will be activated again. When it is, new contacts and authorizations will have to be made with motels and hospitals.

YOUTH

The youth ministry of the PBA had A wonderful year of fun and fellowship. This last year can be summed up in two words: Competition and Commitment.

In November of 1988 we had our annual volleyball tournament. First Baptist Church of Greensboro won the tournament, but everyone enjoyed it so much that we decided to have a league. March and April of 1988 saw the formation of our youth volleyball league. Twelve teams joined the league and played every other Saturday at Hunter Hills Baptist Church. This was a great time for youth to get to know and see youth from other churches in Greensboro.

March 16, 1989, was the date for the Evangelism Rally. Jim Saunders from Lankford Memorial Baptist Church, led in the enthusiastic congregational singing. S.A.L.T., a local singing group, prepared our hearts for worship. Dean Finley, youth evangelist from the Home Mission Board, delivered the message of the evening. During the invitation many decisions were made for a closer relationship with Jesus.

This coming year promises to be an even stronger year of youth ministry within the PBA. The youth pastors of our churches are already meeting and planning activities for the coming year. I ask each of you to please pray as we seek to show the youth of Greensboro the Hope that is Jesus Christ.

Terry Larsen, Director

FAMILY MINISTRY

Family Ministry brought Dr. Gary Chapman to the PBA Pastors Conference on two Mondays in September.

On the first Monday he dealt with "Love Languages" and on the second Monday, "The Anatomy of an Affair." The pastors are now better prepared to counsel in these areas with their people.

Family Ministry bought a series of video tapes dealing with several aspects of Family Life. They are in the associational office and available to the churches without charge. These tapes by James Dodson are valuable tools for the churches: How To Strengthen Today's Family and The Impact of Cultural Trends on Today's Family. In addition to these we also have Through the Eye of a Needle, a Biblical perspective on suffering, death, and growing through grief, and Aids, A Christian Perspective by Dick Day.

A. L. Parker, Director

DIRECTOR OF MISSIONS

We praise God for the victories and great blessings of the 1988-1989 associational year. The association greatly increased staff and ministries during the latter months of the 1987-1988 year resulting in the need for much higher levels of funding. Many churches and individuals felt led of God to respond to the increased needs. As a result, the total receipts from the churches, including regular monthly receipts, Shubal Stearns, and Mission Support Fellowship, increased by 12.3% during this past year. We extend special thanks to all who helped to study the financial need, make suggestions, and contribute to make possible the continuation of vital PBA ministries.

The mission heart of the PBA was also seen in the impressive response of our churches to the appeal to reverse a three year trend of plateaued giving to Foreign Missions. The PBA churches increased their giving by 15.5%, increasing from $244,000 to $281,000 given to the Lottie Moon Offering.

A number of churches have accepted the challenge to serve as sponsors or co-sponsors of new mission work. The Vietnamese ministry continues to grow under the loving and caring guidance of pastor Hoa Vo. The chaplaincy ministry continues to be increasingly effective. Scott Wright has brought a new dimension to the International Student Ministry through his daily personal touch.

We thank God for the creative thinking that He continues to implant within so many of you. Your ideas and suggestions as well as hard work have made the ministry in the PBA a real blessing and joy to be a part of. Certainly you are only just beginning to build the great association that God would have you to become. We thank God for all He has enabled you to do during the past year as well as the past years to lay such a strong foundation for continuing growth and expansion.

Certainly we have every reason to believe that 1990 will usher in a new decade of even greater victories than those experienced in the past. Praise God From Whom All Blessings Flow.

Dennis Blackmon

SUNDAY SCHOOL

The Associational Sunday School Improvement Support Team of the Piedmont Baptist Association has spent most of this year in preparation for the Enrollment/Training Clinic October 21-27, 1989. Nine churches participated in this Sunday School growth project. The results will be chronicled in the 1990 Annual Meeting.

Kelly Brown and Steve Chambliss, Otis Davis, Jan Clark, and Chuck Warnock have helped make the Enrollment/Training Clinic possible. They helped the churches understand their role in preparation for the clinic or helped make arrangements for the guest consultants arrival and orientation prior to the clinic.

We regret that Pam Medford, Mark Harper and G. H. Vaughan have had to resign from the ASSIST Team during the year. The nominating committee is still searching for replacements for the childrens and youth consultants. We have added Chuck Warnock and Jack Morris as members of the team this year and are anticipating great leadership from them.

The PBA VBS clinic in May was well received and we reported twenty churches sending 100 leaders in all. The morning session was not well attended, so we assume not needed in the future.

The ASSIST Team had several consultations with specific churches and contacted each church through the Sunday School director or pastor on several occasions throughout the year. These personal contacts are to encourage, listen, and communicate helpful information to the churches.

John Setchfield, Director

INTERNATIONAL STUDENT MINISTRY

In the 1988-89 school year, the International Student Council worked diligently. It organized a Fall welcome picnic held in the gym at First Baptist Church Greensboro; a Thanksgiving Dinner held at Florida Street Church; A Valentines "I Love You" party held at Rolling Roads Church; a Spring Picnic held at Dr. Vaughan's Farm (the PBA property park); and a mountain trip to Hanging Rock Park. International Students/Friend Families, WMU's and countless others contributed greatly to these events with their time an energy.

In addition to local events, Greensboro area internationl students attended an International Student Conference at Mars Hill College, Student Week at Ridgecrest, Baptist Student Union Conference at Ridgecrest, and an International Conference at Caswell Baptist Assembly.

The Friend Families of the PBA continue to make a significant impact in the lives of students. Two internationals who have been involved with PBA Friend Families are known to have made commitments to Christ in the past year. Special relationships have developed between many students and families. Despite a smaller response from students to this program, Friend Families continue to be important.

In the relationships I have worked to build, I have been able to assist students with household needs as they have arrived, provided occasional transportation, distributed Bibles, visited in dormitories and homes, discussed issues related to faith, publicized events sponsored by the PBA, and invited and organized students attending Baptist sponsored conferences and retreats. Many thanks are due to countless PBA church members who have assisted at all levels in ministering to students at their points of need.

Apart from activities directly involving students, I have served on state level organizational committees for international events, visited in churches to tell about the ministry, and sought to involve Baptist Student Union students with internationals.

Opportunities to meet students exist throughout the year for all of those who are interested. All are invited to the Thanksgiving Dinner to be held at First Baptist Church Greensboro on November 18 at 6:30 p.m. Bring a covered dish to share and expect to meet students. An informal opportunity to meet students is a monthly Game Night. On the second Friday of each month at 7:00 p.m., a group gets together for an evening of fun in the gym at First Baptist Church Greensboro, 1000 W. Friendly Avenue.

In the year to come, commit yourself to prayerful support of those who are strangers in our land whom God has sent our way.

Let us all pray for God's leadership in how to be a part of their lives.

Scott Wright, International Student Coordinator

SENIOR ADULT DAY CARE COMMITTEE

The idea of a Senior Adult Day Care Center began early last year. Because the association was unable to add any additional large budget items for the year, which would have been necessary for a Day Care Center, we began to explore other possibilities.

I was approached by Mrs. Gail Knox, Director of the Adult Center for Enrichment about the possibility of the Friendly Avenue Baptist Church making rooms available for a "Satellite" Adult Day Care Program, to be operated by the present Adult Center for Enrichment Administrative staff.

I discussed such a possibility with Dr. Michael Moore, pastor, and the WMU of Friendly Avenue Baptist Church. Both the WMU and the pastor encouraged me to pursue this idea further and to come back with a proposal that could be presented to the church.

With this in mind, we had further discussions with the Adult Center for Enrichment staff and took them over to the Friendly Avenue Church facilities so they could see the rooms that would be available for day care. They were well pleased and felt the rooms would be quite adequate. I then asked for a written proposal, detailing what they would ask of the church. A proposal was drawn up and will be presented to Friendly Avenue Baptist Church in their October business meeting and if approved, the suggested date for beginning the operation of the new Adult Day Care Center will be on or about January 1, 1990.

If this "Satellite" Adult Day Care Center proves to be a success, we have plans for one or more others in strategically located churches in and around the city of Greensboro.

Although the association is not involved in the "Satellite" program, our original objective of involving our churches in an Adult Day Care Ministry will be achieved.

CHURCH EXTENSION

In 1987 Piedmont Baptist Association adopted a priority objective for the following years, 1987-1991, as establishment of new churches. A goal was set to begin ten churches or missions in the five-year period. Groundwork is now laid for the first three new works to begin within the next few months. Our associational Missions Development Council plays a key role in this development. Another key to success of church planting is held by the sponsoring churches.

Lawndale Baptist Church voted in May, 1989 to plant a new church in the northwest city area, near Battleground Avenue and New Garden Road. Funds are set aside in the amount of $12,000 per year for three years toward this project. Piedmont Association will participate in the project with another $4,400 this next year. Our Baptist State Convention will fund $5,200 in 1990. The remaining budget will come from the fledgling church. As soon as a mission pastor is secured, work will begin on developing a core group from Lawndale to help start the church. A telephone campaign in early 1990 should multiply responsiveness.

Randleman Road will be the site of a proposed work targeting the black community. There are some 3,000 blacks in that vicinity and no church south of I-85 ministering primarily to them. Again, PBA and the North Carolina Convention are working with sponsor churches. In this instance, several co-sponsors will fund the work, but a chief sponsor is needed to lead the way. A bi-vocational approach has been agreed upon by the churches involved and a mission pastor is under consideration.

Finally, a Hispanic church is needed to reach the 3,000 people in our area who respond best to a Spanish Gospel. State Convention funds are available and the association is ready to move as soon as a sponsor church comes forward. These are great challenges for 1990. In Christ's strength we can and will meet each one.

At this point we need to praise the Lord for the fine ministry and growth of our Vietnamese Mission and pastor Hoa Vo's work with refugees. Also, for progress at Brandt Oaks Mission where Pastor Kelly Brown is leading in plans for building in early 1990.

Barry Nealy, Director

STEWARDSHIP

This has been a difficult but gratifying year for the Stewardship Council. We began the year with the knowledge that our association faced a difficult financial situation; but we are grateful to acknowledge the faithful, prompt, and generous response of Piedmont Baptists. There are several factors that have enabled us to close the year on an optimistic note:

1. The dramatic increase in this year's Shubal Stearns Offering. Our total thus far is $18,749.94, up $8,521.19 from last year.

2. Many of our churches responded to the challenge by either increasing their percentage giving to the association, increasing their total dollar amount, or by a one-time love offering. The following five churches led our association in total gifts: a) Greensboro First, b) Lawndale, c) Pleasant Garden, d) Friendly Avenue, e) Southeast.

The Honor Roll of churches (those giving 5% or more of their undesignated receipts to associational missions) includes the following: Central, Clifton Road, Jessup Grove, Pleasant Garden, Summerfield First, Sumner, Towe Memorial.

3. A number of Piedmont Baptists responded immediately and generously in joining the "PBA Mission Support Fellowship" pledging $1.00 per week throughout the year along with daily prayer support. There are 92 members of this Fellowship who have contributed $6,296.46 thus far.

4. Dr. Dennis Blackmon has led us wisely and energetically. We are thankful for his vision and initiative as our director of missions.

"We Care Because Jesus Cares" was the theme of our annual associational stewardship banquet. Through the music leadership of Jerry Watts, the puppet show from the Sixteenth Street Baptist Church team, and the inspirational message of Dr. Gene Watterson, first vice-president of our Baptist State Convention, we sought to highlight associational missions and challenge our churches to respond generously to the Shubal Stearns Offering. The results have been gratifying.

I appreciate the work of a fine stewardship council. Wofford Boyd, Ward Burch, Lucille Grubbs, Pete Boone, Hugh Mann, and Bill Monroe have been faithful, helpful, and dedicated co-workers.

LITERACY

This is the end of my first year as director of the literacy program and it has not been easy to follow in the footsteps of Frances Funderburke. In addition, I have felt it important to go slowly and get a good overall grasp of the needs.

I attended the literacy workshop held at Camp Caraway during October of last year. We have had one completed class using the Laubach method for teaching people to read. Eight people completed the course.

We have had calls for teachers in various situations. One person was in the county jail and was of Italian origin and he expressed a desire to learn to read in English. The one male in our recent class willingly agreed to accept this man as a student and go to the jail to teach him. He had previously accepted two students and assisted them in improving their reading to help with job advancement. Others have called and asked for tutoring to improve their reading ability. The newer volunteers accepted the students and some have progressed to the skills they were seeking to attain. Others have moved away and it is hoped they will continue their education in their new localities.

I have found there is a need for tutors in the school system to assist children who are behind in their reading skills. At the present time, I do not have a suggestion or an idea on how to respond to this need, but I am praying about it and would like to have input and ideas from anyone who can suggest a method to meet the needs. Many will say the schools should use their learning labs and teachers to meet this need, but I find this has not been accomplished in the past. Reading tutors cost anywhere from $15 to $35 an hour and many parents cannot afford to pay for the needed tutoring.

While the literacy program is designed to teach people to learn to read (illiterates), I feel there is a need to assist those who can read only at a low level and who do not have phonics skills. Let us all pray about these needs and ask God to show us the best way we can be of help.

I have also found that many of the people who completed the workshops in the past are no longer available as teachers. I am planning to make a current list of people who are available and hope to assign students to each one.

We receive names from the Literacy Hotline regularly. Not all have been assigned a teacher, but I am working on it. We also have had a request for another workshop. I will be working on getting a workshop scheduled as soon as possible. Your prayers are coveted that we can make this program successful and that we will reach those who want to learn to read.

Myrtle Ballard, Director

RECREATION

Due to limited recreation facilities, our recreation programs have been generally limited to adult programs.

The following recreational activities were provided this year:

Softball

On July 20-22, Gate City Baptist Church hosted the annual PBA Men's Softball Tournament at their recreation field on Hilltop Road. Eight churches participated in the association tournament. Guilford Baptist Church won the tournament championship with First Baptist Church Summerfield finishing second, and Hunter Hills Baptist Church third.

On August 18 and 19, Gate City Baptist Church and Guilford Baptist Church represented the association in the State Baptist Men's Regional Tournament in Fayetteville, NC. Gate City Baptist Church finished first in the regional tournament.

On August 25-26 the Piedmont Baptist Association hosted the State Championship Tournament for the North Carolina Baptist Men. Gate City Baptist Church represented the association. The tournament was held at the West Market Street fields with Mt. Vernon Baptist Church of Asheville winning the state championship.

Golf

On September 23, 1989, the fifth annual PBA Invitational Golf Tournament was held at the Bel-Aire Golf Course. Thirty teams from twenty-two association churches participated in the tournament. First Baptist Church of Summerfield won the first place team championship with Cornerstone Baptist Church finishing second.

Recreation in a Christian environment can often serve as an effective ministry for our associational churches. Pray that we will be able to expand our programs in 1989-90.

Randy Minix, Director

BROTHERHOOD COMMISSION

The Brotherhood Commission continues to feel the effects of its 1987 program changes that produced a comprehensive missions education package aimed at helping churches involve men and boys in missions.

Located in Memphis, Tenn., the Brotherhood Commission is pioneering several new aspects of missions education. In May, the first RA University, an in-depth national training event for Royal Ambassador counselors, directors, and committeemen, was held at Rhodes College in Memphis. More than 300 people from across the country attended.

The National Fellowship of Baptist Men, a ministry of the Brotherhood Commission's adult division, continued its expansion of volunteer missions enlistment. In April, NFBM announced the expansion of its concert series, which will endorse up to 200 concert artists to present the story of Southern Baptist missions and recruit volunteers.

The second annual High School Baptist Young Men's Rallies were held in Gatlinburg, Tenn. and Arlington, Texas, with more than 500 attending. High School Baptist Young Men were also represented on the second National Baptist Young Men's Overseas Work Project in Chile during Christmas break. Seven Baptist Young Men from the United States and Canada participated.

Baptist Men served more than 95,000 meals in Mexico following Hurricane Gilbert's destruction. In Jamaica, Baptist Men worked jointly with the Foreign Mission Board to rebuild churches. More than 700 volunteers participated in this nine-month project.

World Missions Conferences were attended by 1.15 million people; 374 volunteered for missions service and 395 made professions of faith. WMCs are administered by the Brotherhood Commission and sponsored by the Home and Foreign Mission Boards, Woman's Missionary Union, and Brotherhood Commission.

Perhaps the greatest effect of the Brotherhood Commission felt by the churches of the Southern Baptist Convention has again been the regular activities of Baptist Men and Royal Ambassadors. Through church and associational Brotherhoods men and boys have been involved in missions by actually doing missions activities, learning about missions, praying and giving to missions, and developing their own personal ministries. These actions have helped churches maintain integrity as God's people for God's world and have helped believing men grow in relationship to Christ.

NORTH CAROLINA BAPTIST COLLEGES

During the 1988-89 school year there were 18,534 students and 2,249 faculty and staff engaged in the programs of Baptist colleges.

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program support." A sentence or two about each of these will complete this report.

Christian Education. There are large and important differnces that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

Baptist Students. Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents can help students with their life plans when they guide them toward Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

Cooperative Program. Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

BAPTIST HOSPITAL

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. Construction of the clinical sciences Building is expected to be completed by 1990. The Medical Center Boulevard is currently being moved to make ready for expansion of the Patient/Visitor Parking Deck. Two new helicopter pads, one for the AirCare helicopter and a second for helicopters from other medical centers, will be located on top of the parking deck. The J. Paul Sticht Center on Aging will be built on the approximate site of the current helicopter pad. These new facilities will make it possible not only for our hospital to serve more people but to serve them better.

In recent months the hospital's Level One Trauma Center has seen further development of its critical care transportation system by adding to the helicopter ambulance service its own neonatal ambulance for critically ill infants. The CommView

CHURCH SECRETARIES' CONFERENCE

The Church Secretaries' Conference meets quarterly on Thursdays in December, March, June and September. Hosts for the 1988-89 year were: Rankin Baptist Church, Golden Corral, the PBA Office and Sedgefield Baptist Church.

The meetings provide a time for lunch, fellowship, inspiration and encouragement as we draw wisdom and insights from each other. Host pastors bring the ladies a challenging devotional thought and informative programs on a variety of topics are shared by invited guest speakers. Programs throughout the year included a Christmas Craft Fair; "The Fragrance of Beauty,"--a look at the inner spiritual side and some inexpensive tips on how to decorate for church meetings; and the second annual "Bosses Day" luncheon capped off the church year in September.

The Church Secretaries' Conference continues to encourage the Vietnamese Ministry by giving free will offerings at our meetings as well as seeking to share Reverend Vo's specific needs with our individual churches. A greater awareness of his needs has resulted in increased support in many ways from many folks.

Several of our secretaries plan to attend the Statewide Church Secretaries' Conference at Caraway on November 6-8, 1989.

We extend a special invitation to all church secretaries to join our meetings quarterly.

ANNUITY BOARD

The Annuity Board continues to blaze trails in its effort to "serve those who serve the Lord". The effort put into planning and promoting the Expanded Church Annuity Plan continues to bear amazing results which will multiply manyfold down through the years. Goals set by the Annuity Board trustees for 1989 include:

Developing a long term care plan suitable to Southern Baptist ministers and their families; working through the Church Alliance to provide an approved IRA or to restore the tax deductible option of the Voluntary Annuity Plan; providing more choices for ministers seeking to meet the needs for family insurance protection; continuing to work hard to control health care costs; developing materials on financial planning; continuing to make churches and ministers aware of retirement and insurance plans.

Significant progress has occurred in meeting many of these goals. A new and vastly improved insurance program is being offered under the name ChurchLife. There will be four plans from which to choose. In addition to other improvements, there has been an increase in the amounts of insurance that can be carried out in retirement.

It is astounding to see the growth of the Annuity Board and its ministry to ministers across the Southern Baptist Convention. There were, at the end of March 1989 19,972 annuitants who received $20,246,625. There were 472 recipients of Adopt-An-Annuitant grants, totaling $67,775, and 409 monthly relief grants and 180 monthly expense grants, receiving a total of $142,914. The AB Assets at the end of March were $2,460,709,118, most of which belongs to Southern Baptist ministers who participate in the retirement plans.

Efforts continue to be made which will help churches and ministers have a plan for retirement. Each church is encouraged to be a responsible employer and to make every effort to see that ministers participate by providing its contribution to the plan for those who serve the Lord in that church. It should be a condition of calling, both for the church and the minister, that the minister be covered. It is protection - both for the church and the minister.

But there is still so much to be done! Consider these facts:

- Only 64% of our churches are participating in our retirement plans - even after all these years of opportunity.
- Of this 64% many do not actually make contributions. The minister does this on his own.
- Small contributions make the annuitant's benefits small: In North Carolina: 184 receive less than $50 - 493 receive less than $100 - 1006 receive less than $200 and 1287 receive less than $300.
- We have 151 churches that have signed the Cooperative Agreement but still make no contribution.
- We have 457 churches that are making contributions but still have not signed the Cooperative Agreement.

Suffice it is to say that there is a great challenge still befoe us to help churches be responsible employers.

Let's keep up the good work,
Jim Lambert, BSC Administrative Associate for Minister Support

Computer System digitizes images, stores large volumes of data and transmits the images via fiberoptic cable throughout the Medical Center and via satellite to other hospitals without any x-ray film. Some brain tumors can now be successfully treated by implanting a tiny radioactive pellet directly into the tumor. Other types of cancer can be treated by hyperthermia which carefully focuses microwaves to raise temperatures inside a tumor to 102 degrees to 105 degrees fahrenheit to kill or injure cancer cells. A technique called Mohs Micrographic Surgery allows the removal of skin cancer with minimal damage to normal skin.

Last year the 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from thirty-five states, and from eight foreign countries.

The Department of Pastoral Care continues its ministries to: the patient, the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

We renew our commitment to the faithful delivery of pastoral care, beginning in our Medical Center and reaching around the world.

Baptist Hospital continues to feel the effect of the health care personnel shortage, especially as it attempts to open new facilities. However, we do not have any beds closed due to shortages.

During the past fiscal year Baptist Hospital received $668,937.39 through the Cooperative Program and $303,133.07 through the Homes and Hospital Offering, including church gifts directly to the hospital. The hospital staff and patients are grateful for the services made possible by these gifts.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA INC.

Like salmon, Baptist Children's Homes this year struggled upstream to get ahead of the problems that plague America's children and families.

While maintaining group care services in place since 1885, BCH also inaugurated two innovative services in Care House, the first home for teen-age mothers and their babies we know of any where and the Phipott Parent Aide Program.

Care House, where five teen-age mothers will learn to parent their babies, was dedicated June 4 during services at Lenoir's Lowe Creek Baptist Church. Also dedicated then was the Marguerite Noel Home for Girls, our second behavior change home.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go to one foster care home and the young mother to another until she was of age.

The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21 BCH dedicated the Philpott Parent Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication, BCH named two men to act as directors of church relations and planned giving. Charles Tanner and Bill Morrow will arrange BCH speakers for your church and help your members with estate planning.

BCH continues to implement "intentionalized services" according to the long-range plan it adopted in April 1988. Peer culture therapy is being utilized on children at Odum Home and Noel Home and is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

BCH continues to garner popular support with North Carolina Baptists who contributed $1.52 million through the Cooperative Program last year. In the 1988-89 fiscal year, more than $1 million has been received in bequests.

The executive committee of the General Board of the Baptist State Convention of North Carolina this year declined to adopt a report of a special study committee that would have drastically reduced BCH's share of the Cooperative Program. The committee recommended, and the General Board supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social services agencies support such a move, which would eliminate the Homes and Hospital Offering they share. The State Convention will vote on that proposal in November.

BCH, which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, theapeutic camping and a model child development center. It has work in 17 locations across the state, serving more than 1,000 children and families each year.

All campuses and facilities welcome involvement by local churches, RAs, GAs, WMUs and Sunday School departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.

When the 1989 session of the General Assembly of North Carolina convened on January 11th., the first bills to be introduced were three lottery proposals: one in the Senate and two in the House.

Such gambling legislation has become an annual event for the last six years. However, the pressure for establishing a statewide lottery was stronger this time around due to the Virgina lottery and revenues were very tight so some legislators were looking for "easy" money to grant state employees and school teachers a pay raise.

The pro-gambling lobbyists and their favorite legislator, Senator Kenneth Royall (D-Durham) were successful in securing passage of lottery legislation in the Senate.

Senator Royall, one of the most powerful members of the Senate, used his political "clout" to keep the bill in committee until the closing days of the session.

He admitted to the media that he did not want the lottery to get tied in with the budget proposals. After the money bills had passed and the Legislature was ready to go home; then, he made his move to put the lottery bill on a "fast track."

After the Senate passage, the gambling proposal hit a "snag" when House Speaker Joe Mavretic let it be known that the House would not delay the 1989 adjournment to take up the proposal.

The issue cannot be considered until the legislature convenes for its 1990 session on May 22, 1990.

This gives six months to solicit opposition to the measure from the membership of the N. C. House.

Contact your N. C. House member and secure his or her opposition to Senate Bill 4, the Lottery Act.

A lot of prayer, time, and energy has been exerted in the current legislative session to defeat any gambling legislation; to prevent any erosion of our liquor laws; and to support efforts to strengthen our drunk driving statutes.

A legislative Study Committee and the Governor's Highway Safety Committee held hearings throughout the state during the past year to get citizen in-put on ways to make our highways safer. As a result of these sessions, a Safe Roads Study proposal was introduced. The House passed the bill, but the Senate Conference Committee members refused to accept the proposals. The bill can be considered in the May, 1990, session.

We are hearing a lot of voices talking about declaring WAR ON DRUGS. U. S. Surgeon General C. Everett Koop has given our nation some words of wisdom: "It isn't ginger ale we're talking about. It's alcohol, the most widely abused drug. In the alleged war on drugs, alcohol enjoys a battlefield exemption. The United States will one day have to choose between alcohol and health....because we can't have them together."

Amazingly the pulpits of America have become silent in so many of our churches concerning this NUMBER ONE ADDICTIVE DRUG. May this condemnation not be laid on the steps of the churches of your association.

The Christian Action League is ready to stand with you in the ministry of Applied Christianity as we confront the moral and social evils of today's world.

Proceedings
97th Annual Meeting
Piedmont Baptist Association
November 1, 1990

The 97th Annual Meeting of the Piedmont Baptist Association was called to order by the moderator, Dr. Lawrence Clapp at 9:30 a.m. He then recognized the host pastor, Rev. Henry Newton, who welcomed the messengers and visitors to the Immanuel Baptist Church.

Rev. Michael Staton, pastor of Stevens Memorial Church read Isaiah 6:1-3 and then led in the opening prayer. The Clerk, Rev. Austin Lovin, made the motion that those messengers who had already registered, plus those who would afterward do so, constitute the session. It was seconded and approved unanimously. Dr. Wilson Stewart, Chairman of the Program Committee, moved that the printed program be accepted as the order of business for the day, with such changes as may become necessary..seconded and approved by unanimous vote.

Moderator, Lawrence Clapp referred the messengers to the printed report of the meetings of the Executive Board during the past year as found on pages 18-22. He then expressed his appreciation for having had the privilege of serving as Moderator during the past year.

The Treasurer, Lee King, presented the treasurer's report as information. He called attention to the fact that receipts from the churches were 10% higher this past year than for the year before, despite the fact that they did not match the figures required for the budget. He pointed out that the budget itself had already been approved at the Spring Meeting and that we were operating within the new budget.

Jack Morris, Chairman of the Committee on Committees, presented his report as found on page 31 and moved its adoption. Seconded and approved.

Edwin Chenoweth, Chairman of the Nominating Committee, presented the nominees for the officers of the Association. They were: Tom Foster, Moderator; Rev. Victor Dowd, Vice Moderator; Rev. Austin Lovin, Clerk; and Lee King, Treasurer. Seconded and approved by unanimous vote.

Dr. Dennis Blackmon, Director of Missions, spoke to his report. He called attention to several encouraging events in the work of the Association during the past year. He also shared some of his concerns about areas where improvements are still needed. He recognized Vic Dowd and Tom Williams upon their retirement. Dr. Leroy Parker presented a plaque to Vic Dowd and Rev. Gerald Primm presented a plaque to Mrs. Marian Maness (Secretary, Sharpe Road Baptist Church) in the absence of Thomas Williams.

John Fulcher, Music Director of Guilford Church, accompanied by Sara Hicks led in the singing of a hymn.

Rev. Richard Elmore, pastor of Lawndale Church, told of the blessing that had come to Lawndale Church as the result of their using one of the stewardship programs produced by Southern Baptists. He reported that receipts had exceeded budget requirements, in contrast to a serious shortfall the year before. He said that this year's receipts were running 17% above last year's. He emphasized the spiritual blessings that accompanied this.

Dr. Wilson Stewart, pastor of Jessup Grove Church, spoke on the blessings that come to the churches accepting the goal of 5% of undesignated offerings for the support of the Piedmont Baptist Association. He stated that the Jessup Grove Church was now giving 6% to the Association and that it was a blessing instead of a problem to the church.

Rev. Mike Barrett, pastor of Pleasant Garden Church, spoke about reaching the young people for Christ and the importance of reaching out in love to troubled youth. We must let them know that Jesus loves them. Christ must be alive in us if we are to witness effectively to young people.

John Fulcher led in the singing of three popular hymns.

Rev. Bud Parrish, pastor of Lankford Memorial Church, read II Samuel 6:6-13 and led in prayer.

Donna Smith accompanied herself at the piano as she sang a solo "Lord, Listen To Your Children Praying".

Dr. Leroy Parker introduced the preacher for the annual sermon, Dr. Michael Moore, pastor of Friendly Avenue Church. Dr. Moore called upon Barry Nealy to lead in prayer for God's blessings upon him as he preached, his subject was "Doing Things God's Way".

The host pastor gave directions to where the luncheon would be served and Bob Lentz, pastor of Summerfield First Baptist Church, offered the benediction and asked God's blessings upon the meal we were about to eat.

Afternoon Session

The afternoon session was opened by the singing of a hymn, led by Ryland Young, Music Director of Sedgefield Church, with Fran Moseley, Music Director of Cornerstone Church, at the piano.

The Moderator recognized Sanford Smith who spoke briefly about the history of the Sao Paulo Partnership. He then asked John Setchfield and Jo Anne Bettini, two of the nine persons who went to Brazil in August of this year to give their testimonies.

John Setchfield told of the blessings he received from the experience and Jo Anne emphasized that others should be willing to go because God can use even ordinary lay people if they are surrendered to Him.

Barry Nealy, Church Extension Director, told of several types of new work that have been started during the past year and pointed out that more opportunities have now opened up for ministries to apartment complexes than the Association has resources to handle.

Dr. Blackmon asked all pastors and other church staff members who had come into the Association since the last Annual Meeting to stand up. There were several who stood and Dr. Blackmon called for a prayer for these new church leaders in our midst.

Gladys Boroughs conducted the Memorial Service for those in our churches who have died since the last Annual Meeting.

Moderator Lawrence Clapp, in the absence of the Resolutions Committee chairman Rev. Roy Thornberry, presented the resolutions printed on page 56 and moved their adoption..seconded and approved.

James Fleet moved that the Association appoint a committee to look into the need for a playground program patterned after the program by the Home Mission Board..seconded and carried.

Ryland Young led in a congregational hymn and then sang a medley of sacred songs about Jesus.

Rev. Manuel Cunnup, retired Director of Missions, introduced Rev. Bobby Stafford, Director of Associational Development for the North Carolina Baptist State Convention, who spoke about how the State Convention contributed to the support of the work in the Piedmont Baptist Association.

The Moderator called for the new officers to come to the platform and he introduced them to the Association and led in prayer for their effectiveness during the coming year.

Steve Gaines, pastor of Gethsemane Church, led in the benediction, thus closing the 97th Annual Meeting of the Piedmont Baptist Association.

MODERATOR

It is hard to believe that the year is up. For me this year has moved along quite rapidly. I want to thank each and every person who has served with me in the Piedmont Baptist Association. I truly have enjoyed serving all of the Baptists known as the Piedmont Baptist Association. As the President/Moderator, I have found you to be cooperative and willing to work together. Your commitment to our Lord and His ministry among us has been very inspirational and uplifting.

I especially wish to thank all of the associational staff for their support, encouragement, and cooperation. Without their work, my tasks would have been impossible.

It has been an honor to serve you this year. Thank you very much. Serving with you has enhanced my life and my ministry.

The following report reflects the work of our association for the last year. We have accomplished many things for the Lord. Let us give Him all of the praise.

Lawrence Clapp, Moderator

Executive Board Report

The executive board of the Piedmont Baptist Association met at the Bessemer Baptist Church on October 16, 1989.

Moderator Lawrence Clapp called the meeting to order. Vic Dowd, host pastor, welcomed members of the executive board to Bessemer Baptist Church and announced that refreshments provided by the WMU would be served after the meeting. He then read from Proverbs 3: 5 & 6 and led in prayer.

Minutes of the July 17, 1989 meeting were approved as amended, adding the name of Lawrence Clapp to the list of members present.

Monica Long presented the Treasurer's report: It was noted that receipts for September were the lowest since July, 1988. Perhaps this was the case because of the fifth Sunday and some churches had not had time to send in their funds. The Shubal Stearns offering total was noted as the largest ever collected. The churches are encouraged to update their giving to the association when new budgets are being set up for the new year. The report was then approved as presented.

Wade Wylie presented the personnel committee report. A motion was made that we add the position of Hispanic church planter to our associational church staff. The salary will be $19,000 per year with $15,000 coming from the Baptist State Convention for a period of two years. The balance will be shared by the association and the sponsoring churches. It was stated that this position would be supervised by the Church Extension Director. There are approximately 3,000 Spanish speaking people in our area to be ministered to. After this discussion, the motion was voted on and passed.

As a matter of information, Lawrence Clapp presented the proposed amendment to the constitution which will be voted on at the annual meeting on November 2.

Jill Foster brought a recommendation from the evaluation and planning committee: It was moved that a six member council be elected to establish guidelines for and oversee the use of the Lee Street property. Members will serve for three year terms on an annual rotation basis. It will be a permanent committee to be nominated by the committee on committees. The motion was voted on and passed.

It was noted that the annual meeting will be held on November 2 at Sharpe Road Baptist Church and the next meeting of the executive board will be January 22, 1990.

There being no further business to come before the meeting, the meeting was adjourned.

The executive board of the Piedmont Baptist Association met at the South Elm Street Baptist Church on January 22, 1990.

Moderator Lawrence Clapp called the meeting to order and introduced Kenneth Melton, a new pastor in our association working with the new black ministry. Kenneth shared from Romans 12:1-2 and then led in prayer.

Minutes of the October 16, 1989, meeting were approved as presented.

The treasurer's report was presented by Dr. Blackmon. It was stated that budget receipts were within $200.00 of the budget needs and that it is expected that the budget will be easily met for the rest of the year. The financial statement looks good at this moment. After some discussion the report was approved as presented.

The General Evaluation and Planning Committee report was given by Rick Elmore. It was stated that as a result of the survey taken, it was shown that there is an overwhelming desire to build a family life facility on the property given by Dr. Vaughan, with rooms for Bible study as well as a kitchen and dining area. A second phase, to be built later, would house the association office which would be built from proceeds from the Lakewood property and funds expected from the State Highway Department in exchange for a few acres of land.

A motion was made by Rick Elmore for the establishment of a building committee for the purpose of building a multi-purpose building on the Vaughan property, to be built with volunteer laborers from Builders For Christ and to begin construction in the summer of 1991. Motion was passed.

The following were elected to serve on the building committee: Harold Tippett, Bob Wyrick, Shirley Barricks, Bruce Anthony, Sara Parker, Bud Parrish, and Vernon Williams, Chairman.

Wilson Stewart made the motion that the Fall meeting date be moved to November 1, 1990. This motion passed.

Dr. Blackmon read a letter from the State Convention office requesting that a name be submitted from our association to serve on the General Board. A motion was made that the association submit a name for consideration. This motion passed.

A motion was made that the name of Rick Elmore be submitted to the State Convention for consideration. Rick was then elected by acclamation.

The Sao Paulo Partnership report was given by Sanford Smith. It was stated the ABC Association in Sao Paulo has asked us to help them in partnership. Dr. Blackmon has been in contact with the ABC representative and has established some dates for possible service in Sao Paulo. The first date is May 17-30 (15 people in teams of 3 with a pastor in each team); August 2-15 (12 people); and August 30-September 12 (9 people). The cost is approximately $1400 each which covers air fare and hotel. The teams will be primarily evangelistic teams—visitation during the day and preaching each evening.

It is necessary to replace three members of the Sao Paulo Committee and the following people were elected to serve on this committee: Betty Webb, Shannon Wyrick and Vernon Williams.

It was noted that there will be a WMU/Brotherhood banquet at Florida Street Baptist Church on February 13th. at 6:30.

Barry Nealy brought the recommendation that the association adopt a tentative date, September 8-15, 1991, to sponsor a World Missions Conference in the association. A World Missions Conference is an eight day conference where we have two groups of churches each to host missionaries for four of these days. The missionaries speak in a different church each time. Missionaries from the Foreign Mission Board, the Home Mission Board, and North Carolina State Missions all participate to give an overall view of what we are doing with our mission money and personnel here and around the world. A motion was made to set the tentative date of September 8-15, 1991, to have a World Missions Conference in our association. The motion passed.

Dr. Blackmon pointed out important dates to remember in the up-coming weeks: 1) The State Evangelism Conference, February 5 and 6, to be held in the Greensboro Coliseum; 2) Church Growth Conference, March 5 and 6, to be held at Friendly Avenue Baptist Church. This also is a state-wide event. On that Monday evening Darrel Robinson from the Home Mission Board will be speaking. The "Here's Hope" Rally will also be held that night. All pastors are urged to encourage their churches to participate in both of these important events.

It was noted that the semi-annual meeting of the Piedmont Baptist Association will be held on March 19, 1990, at Friendly Avenue Baptist Church.

The dates for the next three Executive Board meetings and the host churches are as follows: May 21, 1990-Northside Baptist Church; July 23, 1990-Jessup Grove Baptist Church; September 10, 1990-Bessemer Baptist Church

Larry Pugh, new pastor at Eller Memorial Baptist Church was recognized and welcomed. There being no further business to come before the meeting, the meeting was adjourned.

The Executive Board of the Piedmont Baptist Association met at the Northside Baptist Church on May 21, 1990.

Tom Foster, vice-moderator, called the meeting to order. Thomas Brown, pastor of Northside Church, welcomed those present and then read from Romans 10.

Wade Wylie presented the treasurer's report. It was pointed out that the churches in the association voted to pursue a goal of 5% of undesignated receipts to be given to the association for the advancement of associational ministries. Presently 6 to 8 churches are meeting that goal.

It was stated that the Finance Committee approved moving the associational bank account from North Carolina National Bank to Central Carolina Bank in order to take advantage of a better interest rate. A motion was made that the PBA treasurer, Lee

King, and a member of the Finance Committee, Bob Stutts, be authorized to sign checks on behalf of the association. Only one signature per check will be necessary. Motion passed.

Dennis Blackmon was recognized to make a special presentation to Manuel Cunnup for all of his help in recent months with the computer, and with the Shubal Stearns banquet. Manuel was presented with a paper cutter and with a supply of computer paper.

The Personnel Committee report was given by Gerald Primm. Appreciation was expressed to the committee for their hard work and cooperation. It was pointed out that the committee was to interview a potential worker for the new Spanish work. The man to be interviewed is currently serving a church in Texas. It is felt that he will be able to serve the association well. A motion was made to leave the decision of whether or not to call this person in the hands of the Personnel Committee. Motion passed.

A recommendation was made to recognize the churches that are giving 5% or more to the association. This recommendation is to be taken to the Finance Committee for study and suggestion.

It was stated that people are needed to participate in the Sao Paulo partnership effort — especially preachers. The dates of August 2-15 and August 30 - Sept. 12 are set for groups to go. A meeting is to be held on May 22 at 7:00 p.m. at the PBA office for all persons interested in going.

Dennis Blackmon recognized Scott Wright and expressed the appreciation of the PBA for all of Scott's work with the International Student Ministry. The PBA presented Scott with a love offering. Scott shared that he is grateful for all of the many opportunities he has had to share his faith in Jesus Christ with many international students. He stated that there is an ongoing need for more people in the association to become involved in the International Student Ministry.

Rick Elmore shared that we had an excellent "Here's Hope" revival campaign in the PBA. A large number of people have been saved. Services after the revivals are showing that the revivals are continuing.

The last week in August in Charlotte a mass evangelism conference is to be held. There will be something for everyone who is working in the area of evangelism in the local churches.

Jill Foster invited all pastors, the PBA staff and spouses to an appreciation dinner to be held at Sixteenth Street Baptist Church on June 5th at 6:30 p.m.

Geneva Metzger announced that the next International Student event would take place on June 2nd when they would be going to Hanging Rock. Assistance is needed with transportation.

After announcements the meeting was adjourned with prayer. Everyone was invited to stay for fellowship and refreshments.

The Piedmont Baptist Association Executive Board meeting was held on July 23, 1990 at Jessup Grove Baptist Church.

The meeting was called to order by moderator Lawrence Clapp. Host pastor, Wilson Stewart, was recognized. Dr. Stewart welcomed those present and encouraged everyone to remain for refreshments following the commissioning service. He then read from Matthew 28: 19-20 and Acts 1:8 and led in the opening prayer.

It was noted that some time ago the association voted to have a ministry to Hispanics. It would be financed with $15,000 per year for two years through the Home Mission Board and the NC Baptist State Convention with the possibility of continuing for a third year. The Piedmont Baptist Association would contribute $8,000 from the Shubal Stearns offerings. Barry Nealy presented the name of Dr. George Houed to lead this new work. Dr. Houed is a native of the Dominican Republic and is thirty-four years old. He is living in Augusta, Georgia. He served as a lab technician in the Army until his discharge last year. He holds a medical degree in the Dominican Republic. Dr. Houed was interviewed and stated that he feels a real sense of call to the pastoral ministry and missions. It was noted that Florida Street Baptist Church would serve as sponsor for this new work and would house the mission. A motion was made by Barry Nealy to call Dr. Houed to serve this new Hispanic mission. The motion was voted on and passed.

Rev. Vernon Williams was recognized and he stated that it was hoped to have some plans to show to the Executive Board with regard to a multi-purpose building for the Lee Street property by the next meeting in September.

Rev. Williams then brought a recommendation and motion to allow Southern Bell to lease a 20' x 20' section of the Lee Street property for $400 to put in a telephone relay.

There being no further business, the meeting was adjourned.

Following the Executive Board meeting there was a Commissioning Service in which nine volunteers from the Piedmont Baptist Association were commissioned to go to Sao Paulo Brazil on a two week mission project leaving Greensboro on August 2 and returning on August 15. The nine volunteers were: Jo Anne Bettini, Cheryl Cobb and Beverly Smith from Rankin Church; John Setchfield from Greensboro First Baptist Church; Rev. Austin Lovin from Friendly Avenue Church; Jeff Elmore, Elizabeth and Louine Blackmon and Dr. Dennis Blackmon from Lawndale Church.

Respectfully submitted,
Alita Blackmon

EVANGELISM

The major emphasis for the PBA Evangelism Council for 1989-1990 was the "Here's Hope, America" Simultaneous Revivals which were held in the spring of 1990.

Preparation for the revivals included:

"Here's Hope" People Search and Scripture Distribution	October 22, 1989
One Day Soul-Winning Workshop at Lawndale Baptist Church	November 11, 1989
Prayer Seminar led by T. W. Hunt at Florida Street Baptist Church	January 15-16, 1990
Counselor Training at Hunter Hills and Eller Memorial Baptist Churches	Jan. 21/Feb. 4, 1990
"Here's Hope" Rally at Friendly Avenue Baptist Church	March 5, 1990

The Evangelism Council also encouraged participation in the Evangelism Conference and Crusade which was held in Greensboro February 5 and 6, 1990. Churches in the PBA provided counselors who were used during the evangelistic invitation at the evening sessions of the Evangelism Conference and Crusade.

The Evangelism Council also encouraged participation in the Church Growth Conference which was held at Friendly Avenue Baptist Church March 5 and 6, 1990.

The Evangelism Council also, in cooperation with the Stewardship Council of the PBA, sponsored the Witnessing-Giving Life Conference at Lawndale Baptist Church on September 24, 1990. The Witnessing-Giving Life theme will be our major emphasis for the next several years.

STEWARDSHIP

Stewardship is a major Biblical theme. It is a fact of first magnitude in the plan of God. Stewardship is as much a part of the Biblical message as atonement, salvation, the church, the second coming of Christ and other vital doctrines.

Stewardship is a special relationship between man and his God. God richly bestows upon man life, personality, abilities, opportunites, responsibilities and possessions. Then God makes man responsible for their use. Man is to use them to promote God's interest in the world, because a steward is one entrusted with the possessions of another and is to manage them according to the will of the Divine Owner.

The word stewardship best describes this special relationship between man and his God. The word implies trust, responsibility and partnership.

The Apostle Paul called the grace of giving a "gracious work" (II Corinthians 8:6). He diligently sought the growth of the early believers in this virtue.

People today grow in this Christian grace as their churches lead them. When the church neglects the performing of this ministry, she leaves the shaping of the members in the hands of society, which constantly urges its secular objectives on them. Only the church is interested in the people becoming what Christ desires.

The church leaders who would develop greatness-in-giving among their members will do well to evaluate each of these factors:

1) Christian giving must be built on an understanding of Biblical truths.

2) The level of membership giving will not exceed the level of leadership expectancy.

3) The quality of giving cannot be expected to surpass the quality of the ministry supported.

4) The giving quality of the members cannot reach new greatness without a corresponding growth in the grace of Christian money management.

5) The giving of members will not prosper except where there is a healthy confidence in the way the church handles and allocates funds.

6) The level of giving will not rise higher than the level of membership involvement in budget making and ministry achieved.

The Stewardship Council has been structured to work as an Assist Team to help churches in the emphasis of stewardship:

Stewardship Education - Hugh Mann
Mission Support - Ward Burch
Budget - Bill Monroe
Accounting - Wade Wylie
Christian Money Management - Wofford Boyd
Stewardship Committee - Richard Poindexter
Pete Boone

Your council is in the process of receiving special training to better help you in any of these areas of stewardship.

The main emphasis this year has been the "Witnessing-Giving Life" Conference where we offered specific instruction in stewardship emphasis. We hope to have a special seminar once a year to equip our people in stewardship.

You are to be commended in your giving to the associational budget. Our churches have been very consistent throughout the year to help us meet our obligations and be able to minister to the needs of people with the Gospel. We are presently running 11% over the 1989 budget. Our new budget will be $322,323. This budget will require each of us doing our part for the Lord.

Let me encourage you to give to Shubal Stearns if you have not done so. We must be progressive in these days of great opportunity.

Michael Barrett, Director

CREDENTIALS COMMITTEE

The Credentials Committee of the Piedmont Baptist Association exists for the purpose of investigating applications for membership into the association, and making recommendations concerning admission. Also, the Credentials Committee is charged with the task of recommending action to the association with respect to any withdrawal of affiliation of any member church from the association. Many of you are aware of several new work starts in our association. However, none of these have progressed to the point of constitution and affiliation as member churches of the association. And "thanks be unto God", your Credentials Committee has not been required to consider any withdrawal.

Let us pray for our new works of the association as we anticipate their becoming constituted churches. And let us pray that at the close of next year, it might be said, "then had the churches rest" (peace) throughout all of the Piedmont Baptist Association.

Gary L. Byrd, Chairman
S. C. Ray, Michael Moore, Jan Clark, Ed Satterfield,
A. L. Parker, Dan Sears, Frances Funderburk

LEE STREET PROPERTY COMMITTEE

The Lee Street Property Committee met in order to update the policies for using the Vaughan Property. Some of the initial guidelines were modified and others were added. Following are the current guidelines for use of the Vaughan property:

1. Property key will be picked up from and returned to the PBA office. The key must be returned to the PBA office during regular working hours on the first working day following the use of the property.
2. Picnic area is open, therefore you are responsible for cleaning before and after you use the area. Be sure all garbage is taken with you when you leave.
3. Reservations will be on a first-come, first-serve basis.
4. Property is to be used by PBA churches and programs only.
5. Alcoholic beverages and/or illegal substances are absolutely prohibited.
6. No swimming in the pond.
7. House is available to be used for bathroom privileges only.
8. Fishing is allowed for R.A. and G.A. groups only.
9. Property may only be scheduled one year in advance.

The committee will continue to monitor the use of the Vaughan Property and will make modifications to the guidelines as necessary.

Rev. Richard G. Poindexter, Chairman

RECREATION

Due to limited recreation facilities, our recreation programs have been limited to adult programs.

The following recreational activities were provided this year:

Softball

On July 20 and 21 Gate City Baptist Church hosted the annual PBA Men's Invitational Softball Tournament. Guilford Baptist Church won the championship with Lankford Memorial Baptist Church finishing second.

On August 17 and 18 Gate City Baptist Church and Guilford Baptist Church participated in the Regional State Baptist Men's Tournament in Fayetteville, NC. Gate City Baptist Church finished third in the regional tournament.

On August 24 and 25, Gate City Baptist Church represented the association in the State Baptist Men's Tournament in Fayetteville, NC. Gate City Baptist Church finished runner-up.

Golf

On September 22, 1990, the sixth annual PBA Invitational Golf Tournament was held at the Bel-Aire Golf Course. Twenty-nine teams from twenty association churches participated in the tournament. Gate City Baptist Church won the first place team championship with Southeast Baptist Church finishing second and Eller Memorial Baptist Church third.

Recreation in a Christian environment can often serve as an effective ministry. Pray that we will be able to utilize Christian recreation as an outreach ministry in all associational churches.

SENIOR ADULTS

Working with the senior adults in the Piedmont Baptist Association remains one of the real blessings in my life. We are privileged to meet quarterly at one of the PBA churches. Our programs are varied.

Our annual barbecue cook-out is still the highlight of the year for us. This year it will be on October 1 at Southside Baptist Church. We will be previewing our Canyon tour for next August. We also have a tour group planned for next years Southern Baptist Convention in Atlanta.

Also a Disneyworld tour for grandparents and grandchildren is planned for this year in November.

We are planning now for our 1991 Chautauqua at Ridgecrest in October. Many things are happening and I encourage all senior adults in our churches to join us as we work and play together.

CHURCH SECRETARIES CONFERENCE

The PBA Church Secretaries' Conference meets quarterly on the second Thursday of September, December, March and June. During our luncheon meetings, we meet other secretaries and participate in programs designed to strengthen fellowship, supply spiritual renewal and inspiration, and provide encouragement in our jobs.

Our September meeting at Sedgefield Baptist Church was the occasion of our second annual Bosses Day. We enjoyed the "home cookin" of a covered dish luncheon and laughed with Natalie Barber who presented an "inspirational" skit.

December was a treat at Sixteenth Street Baptist Church. The treats included a marvelous luncheon provided by the staff at Sixteenth Street, an inspirational and heart-warming testimonial by Miriam Davis, wife of Rev. Otis Davis, pastor of Sedgefield Baptist Church, and a Christmas ornament craft to put together and take home.

In March at Southeast Baptist Church Joanne Bettini shared her experiences from her mission trip to Brazil.

The year finished with the June meeting at Golden Corral Restaurant.

Our benevolence committee oversees an ongoing missions fund which seeks to meet financial needs as we become aware of them. One project is our continuing support of the Vietnamese Ministry.

Several secretaries attended the annual Statewide Church Secretaries' Conference at Camp Caraway in November. This quality conference offers not only up-to-date information helping us to do our jobs better, but also offers a chance to "recharge our batteries" in a peaceful and inspirational atmosphere. We hope many more secretaries from the PBA will be able to benefit from this marvelous opportunity in the future.

We extend a special invitation to all church secretaries to attend our conference each quarter.

Jennifer Dowler, President

SUNDAY SCHOOL

The PBA ASSISTeam planned, promoted and implemented eight conferences during the year. Thirty-six of our churches were helped through these events. In addition to the educational enrichment projects, the ASSISTeam helped several churches with specific requests such as finding staff for special conferences, personal consultation with Sunday School director and/or pastor, etc.

Three quarterly meetings were held for churches involved in the October 1989 Sunday School Enrollment and Training Clinic. This allowed staff and general officers to share successes and solve problems.

The ASSISTeam for 1990-91 consists of:

John Setchfield, Director, First Church Greensboro, 274-3286
Dale Sloan, VBS Director, Friendly Avenue, 292-3567
Carolyn Boyd,Adult Director, Parkway, 288-4015
Rev. Henry Newton, Teaching Improvement, Immanuel 299-1751
Jim McLendon, General Officers, Lawndale, 288-3824
Gail Ledbetter, Childrens Director, Southeast, 674-3895
Keith Harwood, Youth Director, Lawndale, 288-3824
Wofford Boyd, Consultant, Parkway, 373-2460
Larry Whicker, Outreach Director, Pleasant Garden, 674-5382
Kay Underwood, Pre-school Director, Hunter Hills, 299-9035

At the close of the year, the PBA ASSISTeam was recognized by the State and Southern Baptist Convention Sunday School Board as a standard ASSISTeam.

Our gratitude is expressed to all ASSISTeam members and we regret that Rev. Jack Morris, Kevin Pearce and Rev. Charles Warnock who served on the team during 1989-90 will not be serving in the new year.

DISCIPLESHIP TRAINING

Discipleship Training has been called the "inward arm of the church." It is a way in which we as Christians have an opportunity to grow spiritually and gain a greater perspective of our Christian responsibility! Discipleship Training is a marvelous ministry to view ourselves and see where we are in our spiritual walk with Jesus.

Our goal in Discipleship Training for this new church year is for more of our churches to see the value and worth of a Discipleship Training program. It does not matter what size you are, Discipleship Training can be a great asset to your spiritual growth as a church. Paul tells us in Colossians 1:10 "That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of

God." Discipleship Training will help you accomplish this in your life.

If we can aid you in starting a Discipleship Training program in your church or strengthening your present program, please feel free to let us know.

WOMAN'S MISSIONARY UNION

The WMU theme for 1989-90, "In His Name...Reach, Teach, Touch", has encouraged us to reach people for Christ through personal witnessing and involvement in the "Here's Hope Jesus Cares for You" Simultaneous Revivals. We have taught members to see needs around them and touch others by becoming involved in missions. The following are highlights of some of the activities and events of the associational WMU during the past year.

The associational WMU Council met quarterly to evaluate and plan work to assist WMU organizations in the churches. Each council member has responsibility for a specific area of WMU work. Age-level leaders assisted churches with beginning new WMU organizations and with individual leader training.

Sixteenth Street Church hosted the PBA Acteen Recognition Service on October 7, 1989. "Acteens, This is Your Year" was the theme used during the evening service. Acteens from five churches were presented awards for completing the levels of service for Queen, Queen With A Scepter, and Queen Regent In Service.

An "M & M" Brunch (Missions and Ministers) for GA's, leaders and pastors was a fun filled Saturday morning in November. Get acquainted games, mission facts, clowns and the missionary prayer calendar were some of the activities held at Guilford Church. As a mission action project, the GA's brought knee socks for the Christmas gifts for inmates at the Women's Correctional Center in Raleigh.

Women from churches throughout Piedmont Association gathered at Bessemer Church on November 6 to participate in the Baptist Women's World Day of Prayer. Using the theme, "Thirst For Righteousness", BW and BYW presidents led us in praying for and with women all around the world. On this night was the ingathering of kneesocks for Women's Correctional Center in Raleigh. The response to this annual NC WMU sponsored Christmas project was overwhelming. There were enough socks to be shared with two other ministries!

In preparation for the "Here's Hope Jesus Cares For You" Simultaneous Revivals, WMU directors participated in the Leadership Rally on November 28 at Parkway Church. Diane

Daniels of Graham lead the WMU conference and challenged us with ways to involve lay people in the revivals.

In February, Acteen Leaders met for breakfast on a Saturday morning to discuss areas of need and ways to improve Acteen organizations. Later that month, Mission Friends and GA leaders held a joint meeting for leadership training. This training included the video, "Creative Approaches to Meeting the Emotional Needs of Children."

WMU'ers and Baptist Men met together on February 13 for the Annual Focus Banquet at Florida Street Church. More than 275 men and women attended the dinner and program. Maurine Perryman, missionary from Jordon, was the featured speaker. The WMU Annual Meeting was held during the PBA Semi-Annual Meeting at Friendly Avenue Church on March 19. Following the supper meal, WMU held their business meeting including election of association WMU officers for 1990-91. Then during the joint evening session, Maxie Kirk, retired missionary from Brazil, spoke about some of her experiences on the mission field.

Women from many of the churches in our association attended the NC WMU Annual Meeting at Ridgecrest on March 30-31, 1990. Foreign and Home Missionaries spoke during the sessions. On Saturday morning, small groups met for prayer before the first session of the day. Several areas of missions work in Western North Carolina were highlighted during the meeting.

In April, Mission Friends leaders met to plan for Mission Friends Day Camp. Four and five year old Mission Friends came to day camp at Friendly Avenue Church on Saturday, May 19. Hands-on activities, outdoor play and a missionary speaker were some of the events for the children.

Also in April, the Acteens and Baptist Young Women each held a banquet. Hillcrest Church hosted the Acteens for an international meal. About 50 Baptist Young Women met at Lawndale Church for their annual banquet. Missions information and speakers were featured at these gatherings. On May 5 GA's gathered at Immanuel Church for another Saturday morning filled with fun and missions. After playing missions games, the GA's viewed a video on Camp Mundo Vista. Then a counselor from Mundo Vista spoke to the girls about how God had used her to help girls at camp.

At the beginning of the summer, WMU directors and the PBA WMU Council co-hosted a Pastor Appreciation Dinner for PBA staff, pastors and wives. WMU is grateful for the support given by pastors to missions education and missions organizations. We enjoyed sharing a meal and missions games with our guests. The Annual WMU Prayer Retreat was led by Diane Daniels, former missionary to Colombia. Sumner Church hosted this retreat on July 10,

Members of the association WMU Council for 1990-91 attended the NC WMU Leadership Workshops at Caraway Conference Center in

July. Fall Leadership Training was held September 17, 1990 at Sixteenth Street Church. WMU officers and age level leaders and Brotherhood/Baptist Men leaders attended the workshops to prepare for the new church year.

Jill Foster, Director

BAPTIST MEN

Training for church leadership in all areas of Baptist Men and Royal Ambassadors' work was held at Southeast Baptist Church. Approximately fifty-five people were in attendance.

A joint meeting for training of WMU and Baptist Men's workers was held September 17, 1990 at Sixteenth Street Church. Leaders from all churches were encouraged to attend. Two joint meetings of the WMU and Baptist Men were held, one during the annual spring meeting of the association and one at the WMU Focus Banquet in February of this year.

The R.A. program had several associational events scheduled.

All churches are encouraged to have active Baptist Men and R.A. programs. If assistance is needed to start a mission and/or market place ministry in your church, please call the association office or Sandy Smith, 674-0171.

Sanford Smith, Director

YOUTH

The year 1989-90 was a very good year for the Youth Ministry of the Piedmont Baptist Association. The highlight of the year was the Al Denson Concert on May 18. This musical concert was at the Lawndale Baptist Church with over 300 young people in attendance. Through music and comedy, Denson communicated the love of God to a very energetic audience.

Monthly luncheon meetings were held with the youth pastors from our association. One of the many things this Association has to be thankful for is the youth leadership from our area churches. Keith Harwood, youth pastor of Lawndale, will be the associational youth director for the 1990-91 church year. Keith has a real love for young people and will do a tremendous job as he leads during the coming year.

MISSIONS DEVELOPMENT

PBA Missions Development Council:
Rev. Gene Alexander, Director
Mrs. Ann Smith, Survey Director
Mrs. Shirley Barbee, WMU
Mr. Sanford Smith, Brotherhood
Rev. Barry Nealy, PBA Staff Coordinator
Mrs. Myrtle Ballard, Literacy
Rev. Enoch Booth
Mrs. Jo Covert
Rev. Michael Barrett
Rev. Bill Claffey

Our Missions Development Council coordinates the ministries indicated in the following reports. We may add other work later, such as volunteer coordinator, social ministries director, etc.

Church Extension

With joy I can report to you that many of the proposals made last year turned into reality! Volunteers helped construct two new buildings for Brandt Oaks and Groometown Baptist Churches which were recently dedicated.

Kenneth Melton began a church in South Greensboro to reach black families in that area. South Elm Street Church is the primary sponsor. Calvary, Bessemer, Northeast, Rocky Knoll, and Sedgefield Churches co-sponsor this new church named South City Baptist Church.

Lawndale Church started a satellite church located at Brassfield Cinema in Northwest Greensboro. The core group of about forty initiated worship and Sunday School September 16 led by Jim McLendon and Rev. Rick Elmore.

Hispanic outreach awaits a suitable pastor. Florida Street Church will provide space as sponsor of this new church. We hope to begin this work by January, 1991.

Barry Nealy

Crisis Ministry

The approach to people in crisis has been rethought during the past two years by those involved with these ministries and others who have interest either by their work with social services agencies or because they are meeting needs through their churches. As a result, the Missions Development Council has chosen to merge hospital ministry, crisis ministry and other ideas into a **CARE MINISTRY** which will include counseling, support groups, tutoring, and other social ministries. Mrs. Rebecca Smith of Southeast Baptist Church will lead this Care Ministry. At present, Mrs. Smith leads a support group in her church which has demonstrated remarkable results in leading others in leading such groups and persuade other churches to use support groups.

Barry Nealy

Language Ministry

The Vietnamese Mission continues to flourish and reach new people. Pastor Vo's tireless efforts at relocating refugees are producing a strong church based on genuine care and sacrifice. In late 1989 he was able to settle three families in a large house next door to his home using the same amount of monthly rental formerly used for one apartment for one family. Recently, PBA has acquired another house through a special HUD program for the homeless which can house other families.

Pastor Vo also helps these people clear health requirements, furnish their meager homes, find jobs, get to work, learn English, learn to drive, and get a license. Attendance has jumped from about fifty to about ninety this year due to many resettled families in our area. Pastor Vo also opened an outreach ministry to Vietnamese living in High Point, North Carolina. Church Extension Director, Barry Nealy, assisted him in breaking ground for this mission in Central Association. The initial worship was at First Baptist Church, High Point, on September 9, 1990. Let's pray that many can be reached for Christ in both communities.

Barry Nealy

Literacy

In the past year, the Literacy program has continued to function as need arose for training tutors or assigning students and tutors in order for the student either to learn to read or to improve his reading ability. In addition, as director of the PBA Literacy program, I was invited to join the Board of Directors of the Guilford County Literacy council. As a member of that board, I have been able to co-ordinate our activities with other literacy efforts in Guilford County. I attended a meeting at Weaver Education Center on September 18th. where opportunities were presented for volunteers and students to meet and learn more about the various programs in existence in our community which are dedicated to stamping our illiteracy.

Our association sponsored a Laubach Workshop for tutors with ten people attending, eight of which completed the full course and received tutor certificates. Two of the new tutors have accepted students and made arrangements to work at a mutually convenient time and place. These were referred from the Catholic Literacy Project.

It is urgent that those who cannot read be identified and assigned to a tutor, however, we have no way to determine who needs help until they come forward. We would like to hear from these people. It would be appreciated if referrals were made so that the newly trained tutors can be assigned someone to work with. All help will be appreciated.

Many of the churches in the Piedmont Association cooperated with the Literacy Council and the Community of Readers (an organization involved in a year long campaign promoting and encouraging reading in Guilford County) in activities on Literacy Sunday held on September 9, 1990.

The Mayor of Greensboro as well as the Governor of North Carolina issued a proclamation proclaiming Literacy Sunday. There was much publicity and a careline phone number was sponsored on TV giving contact numbers for those wishing information or wishing to volunteer.

The Community of Readers furnished a fact sheet showing that 35,547 Guilford County adults are functionally illiterate. We would like to work at eliminating this problem and are planning to cooperate with all other groups in the county with the same goal. Here's to stamping out illiteracy in our time!

Myrtle Ballard, Director

SAO PAULO COMMITTEE

The partnership with Sao Paulo was expanded to include an additional association in Sao Paulo, the ABC Association. We had nine volunteer missionaries to go on the August 2 through September 15 trip-Austin Lovin, Friendly Avenue; John Setchfield, Greensboro First; Dennis Blackmon, Elizabeth Blackmon, Louine Blackmon, Jeff Elmore, Lawndale; Jo Anne Bettini, Cheryl Cob, Beverly Smith, Rankin.

Work was done with four churches and seven missions. Almost 150 persons made firm commitments to trust Christ. Many other decisions were made as well. Plans were made for additional work in 1991.

We will be planning another mission trip March 21 through April 2, 1991. If you are interested in going or sending your pastor or other church staff, please contact the association office regarding cost and documents necessary for travel.

CHAPLAINCY MINISTRY

Greensboro Police Department
Wofford Boyd

The Chaplaincy Ministry continues to be a vibrant ministry to the members of the Police Department.

The office of Chaplain creates a presence there much like a pastor in a community. Not everyone needs the ministry everyday but the presence is felt and appreciated. Then, when there is need the minister is there and available.

Officers and members of the department appreciate having one whose concern is for them and their personal well being and not tied to job performance. They enjoy chatting in the hall or locker room. It is nice to have someone present through whom they can take a short mental/emotional break from the stressful rigors of policing.

In the past year we have offered some three hundred hours of counseling, invocations for numerous events around the department, hospital visitation (one officer whose diabetes required medical retirement and a leg amputation), supported many families during funerals of loved ones (in two cases the officers own children). The Chaplain has assisted in the Assistant Chief's scheduling meetings with clergy groups as the department tries to resolve traffic hazards affecting funeral processions.

The chaplain has been quite involved with the incident this year when a suspect was fatally wounded by a police officer. The officer who was involved in the incident has been well supported and fortunately has had little negative recourse from the community. The members of the department have been very supportive of him as well as the officer who assisted him on that call. The Chaplain has been quite involved offering support throughout the department. Every member of the department has been affected—questioning, wondering, anxious, anticipating negative recourse, and wrestling with the question, "What would I do if...?" They needed support and a chance to talk. No one will ever know the effect this ministry has had just in this incident.

In addition to these efforts, I as Chaplain am a member of the International Conference of Police Chaplains at the request of the Police Department. (ICPC provided training, support, resource and certification for police chaplains. The Police Department finances this.)

Last year at the Regional Conference, I was elected Director of the Mid-East Region, ICPC. This year at the International Conference, I was elected chairman of the Council of Regional Directors and elected to membership on the Board of Directors for the International Conference.

I also serve on the "Advisary Committee to the Chaplaincy Division" of the Baptist State Convention.

Another effort has been to present training events to the Rookie Schools of the North Carolina Highway Patrol Accademy on three different occasions. These classes were "The Officer's Attention to Caring for Himself and His Family."

Perhaps the most visible event was involvement with the Police

Neighborhood Resource Center Projects. With monies for treats from the PBA and a camera from the Police Department, we borrowed a Santa Claus suit from the Parks and Recreation Department and presented candy, a picture with Santa Claus and a portion of ourselves to some four hundred children in four housing projects. Again at Easter, Parks and Recreation loaned us an Easter bunny suit and with donations from Brotherhood groups, WMU groups, and individuals, we again shared with hundreds of children and senior citizens of housing projects. We have furnished some nine hundred testaments and Bibles to the PNRC projects to be distributed to residents there. These were donated by churches. PNRC officers, when asked, "What do you have for us today?", can state that they have Bibles if you want one.

By the end of this church year, I will have performed twelve weddings and helped to start a support group for spouses of department employees.

The Chaplain has been busy. I like what I do. Members of the department and their families appreciate the ministry. Your support makes it all possible. May God bless us all.

Guilford County Law Enforcement Center
Beauford Smith, Chaplain

We have many reasons to praise God as we end this year and begin another. This has been a good year for our ministry at the Guilford County Law Enforcement Center.

We have seen many changes during the past year. The new jail in High Point began operation in January. This has resulted in additional jail staff being added. Also many new staff positions have been added to the Greensboro jail. The personnel has increased from approximately 260 to 325 for the entire Sheriff's Department. Counseling with staff is a vital part of our ministry.

There have been approximately 30,000 people booked into the Greensboro and High Point jails this year. This great number reminds me of the scripture which says: "for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat." (Matthew 7:13b) We have distributed over 1,700 hygiene items this year; this has almost depleted our supply.

During this year we have ministered to more than 325 members of the Guilford County Sheriff's Department and their families, and to a population of 340 inmates in the Greensboro jail and 120 in the High Point jail. We have seen 189 men and women accept Christ as their Saviour. There were 85 who rededicated their lives to the Lord. We had 310 counseling sessions, 480 Bible sessions and studies, and distributed over 400 Bibles.

In April the Central Baptist Association agreed to sponsor

Rev. George Brice as a part-time chaplain for the High Point jail. George works sixteen hours a week. It is good to have him with us.

It has been a pleasure to work with Reginald Cook this year. Continue to pray for us that we will be faithful to share God's love with more people this coming year.

Also I would like to recognize all of the help and encouragement given to us this year by the PBA staff.

I am grateful to the churches of the Piedmont Baptist Association for the opportunity to serve as a chaplain at the Sheriff's Department.

Reginald Cook, Chaplain

For God so loved the world, that he gave his only begotten son, that whosoever believeth in him should not perish, but have everlasting life. (John 3:16)

When I was a young child I heared this verse many times but I did not understand it. In this verse God is telling us something great. He said, "Whosoever believeth". This word whosoever means, any person at all, yes including those who are behind bars.

Being a minister in the Guilford County Jail is not easy because you meet all types of people. These people have committed all types of crime, ranging from trespassing to rape and murder, but God still loves them. Now their crime, or to say their sin, God does not like at all and they will be punished for it. God wants someone to minister to these people and let them know that the wages of sin is still death, but the gift of God is eternal life.

This year many people have accepted Jesus Christ as their Lord and Saviour and many have rededicated their lives to Jesus Christ. This year two men have answered the call to the ministry and one of them has been licensed to preach the Gospel.

This year I had the pleasure to go to Charlotte, North Carolina for a Chaplaincy Conference. At this conference I met a young man who was confined in the Guilford County Jail the year I started ministering there. He said to me, "You don't remember me do you?" After looking at him for a moment I said, "No", and he said, "You are Reggie Cook the chaplain at the Greensboro jail." This man went on to tell me that he remembers how I helped him during his stay in jail. He is now serving as chaplain in one of the state prison units.

Once again thank you Piedmont Baptist Association, for letting me serve as your chaplain in the Guilford County Jail and the Sandy Ridge Correctional Center. Thanks to all the churches for their prayer and their support. Thanks to all the staff members and a special thank you to Chaplain Beauford Smith and Chaplain David Fleming for being great co-laborers in this ministry.

Sandy Ridge Prison Unit
David Fleming

Changed lives in Sandy Ridge Prison! God continues to bless us with souls being saved and lives being changed. Twelve men came to know the Lord Jesus this year through our witness of God's grace and mercy. Many rededicated their lives to God and three were called into the ministry. We now have several ex-inmates who were saved, returning to the prison unit not as prisoners but as witnesses for God.

We appreciate the involvement of our church members in the prison ministry. The Bible studies, worship services, song services, ballgames, cook-outs, food, clothing, books, Christmas gifts, and your prayers all contribute to changing the lives of these men. Through your giving and sharing, your time and money, these men see the love of God. I continuously receive letters from pastors, family members and friends of inmates expressing gratitude and appreciation for the ministry in Sandy Ridge Prison.

Personally, I want to thank the members of the Piedmont Baptist Association for your support in providing a ministry to prison inmates. May God continue to use us to lead these men from crime to Christ.

FAMILY MINISTRY

Dr. A. L. Parker attended the Key Leadership Conference in May at Ridgecrest representing Family Ministry.

Conference leaders did a good job presenting materials and leading discussions. Some of the discussion centered on weaknesses in family life today such as adultery, abortion and divorce. Other discussion centered on the positive-dealing with good marriages and the qualities that make for good marriages.

May I remind you of the video tapes in the associational office available to the churches free of charge. Two of these are by James Dobson-"How To Strengthen Today's Family" and "The Impact of Cultural Trends on Today's Family."

In addition to these we also have "Through the Eye of A Needle"; a Biblical perspective on suffering, death, and growing through grief. There is another on "Aids, A Christian Perspective" by Dick Day.

We will soon have a Family Life Council in place to plan for the future.

Dr. A. L. Parker, Director

INTERNATIONAL STUDENT MINISTRY

The international student ministry continued to be a significant ministry of the Piedmont Baptist Association during the 1989-1990 year. Citywide activities have involved students from Guilford College, Interlink Language Center, UNCG, NC A & T State University, Greensboro College, Bennett College, GTCC, and Oak Ridge Military Academy. Those activities included a fall picnic at Oka Hester Park, a Thanksgiving Dinner at First Baptist Church-Greensboro, a Valentine Party at Lawndale Church, a spring picnic at Dr. Vaughan's farm, and a summer trip to Hanging Rock Park. Additionally, a new, monthly, informal game night, Fun Friday, was begun utilizing the First Baptist Church-Greensboro gym. All of these events have been opportunities for PBA church members to meet international students and initiate relationships and all PBA church members are invited to attend these events in the year to come.

The Friend Family program, where the significant impact on students' lives is made, has included about twenty-five families representing ten churches. While growing to love their student friends, these families have also shared Christ in word and deed. Students have been helped as they moved, brought family to join them, encountered legal difficulties, and the list goes on at length. Students have also been a part of family moments-a dinner, a birthday celebration, or an outing. Some Friend Families have related to two, three, and up to six students, or to an international student family. The International Student Ministry Council has set as a goal for the coming year, the strengthening of the good work of the Friend Family ministry.

In June, at the end of my two year commitment to the PBA, my role as a minister to international students changed. Now I work only part-time and relate to the Batist State Convention of North Carolina. I continue to assist students with personal needs and have called on individuals and churches in the association to help me as well.

Highlights of that ministry have been assisting three students who lost nearly everything to a fire, sharing Christ with certain international friends, and seeing students develop the desire to help each other because of the model of the PBA ministry. Again and again, students have expressed to me appreciation for what the Piedmont Baptist Association does and all of those who have given something of themselves to the students are to be thanked and commended.

Two conferences sponsored by the Baptist State Convention made a great impact on the international students and American Friend Families who attended. A fall conference at Mars Hill College focused on the Challenge of Change. A spring conference at Caswell Baptist Assembly, held on Palm Sunday weekend, discussed the meaning of death and life after death. Both provided opportunities for sharing the Gospel in a creative and exciting context.

Certainly much more happened in the year than can be summarized here. More than half of the churches in the association have been involved in the international student ministry either with contact with students, by providing food for an event, by allowing use of their facilities or contributing to needs. International student ministry is an excellent example of the cooperative effort of the churches in the Piedmont Baptist Association to reach the world at our doorstep.

Scott Wright, International Ministry

OVERNIGHT HOSPITAL EMERGENCY MINISTRY

The Hospital Ministry has seen some changes in structure the year of 1989-90.

It was a wonderful feeling to be able to reactivate this much needed ministry. As your director, I made a personal call to each area facility to advise them that this service was available again. I was warmly received by the chaplains at each stop.

We have been accepted at Red Roof Inn for the necessary lodging for those persons who may need it. Not only can the Hospital Ministry be accommodated by them but our association staff members and other ministry volunteers can use the adjusted rates offered. The manager of the local unit was most helpful in making these arrangements. This facility is located at I-40 and High Point Road. This is one of three local motels which offers this service to us.

It has been decided that this ministry will be a part of the Care Ministries which is under the direction of the Missions Development Committee. In the future we will look forward to working with the other Care Ministries in the association.

Thank you for the privilege of serving in this responsibility.

Shirley Barbee, Director

SENIOR ADULT DAY CARE COMMITTEE

A year ago the tightness of the associational budget ruled out the possibility of an associationally financed Adult Day Care Ministry. We learned, however, from Mrs. Gail Knox, Director of the Adult Center For Enrichment, that she was interested in establishing a "satellite" adult day care program using space made available by a church.

We talked with the leadership at Friendly Avenue Baptist Church about this and they were open to considering it. We even got so far as to have found suitable space, only to learn that the church already had other plans for the same space. The result was that this whole idea fell through and we have not checked with any other churches since then.

Despite all of this, the need for additional adult day care centers in the greater Greensboro area will continue to grow and we have an obligation to our senior adults to help provide this ministry. Cooperative arrangement between some of our churches and a professional organization such as the Adult Center for Enrichment would be the most cost effective way for us to go. I suggest that this committee be continued, possibly under new leadership, and directed by the association to aggressively explore the possibility of establishing one or more such satellite adult day care centers in our churches.

Austin Lovin, Chairman

PROPERTIES COMMITTEE

The properties committee was able to take care of several items this year. A new phone system was installed in the PBA office and also new carpet. We hope to paint the outside trim and the inside of the building soon. Bids are in for painting and window treatment. The low bid was from Southeast Painting Company of Climax NC for $1,230.00

We have also gotten bids on a new roof and paving the parking lot for the PBA building. Low bid on the roof was from Locklear Roofing in Pleasant Garden, NC at $3,375.00. Thompson Paving and Grading gave us a low bid of $3,260.00 on the parking lot.

Jake Phillips, Chairman

CONSTRUCTION COMMITTEE

Several years ago Dr. Edwin M. Vaughan had a vision for the future of Piedmont Baptist Association. He gave to the association some fifty plus acres on Lee Street and Sharpe Road for the purpose of building a retirement center. Several committees have looked into this possibility but were advised by the Baptist State Convention not to proceed because of the mammouth undertaking. They said licensing was difficult, because of so many unfilled rooms available at the present time in existing retirement facilities. Frankly our dilemma boiled down to a financial one.

This has created a problem for the committee to struggle with. It was stipulated by Dr. Vaughan that the property have some kind of ussble facility on it by November of 1991 in order for the association to retain sole ownership of the property.

The Lee Street Construction Committee has been working for several months to formulate a workable plan that would satisfy Dr. Vaughan and also one that would be an asset to the association.

Presently the committee is working with Bar Construction Company to acquire plans for a multi-purpose building. If funds are available, the committee would like to see the associational office moved to the Vaughan property initially rather than as a second phase.

Hopefully in a few weeks we can offer you a break-down in the cost of construction. In the meantime drive out to the property and take a look for yourself. I believe you will be greatly impressed.

It will take prayer, money, time and effort to make this become a reality. Will you help us?

Vernon Williams, Chairman

BAPTIST CAMPUS MINISTRY

Our BSU programs continue to grow and involve more students in our weekday programs as well as our cooperative ministry with the churches which provide a special ministry for college students.

During the summer of 1989 we had seven UNCG students serving in summer missions in North Carolina. Across the state about 350 students served in various places through the Baptist State Convention, the Home Mission Board and the Foreign Mission Board. Of those 350, the BSU'ers across the state raised $56,000+ to pay travel, living expenses, and salaries for some of those students. Our UNCG BSU raised over $3,000 of the state total of $56,000.

Over spring break in March, 12 of our students and our Campus Minister went to Sullivan's Island, South Carolina to help the Sullivan's Island Baptist Church complete the repair of its facility after Hurricane Hugo. We also assisted in general clean-up on the island. During the year our ongoing missions projects were with Sany Ridge Prison Unit, Teen Challenge, the GUM Night Shelter and Habitat for Humanity. During the 1990-91 school year we will be going regularly to the Baptist Children's Home in Thomasville and to several nursing homes in the city.

The GTCC BCSU had its best year since it was organized three years ago. David Clemens had very good leadership and very good attendance. This fall there has been some confusion in finding a meeting place, but they are now meeting regularly in the Health Careers Building, room 201.

We are trying to get a BSU started at Guilford College. We hope to report a success on this in next year's report.

We had 32 students from UNCG and GTCC who attended the NC Baptist Student State Convention at Ridgecrest September 27-29. The students were challenged to put their faith into action in the places where God is at work and where they need to also be at work. Two of our church groups went along with their leaders.

For the third year our two BSU's and the eight churches with college Sunday School Departments printed a cooperative booklet which was mailed to new Baptist preference students entering UNCG and Greensboro College. After classes began the booklet was distributed to Baptist preference students at Guilford and to any interested student at GTCC since no lists are available from that school.

We have had a very positive response to the printed material, but we would appreciate your churches encouraging your students to participate in the BSU wherever they are in school. The UNCG/GC BSU meets on Thursday nights from 6:30-8:00 p.m. at the Baptist Center at UNCG, 511 Stirling Street. The GTCC BCSU meets on Tuesdays from 12:00 noon-1:00 p.m. in the Health Careers Building, room 201. Students from any college are welcome at either of these meetings.

If you would like to have one of our UNCG BSU ministry teams (clowns, sign choir, choir) or a summer missionary come to your church to present a program, please call Geneva Metzger, 334-5149. If you would like to have a group from GTCC, please call David Clemens, 379-8613.

DIRECTOR OF MISSIONS

As we look back on the 1989-1990 associational year, there is much to cause us to give thanks. God has blessed us with dedicated, caring, loving leaders in so many programs and ministries in the Piedmont Baptist Association. Many events and programs of the association could be cited because of excellence, but it is people serving people as servants of the most high God that is the essence of any association. Thanks be to God for the dozens that have given of themselves.

Lives have been changed. People have experienced change spiritually as they have received Christ and been spiritually born again: internationals studying in the area, Vietnamese refugees who have come here to live; young people attending events at the time of the Evangelism Conference; dozens from all of our communities who received Christ at the time of the simultaneous revivals; people in the prison and jails where Christ is proclaimed in countless ways each day through the chaplaincy ministry. More than six hundred were baptized in Piedmont Baptist Association churches during the last year. That is more than any year since 1985.

Lives of Christians have been changed. People have been equipped in many training conferences. Others have been encouraged or inspired at a conference or rally or through a personal phone call from an associational program council member who called at just the right time.

That is really what an association is. It is the larger local family working together to carry out the purposes of God. God is to be praised for the staff that He has given us to work with, but more specifically to work with you, to assist you in carrying out the responsibilities that you have sensed God calling you to perform. Let's pray that God's will for each of us will be clearly discerned and that we will work with a clearer sense of direction and purpose whether it is necessary to work any harder or not.

Opportunities continue to abound. In God's grace and power 1990-1991 can be the best year yet!

Dennis Blackmon, Director

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

For 105 years Baptist Children's homes of North Carolina has been giving children a chance at life. This year we formalized that phrase into our first state-wide fund-raising campaign.

The "Give a child a chance!" Campaign seeks to raise $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, to give security to children of working couples, who won't have to go home to empty houses anymore.

Some of the new endowment earnings will increase training to help staff deal with ever changing needs among the 1,000 children and families they serve each year.

Baptist Men of North Carolina have agreed to build the new Tommy and Jeanie Eller Chuckwagon at Cameron, saving approximately $75,000 in construction costs.

Children's hopes also were bolstered by the return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 12-year absence, BCH lost more than $1 million in revenue.

In the change from a Homes and Hospital Offering to the Thanksgiving Offering, BCH will go 18 months without a special collection, a period that encompasses more than an entire fiscal year. For the past five years that special collection has meant $400,000 to the ministry, a sum that will be difficult to make up in the 1990-91 budget. Some churches, aware of the difficulty, have promised to begin receiving the Thanksgiving Offering in 1990.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. That is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

In August, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to 11 the number of emergency care homes BCH operates. That service, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

In 1991 BCH will celebrate the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J. E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

Baptist Children's Homes has a 105-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

Michael C. Blackwell, President

BAPTIST HOSPITAL

"The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession...One thing that hasn't changed is the institution's tradition for delivery of compassionate health care. That will never change." This statement, from Dr. Charles P. Nicholson, Jr., Baptist Hospital Trustee and Chairman of the Medical Center Board of Directors, is both a report and a commitment.

Another building in this $190 million expansion program has recently been completed and occupied. The Clinical Sciences Building will house most of the Medical Center's ambulatory services, and has been termed a "medical supermarket," where patients may do "one-stop shopping." The building will also accommodate an Ambulatory Surgery Unit, Medical Center Administrative Offices, and other functions. Nearing completion, is the Day Care Center for children of medical center employees. Under construction, is an addition to the MRI (Magnetic Resonance Imaging) Building, and a significant addition to the Patient/Visitor Parking Deck. Construction on the Center on Aging Building is scheduled to begin in early 1991 with the completion date set for the spring of 1993.

The purpose of all these new facilities, according to hospital president, Len B. Preslar, Jr., is to "enable us to respond to patient needs better than ever before." In addition to continuation and improvement of many established procedures, several new diagnostic and treatment programs have been started recently. The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in North Carolina. Bone marrow transplants are also being performed now in our Baptist Hospital. A Cranio-facial Clinic, to correct major deformities of the skull and upper face during the first year of life, opened recently. New laser technology provides an improved method for clearing out atherosclerotic deposits in the carotid arteries of the neck. New surgical techniques make possible better treatment of complicated retinal detachment. Orthopedic surgeons began use of the Ilizarov Technique for the repair and lengthening of broken bones. New approaches are being used effectively in the treatment of children with Cerebral Palsy. Bowman Gray/Baptist Hospital is the only medical center in the nation using and evaluating Clinodean, a non-narcotic pain killer which has proven effective in controlling pain following surgery and for cancer patients.

Through these various services we provided 210,456 days of care for 22,607 patient admissions last year. In addition to these, there were approximately 388,000 ambulatory patient visits in the various clinics, the Emergency Department, the Day Hospital, and in Ambulatory Surgery. These patients came from all across North Carolina and from thirty-four other states. Also the number of patients being referred to us from foreign countries is increasing as the reputation of the Medical Center spreads throughout the world.

The Department of Pastoral Care continues to strengthen its reputation both as a service agency and as a teaching facility. Last year, the department provided more than 29,000 ministries to hospital patients, almost 19,000 services to families, and more than 14,000 services for hospital and church staff members and their families. The Minister's Care Plan, a joint program with the Baptist State Convention, had 1,446 sessions with more than 200 different clergy families last year. The new Missionary Counseling and Support Services Program saw 48 individuals in its first six months. The Division of Clinical Pastoral Education/Chaplaincy had 53 students enrolled.

During the fiscal year ending June 30, 1990, the hospital received $692,946.24 through the Cooperative Program and $271,361.24 through the Homes and Hospital Offering and direct gifts. Cooperative Program Funds are used for the Department of Pastoral Care, and other church gifts help to provide Benevolent Care for financially needy patients. The hospital staff and patients are most grateful for this continuing financial support.

PROCEEDINGS
98TH. ANNUAL MEETING
PIEDMONT BAPTIST ASSOCIATION
THURSDAY, NOVEMBER 7, 1991

The 98th. Annual Meeting of the Piedmont Baptist Association was held in the beautiful new auditorium of Lankford Memorial Baptist Church. It was most attractive and well suited to our needs.

Rev. Vic Dowd, vice moderator, opened the meeting promptly at 9:30 a.m.. The moderator, Tom Foster, who is a judge, could not be present because of his judicial duties. Moderator Dowd called the meeting to order and recognized the host pastor, Rev. James (Bud) Parrish.

Rev. Parrish welcomed us to the church and invited us to return five years from now when he expects to be meeting in an even larger auditorium.

Rev. Ed Yount, the new pastor of Cornerstone Baptist Church, read the Scripture and led us in prayer.

Rev. Austin Lovin, associational clerk, moved that those messengers who had already registered, 121 of them, plus those who would register later, would constitute the association for this annual meeting. This seconded and carried.

Dr. Wilson Stewart, pastor of the Jessup Grove Baptist Church, and chairman of the program committee, presented the program as printed on page one of the Book of Reports and moved that it be adopted as the order of business for the meeting. This seconded and carried.

Dr. Dennis Blackmon, director of missions, introduced the new pastors and other church staff members who had come to the Association since the last annual meeting. He had those present to stand and then led in a prayer for them.

Mr. Ryland Young, associational music director, led the group in the singing of "Jesus Saves" and a medley of hymns.

The executive board report was given by Dr. Blackmon. He did not read the report to us, but referred us to pages 5, 6, 7, 8 in the Book of Reports. Dr. Leroy Parker moved that it be received as information. This seconded and carried.

Mr. Lee King, associational treasurer, presented the treasurer's report as information. He explained that the budget for 1991-1992 had already been approved. He emphasized that this was the first time in many years that the Association had not received more from the churches than for the preceding year. The receipts for 1990-1991 were about $6,000 below the previous year.

Rev. Jack Morris, pastor of Sixteenth Street Baptist Church and chairman of the committee on committees, presented the committee on committees report. He moved the adoption of this report. This seconded and carried.

Rev. Otis Davis, pastor of the Sedgefield Baptist Church and chairman of the nominating committee, presented his report. He explained that some of those listed had already been elected. It was moved that those already elected be confirmed and that the others be elected. This seconded and carried.

Dr. Leroy Parker, chairman of the credentials committee, presented his report which included a recommendation that the Friendship Baptist Church, meeting at 1006 Dunbar Street, having met all the requirements for membership be accepted into the Piedmont Baptist Association. This seconded and carried.

Mrs. Sara Parker, chairperson of the committee on long range planning, outlined briefly the main features of that committee's recommendations to the Association. The report and recommendations are contained in a separate booklet that had been distributed ahead of time to the messengers from the various churches. She pointed out that 40 different persons had been involved in gathering the information contained in the report. She then moved that the report, with its recommendations for priority for the next five years, be approved. After questions and answers, this seconded and carried. Mrs. Parker then made a motion that the committee on committees bring to the January executive board meeting the names of five persons to comprise the strategic planning and evaluation committee. This seconded and carried without opposition.

Dr. Dennis Blackmon thanked Sara and the others for the good work they had done for the Association and spoke at some length about the potential of the churches for doing what God wants His churches to do. He then introduced David Campbell, foreign missionary to Sao Paulo, Brazil.

Mr. Campbell thanked the Association for the part it has played in several trips to Sao Paulo for evangelistic efforts in the churches there. He went on to describe some of the things that the churches there are doing in reaching out to the lost.

Mr. Ryland Young then introduced the worship period by leading in the singing of "To God Be The Glory".

Dr. Gary Byrd, pastor of Calvary Baptist Church, read the Scripture, Isaiah 58, and led in prayer.

Mr. Robert Johnson sang a solo, "Amazing Grace", and played the trumpet with recorded accompaniment.

Mr. Pete Boone, member of Florida Street Baptist Church, introduced the preacher for the annual sermon, Rev. J. S. (Bud) Parrish.

Rev. Parrish preached the annual sermon, basing his message on the Book of Joshua. He described several steps that will result in our churches experiencing "Breakthrough In '92"

We were then adjourned for lunch by a prayer of thanksgiving by Dr. Leroy Parker.

Afternoon Session

After a delicious lunch, Moderator Vic Dowd, called us back into session at 1:00 p.m. with the singing of a hymn, "At Calvary", led by Mr. Ryland Young.

Dr. Bruce Anthony, pastor of Southeast Baptist Church, spoke of the sweetness and importance of daily prayer fellowship with the Lord, basing his message on Revelations 3:20.

Rev. Don Brock, pastor of Florida Street Baptist Church, spoke on prayer as the essential ingredient for any successful church growth effort.

The time for miscellaneous business came next. Mrs. Sara Parker, in the absence of Dr. Vernon Williams, chairman of the construction committee, spoke about the new associational building now under construction. She emphasized its value to the Association because of the variety of activities the property offers to our churches. Mrs. Parker then presented a motion that the new building be named the Vaughan Building in recognition of the generous gift of the property to the Association by Dr. Edwin Vaughan also that a portrait of Dr. Vaughan be placed in the building along with a plaque identifying him and his reason for giving the property to the Association. This was seconded and unanimously carried.

Jim Fleet moved that the Association elect a Christian Life Committee to speak for Baptists in our area on social and moral issues. This was seconded and after questions and discussion, it was approved by majority vote.

Jim Fleet made a second motion relating to gays and their lifestyles. It was seconded and discussed at length. The motion was approved, but it was voted that the motion be referred to the resolutions committee for rewording. That committee is asked to bring their results to the January executive board meeting. The Resolutions Committee was encouraged to seek the help of anyone they deemed helpful in rewriting this motion.

The two programs that were highlighted at this meeting were the chaplaincy ministry and efforts to reach out to those living in apartment complexes. Rev. Wofford Boyd, chaplain to the

Greensboro Police Department, introduced our other chaplains and then spoke of his own ministry. He emphasized the high stress level experienced by police and its effect on their lives and that of their families. As chaplain, he is able to minister in times of need.

Rev. Barry Nealy, associational director of Christian Ministries, spoke about his efforts to get our churches to reach out to those living in apartment complexes. He pointed out that 38% of the population of Greensboro live in apartments and that 95% of them do not attend church. In the past, we have found ministering to these people difficult or impossible, but new approaches have begun to open doors of opportunity. One of the best ways is for a church to provide someone who will serve as an activities director for the complex. One of the activities can be Bible studies. Apartment managers welcome this approach.

Mrs. Gladys Boroughs led us in a moment of silence while standing in memory of those among our members who have died since the last annual meeting.

Mr. Ryland Young led us in the singing of"Beneath The Cross Of Jesus."

Dr. Wilson Stewart, pastor of Jessup Grove Baptist Church, introduced the speaker for the closing message. He was Rev. Troy Bennett, retired missionary to South Africa and several other Moslim countries.

Special music was provided by a quartet singing "The Light Breaks Through The Darkest Night."

Rev. Bennett told of some of his struggles in adjusting to our lifestyle here in his home state after having been in African, Asian and Middle Eastern countries for over thirty-five years. He warned of the renewed aggressive zeal of the Moslims in spreading their religion in America.

There were no resolutions, so Dr. Dennis Blackmon conducted the installation of the new officers. He called attention to the fact that three of the four new officers were retired persons: Rev. Vic Dowd, moderator; Mrs. Sara Parker, vice-moderator; Rev. Austin Lovin, clerk. Lee King, treasurer, was the fourth person, but he was not present. Dr. Blackmon then led in a prayer for the new officers.

Moderator Vic Dowd closed the meeting with prayer.

Dr. Dennis Blackmon then introduced the director of the Sunday School ASSISTeam, John Setchfield, and presented him with an award from the Baptist Sunday School Board in recognition of his services with the ASSISTeam.

Rev. Michael Barrett presented a motion regarding the establishment of the Zion House for homeless women and children: "I would like to make a motion that we, as the Piedmont Baptist Association, go on record as stating there is a need for ministering to the homeless women and children of Greensboro, and that we would be willing to look into the needs of the Zion House Mission, and to gather information that we may inform and encourage our churches to support this ministry on a volunteer basis as you see the worthiness of this project." He moved its adoption. It was seconded and he then spoke to it and answered questions. He explained that this purpose in presenting the motion was to inform our churches of the House's existance and invited them to check it out and to give it support if they found it to be worthy. The motion was carried.

Barry Nealy presented a video about the work with international students.

Lee King presented the Treasurer's report (see attached) as information.

Sanford Smith gave the Baptist Men's report, emphasizing the State Baptist Men's Meeting in Winston Salem this coming Friday and Saturday. The theme of the meeting will be about volunteers for various state, home and foreign mission projects.

Brother Smith told of an invitation for the men of the PBA to build a "Habitat for Humanity" house in Greensboro, beginning in May of this year and appealed for funds and workers to make it all possible.

He also reported that there would be a WMU meeting February 12th.

Sanford Smith then told of plans for a team of up to 50 preachers and lay persons to return to Sao Paulo in late March for 8 days of preaching and witnessing in two associations there. He said that the response so far has been very slow and appealed for quick response by both pastors and lay people.

Vernon Williams reported on the status of the proposed Multipurpose building for the Vaughan property on Lee Street Extension. He reported that architects' drawings of the proposed building were available at the front of the auditorium for those who would like to see them after the meeting. He stated that a special called Associational meeting would be required to authorize the sale of the present associational office building and the construction of the new building. He urged everyone to inform themselves about the proposed building so an intelligent decision could be made. The building would be 80" x 130".

Dr. Leroy Parker announced the purchase of a set of video tapes having to do with pastoral "Burnout" and other problems.

Dennis Blackmon made an additional plea for more volunteers for the Sao Paulo Partnership project and for interest in the proposed building project.

At the request of the Moderator, a motion was made that the next Executive Board meeting be rescheduled to meet March 14, 1991 at 7 p.m. at the Pleasant Garden Baptist Church. The business meeting will be followed by the commissioning service for those going to Sao Paulo.

The meeting was adjourned with prayer by Lonnie Wymer.

The moderator, Tom Foster, called the meeting to order at 7:00 p.m.

Ira Still read the 23rd Psalm and led in prayer.

Minutes of the last meeting, January 14, 1991, were read by the clerk, Austin Lovin. They were accepted as read.

Lee King gave the treasurer's report. He called particular attention to the fact that receipts from the churches were running well below budget needs. His report was accepted by acclamation.

Monica Long gave the finance report. She spoke of the difficulty in preparing next year's budget in the face of the sharp drop in receipts from the churches over the last few months. She warned that this was approaching the critical stage and urged churches that were behind to catch up with their contributions and the several churches that had not given anything this year to please start contributing. Her report was accepted by acclamation.

Barry Nealy gave the Missions Development report. He spoke of the need for an apartment ministry. He called attention to the fact that tens of thousands of persons live in apartments in the greater Greensboro area and that most of them are unchurched. He cited several examples of churches in the association that already had such a ministry. He then reported that the search is still on for a Hispanic pastor for the beginning of a ministry to Hispanics. He told of an offer from our seminaries, the Home Mission Board and the State Convention for a "Praxis" team to come to our association for ten weeks during the summer and help start new congregations. The team members would be seminary students. His report was approved by acclamation.

Vernon Williams reported that plans for the construction of a multi-purpose building on the Vaughan property had reached the stage where decisions had to be made about beginning construction. The Lee Street Construction Committee requested that the Moderator call a special session of the Piedmont Baptist Association for the purpose of considering the go-ahead plans for the construction of the multi-purpose building to be built on the Vaughan property-the property being located on the corner of Lee Street and Sharpe Road. The date for this consideration would be April 4, 1991, 7:30 p.m., at Southside Baptist Church. Sanford Smith amended this motion that we include any related matters such as sale of present office facilities and short term financing.

The Moderator called attention to certain upcoming meetings, including the Semi-Annual Meeting and Shubal Stearns Banquet May 7, 1991, 3:00-9:00 p.m. at the First Baptist Church Greensboro and the next Executive Board Meeting July 15, 1991 at Lawndale Baptist Church.

Rev. Austin Lovin, clerk, asked those present to look over the minutes to see if they were accurate. One correction was made and the minutes of the last meeting were accepted as amended by common consent.

Lee King, treasurer, presented the treasurer's report. He pointed out that despite the fact that total receipts were running behind a year ago, the past three months were encouraging in that they have shown sharp increases over the previous year.

Monica Long, finance chairman, expressed appreciation for those churches that had returned the survey form she had sent to all of the churches. She said that it was difficult to plan next year's budget without knowing what the income from the churches would be.

She presented two recommendations:

1. That the finance committee be instructed to continue monitoring the income and disbursements, with the view to keeping expenditures as close to receipts as possible.
2. That the committee be allowed to recommend budget cuts to the Executive Board when the situation warranted it.

Motion was made by Wade Wiley. It was seconded and carried unanimously.

Monica also asked that no expenses be incurred without first filling out a requisition form and that all items over $50.00 must be approved by the finance committee. Rev. Austin Lovin moved that this be approved. It seconded and carried.

Jill Foster, member of the Nominating Committee, presented the names of two persons for election: Gail Ledbetter as associational Sunday School Director and Myrtle Ballard as Literacy Director. It seconded and was approved.

Under new business, Dennis Blackmon, associational Director of Missions, spoke briefly but urgently about the need to sell the present associational office building soon because the cost of borrowing large sums of money for the early stages of construction of the new office building will be prohibitive.

CREDENTIALS COMMITTEE

The Credentials Committee of the Piedmont Baptist Association exists for the purpose of investigating applications for membership into the association, and making recommendations concerning admission. Also, the Credentials Committee is charged with the task of recommending action to the association with respect to any withdrawal of affiliation of any member church from the association. Many of you are aware of several new work starts in our association.

We are pleased to report that Friendship Baptist Church located at 1006 Dunbar Street and pastored by William McNeil has met the requirements for membership in the PBA. Therefore we recommend the acceptance of the church by our association.

Colfax Baptist Church is currently under watchcare of the association. This church is moving ahead under the capable pastoral leadership of Chaplain Beauford Smith. Our hope is to receive them into full membership at the next associational meeting.

We encourage our stronger churches to seriously consider starting a mission in strategic locations. Barry Nealy, director of church extension, is available to assist in this important work.

PERSONNEL COMMITTEE

The Personnel Committee set for itself two goals for this past year. First, to establish a Personnel Policy Manual and second, establish job descriptions. The policy manual will establish the procedures and administration of the employees of the PBA. This policy manual was developed in cooperation with the Director of Missions. The Director of Missions will use the policy manual as he serves in his capacity of administrator of the employees.

Second, the committee is working to establish job descriptions for each staff position in the PBA. These descriptions will be used in guiding the employee's responsibilities and in evaluating job performance in the annual evaluation of employees.

In regards to the Spanish Mission Church in conjunction with the State Convention, the Personnel Committee has interviewed numerous candidates for the pastor's position. On three separate occasions an invitation was extended, but none of the candidates sensed God's leading. Due to the time expiration, the funds are no longer available through the State Convention. Therefore, the committee halted its search.

LEE STREET CONSTRUCTION COMMITTEE

The new associational office and recreational complex is moving along on schedule. Hopefully we will be in the facility around the first of December.

Many of our churches have already been using the present facilities for cookouts, campouts, and picnics.

It is our belief that the new facility will be an added demension to the growth process of our association. Without exception almost everything needs updating and refurbishing in order to make some appeal to people to move forward.

Once you see the building and grounds, it will create a new spark of excitement and joy within your heart.

Why not ride out and take a look for yourself? Your church family may have a reason to use the facilities, if so go by the associational office or call and make reservations.

May the complex always be used to the glory and praise of our wonderful Savior.

Vernon Williams, Chairman

LEE STREET PROPERTY COMMITTEE

The Lee Street Property Committee has not modified the guidelines for use of the Vaughan property this year. Any church wishing to use the property is encouraged to schedule it through the associational office. A list of the current guidelines is available upon request.

Ground was broken for the new Baptist Center building on July 14th. The major maintenance item was installing a new roof on the shelter this year.

Churches are encouraged to use the property as they have the opportunity.

DIRECTOR OF MISSIONS

During this year the preparation of the Long Range Plan for 1992-1996 has dominated the calendar of activities. Almost 100 people representing most of the churches have been involved on task forces and committees related to the process. We are especially grateful to Manuel Cunnup who served as chairman of the initial phase and Mrs. Sara Parker who chaired the steering committee in the final phase. The Association, during this same time, has assisted churches in the PBA in planning within their respective bodies. Six churches were assisted in a PACT Blitz and at least two others were assisted in separate consultations. Others are already making arrangements for similar planning.

The construction committee for the new Piedmont Baptist Associa tion Center has done a very commendable job. All members have worked very hard to be good stewards and good planners. Vernon Williams has served well as chairman. Committee member Harold Tippett, a retired builder, has done an excellent job of serving as committee spokesman with the contractor. His oversight, along with Vernon Williams, is going to result in our having a better building while at the same time helping to save money.

Many opportunities for training have been provided during the past year; WMU, Brotherhood, Sunday School, Stewardship, Evangelism, and several areas of ministry training. However, we are especially pleased with the results of the PBA All Church Leadership Training where almost 300 people were trained in several areas related to local church programs and ministries.

Space is not available to mention all the things that have been done in the past year, but the other reports tell much of the story. A special word of thanks goes to John Setchfield who served the ASSISTeam in such a capable manner over the past three years. John did a marvelous job of taking a very good ASSISTeam and leading it to a higher level of excellence.

Others like Philip Whitt, Myrtle Ballard, Shirley Barbee, and Sanford Smith have worked diligently in areas where success cannot be as easily measured. None the less, we are grateful for their commitment to serve even in these difficult areas.

We are indeed thankful to God for all the faithful servants He has raised up, who, even though they are busy in their local churches, are willing to serve their fellow churches through the associational effort. Because of them the Association is stronger because each church can be made stronger. Even more important the Kingdom of God is strengthened and built up. To God be the glory!

Dennis Blackmon

MISSIONS DEVELOPMENT COUNCIL

The Missions Development Council coordinates several ministries. Besides the work in the following reports, other mission projects have been proposed to the Council. All are worthy, but limited resources in volunteers or funds do not allow PBA to participate in every proposed ministry.

Missions volunteers are coordinated through the Home Mission Board through this Council for projects in other areas of the country. In 1991 youth groups served in West Virginia, Florida, and South Carolina as Home Mission Board volunteers. The PBA partnership with New York Baptists is coordinated through the Baptist Men which will be led by Dr. Wilson Stewart, pastor of Jessup Grove Baptist Church.

Language Ministry

Vietnamese refugees continue to come to the Triad sponsored by Piedmont Baptist Association. One family is housed in a home leased for $1 per year from HUD as a part of helping the homeless. Other such opportunities are being investigated. Pastor Hoa Vo helps all refugees, not just those PBA sponsors. He guides them through health checkups, finding jobs, learning English, and learning to drive.

Pastor Vo began a Vietnamese Church at First Baptist Church, High Point last September. Barry Nealy aided them in calling a young Vietnamese pastor and helped him enroll in Campbell University in the Summer of 1991. The Vietnamese Church sponsored by Southside, Greensboro continues to reach people with the gospel. Thank you for prayers that Christ be preached through these tireless efforts among the newcomers to America.

Church Extension

Apartment ministry is the growing edge of church extension in Piedmont Baptist Association. Many mission projects such as Backyard Bible Studies have been completed by PBA churches in past years. Now volunteers have a new dream of planting satellite churches or Bible studies in apartments and mobile home parks. These are planned as permanent ministries rather than short-term projects. This vision comes from realizing that 38% of Greensboro lives in apartments, but only 9% of our church members live in apartments. Some 95% of apartment residents are considered "unchurched" according to the Gallup poll.

Several churches began serving apartment communities during the past year and we intend to double that number in the next few months. Florida Street Baptist Church initiated activities at Random Woods Apartments in October, 1990. Ms. Audrey Womack saw herself as a missionary where she lived and began children's activities in her apartment. Lawndale Baptist Church started a monthly Bible study for ladies and children at Applewood in August, 1990. This work was an outgrowth of a ladies' weekday Bible study at the church and is now led by Mrs. Jo Clark in a public housing community. In April, 1991 Robin Roberts opened activities at The Regency; executive apartments. Both have been strengthened by the participation of numerous volunteers.

South City Baptist Church, the newest PBA mission church, began a ministry at Cinnamon Ridge Apartments in May, 1991. Kenneth and Carol Melton find this a good opportunity to meet people who need Christ. They now serve two congregations; one at South City and one at Cinnamon Ridge.

Training is preparing other churches to minister effectively to apartment residents. PBA negotiates with management to open the way for such a venture. There are now more open doors to apartments than there are volunteers to meet the needs.

No Hispanic church planter has been found to begin serving in Greensboro. Funding has been reduced. This further impedes the process of getting someone. Let's pray for the Lord to send a laborer with the special qualities needed for this work.

PACT studies were completed in six PBA churches this past year. The following PBA churches have completed PACT to date:

CHURCH	CONSULTANT	YEAR
Rocky Knoll Baptist Church	Joe Jones	1988
Lankford Memorial Baptist Church	Manuel Cunnup	1989
Florida Street Baptist Church	Ebbie Smith(Texas)	1989
Lawndale Baptist Church	Dennis Blackmon	1990
Eller Memorial Baptist Church	Manuel Cunnup	1991
Gethsemane Baptist Church	Paul Faircloth	1991
Immanuel Baptist Church	Barry Nealy	1991
Northeast Baptist Church	Roy Smith	1991
Rolling Roads Baptist Church	Cline Borders	1991

Two churches are preparing for PACT. One is committed and the second is investigating. Churches are growing with PACT in PBA!

Barry Nealy, Director

Literacy Ministry

In the past year, while searchng for a permanent director of this program, we have been referring inquiries to the Guilford County Literacy Council. In this way the program continues, the people who call are referred to an active literacy agency with similar goals and more available trained tutors.

I have been enrolled in a program of Laubach Literacy for certification as a tutor trainer. Once I receive certification, I will be available to conduct literacy workshops without cost. These can be scheduled day, evening, or weekend thus giving a broader scope than in the past.

We are still searching for an individual to accept the Literacy director's position. When this person is located, it is hoped the program will again begin scheduling workshops and assigning students to the tutors who have been trained. Since I am a member of the Board of Directors of the Guilford County Literacy Council, we will have direct input from this group. Also, we can become more closely related to Reading Connections, a new literacy group. Cooperation between all local literacy groups can better meet the needs of the illiterate.

We are looking forward to a more productive future.

Myrtle Ballard, Interim Director

CHAPLAINCY MINISTRY

Guilford County Sheriff's Department
Beauford Smith, Chaplain

Preparing the annual report for the Piedmont Baptist Association brings a memory of a song from many years ago, "Ain't it funny how time slips away."

As I reflect about this church year, I am thankful that many people received help through the Chaplain's office. There were other people that we were unable to help. Over all God has really blessed this year's work.

Many changes have taken place this year in personnel at the Sheriff's Department. The inmate population in the Greensboro and High Point jails have been to capacity; approximately 30,000 people have been booked into the Greensboro and High Point jails this year, averaging about 500 inmates daily. There have been over 400 inmates that have accepted Jesus Christ as their Saviour, and over 500 have rededicated their lives to the Lord. We have distributed over 2000 hygiene items this year. We had over 300 counseling sessions, 600 Bible sessions and studies, and distributed over 550 Bibles and New Testaments.

Our jail ministry in High Point is going well with George Brice as part-time chaplain. We are thankful for his work there. Reginald Cook does most of the jail ministry in Greensboro. Most of my work is with the Sheriff's Department personnel. The request for counseling has been more in demand this year. I also edit the monthly newsletter at the Sheriff's Department. The newsletter continues to be effective in getting the gospel message to all personnel in the Department. Each newsletter carries a devotional, monthly Bible question, prayer list, and general information about personnel. There is lots of interest in the newsletter.

The volunteers who come to the jail during the week and on Sundays have done a great work this year. Their work has been a big factor in making this one of the best years we have had in total decisions for Christ. I am thankful for their hard work and dedication in serving our Lord.

I am thankful for the opportunity I have had this year to work with Chaplains Reginald Cook and George Brice. The PBA staff has given us help in every way possible. Their help has made our work more effective. To the churches of the Piedmont Baptist Association, we thank you for your support in hygiene items, and for your prayers. Thank you for the opportunity to serve as your chaplain at the Sheriff's Department.

Pray that our work next year will be fruitful for our Lord.

Reginald Cook, Chaplain

Someone told me one day that the older you get the faster time will go by for you. This year has come and is almost gone by and before we know it, this year will be gone.

Yes, time does seem to be going by faster than ever! That's one reason why we should try our best to service the Lord Jesus Christ with all our heart, mind, body, soul and spirit. We being Christian people should try to lead as many people to the Lord Jesus Christ as we can in our walk.

This year has been a great year for decisions for the Lord Jesus Christ. The Gospel is being preached throughout the jail, with the help of saved inmates and outside lay people.

During this year many people have accepted the Lord Jesus Christ, but as always one or two stand out above the others. One day I was working the floors when an inmate stopped me and asked if we had service on the floors. I told him yes. He replied, "Could you give me a personal service?" I said yes. After talking to this young man for a while, I bluntly ask him if he knew Jesus Christ as Saviour. He said, "No." We talked some more and I asked him if he wanted to know Jesus as Saviour and he said yes. This young man did accept the Lord Jesus Christ as his Saviour. This young man really wanted the Lord Jesus Christ in his life, no matter what it took.

This year I have experienced that many, many people do not really know what being saved is all about. People will tell me, "I go to church, but I am not saved." People will say, "I know who God is but what is being saved?", or they may say, "Saved from what?" My prayer for next year will be that everybody who goes to church will know Jesus in his heart and they will tell someone else about Jesus Christ who does not know Him as their Lord and Saviour.

I do want to praise God for all the churches in the Piedmont Baptist Association for their many prayers, their support, and for their mind to serve the Lord Jesus Christ. I want to thank the staff of the PBA for their love and support. Thanks to David Fleming, chaplain at Sandy Ridge Prison, for his love and support, also to Beauford Smith, chaplain at the Guilford County Sheriff's Department for his love and support.

May the Lord Jesus Christ bless you all.

Sandy Ridge Prison Unit

David Fleming

The prison ministry continues to be one of our most exciting ministries. As inmates receive Christ and begin to change their lives, we see the true power of God. During the past year 22 men received Christ as their Lord and Saviour. Many have rededicated their lives to God and have been reunited with their families. Three men have heard the call of God into full-time Christian service for the Lord.

Our churches have been very active in providing Christian programs for the inmates, such as Bible study, worship services, video tape ministry, Gospel Sings, cook-outs, and other activities. All these efforts help tremendously in leading these men to Jesus Christ. They feel the love of God through the love shared by our volunteers in the PBA.

A highlight of the year is our Christmas project. Church members provide gifts for the inmates, which often result in the inmates receiving a gift from God, the gift of eternal life.

Many churches have allowed us to share the ministry with their congregations. This is always a blessing for the inmates who share testimonies and the church members who feel the true power of God to change lives.

Your continued prayer support and financial contributions are appreciated.

You are encouraged to take an active part in this ministry and you may call me if you are interested in leading a service in the prison.

May God bless each of you for your willingness to share the Gospel and leading prisoners to Jesus Christ.

"Love your enemies and do good." Luke 6:36

Wofford Boyd, Chaplain

The Chaplaincy to the Police Department continues to be a vibrant ministry. The Chaplain and the ministry are well received by members of the department and administration.

As the ministry is now in its sixth year, the fanfare of newness has wained and the ministry is now more a customary part of the department. People use the service as they have need and otherwise they know it is in place for them. Of note is the fact that the ministry is now accepted as part of the department.

The past year the departmnet too has felt the effects of the economic situation. It has been a year of budget cuts and reacting to the effects of those cuts. Many times these take their toll on people's feelings. These have had effect on all phases of promotions, salary increases, and monies for training. The department has made many changes resulting in shifting of personnel and positions. All of these have had their effect on moral, officers' personal satisfaction and well-being and family life.

The chaplaincy ministry has been here to assist individuals for whom this added stress has created need for outside support. Sometimes the needed support is counseling. Other times folks just need to talk. Occasionally I have been a safe sounding board in what would generally appear to be a gripe-session; but it served the need for the employee to express his feelings and release his stress through a safe outlet. Most important at these times, one can experience grace.

As some positions have been eliminated and others have been downgraded to civilian positions, some of the personnel have felt vulnerable. Some officers have had to move from daytime positions back to the field. All of this affects family. This ministry has been here to help employees as they go through the experience.

The same financial crunch is taking its toll on the association causing some to question how long we can afford to keep the Chaplain in place.

The Chaplain has enjoyed in past years the departments encouragement and sponsoring his attendance at Police Chaplain Training Conferences. Now monies for these have been greatly decreased and this training will be greatly curtailed. I feel the effects myself and can appreciate the officers' feelings which helps me to serve them.

The above has been in addition to the usual ministry, counseling, marriages, ceremonies, funerals and etc. of former years.

The Chaplain is here and available to minister when these times arrive. He is also here to seek out those whose very appearance reveals that they need someone who is concerned because they are experiencing a hard time.

I spent a large portion of one week in court with one officer who was attacked. The assailant, apparently trying to kill him, shot seven rounds from a high powered rifle into the driver's area of the patrol car as the officer sat in the car writing reports. This officer and others involved in the case who were in court expressed appreciation for the support before and during the trail.

This is the ministry of the police chaplain. This is the ministry of the Piedmont Baptist Association to the Greensboro Police Department. I receive many, many expressions of gratitude from officers and administration.

Thank you for supporting this ministry.

FAMILY MINISTRY

Dr. A. L. Parker attended the Key Leadership Conference May 11-12 at Ridgecrest representing Family Ministry. Dr. Bob Newton led this conference consisting of good and bad news. We have many good strong Christian families and the divorce rate is slightly lower. An alarming note was sounded, however, the increased divorce rate among clergy and church staff, adultry and abortion are on the increase nationwide. Dr. Gary Chapman's "The Anatomy of An Affair" is a must for every pastor, staff member and marriage counselor.

We remind you of the free video tapes available at the associational office. These were purchased with money sent in by our churches. Plan to show these in your church at appropriate times.

Some of the tape titles are: "How To Strengthen Today's Family" and "The Impact of Cultural Trends on Today's Family."

Also, "Through The Eye of a Needle, A Biblical Perspective on Suffering, Death, and Growing Through Grief", and "Aids, A Christian Perspective" by Dick Day.

May yours continue to be a strong, solid, Christ centered home.

A. L. Parker, Director

SENIOR ADULT MINISTRY

Working with senior adults in our association is both a blessing and a challenge. These are people who have made their mark in their individual churches. Most are people who have worked hard in the heat of the day, walked through many storms, fought many battles, suffered many heartaches, and now are standing as a testimony of what the Lord can do through a life dedicated to Him.

I am thankful that we have a group in our churches who have stood the test of time, who show to others what faithfulness means. Those who are there when there is work to be done, ready when real commitment is needed. Our Senior Adult Ministry is growing. I hope that the leadership of our churches will remember as they search for workers in the Lords harvest that herein is the reservoir of knowing how, understanding, experience, and availability. Please let us not overlook this great resource in our churches.

It is a real joy to serve with these dear saints.

Herb Meadows, Director

INTERNATIONAL STUDENT MINISTRY

International Student Ministry continues by bringing together the efforts of the PBA International Ministry Council, many WMU's and BYW's, Baptist Men, PBA International Student Friend Families, the Greensboro area Baptist Student Union, the Baptist State Convention of North Carolina, and interested individuals. Certainly this outreach to the hundreds of internatinal students in this city is a good example of the cooperative effort of Southern Baptists to reach the world for Christ.

Though the events of the year such as the 1990 fall welcome picnic at Country Park, the Thanksgiving picnic at First Baptist Church Greensboro, the Valentine Party at Immanuel Baptist Church and the spring picnic at Piney Lake are the most visible aspects of the ministry and where most PBA folks might have been involved, they are only a small part of the whole ministry.

The significant work of the ministry occurs with those individuals who have taken the step of relating to an international in a personal way. During the past year about twenty-five families related to about forty students. The need for committed families is always great. One or two families from each church would more than double the number of families involved. In the 1991-1992 year the international council is seeking to enable Friend Families and others in the PBA on relating to students and sharing faith. Be involved at this level.

Also significant to students and others are those weekends spent at international conferences at Mars Hill College and Caswell. Designed around current issues and taking advantage of the local scenery for touring, students have the opportunity to attend a Christian worship which many would not do in another setting, and enter into dialogue about their faith. Often this occurs in an informal setting such as around the dining table or late night in the dorm hallways. The PBA is part of this ministry by helping with partial scholarships for students who would like to go but cannot, afford the expnse. Also the PBA helps defray some of the travel cost. An ongoing need is vehicles to transport students. Are there churches or individuals in the PBA who could provide a van (and probably driver) for these events? The number of students able to go is limited by transportation.

The most recent event, the 1991 fall student welcome picnic, showed a larger attendance than the past few years. Also more students registered to be in the Friend Family program and requested Bibles. In addition there was a greater participation from American students in the city and PBA families. These are all encouraging signs that the PBA has more opportunities to share Christ. The real question is whether we will take advantage of these opportunities.

Pray how you and your church might be involved.

Scott Wright, International Student Ministry Coordinator

OVERNIGHT HOSPITAL EMERGENCY MINISTRY

This year has marked the end of my term of office and as it draws to a close I want to thank you, the churches of Piedmont Baptist Association, for allowing me to minister in this area of our endeavour to reach people with the love of Jesus.

As we study the life and ministry of our Lord, he ministered to the physical needs of people before he was able to point out and meet the spiritual needs.

Through the efforts of the Hospital Ministry, we have been able to meet many needs-friendship, someone to listen and in turn to comfort, and to help ease worries. Also to provide a place to rest and refresh, but still be close to loved ones who were confined to the hospital.

Our most recent call came Sunday, September 1, this year. A lady and her aunt, here for a convention, needed a place to stay overnight when the aunt had to be hospitalized. Other family members arrived on Monday, Labor Day, and she was able to return home. The room was her only need since she had her own transportation and money for food. She was very grateful to the Association for providing this kind of assistance.

Through the year it has been proven that this ministry is needed in our city. As the Association moves into another year, it is my prayer that this ministry along with others can be continued.

Shirley Barbee, Director

YOUTH MINISTRY

We had three associational-wide events for our youth this year. The "50's Night" held at Greensboro First Baptist Church gym was our first event. We had over 200 youth with 3-4 youth making decisions for Christ.

The Piedmont Baptist Association Night at the Greensboro Monarchs Hockey Game in February of 1991 had 105 youth and adults with approximately nine churches participating.

The third event was a Splash Party on August 16, 1991 at Emerald Pointe. We had several churches to participate. At the rally the youth were challenged to "Go back to school, go back for God". Many teenagers made commitments to take a public stand for God in their schools. One young girl raised her hand to invite Jesus into her life.

We had several churches combine efforts in youth work. Six churches combined to have a youth summer camp in Black Mountain, North Carolina. Over 100 decisions were made that week to let Jesus make a difference in their lives.

Sixteenth Street, Willomore, and Lawndale Churches combined their groups to go on a mission trip to Myrtle Beach, South Carolina. There were several decisions made by vacationers and residents. We helped renovate a church's music suite, visited in nursing homes where we held services, and served food in a soup kitchen.

We have plans for an Associational Youth Camp next year, June 15-19, 1992 in Eagle Eyrie, Virginia. All churches are invited to participate. We expect a great camp and it will be less expensive than other large camps in our area. For more information contact Keith Harwood at 288-3824.

Keith Harwood, Director

SUNDAY SCHOOL

The Associational Sunday School Improvement Support Team met monthly during the year to plan and evaluate its work. Kay Underwood joined our team this year for the first time as a Preschool consultant. Each of the ten members of the ASSISTeam were given five churches to stay in touch with during the year. They called Sunday School Directors and/or Pastors to ask how we could be of help and inform them about upcoming opportunities. The ASSISTeam has asked each church to send a list of workers' names, addresses and phone numbers so we can keep in touch by mail for all events.

The ASSISTeam provides five training opportunities during the year that all churches were invited to participate in. Age group conferences for Adults, Youth, Children, and Preschool workers were held in the winter.

A small Sunday School Training Revival was held in March to give particular attention to those churches with less than 150 people in Sunday School.

The Association VBS Clinic was held in April and 18 of our churches participated.

The PBA ASSISteam hosted a regional Curriculum Overview Workshop in July and 20 of our churches participated.

The ASSISTeam welcomes a new director, Rev. Marc Gray, pastor of Sharpe Road Baptist Church effective October 1, 1991.

John Setchfield, Sunday School Director

We are working on camps and workshops for the spring and summer of 1992. We will try to keep the Piedmont Baptist Association Chorus going on a regular basis in order to sing for special events in the future.

WOMAN'S MISSIONARY UNION

"Empowered", the WMU theme for 1990-91, has challenged our membership to take seriously the command of Jesus to go in to all the world to spread the gospel by relying upon and responding to the person of the Holy Spirit. This emphasis has inspired WMU members to lead their churches in reclaiming the meaning of missions in our association and throughout the world. This year the associational WMU has striven to interpret our theme and to lead individual churches into deeper missions involvement.

Our associational WMU Council consisted of nineteen members. This council met quarterly this year to plan activities in which we could involve as many churches in our association as possible.

On September 17, 1990 at Sixteenth Street Church, the Council conducted fall leadership training for age-level organizations. There were approximately one hundred fifty people in attendance for the conferences.

In October the GA Fall Festival was held at Lawndale Church where Becky Doyle, missionary to Ecuador, shared her experiences with the girls. GA's also journeyed through "GA Land" to learn more about the purpose and tasks of GA's. The same month Acteens director, Terri Rakestraw, and six members of the associational Acteen Council attended a retreat at Mundo Vista where they were instructed in how to function as a council. This retreat provided the opportunity for bonding between the Acteens and their directors as well as valuable insight into work of several missionaries to Brazil.

The Baptist Women's World Day of Prayer was held November 5, 1990 with 165 people in attendance at Parkway Baptist Church. Baptist Women and Baptist Young Women participated in the program in observance of this time of prayer for the missions work of Baptist Woman around the world. Those attending the meeting brought crossword puzzle books to support the North Carolina State WMU's Christmas project for the benefit of women inmates at Central Prison in Raleigh, North Carolina.

On February 12, 1991, the annual WMU Focus Week Banquet was held at Florida Street Church. Esther Burroughs, staff member with the Home Mission Board and author of the best seller, Empowered, was our featured speaker. Three hundred ninety-eight people enjoyed a delicious meal prepared by Frances Boone of Florida Street Church. Afterwords, more than five hundred fifty people listened and were blessed by the words of Esther Burroughs. The next week on February 18, 1991, our Mission Friends Round Table met at Quincy's Restaurant for a time of sharing and encouragement. Acteen leaders met for a time of idea "swapping" at Captain Bill's, and this event was most beneficial for those in attendance.

Our WMU Annual Meeting was held at Southside Baptist Church on March 19, 1991. One hundred twenty-five people attended the event. All WMU officers were elected during the business session, and our time of inspiration was lead by retired missionary, Rev. Steve Davenport. We were all tremendously blessed by the singing of the children's choirs from Good News Church and the Vietnamese Mission.

April began with a salad supper for Mission Friends leaders at South Elm Street Church on the eighth day of the month. Ten churches were represented at the GA Spring Fling on April 13, 1991, at Summerfield First Church. Mary Odom shared some of her experiences in Zimbobwe with the forty-nine BYW's in attendance at the BYW Banquet at Pleasant Garden Church on April 18, 1991. Acteens met at Calvary Church on April 29, 1991, for their annual banquet. Seven churches were represented at this event where Acteens from Calvary and Summerfield First Churches shared about personal experiences of their Home Mission trips.

Carolyn Hopkins, staff member of North Carolina WMU, met with the PBA WMU Council on May 9, 1991 to discuss problems, concerns, ideas, and suggestions to improve the work of WMU throughout our state. Plans are being formulated to both strengthen the quality and quantity of WMU in North Carolina. The GA Mother/Daughter Overnight Camp was held at Mundo Vista on May 17-18, 1991. The camp had one hundred sixty-three participants and was jointly sponsored by Randolph Association. Mattie Spencer of Rankin Church and Lib Apple of Clifton Road Church were the cooks for this special event. On May 25, 1991 Mission Friends gathered for Day Camp at Friendly Avenue Church. Seven churches and fifty people participated in this time of fun, fellowship , singing and praise for missions.

In June the council members attended Caraway Conference Center to receive training for the 1992 WMU emphasis.

On July 11, 1991, Dr. Bruce Anthony, pastor of Southeast Church led the Baptist Women's Prayer Retreat at Greensboro First Baptist Church. There were one hundred fifty people in attendance.

In addition to the planned activiites listed above, the WMU Council has been active in meeting with small groups of women and children throughout the association in efforts to begin new work and strengthen established organizations.

A new position on our council this year is that of WMU Language Director. Mary Odom has very ably filled this position this year as she met with the Vietnamese, Arabic and Chinese congregations.

Continue to pray for the work of WMU in this association and for the WMU Council members as we undertake our tasks empowered by the Holy Spirit.

Patricia S. Frazier, Director

EVANGELISM

This year has been a time of restructuring due to several of our committee members moving. We have organized with each member being responsible to communicate upcoming events to their respective churches.

Our major emphasis over the last several months has been given to preparation of a "Breakthrough in '92" Prayer Rally for Greensboro with Rick Amato. We would encourage every church to participate and have someone from their church involved in the planning and preparation. Bud Parrish has been elected as the chairman of the rally. The dates of this rally are May 17-20, 1992.

It has also been our proposal that we follow in 1993 with an area-wide crusade. We have been in contact with Dr. Billy Graham's office, Leighton Ford, Jay Strack and Ralph Bell. A lot of prayer needs to go into this matter.

As you are aware "Total Church Life" is the major emphasis of evangelism for the next few years. We encourage all churches to become aware of this material and consider receiving training either through our state or association. We, as an association, will be having a "Total Church Life" Seminar each year!

Our Association's strategic planning has outlined several areas of importance that we as a council will be addressing to keep evangelism the heartbeat of each church. We will be taking steps to help increase church growth and baptisms.

SAO PAULO COMMITTEE

The world-class city of Sao Paulo, Brazil will never be the same because of Baptists in Greensboro! The Lord has honored our commitment to preaching the gospel in a tongue we cannot even speak. Since we began in 1988 hundreds of lives have been changed forever by the Christ we proclaim.

In March, 1991 a team of 12 flew to Brazil. Most were provided help with the costs of the mission journey by their churches. The team divided into small units of three each to work with seven churches. There were 194 professions of faith registered after eight days of sharing in homes and preaching in churches. Several people received Christ who had heard the good news from members of these churches. One home where demons are worshiped opened to hear of Jesus. No commitment was made then, but the door remained open for Christians to return. That lady's Christian daughter was deeply grateful for the team that spent themselves climbing a muddy hill in the rain to talk of Jesus. Dozens of such stories could be repeated from that brief trip.

These are our missionaries to Sao Paulo this year and the churches which sponsored them: Barry Nealy, Lawndale; Ken Kelley, Northeast; Bud Parrish, Lankford Memorial; Mike Barrett, Lottie Dix, Kim Still, Wade Wiley, and Diane Hauser, Pleasant Garden; Jo Anne Bettini, Beverly Smith, and Cheryl Cobb, Rankin; and Missy Robinson, Parkway. One final team will proclaim Christ in Brazil, January 31-February 10, 1992. Is God sending you or your pastor? Please call Dr. Dennis Blackmon at PBA 275-7651.

STEWARDSHIP

In the beginning was God. God created the heavens and earth and all that exist. Then He created man and placed him as steward of His property. All that exists belongs to God. Man is only a caretaker of what God assigns to him. It is this truth that the Stewardship Council wishes to impart to all the people of our association.

Your council sponsored three sessions in the Witnessing-Giving Life Seminar held at Lawndale Baptist Church on September 24 and 25, 1990. They were 1) "How to Develop an Effective Church Budget", led by O. D. Martin; 2) "How to Conduct Christian Money Management", led by Talmadge Williams; 3) "How to Have an Effective Stewardship Committee", led by Ken Batts. These leaders are with the Stewardship Division of the Baptist State Convention. Approximately 25-30 churches were represented.

On May 20, 1991 a Stewardship Training Session was held at Sixteenth Street Baptist Church. This was in cooperation with the PBA pastors conference and began at 10:30 a.m. Talmadge Williams from the Baptist State Convention led the session. There were about twenty-five pastors present.

Your council sponsored three sessions on stewaradship at the All Church Leadership Training Conference held on September 16th. and 17th. at the Florida Street Baptist Church. Wofford Boyd from our council gave an overview on Christian Family Money Management. This was held on Monday night following the keynote sermon by Dr. Charles Fuller of Roanoke, Virginia. Also on Monday night, Jim Lambert from the North Carolina Baptist State Convention led a session in "Orientation and Tips for Church Treasurers and Budget/Finance Committees." On Tuesday night Jim Lambert led a conference on "Tax Issues of Concern to Churches and Staff and Pastor/Staff Compensation." There were approximately 30 in attendance at these sessions.

Your committee has a conference planned for April 13, 1992 at 10:30 a.m. The emphasis will be "The Church's Stewardship Ministry" and will be led by O. D. Martin from the North Carolina Baptist State Convention.

It is your council's desire to serve you. If we can be of help regarding stewardship please let us or the associational director know your need.

We appreciate the support our churches have given to the association through the years. We trust that each of us will do our part in 1991-1992 in support of the Lords work throughout Greensboro and Guilford County.

CHURCH SECRETARIES CONFERENCE

The PBA Church Secretaries' Conference meets quarterly on the second Thursday of September, December, March, and June. During our luncheon meetings, we meet other church secretaries and participate in programs designed to strengthen fellowship, supply spiritual renewal and inspiration, and provide encouragement in our jobs.

Greensboro First Baptist Church hosted our third annual Bosses Day in September. Some of our multi-talented secretaries and staff people presented "A Day in the Life of Lucille Fileacopy, Church Secretary."

In December we met at Quincy's Restaurant on Holden Road and exchanged Christmas gifts after enjoying our meal.

Pleasant Grove Baptist Church hosted our March meeting. Larry Killian, minister of music and youth at Gate City Baptist Church, presented the devotional and the program which drew parallels between the way people regard both youth and church secretaries.

Our June meeting was again held at Quincy's Restaurant on Holden Road. Mrs. Sara Parker spoke to us on the topic cf "time".

Our benevolence committee oversees an ongoing missions fund which seeks to meet financial needs as we become aware of them. One of our continuing projects is our support of the Vietnamese Ministry.

Several of our members attended the annual North Carolina Church Secretaries' Conference at Caraway Conference Center in November. This excellent conference offers not only up-to-date information which helps us to do our jobs better, but also offers a chance to "recharge our batteries" in a peaceful and inspirational atmosphere. We hope many more secretaries from the PBA will be able to benefit from this marvelous opportunity in the future.

We extend a special invitation to all church secretaries to attend our conference each quarter.

Our officers for the 1991-1993 term are:

President	Millie Paschal, Southeast
V. President	Monica Long, Sixteenth Street
Secretary/ Treasurer	Natalie Barber, Rankin

NORTH CAROLINA BAPTIST FOUNDATION, INC.

The Board of Directors and the staff of the North Carolina Baptist Foundation are committed to effective leadership in generating increased perpetual financial support of Baptist causes throughout the state, nation and world. With assests approximately $27 million (market value) at the end of the 1990 fiscal year, the income distribution to Baptist causes is significant each year.

Typically, assets are either held as endowments paying interest income in perpetuity to named Baptist causes, or they are held in trust with current income being paid to individuals and future income being paid to Baptist causes in perpetuity.

Earned income distributed to Baptist institutions and mission causes during the fiscal year of 1990 was $647,180.

Earned income distributed to individuals with Baptist causes named as charitable remainderman during the fiscal year of 1990 was $686,124.

The staff of the Foundation consists of seven full-time employees and two persons who provide part-time service in accounting and legal services. The servicing of individual accounts requires continuous contact with trustors, donors and those designating gifts through wills. The increased number of requests for assistance in seminars and conferences by churches, associations and individuals has made part-time assistance necessary in regions of the state some distance from the office.

There are continual improvements being made in available charitable estate planning computer software, constant changes in state and federal regulations which affect charitable estate planning and an increased need for technical training and assistance to serve the ever increasing needs of both the development staffs of our institutions and the individuals utilizing the Foundation services. The Foundation continues to provide for these needs to maximize the growth in financial support for Baptist causes.

In 1990, the Foundation moved into a new home. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. The new facility was occupied in February 1990 and provides much needed space for the work of staff as well as for conferences and meetings. Baptist groups are invited to use the meeting rooms when in the Raleigh/Cary area. We extend an invitation to church groups to call and arrange a visit to the newest building used for the Lord's service by North Carolina Baptists.

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC.
1991: MAKING LIFE FOR OLDER ADULTS THE BEST OF TIMES

The Baptist Retirement Homes of North Carolina, Inc. operates four residential facilities for Older Adults around the State - the Albemarle Baptist Home in the Southern Piedmont, the Western North Carolina Baptist Home in Asheville, the Hamilton Baptist Home in Eastern North Carolina, and the Brookridge Retirement Community in Winston-Salem.

In Asheville, 1991 began with a great deal of excitement. After more than five years of trying to receive state approval to build a nursing care bed addition, the Baptist Retirement Homes was awarded a certificate of need for 100 medicaid certified nursing care beds for its Western North Carolina Baptist Home on Richmond Hill in Northwest Asheville. Currently the only nursing care provided by the Baptist Retirement Homes is the 85 bed nursing care unit at the Brookridge Retirement Community in Winston-Salem. The addition of 100 medicaid certified beds will mean that quality nursing care can be offered to Western North Carolina Baptists regardless of their ability to pay for the institutional services that they need.

The 39,000 square foot addition will cost approximately $2.8 million. At the present time, the Baptist Retirement Homes has raised approximately $2 million of the $2.8 million needed to make this long hoped for dream a reality. Baptists across Western North Carolina are being urged to help Baptist Retirement Homes meet the financial challenge of building this new unit on Richmond Hill.

In Winston Salem, the Brookridge Retirement Community completed its second year of operation. Under the leadership of a well-trained and committed Christian staff, the Brookridge Retirement Community's Independent Living area and Health Care Unit are considered among the finest in the State.

In Albemarle and Hamilton, Assisted Living care is provided to Older Adults in residential settings. The Albemarle and Hamilton facilities offer quality care to Older Adults regardless of their ability to pay for the cost of the care they receive...a service unmatched by any other church related long-term care institution in this state.

Please support our ministry with your prayers and financial resources. Help us make life for Baptist Older Adults...The Best of Times!

NORTH CAROLINA STATE MISSIONS

North Carolina Baptists continue to give faithfully to the support of missions in our state. In addition to money received through the Cooperative Program, Baptists gave over $1.6 million last year for the State Missions Offering. This money helps to support missions' work from the coast to the mountains in North Carolina. It helps to continue a strong heritage of doing missions by Baptists in North Carolina, preserving the thrust passed on to us by our forefathers.

The Missions Division of your Baptist State Convention organizes its work through several distinct areas.

Two Area Missionaries serving the western and eastern regions of the state work with local churches and associations for missions and program development.

Associational Development includes working with associations to assist them to achieve their own goals and purposes. In addition, special programs are coordinated for resort ministries, world missions conferences, and church missions development.

Chaplaincy and Language Ministries includes giving support to all Baptist ministers serving as chaplains in North Carolina, working with people in North Carolina whose primary language is not English, ministering to the deaf and giving direction to Baptists ministering in a military setting.

Church Extension starts new churches in the state, provides for growth assistance, offers church loans, directs ministry in multi-housing settings, conducts demographic studies and assists churches and associations with community surveys and strategic planning for church growth.

Cooperative Ministries and Seminary Extension includes the work that we do with General Baptists in the state, offering seminary extension courses to many hundreds of students, coordinating work with bivocational ministers and in-service guidance for some of the colleges and universities in the state.

Special Ministries offers ministry to the blind, provides for literacy training, coordinates church and community ministries among associations, ministers to mentally retarded North Carolinians and provides for group training to enable churches to develop their own resources for the meeting of special needs.

These, and many other ministries, are part of what we are doing in North Carolina as we engage in missions at the state level.

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.

This has been a most eventful year for the cause of Applied Christianity.

With North Carolina facing a 1.1 billion dollar shortfall and with news accounts stating that citizens from North Carolina are spending 100 million dollars annually in the Virginia lottery, it appeared almost inevitable that a lottery bill would pass the 1991 legislative session.

In addition to the economic factors, the gambling industry had 13 lobbyists working the halls of the Legislature daily promoting lottery legislation. It passed the Senate and will be eligible to be considered in the next legislative session when it convenes in June, 1992.

Between now and then, it is of utmost importance that you secure a commitment from your representatives in the North Carolina House to oppose state-sponsored gambling. The Senate will not be voting on the lottery in 1992 because it has already passed that body.

While we were successful in side-tracking lottery legislation, the Legislature refused to enact the following proposals:

1) PARENTAL CONSENT...North Carolina remains one of the few states in the nation that allows a minor to receive an abortion without parental consent. Legislation to enact parental consent passed the House, but died in the Senate.

2. DRUNK DRIVING...The House passed legislation that would change the alcohol blood level from .1 to .08 as the breathalyzer standard for Driving-While-Impaired. The Senate refused to act on this proposal.

3. OPEN CONTAINERS OF ALCOHOLIC BEVERAGES IN MOTOR VEHICLES...Open liquor bottles are prohibited in a motor vehicle but there is no limit to the number of open beer containers allowed. N. C. Highway Patrol officials endorsed the open container legislation, but it got "hung up" in a House committee.

4. TEEN-AGE PREGNANCIES...Legislation was introduced to require sexual abstinence instruction to be a part of the curriculum of our public schools. However, such a program was opposed by our N. C. Department of Public Instruction. Education officials charged that such legislation would be imposing a standard of morality upon youth.

5. ABORTION FUND...Some $400,000 of state tax funds have been budgeted by the state legislature to pay for elective abortions.

How can we turn the tide on these important moral issues? We need to cry out publicly and act against sin. Baptists need to be informed about the stands taken on these issues by those who are running for public office, and then vote for those who reflect our standards.

Christian Action League has successfully assisted several counties and municipalities in liquor, beer, and wine referendums. Good Government Seminars were conducted in the Asheville

THE BIBLICAL RECORDER

The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic, fast-food, everything is disposable age! We often think we know the answers only to discover later we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches and the denomination they comprise, can survive long without an informed, involved constituency which makes corporate decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. We are steadily adding churches to the CNS program.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to over come. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS,. contact:

and Wilmington areas, at which time some of the above issues were addressed. Nationally recognized authorities came to share their expertise on the issues of gambling and family matters.

We praise God for your prayer and financial support as we join in addressing the moral and ethical issues facing our society.

Dr. Ronald E. Wall
1906 - 1992
IN MEMORIAL

Dr. Ronald E. Wall devoted his life to serving as pastor of North Carolina Baptist Churches. He graduated from Wake Forest College and earned his Ph.D. from Southern Baptist Theological Seminary in Louisville, Kentucky.

It was my privilege to have known this fine pastor for about forty years. I found him to be a highly respected Christian servant in his church, in his community, and in the Association and Conventions of which he was such a vital part. He gave his very best to the work he knew to be the call of God for him. In doing so he had a way of calling the very best out of those with whom he came in contact.

I remember Brother Ronald Wall as being a serious student of the Word. When one heard him preach he knew that here is a man who had done his preparation well. His priorities included his family, his work as pastor, his study of the Word and his service to mankind. Because he lived and served among us for so long, his influence will be felt in many lives for a long time to come.

Ron Wall, as some of us called him, was a good friend to many of us in the truest sense of the word. Because of the example he set before us, those of us who knew him best will remember well his quiet, unassuming manner in which he served his Lord and his fellowman.

I am very grateful to God for the opportunity of knowing and serving alongside of Brother Ronald Wall in ministry and service to our Lord. Many have been blessed by that part of Ronald Wall that lives on in the lives of those who walked with him for a while along the pathway of life. May the Lord bless the memory of this good man and wonderful pastor.

Proceedings
99th. Annual Meeting
Piedmont Baptist Association
November 5, 1992

The 99th. Annual Meeting of the Piedmont Baptist Association was called to order by moderator, Rev. Victor Dowd, at 9:30 a.m. on Thursday, November 5, 1992. He then recognized the host pastor, Rev. Michael Barrett, who welcomed the messengers and visitors to Pleasant Garden Baptist Church.

Dr. James May, pastor of Parkway Baptist Church, read the First Psalm and led in prayer.

Rev. Austin Clerk, associational clerk, moved that those messengers who had already registered and those who would register later constitute the Association for this 99th. Annual Meeting...seconded and carried.

In the absence of Dr. Wilson Stewart, who was ill, Mr. Dee Willis moved that the printed program be adopted as the order of business, with such changes as might be required, for this Annual Meeting...seconded and carried.

Dr. Dennis Blackmon, director of missions, recognized those new pastors and staff who were present. He commented that a higher than ordinary percentage of our churches were without pastors and asked for prayer that they would soon find God's man for each of them. Those present were: Dr. Robert Mott, pastor Central Baptist Church; Dr. James May, pastor Parkway Baptist Church; Rev. Tim Smith, minister of music Immanuel Baptist Church; Rev. Joseph Duke, pastor Outreach Baptist Church.

Mr. Ryland Young, associational music director, led in the singing of the hymn, "All Hail The Power Of Jesus' Name."

Rev. Victor Dowd called our attention to the minutes of all the Executive Board meetings during the year as printed in the Book of Reports and suggested that we dispense with the reading of them, since they had already been approved. This was accepted by common consent.

Mr. Wade Wylie presented the treasurer's report in the absence of associational treasurer, Lee King. He called attention to the fact that contributions by the churches were up slightly, despite the fact that the churches received less in contributions than last year. This was because several churches increased the percentage given to the Association. He moved that the report be accepted as printed...seconded and approved.

Mr. Jim McLendon presented the 1993 budget. He explained that it represented only about a 5% increase over this year's budget and noted that recent increases in income from the churches had been about 10% per year, making this a conservative budget for the next year. He moved that it be approved...seconded and carried.

Dr. Lawrence Clapp, chairman of the Committee on Committees and pastor of South Elm Street Baptist Church, presented the Nominating Committee's report and moved that they be elected...seconded and carried.

Dr. A. L. Parker presented the report of the Credentials Committee which recommended that Revival Mission Baptist Church, which currently meets in downtown Madison, North Carolina but plans to relocate near the junction of NC Highway 65 and US 220 North of Summerfield, be accepted under watchcare of the Piedmont Baptist Association. This was approved by voice vote.

Mrs. Jill Foster, chairman of the Strategic Planning and Evaluation Committee, presented their report. She reported that the Five Year Plan adopted last year and code named "Mission '96" was pretty well on schedule. Most of the projects scheduled for completion in 1992 have been completed and plans are under way for next year. This was approved by voice vote.

Dr. Dennis Blackmon introduced three persons who spoke on various aspects of Partnership Missions: Jane Edenfield told about being a part of a mission team that went to Rochester, New York where they conducted house to house visitation and backyard Bible clubs. She told of the blessing it had been to her personally to share in this mission project and urged others to volunteer in the future.

Rev. Ralph Webb, pastor of Rocky Knoll Baptist Church, told of going to Brazil as a part of a team of nine persons. He too rejoiced in the blessing he had received as several persons accepted Christ under his ministry there. He praised the excellent preparation that had been done by the Brazilians before he arrived.

Mr. John Martin told of visits he had made to Eastern Europe in 1975, 1986 and again in 1992. He pointed out that in 1992 the Russians were quite open in their admission of being Christians, which they had been reluctant to do in previous years. He found the Russian people to be very receptive to hearing the Gospel of Christ and many made professions of faith. He feels that Baptists have a once-in-a-lifetime opportunity to reach many for Christ there if we will make the necessary sacrifices to send missionaries in time. He also told of a new seminary under construction and of a visit to Rushlikon Seminary.

Rev. Dan Alderman, minister of music at Sixteenth Street Baptist Church, led in the singing of "Jesus Saves."

Special music was provided by Mr. Larry Killian, minister of music at Gate City Baptist Church.

Rev. Philip Noble, pastor of Good News Baptist Church, preached the Annual Sermon. His text was John 6:63-68 and his subject was "The Church Must Go On." The church must go on because only Christ can meet all of our needs in today's world, as always in the past. Man's greatest problem is sin and Christ has the only cure for that and atonement for what has been done. Our churches are the salt that preserves society from complete corruption.

The meeting was adjourned for lunch in the church fellowship hall.

The afternoon session opened with the singing of a hymn.

The first order of business was a memorial service for those in our churches who had died since the last Annual Meeting. The service was conducted by Mrs. Sara Parker.

Dr. A. L. Parker made a motion that the 1992 Associational Annual Minutes be dedicated to Rev. Ronald Wall, long-time pastor of College Park Baptist Church, who died on November 3...seconded and carried unanimously.

Mrs. Ann Smith, chairman of the Resolutions Committee, presented two resolutions for action by the Association. The first expressed appreciation to all persons who had a part in preparing and presenting the program for this Annual Meeting. The second thanked the Pleasant Garden Baptist Church for its hospitality in hosting the 1992 Annual Meeting. She moved its adoption...seconded and carried.

Mr. Dee Willis presented the Christian Life Council report. He reported that the council was in the process of being formed and that once it is formed, they will try to determine what moral issues there are on which we can find a consensus.

Dr. Deryl Holliday, pastor of Summerfield First Baptist Church, presented the Committee on Committees report, it included those persons whose terms will expire in 1995 and moved their approval...seconded and carried.

Dr. Dennis Blackmon explained that a "breakout" church was a church that had been able to break out of a non-growth pattern and make significant growth over a period of several years. He said that the churches featured in the program had all met that qualification. He then called on the pastors of the breakout churches to give their testimonies.

Rev. Bud Parrish, pastor of Lankford Memorial Baptist Church, spoke of how God had blessed the church through prayer and outreach efforts.

Dr. George Worrell, pastor of Lawndale Baptist Church, attributed the church's growth to the execution of a five-year plan which called for two Sunday Schools, leadership training, an emphasis on quality programs, love for people and involvement of senior adults. He said that they also emphasized looking for the second coming of Jesus. Their motto is: "Off your seat, on your feet, on the street."

Rev. Michael Barrett, pastor of Pleasant Garden Baptist Church, gave God the credit for working in and through the church as they emphasized evangelism through the Sunday School, missions, and a vision of what God wants the church to become.

Dr. Lawrence Clapp, pastor of South Elm Street Baptist Church, told of developing a strong Sunday School, creating new classes which produced growth, discipleship training, Masterlife courses, training and outreach.

Dr. Dennis Blackmon, director of missions, gave his annual report to the Association. He spoke of several churches that are showing sustained growth and emphasized that all of our churches should practice fulfilling the Great Commission. He also talked about the continued need for training in doctrine and in leadership skills. He called attention to the fact that although total gifts received by our churches was down as compared to a year ago, gifts to the PBA were up slightly and he thanked the churches for their support. He called attention to the suggested goal of 5% of undesignated offerings from our churches and commended those churches that have either reached that goal, or are moving toward it, year by year.

We were led in the singing of two hymns, "Grace, Greater Than All My Sin" and "Amazing Grace."

Rev. Jack Morris, pastor of Sixteenth Street Baptist Church, introduced the denominational speaker, Dr. Paige Patterson, new president of the Southeastern Baptist Theological Seminary.

Special music was presented by a group from the Summerfield First Baptist Church.

Dr. Patterson spoke about ten essentials of a New Testament church. His text was Hebrews 13:1-18. The ten essentials were:

1) Brotherly love which holds the fellowship together.
2) Reaches out to the lost.
3) Meets the needs of its people as far as it can.
4) Magnifies the importance of the family.
5) A generous church.
6) Willing to step out in faith and do the difficult things.
7) Has a strong pastoral leadership with mutual love and respect between pastor and people.
8) Committed to the eternal Christ and His Gospel, preached in its fullness.
9) Encourages enthusiasm and innovation in the way the church worships and praises God. Isn't afraid of a little excitement in the services.
10) A praying church.

Moderator Victor Dowd presented the new officers of the association for the coming year. Mrs. Sara Parker, moderator; Rev. Michael Barrett, vice-moderator; Rev. Austin Lovin, clerk; and Mr. Lee King, treasurer (who was not present). The new officers were installed with prayer.

Dr. Dennis Blackmon recognized Rev. Victor Dowd, outgoing moderator, for his many years of service to the Bessemer Baptist Church and to the Piedmont Baptist Association and thanked all who had served the Association in any way.

Dr. Blackmon then closed the 1992 Annual Meeting by leading in prayer.

Pardue, Senior Baptist Men-Jimmy Workman, Baptist Men-Ed Roberts, Baptist Young Men-Terry Larsen, Collegiate Baptist Young Men-Gene Ledbetter, High School Baptist Young Men-Marshall Johnson, Royal Ambassadors-Bill Perdue, Advisory Committee-Edwin Vaughan, Rev. Manuel Cunnup, Dr. W. R. Grigg, Dr. Leroy Parker, Rev. Roy Thornberry, Herb Meadows, Rev. Victor Dowd. Seconded and carried.

Dr. Leroy Parker, chairman, presented the report of the credentials committee. He reported that the Committee, after careful investigation, recommend that the Colfax Baptist Church, pastored by Rev. Beauford Smith, be admitted into full fellowship of the Association. This church had been placed under watchcare at a previous associational meeting. Seconded and carried. Several messengers from Colfax Church were recognized.

Another church was to be presented for watchcare at this time, but since their delegation would not be able to be present until the evening session, Dr. Parker suggested that this action be tabled until then. It was done by common agreement.

Rev. Bud Parrish, pastor of the Lankford Memorial Baptist Church, reported that the Rick Amato Revival was scheduled for May 17-20, 1992 at Hunter Hills Baptist Church. Services will begin nightly at 7:15 p.m. He said that twenty-two of our churches were sponsoring this revival effort and urged choir members to come and help make up a larger combined choir for the services.

Rev. Don Brock, pastor of Florida Street Baptist Church, and member of the evangelism council, told of plans that are now being worked on to bring Jim Wilson of the Billy Graham Evangelistic Association, to Greensboro for a Crusade either in the fall of '93 or '94. The main impediment for a '93 Crusade is the fact that the Greensboro Coliseum will not be back in use after the extensive enlargement that is now in progress. He explained that all of this was still only in the planning stages and that several matters would have to be worked out before anything definite and final could be presented.

Under miscellaneous business, Rev. Bill Claffey, pastor of Hillcrest Baptist Church, presented a copy of the guidelines agreed upon for the use of the Piedmont Baptist Association building and grounds on Sharpe Road, with particular emphasis on the use of the gym. He stated that one change had been made which was to eliminate reservations by a particular church for more than two weeks in a row. Also, there would be a check list of nine items that must be attended to before the key is returned. A deposit is required whenever a key is picked up for the use of the gym and if everything is left in proper order, the money is refunded when the key is returned.

It was stated that only churches affiliated with the PBA could use the facilities. Dr. Edwin Vaughan stated that he had been allowing churches of several denominations to use the picnic facilities and he asked that this privilege be continued. Rev. Claffey then stated that Dr. Vaughan's wishes would be respected as to the use of the picnic facilities on the grounds, but that the restriction would apply to the use of the building itself.

The question was raised as to what kind of liability insurance the Association has on the building and grounds. The answer was that a one million dollar liability coverage was provided as a part of the insurance coverage.

Also under miscellaneous business, Rev. Barry Nealy, PBA church extension director, requested that a few acres of land from the Sharpe Road property be made available to the Vietnamese Baptist Church, sponsored by the Southside Baptist Church, for their use as a site for a church building. This would not involve the deeding of any land to the church. Seconded and carried, after discussion.

Randy Minix, associational recreation director, expressed his happiness over the new gym and described at length his plans for organizing leagues among the churches for various sports, such as volleyball and basketball. He stated that, properly used, recreation could be a means of evangelism.

Ryland Young then led in the singing of the hymn, "At Calvary".

Dan Alderman, minister of music at Sixteenth Street Baptist Church, introduced his pastor, Rev. Jack Morris, who was to deliver the Doctrinal Sermon. Rev. Henry Newton, pastor of Immanuel Baptist Church, read a portion of Scripture and led in prayer.

Special music was provided by Jim Wrenn, minister of music at Pleasant Garden Baptist Church.

Rev. Jack Morris brought an inspiring message on the "The Doctrine of Evangelism".

At the close of Rev. Morris' messgage, Dr. Wilson Stewart gave directions to the fellowship hall where the supper was to be served and led in prayer for the work group in New Jersey who are helping construct a vestibule for a church building there, and also gave thanks for the food that was about to be served.

During the Associational Missions Banquet, a choir of ministers of music from several of our churches led by Ryland Young gave a concert.

Rev. Philip Broyles, pastor of Reedy Fork Baptist Church, led in prayer. Rev. Victor Dowd recognized a delegation from the Outreach Baptist Church and Dr. Leroy Parker then presented his motion that this church be received under watchcare of the association. It was seconded and approved unanimously.

Dr. Gary Byrd, pastor of the Calvary Baptist Church, moved that the Association change the time for the annual budget from the associational year (October through September) to the calendar year. Seconded and carried. He also requested information from those pastors present as to what period of time their church budgets covered. He then presented the budget for the Shubal Stearns Offering for Associational Missions and moved its adoption. Seconded and carried.

Rev. Barry Nealy introduced Audrey Womack, who told of her efforts in getting ministries started in several apartment complexes. At present, there are a total of six in operation. She pointed out that we need to reach apartments because 38% of the population of Greensboro live in multiple housing units and surveys have shown that about 80% of them do not attend church.

We then heard from the pastors of the four black churches affiliated with the Piedmont Baptist Association. Rev. Kenneth Melton, pastor of South City Baptist Church, told briefly of the history of the church and thanked the South Elm Street Baptist Church and the Association for their help.

Rev. Philip Noble, pastor of Good News Baptist Church, was not present, so Rev. Nealy spoke of this church.

Rev. William McNeil, pastor of Friendship Baptist Church, told of his church and expressed thanks for the Association's help.

Rev. Joseph Duke, pastor of Outreach Baptist Church, told about his church's history and plans for the future. He also thanked the Association for its help.

Rev. Nealy led in prayer at this time.

Ryland Young led in the singing of the hymn, "Blessed Assurance".

Ewert Hollins, a member of Lawndale Baptist Church, introduced Dr. George Worrell who was to preach the closing message.

Special music was provided by the associational ensemble, directed by Ryland Young, who sang "Worship in Majesty".

Dr. Worrell's message was on the history and importance of the Baptist Association. At the close of his message, he called for the group to gather around the front of the auditorium for a prayer of dedication to the Lord and His work.

Director of missions, Dr. Dennis Blackmon, made some brief announcements and the closing prayer was led by Rev. Bob Southern, pastor of Pinecroft Baptist Church.

EXECUTIVE BOARD MINUTES

The Executive Board of the Piedmont Baptist Association met at Lawndale Baptist Church on September 10, 1991. Moderator, Tom Foster, called the meeting to order and Ryland Young led in the singing of the hymn, "At Calvary."

Bruce Anthony, pastor of the Southeast Baptist Church, welcomed us to the church and read several verses from Luke 14th. chapter and then led us in prayer.

Rev. Austin Lovin, clerk, called attention to the minutes, a copy of which had been given to everyone present, and asked if anyone had discovered an error or if something had been left out which belonged in the minutes. No one responded, so the Moderator declared that the minutes stood approved by acclamation.

Lee King, treasurer, presented the treasurer's report, calling attention to several key figures in the printed report.

Sara Parker, chairman of the Task Force For Strategic Planning, reported on the progress of the various groups working on different phases of the effort to draw up plans for the next five years. She reported that each of the groups or committees had adopted the same format for proceeding: developing goals, action plans for achieving the goals and determining where the money will come from to finance these action plans. She said that a more complete report will be presented in writing to the Annual Meeting in November for the approval of the Association.

Dr. Vernon Williams, chairman of the Building Committee for the new association building on the Dr. Vaughan property, reported that bureaucratic red tape had continued to delay the progress on the building but that most of the problems have been resolved and that the concrete slab for the floor has been poured and the erection of the steel frame for the walls and roof will begin right away. Harold Tippett, a contractor and member of the Friendly Avenue Baptist Church, has been put in charge of overseeing the construction. If all goes well from here on, the expected completion date will be somewhere near Christmas, 1991. He requested that we join with him in prayer for the sale of the present office building on Homeland Avenue.

Dr. Dennis Blackmon, director of missions for the Association, added his voice to the urgent need for selling the present building and the potential good this new building offered for the strengthening of the ministries of the Association.

He commended Sara Parker for her leadership of the Task Force for Strategic Planning. She has met with all but one of the groups and has kept things moving in the right direction. He pointed out that every effort had been made to secure needed information from the churches so that the planning would be based on a clear knowledge of the needs in the churches and community. A written report from all of the groups or committees will be mailed to the churches at least two Sundays before the Annual Meeting in November, so that the messengers can be informed and vote more intelligently on the proposed 5 year plan.

Dr. Blackmon then spoke at length about the Leadership Training Clinic to be held Monday and Tuesday, September 16th. and 17th., at the Florida Street Baptist Church. He emphasized that this was an effort to bring the benefits of the Key Leadership training, given at Ridgecrest this past May, to the churches of the Association. He urged that each of our churches take advantage of this opportunity to train their leaders through nine separate training clinics on each of the two nights.

Rev. Michael Barrett announced a meeting on October 3 at 7:00 p.m. at the association office for those planning on participating in the next preaching mission to Brazil.

Rev. Barrett also reported that there will be a Rick Amato Rally on October 17th. at the Florida Street Baptist Church. Dinner will be served and there will be opportunity to talk to and ask questions about Rick Amato.

Sanford Smith spoke about the Missions Fest, September 27-29, 1991, at First Baptist Church Greensboro. This is a joint effort of the SBC Foreign Mission Board, the Baptist State Convention of NC, and our Association, to promote knowledge and support of our Foreign Missions Program. It will include several missionaries.

Sanford Smith then told of a new partnership being set up between the North Carolina State Convention and Southern Baptists in New York State. Volunteers are needed to go to Summerset, NY and construct a vestibule for a church there.

Geneva Metzger announced an International Students picnic and appealed for more friend families to befriend and work with international students.

Dr. A. L. Parker led in the closing prayer and thanks for the refreshments that awaited us in the church dining room.

The Executive Board of the Piedmont Baptist Association met October 28, 1991 for a special called meeting at Sixteenth Street Baptist Church.

Rev. Victor Dowd, moderator, called the meeting to order with a hymn, "Leaning On the Everlasting Arms." Dr. Leroy Parker led in prayer.

We were welcomed by the host pastor, Jack Morris. Since his name was the same as that of the winning pitcher for the Minnesota Twins, he had to get off a joke about having been tied up with pitching these last few days. We all enjoyed it.

The Moderator then called on the Chairman of the finance committee for the Association, Monica Long. She explained briefly how the Association's finances have been getting steadily worse throughout the year and now we are $15,000 in the red. This demands some adjustments in the new budget. It is hoped that these will enable the Association to get by without having to lay off any of the staff.

There were two motions recommended by the Finance Committee. Mrs. Long presented the first one, which read: "That the salaries be held to 1990-1991 levels and that the auto expense allowances be reduced by 4%. This will be reviewed in January, but probably will not be able to be increased for the entire year."

Mrs. Long then presented the second motion, which read: "That the personnel committee be asked to continue to monitor the financial situation and be prepared to recommend to the Executive Board whatever personnel changes may be necessary as they become necessary. The recommendation could be anything considered necessary to reduce expenditures to acceptable levels, including reduction of personnel."

This motion was seconded and there was no discussion. The motion passed unanimously.

Rev. Don Brock, chairman of the personnel committee, announced that his committee was preparing a detailed personnel policy manual and job description and they hoped to have it ready for approval by the next Executive Board meeting in January.

Dr. Dennis Blackmon thanked everyone for coming. He than explained further just how serious the Association's finances were. He expressed the hope that no one will have to lose their job and asked for prayers about this matter.

Moderator Vic Dowd then recognized several who were attending their first Executive Board meeting.

The host pastor, Jack Morris, moved that we adjourn. We were led in a closing prayer by Rev. Gerald Primm.

The Annual Meeting will be held at Lankford Memorial Baptist Church on November 7, 1991.

There were 50 persons present from 24 churches.

The Piedmont Baptist Association Executive Board Meeting was called to order at 7:25 p.m. on January 13, 1992 in Brandt Oaks Baptist Chapel by Rev. Victor Dowd, moderator.

Ryland Young, associational music director and member of Sedgefield Baptist Church, led in a hymn. Rev. Kelly Brown read from Ephesians and led in prayer.

Beverly Chandler of Lawndale Church sang "People Need the Lord", accompanied by Janice Maness of Sixteenth Street Church.

In the absence of the clerk, Rev. Dowd asked Barry Nealy to serve as clerk. Minutes of the previous meetings were approved as printed.

Dr. Gary Byrd reviewed the PBA financial receipts and overall situation of PBA, saying we were just behind last year's giving. Churches were asked to check their giving in past months since the reserve fund is exhausted and the ending balance is over $19,000 in debit.

The moderator asked for and received approval to consider the Personnel Committee report later in the agenda.

The resolution on page ten of the agenda was worded by the Resolutions Committee as referred to them in the PBA Annual Meeting in November, 1991 and reads: "In light of the Biblical teaching that God hates sin, but loves the sinner and that Jesus died for all sinners, including homosexuals, be it resolved: That our churches, while condemning their behavior and opposing all attempts to make the gay lifestyle appear normal and acceptable, take the initiative in offering them salvation through repentance toward God and faith toward the Lord Jesus Christ, and assist them in gaining freedom from the oppression of homosexuality."

Dr. Lawrence Clapp asked for approval. Questions were asked by Dr. Vernon Williams who then amended the motion to read that it would be printed in the associational newsletter, if adopted. Amendment and motion carried without dissent.

Dr. Clapp moved the election of Bob Stutts, member of Greensboro First Church, and Jill Foster of Calvary Church, moderator and vice moderator to the Strategic Planning Committee. These were elected unanimously.

Rev. Bill Claffey asked for adoption of the guidelines for use of new PBA building as printed in "The Challenger". Items were read aloud. The guidelines were explained and adopted with consent to amendment by the committee for additional rule regarding damages which are to be the responsibility of the church reserving the property.

Rev. Don Brock, pastor of Florida Street Church and chairman of the personnel committee, led in the discussion of the personnel policy manual. This comes as a need for annual evaluation of staff-Committee needs criteria by which to decide on performance. After review, Sanford Smith suggested clarification of #7, page 4 which refers to items under "G" Benefits. This rewording approved by general consent. Motion carried.

The quarterly executive board meeting was held on March 10, 1992 at First Baptist Church Summerfield.

Rev. Vic Dowd, moderator, called the meeting to order and Ryland Young, association music director and a member of Sedgefied Baptist Church, led in the singing of a hymn, "At Calvary".

Rev. Dowd announced that Wofford Boyd, PBA Chaplain Greensboro Police Department, had suffered a heart attack Sunday and was now recovering satisfactorily after treatment at Cone Hospital. He asked for prayer for Rev. Boyd and his family.

Dr. Deryl Holliday, pastor of First Baptist Church Summerfield, read a passage of Scripture (Ephesians 1:1-10) and led in prayer.

Special music was sung by a quartet of ministers of music from four churches in the association. They sang; "My Anchor Holds" and "My Jesus I Love Thee".

Rev. Austin Lovin, clerk and member of Friendly Avenue Baptist Church, read the minutes of the last meeting. Sanford Smith, member of Southeast Baptist Church, moved that they be accepted as read. They were seconded and passed.

Dr. Gary Byrd, pastor of Calvary Baptist Church and associational finance committee chairman, gave the financial report. He announced that he may bring a recommendation to the semi-annual meeting on May 5 that the association go to the calendar year for its annual budget year because several churches were already operating on the calendar year and it would make estimating receipts easier. Dr. Byrd moved the adoption of his report and it was seconded and carried.

Dr. Wilson Stewart, pastor of Jessup Grove Baptist Church and associational brotherhood director, spoke at some length about plans for reviving the men's organizations in our churches through training clinics, mission projects and prayer. He particularly called attention to the Mini-Clinic, a two and a half hour training clinic for brotherhood leaders to be held at the Parkway Baptist Church on April 16.

Director of missions, Dr. Dennis Blackmon, summed up the results of several years of our partnership with the Sao Paulo Baptists in Brazil. At least 750 persons were won to Christ by the various teams since 1988. He expressed the hope that we could help the Brazilians to become involved in some foreign mission projects of their own in other Portugese speaking countries in Africa and Europe. Inflation is still running wild in Brazil and he asked us to pray for them.

He also spoke of plans for this summer in Rochester, New York. These plans are firm and the volunteers are already recruited for starting new works in Rochester and the surrounding area. There are over a million people in the greater area, with only eleven Southern Baptist Churches.

Rev. Barry Nealy, associational church extension director, introduced Sanford Smith, who told of efforts to recruit a team of workers to go to Somerset, New Jersey this summer to erect a vestibule on an office building that is being converted to use as a church. He pointed out that 80% of the churches in the New York Convention are composed of ethnics. Services are conducted in several languages besides English.

Rev. Bud Parrish, pastor of the Lankford Memorial Baptist Church, described the purpose and plan for the Breakthrough in '92. Its primary purpose is to get the pastors and people in our churches praying for revival, beginning with ourselves and reaching out to the entire community. Rick Amato will emphasize this when he comes to preach at the Hunter Hills Baptist Church May 17-20.

Dr. Dennis Blackmon, speaking for the associational Evangelism Council, told of progress being made toward getting Jim Wilson, of the Billy Graham Evangelistic Association, to come to Greensboro for an area-wide crusade in the fall of 1993. At their request, Dr. Gary Byrd moved that we vote to support this effort to secure the Billy Graham Team for this Crusade. It was made clear that Billy Graham himself will not be involved, but his team has had invaluable experience in organizing similar crusades. This seconded and carried.

Rev. Vic Dowd announced that the next Executive Board meeting will be on July 13, 1992 at the Bessemer Baptist Church and that the Semi-Annual Meeting of the Piedmont Baptist Association will be held May 5th. at Southside Baptist Church.

Mrs. Clay Cook told of an annual conference for the blind that was begun at Ridgecrest Baptist Assembly in 1991 and the second one is scheduled for this May. She asked for help from churches in getting blind persons to be willing to attend this conference and for help in getting them there.

Rev. Austin Lovin moved that we adjourn. It was approved by a rising vote. Rev. Thomas Brown, pastor of Northside Baptist Church, offered the benediction.

The quarterly executive board meeting was held on July 13, 1992 at Bessemer Baptist Church.

In the absence of the moderator, Rev. Vic Dowd, the vice-moderator, Mrs Sara Parker called the meeting to order.

Rev. Edward Erwin, pastor of Bessemer Baptist Church, read a passage of scripture (II Chronicles 8:1-5) and led in prayer.

The minutes of the previous meeting were silently reviewed and approved as written.

Mrs Parker called on Wade Wylie, Stewardship chairman, to present the financial report. He stressed the importance of supporting the Shubal Stearns offering within the local churches and told about the ministries that are supported through these offerings. Wade noted that church receipts to the association had improved over the past few months and thanked the churches for their support.

Dennis Blackmon, Director of Missions, noted that it was difficult to get people out to the executive board meeting in July and thanked those present for supporting the association. He stated that the PBA council had been very supportive of the financial situation and were asking a very nominal fee to help cover the cost of workshops and training sessions. Dennis, further stated, that the Shubal Stearns Offering was very slow in coming in this year and yet the need is even greater to support new work, the Vietnamese ministry, and the ministry to International students in our area. If the first tier of $25,000 is not met, these ministries will suffer.

He reminded those present that the Childrens Choir Camp would be held at Magnolia Street Baptist Church from 9 a.m. until 1 p.m. during the week of July 27 - 31. There will also be a meeting for Music Directors and leaders on Monday, July 20 at 11:30 a.m. at Quincey's on Holden Road.

Dennis stated that nearly 300 attended the All Church Leadership Training workshop last year and that an even larger number was expected for this year. Several areas of training have been expanded for the coming fall. The dates of the workshop will be Sept. 14 & 15.

The council has found it diffiult to line up a keynote speaker because so many people book dates several years in advance. He asked those present in light of the above, if they could foresee any difficulty in moving to Thursday and Friday in 1993 instead of Monday and Tuesday. He stated that Neal Jackson would be available on Thursday and Friday 1993 and that is the reason for moving to those days. We have also lined up Henry Blackaby for 1994. He is on the Home Mission Board working as their prayer coordinator.

Dennis stated that Jill Foster, Chairman of the "Missions 96 Awakening churches...Magnifying Jesus" committee will be bringing a report to the Annual Meeting. They will be trying to help churches that are plateaued or declining begin to grow again.

He called for a time of silent prayer for the many projects that the association is involved in and then led in prayer.

Mrs Parker asked the chairman of the nominating committee, Otis Davis, for a report. He asked that Manuel Cunnup serve as Family Ministry Director. This nomination was seconded and carried.

Mrs Parker stated that the next executive board meeting was to be the day after Labor Day and would be held at the Piedmont Baptist Association office.

Mrs Parker thanked Lucille Grubbs for taking the minutes due to the absence of Austin Lovin, who was on the west coast attending the 40th Anniversary of a church that Austin started when he served in that area.

Mr. Erwin invited those present to go to the fellowship hall for some refreshments and Jill Foster dismissed the meeting in prayer.

The Executive Board meeting was held in the gymnasium of the new Piedmont Baptist Association building on Sharpe Road September 8, 1992. Moderator Rev. Victor Dowd opened the meeting and asked Dr. Dennis Blackmon, PBA Director of Missions, to welcome the board members and to bring the devotional. Dr. Blackmon read several verses from the 17th. Chapter of the Gospel of John and led in prayer.

Rev. Austin Lovin asked the members to look at their copy of the minutes to see if there were any errors or omissions. When none were suggested, he then moved that the minutes be approved as printed. Seconded and carried.

In the Treasurer's absence, Dennis Blackmon presented the treasurer's report. He pointed out that although June and July had been below expectations, August had been more than last year, leaving the Association in fairly good shape financially. The reserve fund of $25,000 has been fully restored since the beginning of this associational year. This report was received as information.

Mrs. Patricia Frazier, associational WMU director, reported that all age groups had been active during the spring and summer. She named several activities that had taken place, indicating that the associational WMU program was alive and well. Her report was also received as information.

Mr. Wayne Reich, associational youth director, told of plans to bring the youth evangelism team, "Power Lifters", to Greensboro next March, (week of March 21st.). They will speak at the various high schools during the day and conduct a Youth Evangelism Rally at the Coliseum Auditorium each night. Dr. James May, new pastor at Parkway Baptist Church, stated that the Central Association had used this team and the results had been outstanding. Mr. Reich asked that the Association endorse this as an associational youth activity so it could be promoted as such. He said that the $8,000 cost for the Rally would be borne by churches involved in it. Rev. Austin Lovin moved that the Association endorse this rally as an associational youth activity. Seconded and carried.

Mr. Fred Binder, First Baptist Church Greensboro, reported that construction on the Habitat House was almost complete and that the dedication was set for September 19th. at 2:00 p.m. at the site. He reported that construction had involved twenty churches from several denominations and that most of the money needed for the house was either in hand or had been promised.

Moderator Dowd asked for a show of hands of those who were attending an executive board meeting for the first time. Several hands were raised. He then recognized the new pastor from the Parkway Baptist Church, Dr. James May. Dr. May told us a few facts about himself. He is a native of England and has been in this country about ten years. He pastored a church in Clemmons, North Carolina and then moved to the Lexington Avenue Baptist Church in High Point, North Carolina. He then came to Parkway Baptist Church. His children are grown and married. His wife is in Wesley Long Hospital recovering from an illness. He reported that she is improving. Moderator Dowd welcomed him to the Piedmont Baptist Association.

Dr. Blackmon presented several nominations from the Committee on Committees to fill recent vacancies on committees. Some of those nominated will complete the rest of this associational year and continue on into the new term. Others will complete terms that still have a year or more to run. Since it was not immediately clear just how long each nominee will serve, Moderator Dowd suggested that someone make a motion that these be elected for whatever term of service the Committee on Committees had intended for them to serve. Rev. Henry Newton moved that this be done. Seconded and carried.

It was announced that the 1992 Associational Annual Meeting will be held at Pleasant Garden Baptist Church, November 5, 1992, from 9:15 a.m. until 3:00 p.m.

Dr. A. L. Parker asked permission to read a statement he had received from Mrs. Virginia Petty of First Baptist Church Greensboro. Mrs. Petty has learned that there are now four groups of Muslems meeting in Greensboro, including one that meets on the campus of A & T University. She further learned that this sect has already contracted for the use of the new Georgia Dome in Atlanta, which seats 70,000, for next summer for a rally. His purpose in telling us this is to alert us to the fact that Muslems are becoming quite aggressive in their efforts to reach new converts in the U.S., including Greensboro and Guilford County. Freedom of worship in this country guarantees their right to do this. It should move us to become more fervent in our own efforts to share the Good News of the Christian Gospel.

Moderator Dowd called for invitations from churches for hosting the next four executive board meetings. The results were as follows: January 11, 1993-Greensboro First Church; March 9, 1993-Rolling Roads Church; July 12, 1993-Rankin Church; September 14, 1993-Immanuel Church

Dr. Barry Nealy reported that the Association had received and passed on some $850.00 in checks for Hurricane Andrew relief from churches and that a van load of supplies had been taken to Raleigh, North Carolina where it will be combined with others for transport to South Florida.

There being no further business, Moderator Dowd asked Dr. A. L. Parker to adjourn the meeting with prayer for our churches in the light of the news about the growing problem of Muslems. It was not yet 8:30 p.m. when we adjourned. This had been one of the shortest executive board meetings in recent memory.

DIRECTOR OF MISSIONS

This has been a year of great achievement in the Piedmont Baptist Association. Since last November the new building has been occupied and greatly used; the final partnership mission team has gone to Brazil where many were saved, churches were strengthened, and one new mission was launched; the prayer crusade was held with more than thirty churches participating and an average of close to 1,500 in nightly attendance, with a number of ongoing prayer meetings continuing to be held around the city and county; very significant training of many types have been held with the highlight having been the PBA All Church Leadership Training where around 500 people from 43 churches received training and inspiration.

Throughout the reports from the various councils and committees, it is evident that much has been accomplished affecting almost all the churches and thousands of lives. The dozens and dozens of committed volunteers who have been willing to allow God to use them have made it all possible. We express very sincere gratitude to each one.

The PBA and all the cooperating churches do not exist just to be involved in exciting activities. The purpose is to contribute to the building of the kingdom of God as He has commanded us. More people are coming to know Christ, are being baptized, and are being taught to obey the commands of Christ than has been done in recent years. Many churches are experiencing exciting growth. Others are getting ready. They are doing the planning, providing the space, and training the people.

Praise God for all that He is doing as more and more Awakening Churches Magnify Jesus!

CREDENTIALS COMMITTEE

This committee serves the Association in the review and recommendation of member churches. We have been happy to advise our churches to include three new churches in the membership in the past two years. The bylaws of our Association call for one year of watchcare from the formal beginning of membership until a church is included as a full member.

At the PBA meeting in May, 1992 Outreach Baptist Church was received into watchcare. Our Associate Director has worshiped with this church twice since that date and was asked to present information regarding PBA. The church has been very supportive and involved in our Association, thanks to Associate Pastor Reggie Cook who also serves with us as chaplain. The church has opened a ministry to Claremont Courts Apartments with job training and counseling led by Rev. Cook. The Credentials Committee will continue to safeguard our good relationship with this church and present a recommendation in the semi-annual meeting.

The Revival Mission Baptist Church applied for membership in Piedmont Baptist Association in September, 1992. This new church came from the Dan Valley Baptist Church in Madison. Leaders began to talk with Dr. Nealy in July about affiliation with this Association since they are locating just north of Summerfield. Dr. Randy Cash, Director of Missions for Dan Valley Association, was consulted. The worship center is now in downtown Madison. The pastor, Rev. Jay Nolan, sought assistance from First Baptist Church of Summerfield and Calvary Baptist Church in conducting a tent revival near the juncture of Highways 220 and 65. This event went well and was followed by home Bible studies. These efforts will lead to moving the church permanently into this location. The Credentials Committee has met with Rev. Nolan and leaders of the church. Questions about origin, intent, doctrine and practice of the church have been satisfied. Our committee recommends that Piedmont Baptist Association receive Revival Mission Baptist Church into watchcare.

CHURCH SECRETARIES CONFERENCE

The Piedmont Baptist Association Secretaries have had a good year. Even though the attendance has been low, there was still a sweet spirit among those who were able to attend. I would like to encourage more of our secretaries to join us. We decided to have our September and March meetings at a Central location, (K & W Cafeteria). The June meeting, which is the newly scheduled time for our "Staff Appreciation Day" will take special preparation and our December meeting will be held at one of our churches.

I appreciate all of the hard work our officers have done this year as well as those of you who have hosted our luncheons in your church. I have enouraged each of the secretaries able to attend our meetings to keep each other in prayer. I am looking forward to another year of our quarterly meetings.

Millie Paschal, President

STRATEGIC PLANNING COMMITTEE

Review and evaluation of Piedmont Baptist Missions '96 Strategic Plan for 1992-1996 is the focus of this committee's work. The objectives, goals, and action plans have been studied. To better facilitate the work of this committee, the persons responsible for each action plan have been asked to complete a questionnaire. Responses to these questions will be used to further evaluate the plan of action and determine the goals which were met in 1992.

The Strategic Planning Comittee is also studying the need for any change or additions to the goals and action plans.

Jill Foster, Chairman

PROPERTY COMMITTEE

The PBA Property Committee has been active this past year in overseeing of the Sharpe Road property. Ground maintenance, plumbing upgrading, and insurance review/quotes have highlighted this year's work. Phase II plans include planting shrubbery, erosion control, involvement of all PBA Brotherhood organizations in mowing, construction of a tractor/equipment shelter and lighting upgrading.

I heartily commend each committee member on his work this past year. Each committee member deeply appreciates Dr. Vaughan's cooperation on these matters.

PASTORAL MINISTRIES

This is a needed area in our Association. We want to begin to work in areas of councel, education, retreats, as well as recreation in the upcoming year.

If pastors are not properly equipped and fed, then we cannot properly equip and feed our people.

SUNDAY SCHOOL

This has been a good year for Sunday School in the Piedmont Baptist Association. Our ASSISTeam is growing, and is active in leading association-wide conferences, as well as leading conferences in individual churches. This past year we have led three association-wide conferences, one of which was a Vacation Bible School workshop. At our most recent conference, the All Church Leadership Training, we were overwhelmed with your excellent attendance. We are delighted you are finding the material to be so helpful! Our ASSISteam is also involved in leading age-level conferences in individual churches, sometimes at all levels, sometimes for a specific age-group. This year we have added a team member specializing in College and Career, Gene Ledbetter. This coming year, we hope to continue to expand the team, becoming more specialized as the attendance and need grows.

In 1992-93, we are planning an additional strategy for conferences. We have divided the Association into five zones, based upon geographic region. Our plans are to rotate conferences from zone to zone, seeking to meet the specific needs of churches in your area. These needs and the conference content, will be determined by questionnaires completed before the conference date by your Sunday School council. With only approximately ten churches in each zone, our goal is to better help your Sunday School staff in their effectiveness. As we rotate to your zone, we trust your church will choose to be a participant!

We are here to serve you! Gail Ledbetter will be working as co-director with me next year. If you would like us to bring the team, or a part of it, to your church for a conference, please contact one of us. No church is too small!

"As the Sunday School goes, so goes the church!"

DISCIPLESHIP TRAINING

This year the Discipleship Training Council has been concentrating upon organizing and developing its team for service in the Association. We have done this by attempting to enlist age group leadership to serve on the council, and by meeting with Mrs. Wendy Edwards, our State Convention Discipleship Training director, for advice, direction, and training. Also, the Council is leading the way for the churches in our Association by developing and improving discipleship training in their own churches.

As we began our work this year, a survey form was devised and given to the pastors who attend the pastors' conference and mailed to all other churches. There was a good response. From these surveys we were able to determine who was or was not conducting Discipleship Training, who were interested in talking with the Council, and who were interested in improving their Discipleship Training or starting Discipleship Training in their churches. Since then we have consulted with two churches.

Our Associational Children's Bible Drill was held on April 12 at First Baptist Church Greensboro. This was exciting as most of our children went to the state drill in May.

During the Piedmont Baptist Association's All Church Leadership Training Conference, the Discipleship Training Council conducted three seminars-Bible Drill, Discipleship Training Resources, and How To Begin A Discipleship Training Ministry In Your Church.

Jim McLendon, Director

YOUTH MINISTRY

Much of the work for 1992 focused on opening lines of communication among the youth ministers and the Youth Ministry contacts of our churches. We are currently focusing our efforts toward a high school assembly program in March with "Strike Force", a power lifting, strength exhibition evangelistic team. We will be going to the school campuses and holding evangelistic rallies at night at the War Memorial Auditorium. The dates are March 21-26, 1993.

Expect an increased emphasis on evangelism and outreach for 1992-1993. We are concerned about the state of our school campuses and the apparent inaccessability of those campuses to the churches.

WOMAN'S MISSIONARY UNION

The missions emphasis for Woman's Missionary Union in 1991-1992 has been "Called and Accountable." WMU has assumed a supportive role in the call of God to women, girls and preschoolers. Our age-level organizations have endeavored to build a climate in which all members could readily sense and accept God's call for their lives. WMU has provided channels of support for those who have been called to go to assigned places, tasks and people. WMU has trained and provided skills for local and global responses. Our role has been that of a nurturer as we have encouraged members to rely upon the Holy Spirit of God to empower and sustain them in His call to them. WMU has led its members in understanding that we are accountable to God for the way in which we respond to His call.

October 1991 was the beginning of our "Called and Accountable" emphasis. The WMU council led a manual study for each age-level organization at Calvary Baptist Church on October 28, 1991 with approximately fifty ladies in attendance.

Baptist Women and Baptist Young Women gathered at College Park Baptist Church Monday night, November 4, 1991 for the Baptist Women's World Day of Prayer. Ann Smith, president of North Carolina WMU, was our main speaker, and the ladies ensemble from the Vietnamese mission provided special music. There were one hundred ten women present that evening who brought purse-size packages of kleenex to donate to the women prisoners at Central Prison in Raleigh, North Carolina. Over five hundred packages of kleenex were collected and transported to Raleigh where they became part of a Christmas present prepared by the WMU of North Carolina for women prisoners.

On November 9, 1991 over one hundred girls met at Florida Street Baptist Church for the Girls in Action Fall Festival. Rev. Ken Kelley, Mary Odom and Missy Robinson shared their experiences as mission volunteers. A week later, Saturday, November 16, 1991 fifty Acteens from ten different churches met at Stevens Memorial Baptist Church for the Foreign Mission Study led by Felicity Gordon.

Baptist Women gathered at Pleasant Garden Baptist Church on Saturday morning, January 18, 1992 to hear Mildred McWhorter, director of The Baptist Center in Houston, Texas. Two hundred twenty-five ladies attended the breakfast and contributed $800.00 to the ministry of Mrs. McWhorter. Special music was provided by a duet from Pleasant Garden Baptist Church.

On February 13, 1992, three hundred twenty people attended the WMU Focus Week Banquet at Florida Street Baptist Church. A delicious meal was prepared by Frances Boone of Florida Street Church, and she was also responsible for the lovely decorations in the banquet hall. Four hundred people were blessed by the handbell presentation of Nancy Tippett Eubanks, the solo of Deirdre Monroe, and the message of missionary to Zimbabwe, Mrs. Jean Phillips. An offering was taken that evening for missionaries Becky and Larry Doyle who have taken an extended leave from the Foreign Mission Board. One thousand six hundred fifteen dollars was collected and given to the Doyles to help them relocate in Greensboro and to obtain all of their belongings from Ecuador.

Saturday morning, February 22, 1992, sixty-eight GA's met at Bessemer Baptist Church for the first associational-wide GA Home Mission Study. Debbie Reynolds of Immanuel Baptist Church led the study. On March 9, 1992, six GA leaders met at Northeast Baptist Church to discuss ways to adapt the new Mission Adventures to the needs of our GA's.

On April 7, 1992 ninety women gathered at Gate City Baptist Church for our annual associational WMU meeting. New officers were elected, churches achieveing awards were recognized, and hearts were challenged by the ladies trio from First Baptist Church Summerfield and by Ann smith, our featured speaker. An offering of over $300.00 was collected at the meeting to be sent to Jean Phillips in Zimbabwe for World Hunger and to pay the tuition of the ladies from our ethnic groups who were interested in attending WMU Week at Ridgecrest, July 4, 1992.

The GA Spring Fling was held April 11, 1992 at College Park Baptist Church with eighty-five GA's in attendance. Each GA group gave a short skit or presentation for the entire group.

Clean-up day at Mundo Vista on April 25, 1992 was well attended by the WMU's from Piedmont Association.

Forty-five Baptist Young Women attended a banquet at Calvary Baptist Church on May 14, 1992. The BYW's brought canned goods to the banquet for Pathways. Patricia Frazier presented a monologue on Fannie E. S. Heck, and Laura Chambers blessed everyone present with her music.

One hundred twenty GA's and mothers attended the GA Mother/Daughter retreat at Mundo Vista May 15-16, 1992. The Acteens met at Sixteenth Street Baptist Church on May 26, 1992 for a banquet. Thirty-five Acteens came dressed in costumes worn by people living in countries where Southern Baptist missionaries serve. They brought covered dishes for the meal and participated in the program. Acteens from Pleasant Garden Baptist Church presented the prayer calendar, and an Acteen from Calvary Baptist Church provided special music. Kim Still shared her mission trip experiences in Brazil.

The Missions Friends Day Camp was held Saturday, May 31, 1992 at Friendly Avenue Baptist Church with thirty people in attendance. The planning meeting for this event was held at South Elm Street Baptist Church on March 31, 1992.

Cornerstone Baptist Church hosted its first associational event by inviting our Baptist Women and Baptist Young Women to observe our annual prayer retreat at their church. One hundred ten men and women from sixteen different churches attended the prayer retreat led by Troy and Marjorie Bennett, retired missionaries to Pakistan. An offering was taken that evening for World Hunbger. The $904.00 received was sent to the Foreign Mission Board and designated to Mr. and Mrs. Gene Phillips in the Gokwe area of Zimbabwe. This money was used to purchase four and one half tons of food.

Our fall leadership training was held at Eller Memorial Baptist Church August 31, 1992 with one hundred sixty-three women in attendance. Twenty-six churches sent leaders to obtain training.

Our enlistment-enlargement director, Becki Kellam, held two different training events during the year. The first was held in January at Stevens Memorial Baptist Church, and the second was conducted at Lawndale Baptist Church on September 14-15, 1992.

There are six ministries, missions or churches for language or Black groups to which the WMU of Piedmont Association is giving support, providing training in mission organization or interpreting the work of the denomination. Mary Odom, our WMU language director, has been interacting with the Vietnamese, Arabics, Chinese, and three Black congregations. WMU organizations from various churches have agreed to serve as sister organizations to ladies in the language and Black groups. Good News Baptist Church, Friendship Baptist Church and the Vietnamese Mission have organized Baptist Women and either GA's or Acteens.

The WMU council met quarterly to plan the work of our associational WMU and obtained training at Caraway Conference Center July 31-August 1, 1992. The Council covets your prayers as we seek to "Lead On" in 1992-1993.

Patricia S. Frazier, Director

EVANGELISM

Evangelism! This word is talked about often! Statements such as "heartbeat of the church", "priority", and "every member's responsibility" are heard throughout the Convention, Association, and church news. Missions has at its very heart "evangelism." Strategic plans in Bold Missions Thrust have been that everyone have the opportunity to hear the Good News of salvation through Jesus Christ.

Your Evangelism Council is here to keep our attention on evangelism as priority. This past year has included our Prayer Rally with Rick Amato with thirty (30) churches participating. The attendance and prayer rallies have been a strength and encouragement to our church.

The Association hosted a Total Church Life Conference in cooperation with the Baptist State Convention. Lawndale Church housed a Church Growth Seminar with the Home Mission Board. At our All Church Leadership Training Conference, we offered conferences on "Evangelism Council In Your Church", "Discovering Prospects", "Follow-up on New Christians", and the evangelism tools that are available to the church today. We also had strategic planning meetings for a possible crusade.

Upcoming events will include:

November 20-21	Marketplace Evangelism at Friendly Avenue Church
January 10	Soul-Winning Commitment Day
March 12-13	Total Church Life Seminary by BSC
March 21-26	Strike Force "Life 93", Evangelism Targeting Youth
Spring	Continued Witness Training at Hunter Hills Church

Let's continue to pray and equip that "each one might reach one" in God's Kingdom work.

Michael Barrett, Director

STEWARDSHIP

It is has been my pleasure to work with our very fine stewardship council this year-Richard Poindexter, Monica Long, Jim Fleet, Wofford Boyd and Ward Burch.

The year began with the knowledge that our Association faced a difficult situation due to the sluggish economy. However, we are grateful to our churches for the way they have responded to our situation. The receipts through July represented an average monthly increase of 9%. We encourage our churches to continue promoting the Shubal Stearns Offering for local missions.

During the year we reviewed the "Strategic Planning Task Force Groups" assignment of tasks for our council. The following action was taken:

* To work with the Associational Development Council and the Budget Committee to reach five additional churches per year to budget an amount for new church starts.

* To encourage our churches to use stewardship emphasis such as "Planned Growth in Giving", "The Great Challenge", etc. which are led by leaders from our State Convention. Wofford Boyd stands ready to teach Family Money Management upon a church's request.

* To conduct annual seminars on the budgeting process.

* To encourage churches to practice long range planning.

* To establish a team which will meet with the budget/finance committee in each church to give them information about the needs of the Association and answer questions about the PBA budget.

On April 13, 1992, O. D. Martin from the State Convention led a conference on "The Church's Stewardship Ministry" at Florida Street Baptist Church.

The All Church Leadership Training sessions were held September 14 and 15 at Lawndale Baptist Church. Stewardship sessions were:

September 14-Tax Issues Related to Pastor/Staff and Churches
September 15-Budget Preparation and Promotion led by O. D. Martin

These subjects were very informative and we had 19 in attendance representing 12 churches.

Our Committee stands ready to assist you in any way possible upon your request and we thank our churches for their support of the Lord's work in our community.

Wade H. Wylie, Chairman

MUSIC

January 17, 1992 A banquet was held for all Ministers of Music, accompanists, and their spouses. There was an overview of the 1992 Associational Music Events, and a mixer time to get acquainted. Thirty enjoyed this time of fellowship at Florida Street Baptist Church.

February 4, 1992 The Evangelism Conference Choir at Greensboro Coliseum was led by Ryland Young. Eighty volunteers from PBA churches participated. There was a small orchestra of PBA instrumentalists, as well as piano and organ. Rehearsals were held January 25, 1992 and February 1, 1992, from 10:00 a.m. until 12:00 noon at Friendly Avenue Baptist Church.

April 4, 1992 A Youth Choir Retreat and Concert, "Live It To The Max II", was led by composer Dennis Allen. Youth from fourteen churches participated with one hundred twenty-two registered. The budget for this event was $1,500.00. The teens wore "Live It To The Max II" t-shirts for the well attended performance at Southside Baptist Church. This musical was done as a premiere in central North Carolina.

July 27-31, 1992 Children's Choir Camp was held at Magnolia Street Baptist Church. Fifty-seven children met from 9:00 a.m. until 1:00 p.m. daily in rehearsal to present "The Boy Who Believed" on Friday night July 31st. at Magnolia Street Baptist Church and on Sunday night August 2nd. at Sixteenth Street Baptist Church.

August 29, 1992 Clinician Phillip Young led six handbell choirs in a workshop at the PBA office. Forty-two ringers participated.

September 14-15, 1992 The PBA Chorale, under Ryland Young's direction, presented a thirty minute "mini-conert" at 6:30 p.m. on Monday, September 14th., for the All Church Leadership Training Conference. The Music Council Ensemble sang for the 7:00 p.m. service. A seminar for all music directors was held from 8:00-8:45 p.m. giving an overview of associational music plans for 1993.

On Tuesday night two workshops were offered. Session I featured "Worship Planning" and Session II was for "Children's Choir Workers".

September 26, 27, 1992 Ministers of Music, Accompanists and their spouses were treated to an evening with Mark Edwards, minister of music, First Baptist Church, Nashville, TN. After a meal and fellowship at Florida Street Baptist Church, Mark Edwards spoke. On Saturday morning, September 26 from 9:00 a.m. until noon, choir members from PBA churches received training in vocal techniques and other areas of choir work in a clinic led by Mark Edwards.

RECREATION AND ACTIVITIES POLICY COMMITTEE

Before the completion of the new facilities on the Association property, a committee was formed to draw up guidelines for the use of the existing facilities by the churches.

With the completion and dedication of the beautiful new building, the Committee was called upon to begin to update and revise these guidelines. Changes were made to keep pace with increased use of the facilities. Even the name of the committee has been changed from Lee Street Property Committee to Recreation and Activities Policy Committee.

The Committee has met several times during the year to adjust the guidelines. We have tried to make access to the facilities as open and simple as possible and to encourage increased usage by the churches. We have also tried to emphasize "user responsibility" for keeping the facilities and equipment in the best possible condition.

No doubt the need for revision will become evident in the future. With a continuing spirit of cooperation by the churches, we believe this property can truly be used to the glory of God.

FAMILY MINISTRY

It has been my privilege to serve as Director of Family Ministry since 1986. Each year I have attended the Key Leadership Conference at Ridgecrest. Dr. Robert Newton led the section on Family Ministry each year until his recent retirement. During this time he came to our association and directed a seminar on Family Life. Discussion centered on weaknesses in family life such as adultery, abortion and divorce. Other discussion centered on positive dealing with good marriages and the qualities that make for good marriages.

During 1989 we brought Dr. Gary Chapman to the Association to speak to pastors and staff members on two consecutive Mondays. His subjects were "Love Languages" and "The Anatomy of an Affair".

Family Ministry bought a series of video tapes dealing with several aspects of Family Life. They are in the associational office and are available to the churches without charge. These tapes by James Dodson are valuable tools for the churches: "How To Strengthen Today's Family" and "The Impact of Cultural Trends on Today's Family". In addition to these, we also have "Through the Eye of a Needle", a Biblical perspective on suffering, death, and growing through grief; plus "Aids, A Christian Perspective" by Dick Day.

It has been a pleasure to serve during these years as Director of Family Ministry.

SENIOR ADULT MINISTRY

Senior Adult work in the PBA seems to be showing more improvement. Most churches are coming to realize that this group has much to offer. First, it is a group that grows larger every year because of the longevity of life, a group with experience, know how, time to give, and in many cases, the money that it takes to go forward in our Lord's work. Within our ranks lies a wealth of possibilities greater than any other group. History proves that it is within the aging group of men and women that great local and national leaders immerge. Let's not put our best leaders on the shelf. So they have retired and want to travel! Let them travel for thirty or sixty days; what about the other ten or eleven months? Look within, Pastors, the aged men and women are ready.

Herb Meadows, Director

RECREATION

Due to limited recreation facilities, our recreation programs have been generally limited to adult programs.

The following recreational activities were provided this year: On July 23-24, Gate City Baptist Church hosted the annual PBA Men's Softball Tournament at their recreation field on Hilltop Road. Eight churches participated in the Association tournament. Lankford Memorial Baptist Church won the tournament championship with Northside Baptist Church finishing second and Hunter Hills-Orange third.

On August 18 and 20, Gate City Baptist Church and Lankford Memorial Baptist Church represented the Association in the State Baptist Men's Regional Tournament in Fayetteville, NC. Gate City Baptist Church finished third and on August 25 and 26 represented the Association in the State tournament in Greensboro, NC.

Golf

On September 24, 1991, the sixth annual PBA Invitational Golf Tournament was held at the Bryon Park Golf Course. Thirty-two teams from twenty-two of our churches participated in the tournament.

The 1992 Annual PBA Invitation Golf Tournament is scheduled for October 24, 1992, at the Bel-Aire Golf Course.

With the completion of the PBA facility on Sharpe Road, the recreation program will be expanded during the 1992/1993 year. Youth basketball, men's basketball and co-ed volleyball leagues are currently being planned. Pray for our Recreation Committee as we seek to expand our recreation programs.

Randy Minix, Director

MISSIONS DEVELOPMENT COUNCIL

The language ministry to Vietnamese has had some exciting developments this year! Several new refugee families were settled by Pastor Vo using the house leased from HUD as their first home in this country. A family of sixteen came in August and many PBA churches responded to extra needs for clothing and other items. A proposal was accepted by our Association in the semi-annual meeting in May to **build a Vietnamese worship center** on our property on Sharpe Road. Final plans are not ready, but we hope to make this a project for PBA Baptist Men.

Multihousing ministry is the growing edge of church extension in Piedmont Baptist Association. Many mission projects such as Backyard Bible Studies have been completed by PBA churches in apartments and mobile home parks. Now volunteers have a new dream of planting **satellite churches** or Bible studies in apartments and mobile home parks. These are planned as permanent ministries rather than short-term projects. However, short projects can add life and vigor to ongoing activities. Since 38% of Greensboro lives in apartments, but 95% of apartment residents are considered "unchurched", this is a rich mission field. First Baptist Church of Summerfield and Outreach Baptist Church both began ministries in apartments in 1992. Others are considering such services. We are glad to help churches explore these plans. We are gaining a reputation in this ministry and have been asked by several churches in other areas of the State for information and training. Our goal is to establish five more ministries each year. Thanks for your help!

PACT studies aimed at church growth are available from our staff. Dr. Blackmon consulted with First Baptist Church of Greensboro, Hillcrest Baptist Church, and Temple Baptist Church during 1992. This brings the total to **twelve PBA churches** which have completed this process to better reach their communities.

A new church start was attempted during the Summer in the area of Hicone Road sponsored by Northeast Baptist Church. A PRAXIS team from Southeastern Seminary was assigned by the Home Mission Board, but the work faltered due to back surgery on one team member and delay in bringing a mission pastor. (The candidate was very uncertain about his call to this new work.) There is still the possibility of beginning this church in months to come. Revival Mission Baptist Church organized in 1992 and held a tent revival north of Summerfield near highways 220 and 65. Home Bible studies are beginning with hopes of building in the area in the near future.

Our new York Partnership began in 1992 with groups from several PBA churches joining in two major projects. Sanford Smith organized a construction team from several churches which added to a church at Somerset, New Jersey. Central and Lawndale Churches sent a combined team to North Greece, New York to work with a new church. Adults and youth taught Backyard Bible Clubs and surveyed over five hundred homes in the area. Stimulus from PBA churches can add much to church growth in the Rochester Association.

Barry Nealy, Director

INTERNATIONAL STUDENT MINISTRY

During the 1991-92 year, the International Committee planned and carried out our five regular social events for the year: Fall Picnic, September 14 at Oka Hester Park; Thanksgiving Dinner, November 23, Greensboro First Baptist Church; Valentine Party, February 8, Pleasant Garden Baptist Church; Spring Picnic, April 25, PBA Facility, and a Mountain Trip on June 20, Hanging Rock State Park. We have also continued to sponsor a recreation time on the second Friday night of each month called "Fun Friday" and held in the recreation building at Greensboro First Baptist Church. We have again depended on local churches for the food and American participants for each of these. Almost thirty of our churches have helped with food for these events, some for every social event each time. Until January of 1992 we depended on Scott and Janette Wright to be our representatives at the Fun Friday events. Since they left we have tried to get a different church to bring refreshments and people to the Fun Friday to help with interaction with the international students. WE NEED MORE CHURCHES TO VOLUNTEER FOR THIS JUST ONCE EACH YEAR.

Scott and Janetta Wright left us in February to take an appointment with the SBC Foreign Mission Board as Missionary Volunteers for two years in Pakistan, working with Afghan refugees and studying the Afghan language. They are sorely missed by our International Council and the students with whom they worked.

We had students and volunteers attend the two statewide international retreats at Mars Hill in October, 1991, and at Caswell in April, 1992. These are excellent events to which a few students choose to go each year and we thank our volunteers who give of time and energy to take them.

We had twenty-six families represented in our Friend Family Program. This is the most effective program we have where there is a long term relationship and time to discuss important issues and where many students are first introduced to Christ. WE ALWAYS HAVE THE NEED FOR MORE FAMILIES THAN WE HAVE WHO VOLUNTEER FOR THIS IMPORTANT MINISTRY. It is more likely that a student would respond to the gospel in this "family" setting than anyplace else. We need more people to respond.

The 1992-93 school year is underway. We had over ninety people at the September Fun Friday and need more Americans to help with this. Our Fall Picnic had about fifty-six people, about half the attendance of last year. Our Council will need to make a decision on its direction for this year so we can provide the most effective witness to Internationals that we can with the resources of volunteers we have. We would welcome your participation. So far we have only fifteen families participating in the Friend Family Program. We would welcome your participation. We have lost three churches from our Council. We would welcome your participation.

Geneva Metzger, Director

LITERACY MINISTRY

During the past year we have had a small resurgence in the number of individuals who have shown an interest in our literacy program. Some have been inquiring about teaching others to read and some have wanted tutors to help them learn to read. Although we have had no workshops to train tutors, those interested have been referred to the workshops scheduled by Guilford County Literacy Council. Through cooperation with that group, we have been able to get more tutors trained in this area. Those wanting to work with our Association have volunteered with us after training since Laubach certification is acceptable nationwide and to our Association.

While we had few individuals contact us for tutoring, all have been assisted. Some were assigned tutors and are progressing. One lady quickly completed Skill Books I and II and is working on Phonics. She is almost ready to start studying for her GED. Her statement was: "Now, I have my children through high school it is my turn."

Some have asked for tutors when we had none available. These were referred to the Guilford County Literacy Council. Their register of tutors is much larger than ours since workshops are scheduled more frequently. Doris Jessup, member of the Council, helps us often by evaluating students to determine their grade level and assisting our tutors in deciding the correct Skill Book to use initially.

Literacy Sunday was observed in many Baptist churches in October 1991. This is being done again in 1992.

While we did not have a workshop this past year, I have been working towards Laubach certification as a tutor trainer. I attended the Laubach Biennial Conference Workshop for this and also had a week at Ridgecrest devoted to Literacy. Upon completion, I will be available to hold workshops not only association-wide, but in individual churches upon request. I will do this without compensation as a part of my Christian witness and will be available during the day or evenings.

As stated in the last annual report, we have been searching for a new Literacy program director. I am happy to report that Terry Portis of Hunter Hills Baptist Church has accepted this position. He is presently working as coordinator for Reading Connections, another agency established to combat illiteracy. He is in the main stream and will be able to enhance our efforts.

It has been my privilege to serve for the last four years and I leave with prayers for growth, enlargement of contacts, and great success in this much needed area of work.

Myrtle Ballard, Director

OVERNIGHT HOSPITAL EMERGENCY MINISTRY

When I became director of the Hospital Ministry I made several contacts in reference to the ministry. I contacted Jo Clark and she was unable to serve as a coordinator. I talked with Susie Piper and she said she would continue to serve as a coordinator.

I contacted personnel who would be familiar with the Hospital Ministry at Cone Hospital, Womens' Hospital and Wesley Long Hospital. I reviewed the program with them and sent the necessary forms for them to administer the program.

I also contacted personnel at Journey's End Motel and Comfort Inn and sent them the motel guidelines. Red Roof Inn apparently does not want to participate in the program.

I think this is a good ministry and I trust that those who need it are aware of the ministry and are taking advantage of it.

CHAPLAINCY MINISTRY

Guilford County Sheriff's Department
Beauford Smith, Chaplain

The Bible says the Lord's word which we share with people shall not return unto Him void (Isaiah 55:11). We have been able to see this truth during the past year in the Guilford County jail. This year we have been able to share the gospel to more inmates because we have had more volunteers to work in the jail on a regular basis.

The churches of the Piedmont Baptist Association continue to be a vital part of the chaplain's work by providing hygiene items, Bibles and literature. We thank each of you for your help.

The Greensboro and High Point jails have been overcrowded most of the year. There have been over 9,000 people booked into the Greensboro jail and almost 6,000 booked into the High Point jail. This great number has exhaused our hygiene items. We have provided over 3,000 hygiene items, 400 Bibles, and numerous Bible studies in the Greensboro jail. This past year the Greensboro and High Point jails had 598 inmates to accept Christ as Saviour, and 726 to rededicate their life. We praise God for this harvest.

The work with the Sheriff's Department personnel is going well. Most of my work is with individuals with numerous concerns. The monthy newsletter continues to be a great help in getting the gospel message to the personnel. We praise God for this being one of our best years in total ministry at the Guilford County Sheriff's Department.

It has been my privilege to work with Reginald Cook as chaplain in the Greensboro jail and George Brice as chaplain in the High Point jail. Their work has been fruitful this year. I am thankful for the PBA staff for their support and encouragement to us during this past year.

I want to thank all of the Piedmont Baptist Association members for the opportunity to serve as Department chaplain at the Sheriff's Department.

Reginald Cook, Chaplain

"To everything there is a season, and a time to every purpose under the heaven." Ecclesiastes 3:1.

The writer of the above verse declares that there is a time for everything under the heaven and this year has been a year for many good things.

This year many people have found Jesus Christ as their Lord and personal Savior due to the jail and prison ministry. I consider it to be the best year of all at Sandy Ridge Prison because we have seen several inmates make decisions for the Lord. We have seen more inmates come to church and Bible study than ever before. We have been involved in two revivals whereby the Lord blessed. This year we have seen more volunteers than ever before. As the writer says, "To everything there is a season," and I can truly say this has been the season for more.

This year has come to an end and another one has begun. The Lord Jesus Christ did bless and I do thank Him for everything. I also thank God for the Piedmont Baptist Association, for all the years of support, for their vision to see the need of those who are incarcerated. A special thanks to David Fleming and Beauford Smith for their patience with me. Thanks to all the PBA staff for their prayers and moral support.

May God have the glory!

Greensboro Police Department
Wofford Boyd, Chaplain

The Piedmont Baptist Association's Chaplaincy Ministry to the Police Department continues to be a well received and vibrant ministry. Few ministries are as well accepted as this. The minister is one of the department "boys".

The Police Department is a collection of specialties. By this I mean that when there is need to locate drugs, the dog team is called. If there is a highway fatality, the accident investigation team is called. If there is a hostage situation, the hostage negotiating team is called and etc. That is the way the Department operates. In this environment of calling for the special skills of particular personnel, the Chaplain's special skills are readily invited when personnel feel the need for our services-whether for personal or departmental needs.

There is a comradery here that appears to work in an aura of "if my specialty is needed they will call me. If I need the Chaplain I will call him." This is very pleasant.

This year the Department has been very supportive of me through my illness. With my heart attack in March and surgery in August, the department has been very attentive and has given many, many expressions of concern and support.

I have felt a great deal of comfort in that I have come to be caregiver to the Department and when I needed them they have been most helpful and caring to me.

Special thanks and appreciation to you Piedmont Baptist Association. Your support, care, and prayers have helped me come through an illness that otherwise could have been devastating both to my health and the well-being of my family. The Association staff have been tremendous in their support and care. Ministers and members of churches have prayed, called and expressed concern, and have been supportive in many, many ways that were warm and uplifting.

I am indeed grateful. Thank you. Now I am back to work at almost full strength and my future looks brighter than it has in the past eight months.

We have plans to expand the ministry even further into the new satellite stations and be available to those officers on a regular schedule. This is a vibrant ministry and I am happy to be your ministry voice to the Greensboro Police Department.

Sandy Ridge Prison Unit
David Fleming, Chaplain

This has been one of our most rewarding years in the Prison Ministry. With the help of Piedmont Baptist Association volunteers, we provided over three hundred worship services in the Sandy Ridge Prison Unit. Many PBA churches assisted with special holiday services during Easter, Thanksgiving, and Christmas. We were blessed by churches that helped us with cook-outs, Gospel sings, clothing, food, cosmetics and Christian literature.

During Christmas our volunteers assisted in providing gifts for the inmates, their children and the prison staff. This is sharing the Gospel through giving. The Christmas Eve service is always a blessing. Every prison inmate attends this service. This is a time when we reach those who normally do not attend services. On Christmas Eve we gather in the dining hall, sing Christmas carols, pray, and at least three ex-offenders attend who share their testimonies with the inmates. This has a powerful effect as the men hear the Gospel presented by ex-offenders whose lives have been changed. At the close of the service each inmate receives his gift from one of our PBA churches. Think about it, if we can give an inmate a $5.00 Christmas gift and he gets saved our money has been well spent.

The inmates participated in Cropwalk for World Hunger and provided a Christmas service in the Juvenile Detention Center. These projects helped them share their faith, time and money learning to be givers rather than takers.

The highlight of our year is centered around two prison revivals. The first revival was led by Tim Blackmon an ex-offender who served twelve years behind bars. The inmates were touched as Tim sang and shared his testimony. The second revival was in cooperation with Prison Fellowship. This was a simultaneous revival across the state of North Carolina and all ninety-one prisons participated. We were blessed as men rededicated their lives and others received Christ.

During the past year two inmates have been called into full-time ministry. Fourteen received Christ and many rededicated their lives to God.

In the coming year, pray for the Prison Ministry, continue to give to the PBA and praise God for allowing us to be involved in such a powerful ministry.

"For God sent not His son into the world to condemn the world but that the world through Him might be saved." John 3:17

NORTH CAROLINA BAPTIST FOUNDATION, INC.

The North Carolina Baptist Foundation, as an agency of the Baptist State Convention of North Carolina, is committed under the guidance of the Holy Spirit in serving North Carolina Baptists and others in generating an increased awareness of Christian estate stewardship principals as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis.

Assets are managed under the direction of the Foundation Board of Directors with interest income being paid either in perpetuity to Baptist causes named by the donor or to the donor (or heirs) for their lifetime (or specific period of time) before the income is then paid in perpetuity to the named Baptist causes.

Earned income distributed and paid to Baptist churches, institutions & mission causes during the fiscal year 1991:	$1,100,606
Earned income distributed and paid to individuals (with Baptist causes named as future beneficiaries) during the fiscal year 1991:	$1,062,643
Total market value of Foundation assets, December 31, 1991:	$36,283,384

During 1991, the Board of Directors, with the assistance of a nationally recognized investment consulting firm, adopted a detailed investment Policy to govern the types of investments that its fiscal agents may make in keeping with the Christian commitment of the Foundation, as well as attempt to insure that the future spending value of the invested trust fund dollar will keep up with inflation. A study revealed that during the past five years the fiscal agents managing the Foundation assets ranked near the top nationally with other investment managers who operate under investment guidelines similar to the ones provided by the Foundation Board.

The Foundation staff and operations are housed in a building adjacent to the Baptist State Convention Building in Cary. Individuals and church groups are invited to call and arrange a visit of their Trust Agency's office building.

The significance of the Foundation services was illustrated in a recent experience that staff members had while eating in a fast food restaurant in Durham. In taking a seat adjacent to a table occupied by a young black police officer, we observed the enthusiasm of a white lad of about four years of age as he stood talking to the officer. As the mother and a younger child, coming from another area of the restaurant, called for the lad to join them, he walked away from the table six to eight feet, turned around and said to the officer, who was now standing and preparing to leave, "Can I give you a hug?" After an affirmative answer from the officer, the child walked over to the officer, reached around his legs and gave him a hug. The officer confirmed to us that he wished the world was filled with people like this child. The example corresponds to what so many already have done through the Foundation. As they approach the time of leaving this earthly life, they look back affectionately on what the Lord has done for them during their life and decide that they want to leave an expression of their love through an enduring and lasting gift (a "hug", if you please) that will serve the Lord until His return.

"1992: Making Life For Older Adults The Best of Times"

One of the greatest needs facing North Carolina Baptists as they move into 1993 is the ability to provide affordable quality long-term care services to the "Aged Saints" of our Convention.

The fastest growing segment of North Carolina Baptist Life are those individuals in the age category of 85 and older. That age group is growing at five times the rate of any other population segment in Baptist life. The 85 and older age group is also that age group most likely to need the services provided by a long term care institution like Baptist Retirement Homes. Unfortunately in 1992 in our State, there were not enough nursing care beds to meet the needs of the growing numbr of Older Adults who were functionally impaired and needed the services of a long-term care provider. Complicating the shortage problem was the fact that the cost of those beds was high (more than the average North Carolina Baptist Older Adult could pay). And to make matters even worse, in spite of the high cost of those beds, often the quality of care provided through those beds was fair at best. In other words, the greatest problem facing North Carolina Baptist Older Adults, in 1992 was the fact that there were simply not enough affordable quality nursing care beds available for use by people like you and me and our Older Adult family members.

Having become aware some years ago of the above mentioned problem, Baptist Retirement Homes (for the last five year period) has been working to develop a system of affordable quality nursing care beds throughout the State for use by North Carolina Baptist Older Adults. New nursing care beds became available in the Piedmont area of our State in 1989 (through the opening of the Brookridge Retirement Community). In 1992, affordable quality nursing care will become available to Western North Carolina Baptist Older Adults through the new Rickman Nursing Care Center being built on Richmond Hill in Northwest Asheville, it is our institution's hope that by 1994 affordable quality nursing care will also be available to Eastern North Carolina Baptist Older Adults as well. Your support has made the above possible.

In 1992, North Carolina Baptists through their gifts to the Cooperative Program and North Carolina Offering for Older Adults made it possible for Baptist Retirement Homes to provide financial assistance to more than 60% of all the older adults living in its health care related facilities. In addition, Western North Carolina Baptists contributed more than $2.5 million toward the construction of the new Rickman Nursing Care Center in Asheville...a new facility that will enable Baptist Retirement Homes to make life for many Western North Carolina Baptists truly...the Best of Times.

Thank you North Carolina Baptists for your support. Please continue to pray for our ministry and its ability to meet the ever growing needs of the Older Adults of our Convention.

William B. Stillerman, President

NORTH CAROLINA BAPTIST HOSPITAL

Baptist Hospital utilizes the skills and training of more than 5,700 employees to provide outstanding health care in settings as varied as the Brenner Children's Hospital, the Trauma Center, and J. Paul Sticht Center on Aging and Rehabilitation. Last year, the Joint Committee on the Accreditation of Health Care Organizations said that Baptist Hospital ranks in the top 10 percent of all hospitals in the nation.

During the past year, the hospital admitted 24,000 patients. It performed 16,662 surgical procedures, including 1,020 open heart operations, 29 kidney transplants and 80 bone marrow transplants. The AirCare helicopter flew 742 missions.

Total revenue of the hospital during the year was $407,280,000. Cooperative Program gifts from the churches were $656,180, which was applied to the budget of the Department of Pastoral Care. The Mother's Day Offering and other special gifts from the churches totaled $424,406 and was used for benevolent care for patients who had no other means of paying their hospital bills.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided clinical pastoral education to 55 students during the past year. The Pastoral Care staff provided more than 53,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 24,000 counseling sessions. The professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pastors and their families across the state.

The various services of the hospital are readily accessible to all North Carolina Baptists and others. A telephone call to the Health-On-Call office (919-716-2255) can secure an outpatient appointment with any one of the various specialists on the staff or can begin the process of gaining admission to the hospital if that need is indicated.

Charges for the hospital services compare very favorably with those in other hospitals of the state. Reports from the North Carolina Medical Database Commission indicate that Baptist Hospital's charges are lower than the average in other hospitals which provide similar services and are considerably lower than in the other teaching hospitals. Our hospital did not have an increase in it's rates for the current fiscal year of July 1, 1992-June 30, 1993.

The hospital's physical plant continues to expand. A new 840-space parking deck was opened in January. A new Emergency Department/Dietary building which will also make possible more private patient rooms is under construction now. Construction will begin soon on the 170-bed skilled and intermediate care nursing facility and on the J. Paul Sticht Center on Aging and Rehabilitation. This expansion will make it possible not only to serve more people, but to serve them better.

The staff and patients of Baptist Hospital are grateful to North Carolina Baptists for the heritage they have given the institution and for the moral and financial support they continue to give to its ministry.

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.

For the 10th. consecutive year, the gambling industry has not been able to secure passage of any gambling legislation such as a lottery or pari-mutuel betting (horse and dog racing).

The industry made its biggest push ever during the 1991-1992 legislative session. They secured 14 of the most effective and best known lobbyists that money can buy to push for their cause, but to no avail. When the legislature adjourned on July 24th., the gambling industry threw in the towel realizing that they did not have the votes in the N. C. House to pass their state-sponsored gambling bill, the lottery.

What made the difference? People like you did. You secured the commitments from your legislators that the role of government is not to exploit their weakest citizens, but to appeal to their strengths. Gambling violates that age-old principle.

There is one thing for sure. The pro-gambling forces will be back. However, the issue will be decided on November 3rd. at the General Election. If you elect legislators who are opposed to state-sponsored gambling, it will not make any difference how many lobbyists the gambling industry employs. The decision is in your hands. How do the candidates from your area stand on this issue?

There are other very important moral issues that you need to discuss with your legislative candidates. Some of them are:

1. SEX EDUCATION...Are our young people being deceived into believing that "safe sex" outside of marriage is possible and okay? The current rise in venereal diseases and teen-age pregnancies, and the related emotional problems tells us we must focus attention on this issue.
2. ABORTION...The supreme Court ruling regarding the abortion law of the state of Pennsylvania opens the door for further restrictions and conditions under which abortions can be performed--leaving this up to the states. This year we have worked on trying to get legislation passed requiring parental consent for abortion on minors, and reducing abortion funding. Both of these measures passed in the House but died in the Senate.
3. ALCOHOL/DRUG ISSUES...It is so important that we continue to address problems related to alcohol use and abuse. Reducing the blood alcohol standard for DWI from .10 to .08 was one of our targets this year, but it also failed to pass in the Senate after passing in the House.

We cannot overemphasize the importance of getting to know who your candidates are and how they stand on these key issues. Plato put it so well: "The price that good people pay for not being involved in politics is to be governed by people worse than themselves."

Thank you for standing with us in the cause of applied Christianity.

THE BIBLICAL RECORDER

Last year we reported to you: "The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy." In these past twelve months, the changes are beyond description--on the world scene and in Baptist life.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. Never was the Recorder more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist Communication package to each family in the congregation.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Rev. Charles Cross
1913 - 1993
IN MEMORIAL

Charles Cross was a birth right Quaker. He remained active in this denomination during all of his growing up and developing years. He heard and responded to God's call to preach. After his training he was called to pastor the Spring Garden Friends Meeting (six years).

He met, courted and married Mary Idell Alvis who was a member of Stevens Memorial Baptist Church. They were blessed with one son, Phil.

While a student at Guilford College he and Harvey Saunders (later became pastor of Florida Street Baptist Church) became good friends. After much discussion about church polity and doctrine Charles felt God calling him to the Baptist Ministry. Dr. J. Clyde Turner, pastor of First Baptist Church, baptized him. Soon Charles, Idell and Phil were on their way to Louisville, Ky. and the Southern Baptist Theological Seminary.

After finishing his studies at Southern, Charles and the family returned to Greensboro, where he pastored Lebanon Baptist Church. During his years of ministry he pastored the following Baptist churches: East Marion-Marion, N.C., Bessemer-Greensboro, High Lawn-West Virginia, Little River-Florida, Buchanan-Greensboro, Lankford-Greensboro as Interim.

The High Lawn Baptist Church was in the American Baptist Convention. They averaged between 700 and 800 in Sunday School and led the Convention in baptisms one year.

During his time in Florida he made a missions trip overseas and caught some type of bug or germ that hindered his ability to speak. For about two years he raised money for churches and schools. After his healing he returned to Greensboro to finish his ministry and his life span.

One personal note- some years ago when the S. B. C. met in Louisville, Charles, Idell, Sara and I drove to the Convention. We had a most delightful time. Years later we would relive some of the more humorous aspects of the trip.

Charles was not only a good preacher and pastor, but was active in Association and State Ministry.

Proceedings
100th. Annual Meeting
Piedmont Baptist Association
November 4, 1993

Moderator Sara Parker spoke about the gavel that is available to the Moderator if needed during the proceedings. She also expressed appreciation for the work of the Program Committee in putting together this year's Annual Meeting. She then called the meeting to order and recognized Richard Poindexter, pastor of the host church, Rankin Baptist Church, who welcomed everyone.

Deryl Holliday, pastor of Summerfield First Baptist Church, read some verses of Scripture from Ecclesiastes the third chapter, which speaks of there being a time for everything. He then led in prayer.

Austin Lovin, associational clerk, moved that those messengers who had registered up to that time and any others who might register later, constitute the 100th. Annual Session of the Piedmont Baptist Association. Seconded and carried.

Kelly Brown, pastor of Brandt Oaks Baptist Chapel, and chairman of the Program Committee, moved that the printed program be adopted as the order of business for this meeting, with such changes as may become necessary. Seconded and carried.

Dennis Blackmon, Director of Missions for the Piedmont Baptist Association, introduced three new pstors and one associate pastor-Manuel Cunnup, Pastor of Magnolia Street Baptist Church; Richard Hipps, pastor of Guilford Baptist Church; Larry Thompson, pastor of Sumner Baptist Church; Sam Craven, associate pastor of Southside Baptist Church.

Ron Freeman, minister of music for the Summerfield First Baptist Church, led in the singing of a hymn. He also recognized the pianist and organists and expressed appreciation for their willingness to assist in the music.

Moderator Parker gave the Executive Board report and thanked Lee King for his years of service as treasurer for the Association. He has asked not to be elected for this coming year because of his heavy work schedule. Leroy Parker moved that the Executive Board report be accepted as printed. Seconded and carried.

Wade Wylie then presented the 1994 budget. He pointed out that the new budget was slightly less than the previous one. He also noted that although the total offerings for the churches increased during 1993, the churches gave slightly less to the Association than they did in 1992. He moved the adoption of the budget as printed. Seconded and carried.

Lawrence Clapp, pastor of South Elm Street Baptist Church and chairman of the Committee on Committees, presented the Committee's report. Moderator Parker appointed Frances Boone, Florida Street Baptist Church, and Edna Carter, Calvary Baptist Church, to fill the two vacancies on the Committee.

Moderator Parker called for nominations for the officers of the Association for next year. She explained that since Michael Barrett, pastor of Pleasant Garden Baptist Church, was moderator elect after serving a year as Vice-moderator, no nominations will be received for this office this year, but that it had been decided to allow for nominations from the floor for Vice-moderator, Clerk and Treasurer. Anyone presenting a name must first have talked to the one being nominated and have the agreement that they will be willing to serve if elected.

Walter Thomas, Guilford Baptist Church, was nominated for Vice-Moderator. Jim Fleet moved that the nominations cease and that Walter Thomas be elected. Seconded and carried.

Jill Foster, Calvary Baptist Church, moved that Austin Lovin be elected as Clerk of the Association. There being no other nominations, Ralph Webb, Rocky Knoll Baptist Church, moved that Austin Lovin be elected. Seconded and carried.

Jill Foster nominated Monica Long, member Rolling Roads Baptist Church and secretary at Sixteenth Street Baptist Church, to be elected as Treasurer. Seconded and carried.

Otis Davis, pastor of Sedgefield Baptist Church and chairman of the Nominating Committee, moved that the Nominating Committee report as a whole be approved. Seconded and carried. Otis thanked the Committee for its work.

Vernon Williams, chairman of the Credentials Committee, presented this committee's report, moving that the Revival Mission Baptist Church be received into full fellowship of the Association after meeting all the requirements and having been under watchcare for the the past year. The pastor of this church, Jay Noland, told how God had blessed the work of their church. He said that their church's name comes from Habakkuk 3:2, "O Lord, revive thy work". Seconded and carried.

Dan Alderman, chairman of the Music Council, gave a report from the Council. He described a number of musical events that had taken place during the past year. He also recognized and paid tribute to two church music directors who are retiring this year after having served churches for forty-two years apiece. The two men were Ryland Young, Sedgefield Baptist Church, and Bill Slack. The Music Council has been awarded the Standard of Excellence Award from the Baptist Sunday School Board for its work in the Association.

Dennis Blackmon introduced the special Centenniel Committee which includes the 1994 Program Committee: Sara Parker, chairman Centenniel Committee; Vernon Williams, Austin Lovin, Wilson Stewart, Victor Dowd, Edwin Vaughan, Edith Sears, Esther Wall, Jack Swanson, Manuel Cunnup, Bud Parrish; Monica Long, chairman Program Committee; Ron Freeman, Kelly Brown, David Haynes, Jill Foster, Steve Walsh.

Michael Barrett, chairman of the Evangelism Council, presented their report which included a recommendation that the churches of the PBA participate in sixty days of soul winning with revival meetings at the conclusion. Seconded and carried.

Bill Slack led in the singing of a hymn.

Natalie Barber read Psalm 51 beautifully and with much feeling and then led in prayer.

Thomas Brown introduced Don Shelton, pastor of Willomore Baptist Church, who was to deliver the annual sermon.

Tom McDonald, Lawndale Baptist Church, came to the podium for the special music, but before he sang, he commended Sara Parker who has been active in the PBA for the past fifty-six years. The congregation enthusiastically affirmed what he said! Tom then sang a medley of sacred tunes and blessed us in the singing.

Don Shelton took his text from I Thessalonians 2:11-12 and his subject was "A Regenerated Church In A Rebellious World".

At the conclusion of the sermon, Richard Poindexter invited everyone present to share in the luncheon that had been prepared and led in the prayer of thanks for the food. This closed the morning session and most of the messengers headed for the fellowship hall and the luncheon of fried chicken with all the trimmings!

The afternoon session opened with Dan Alderman leading in the singing of the hymn, "Saved, Saved, Saved". Susan Ward, Florida Street Baptist Church, was the accompanist.

T. E. Pardue conducted the memorial service. He then moved that this year's Annual Minutes be dedicated to Charlie Cross, longtime pastor in the Association who died recently. Seconded and Carried.

The Resolutions Committee presented five resolutions commending and thanking the host church, its Pastor, the Program Committee, Moderator and Vice-Moderator, those who prepared and served the lunch, Don Shelton and Don Kammerdiener for their inspiring messages and for the associational staff for their good work. Seconded and carried unanimously.

Dennis Blackmon presented a recommendation that we continue our partnership relations with Maryland, Brazil, New York State Baptist Convention and the Ukrane Baptist Union. (Sanford Smith added the New York State Convention and the Ukrane Baptist Union as an amendment to the recommendation.) Seconded and carried as amended.

Pat Frazier spoke about the need to winterize the cabins and other facilities at Mundo Vista so they can be used the year round for training of young women and adults. The total amount needed will be $5,000,000 and the goal for the PBA is $11,000.

Three testimonies by W.M.U. leaders from three of our churches was the next order of business. Ola Moy spoke for the Friendly Avenue Baptist Church; Mary Odom for the Central Baptist Church; and Kathleen Chambers for Southside Baptist Church. Each of these women painted glowing pictures of the work of the W.M.U. in their churches. Mary Odom emphasized the International Student Retreat at Mars Hill College and an African Student thanked us for the opportunity to attend it. Kathleen Chambers told of the great influence John Magee, one of our retired foreign missionaries to Africa, had on her in her earlier days.

Dennis Blackmon gave the Director of Missions report. He spoke of the many volunteers and of the many things they are accomplishing through the Association.

Rev. Manuel Cunnup presented a specially prepared plaque to Rev. Otis Davis upon his scheduled retirement as pastor of Sedgefield Baptist Church and one for Rev. Luther Brame, who retired from New Hope Baptist Church. Rev. Brame, however, was not present to receive his. Each of these pastors had served their present churches for twenty-one years. They were recognized by a round of applause by the congregation.

Roger Ward led in the singing of one verse of three hymns: "Worthy of Worship", "To God Be The Glory" and "Holy, Holy, Holy".

Richard Hipps, pastor of Guilford Baptist Church, introduced the speaker for the closing message of the day, Dr. Don Kamerdiener, Executive Vice-president of the Foreign Mission Board of the Southern Baptist Convention.

Special Music was provided by an instrumental solo (a woodwind instrument), accompanied by the piano.

Dr. Kammerdiener's text came from Romans 9, 10, 11 as a background, but focused on 11:29 which says, "For God's gifts and His call are irrevocable". He encouraged all of us with some good news about how God is blessing the efforts of our foreign missionaries. His points were 1) We are responsible for the world. 2) Today is a day of greatest opportunity because our missionaries are seeing the greatest response ever to the gospel in many places. 3) Islam is beginning to crack, even as communism has already done in Russia. This is evident in Africa and in other countries that are predominantly Islamic.

After Dr. Kammerdiener's message Moderator Parker called for the newly elected officers of the Association to come to the platform to be recognized.

John Setchfield, Greensboro First Baptist Church, led in the closing prayer.

Proceedings
Semi-Annual Meeting
Piedmont Baptist Association
May 4, 1993

The semi-annual meeting of the Piedmont Baptist Association was called to order at 3:30 p.m. at Southeast Baptist Church by moderator, Mrs. Sara Parker. Mrs. Parker then recognized Dr. Bruce Anthony, pastor of the host church, who welcomed those present.

Rev. Kelly Brown, pastor of Brandt Oaks Baptist Mission, read a passage of Scripture from Colossians 3rd chapter and led in prayer.

Rev. Austin Lovin, associational clerk, and member of Friendly Avenue Baptist Church, moved that those messengers who had already registered, plus those who would yet register, constitute the Association for this semi-annual meeting. The motion was approved unanimously. There were 111 messengers, including 26 pastors, who registered before the meeting was over. 36 churches and 2 missions were represented, plus 15 visitors, for a grand total attendance of 126.

Rev. Bud Parrish, pastor of Lankford Memorial Church and chairman of the program committee, moved that the printed program be adopted as the order of business for this meeting with such changes as may be required. The motion was seconded and approved unanimously.

Rev. Ron Freeman, minister of music from Summerfield First Baptist Church, led in the singing of "Heaven Came Down."

Rev. Otis Davis, pastor of the Sedgefield Baptist Church and chairman of the nominating committee, presented the printed list of nominations for the various offices of the Association. He asked that we write in the name of Rev. Ron Vernon, for the new associational Sunday School director. He commented that it was an illuminating experience to be on the nominating committee and to see how difficult it was to get all the offices filled. He moved that the following names be elected: Mrs. Patricia Frazier, WMU Director; Mr. Ed Roberts, Brotherhood Director; Rev. Ron Freeman, Music Director; Mr. Barry Owen, Youth Director; Mr. Herb Meadows, Senior Adult Director; Rev. Michael Barrett, Evangelism Director; Mr. Wade Wylie, Stewardship Director; Mr. Randall Minix, Recreation Director; Rev. Manuel Cunnup, Family Ministry Director; Rev. "Bud" Parrich, Pastoral Ministries Director; Dr. A. L. Parker, Seminary Extension Director; Dr. Barry Nealy, Missions Development Director; Dr. Lawrence Clapp, Bold Mission Prayer Coordinator. The Moderator asked if there were other nominations and, there being none, the motion was approved unanimously.

Rev. Michael Barrett, pastor of Pleasant Garden Baptist Church and associational director of evangelism, spoke of the importance of churches setting goals for the number of baptisms they hope to have within a given period and to work at reaching their goals. He told of some exciting experiences some had had in winning others to Christ. He also shared some of the experiences in his own church in reaching people for Christ and baptizing them.

Dr. Dennis Blackmon, director of missions, asked the question, "What is missions?" and went on to point out that it was carrying the gospel of Christ to those who had not yet heard it. He said that God never intended for us to focus on associational, state, national or world missions, to the neglect of the others, but that we are to do all of them simultaneously. He commended the churches of the Association for their support of the Cooperative Program during the past year. He closed with an appeal for a renewed emphasis on tithing and asked that all of our churches give some sort of emphases to the Shubal Stearns Offering for Associational Missions.

During the miscellaneous business period, Rev. Otis Davis presented a motion that a committee be asked to review the actual duties of the associational treasurer, as opposed to what the constitution says he is to do, and to recommend a clarification of his role to the Executive Board, and to also recommend a process for the election of general officers. He pointed out that most of the treasurer's duties are now actually being performed by the clerical staff at the associational office. The committee would be composed of the Moderator acting as chairman, Vice Moderator, Chairman of the Nominating Committee, Committee on Committees, Constitution Committee, and Director of Missions as ex-officio. His motion was seconded and approved unanimously.

Dr. Dennis Blackmon presented the report of a committee that had been asked to nominate persons to serve on an audit committee for an annual audit of the association's financial records. The three person nominated were: Mr. Bob Stutts, Mr. Larry McLaurin, and Mr. Brad Newkirk. Seconded and approved unanimously.

Mrs. Sara Parker explained that the purpose of the Special Centennial Committee was to plan appropriate ceremonies for the celebration of the 100th. year of the Piedmont Baptist Association. She asked that any who had items of interest relating to the past history of the Association, to please make them available to the committee.

Rev. Gerald Primm, interim pastor of Rocky Knoll Baptist Church, presented a written tribute to two recently retired pastors, Rev. J. C. Alley and Rev. Ralph Webb, and then presented plaques of appreciation to them. Rev. Alley had served Sumner Baptist Church for almost eleven years before his retirement in May 1992 and thirty-six years in the ministry. Rev. Ralph Webb was pastor to Rocky Knoll Baptist church for nineteen years of his forty years in the ministry; he retired January 1993. Rev. Primm quoted someone who said about retired pastors, "Old pastors do not die, they just go out to pastor."

Rev. Dan Alderman, minister of music Sixteenth Street Baptist Church, and association music director, led in singing the hymn, "He Lives."

Dr. Bruce Anthony introduced Rev. Henry Newton, pastor of Immanual Baptist Church, who was to deliver the doctrinal sermon.

Special music was provided by four ministers of music-Mr. Jeff Carrick, Rev. Dan Alderman, Rev. Ron Freeman and Mr. Ryland Young. They thrilled us with their unusually harmonious voices as they sang "He Hideth My Soul" and another selection.

Rev. Eugene Lawhorne, pastor of Buchanan Baptist Church, read a passage of scripture from Acts 1:1-11.

Rev. Henry Newton then preached the doctrinal sermon. He announced that he would speak on "The Doctrine of Joy." His text was Phillipians the fourth chapter. He had begun his message by referring to "Murphy's Law" which says that if it can happen, it will happen, when he was interrupted by the very loud chiming of the church's electronic bells in the steeple. There was nothing he could do but wait until a staff member rushed back to the controls and finally shut it off after about five minutes. We all got a good laugh out of this.

His sermon was built around four disciplines or principles that help Christians to be joyful: 1) live in harmony with others, 2) live with faith in God and His sustaining grace in all of life, 3) live with positive thoughts, 4) live by following great examples of Christian living, especially Christ himself.

Mrs. Sara Parker announced that she had about two hundred back copies of Mature Living that were too valuable to be thrown away and she offered them to any church that wanted them.

Dr. Dennis Blackmon announced that supper would be served in the church fellowhsip hall. He also introduced three new pastors-Rev. Robert Lee Newton, Camp Herman Baptist Church; Rev. Ron Vernon, Florida Street Baptist Church; and Rev. David Horton, Gate City Baptist Church.

The session was closed in prayer by Rev. David Lindeman, associate pastor of Southeast Batist Church.

After the very delicious and enjoyable banquet, we returned to the auditorium where the Moderator called the evening session to order.

Mr. Jeff Carrick led the congregation in singing two hymns, "Wonderful Words of Life" and "We're Marching To Zion."

Mrs. Sara Parker then led in an opening prayer.

Dr. Vernon Williams presented the report of the Credentials Committee which recommended that Outreach Baptist Church be received into full fellowship of the Piedmont Baptist Association. This motion was seconded and approved unanimously.

Dr. Blackmon presented the proposed budget for the Shubal Stearns Offering for Associational Missions and appealed to the churches to promote this offering this year. He pointed out that far less than half of the churches did so last year. The Association will be limited in its ability to accomplish its work unless the majority of our churches respond with good offerings.

Dr. Barry Nealy, PBA associate director, spoke glowingly of the work of the pastor of the Vietnamese Mission, Rev. Hua Duc Vo, and of how God had richly blessed his efforts to win those of his own race and language.

Pastor Vo then addressed the Association through an interpreter, his daughter Toy. He thanked the Association for its help and encouragement and told of his vision for establishing Vietnamese churches in every city in North Carolina and eventually in every state. His message was received with appreciation and joy by the messengers and visitors present.

The Vietnamese Singers then gave their testimony through a beautiful song.

The congregation was led in singing the hymn, "Wonderful Grace of Jesus."

Rev. Wofford Boyd, PBA chaplain to the Greensboro Police Department, introduced the State Convention speaker, Rev. Burke Holland. Rev. Holland is the Baptist State Convention Director of Language and Chaplaincy Ministries. His text came from Matthew 25:37-40, with his focus on Jesus' statement "I was a stranger and ye took me in." He said that a modern translation of the word, "stranger" would be "foreigner" or "alien". He said that the miracle of Pentacost, where people from many different countries and languages, were made to hear the gospel in their own language also justifies our present-day language missions, including ninety-two language churches in North Carolina. He told us that North Carolina already has many language groups who have come here from their former countries because of hardships suffered there and he said that we can expect to see their numbers increase over the next few years. He then challenged us with three questions: 1) What is your attitude toward foreigners? 2) What gifts has God given you that you are willing to use to meet their needs? 3) Am I willing to commit myself to meeting the needs of these foreigners in the name of Jesus?

Before we adjourned, Mrs. Parker shared with us her gratitude for all the prayers that had gone up for the Parker's little granddaughter, Collette. She described the current situation, which is that a second tumor had formed on top of the original one. Part of this second tumor has been removed by surgery, but Collette's future is still threatened by its presence. She asked for our continued prayers.

Mrs. Parker then closed the meeting by calling upon Mrs. Pat Frazier, PBA WMU Director, and Mr. Ed Roberts, PBA Brotherhood Director, to both share in prayer.

The meeting was adjourned!

Respectfully Submitted,
Rev. Austin Lovin, Clerk

EXECUTIVE BOARD MINUTES

Mrs. Sara Parker, moderator, called the January 11, 1993 meeting of the Piedmont Baptist Association Executive Board to order and recognized Randall Lolley, pastor of the host church, First Baptist Church Greensboro, who welcomed us and introduced a new staff member, Steve Pressley, formerly pastor of the Beverly Hills Baptist Church in Asheville.

Lee King, associational treasurer, led in the devotional, reading from the Gospel of John 14:15-21 and then led in prayer.

Austin Lovin moved that the minutes of the last meeting be approved as printed, unless there were corrections that needed to be made. Dr. James May asked that the statement in the first paragraph on the second page of the minutes be stricken that had to do with his wife being in the hospital. He said that she was at home and well. The minutes were approved with this correction.

Dennis Blackmon, in the absence of committee on committees chairman Lawrence Clapp, presented the name of Wilson Stewart for election as chairman of the finance committee. The former chairman has moved out of the area. There were no other nominations and Wilson Stewart was elected unanimously.

Lee King, treasurer, gave the treasurer's report. He explained that it was very brief because Mrs. Lucille Grubbs, PBA administrative secretary, usually prepared it for him and she was at home, recovering from a knee operation. He gave the totals for receipts and disbursements. November and December were good months with receipts equalling budget needs for those months. The Shubal Stearns Offering, however, was down considerably.

Wilson Stewart, newly elected chairman of the finance committee, brought a recommendation that an auditing committee of three persons be nominated by the committee on committees for election at the next executive board meeting. He pointed out that this did not require a vote, since the PBA by-laws already call for such a committee and for annual audits. He explained that the purpose of the audit was simply to protect all persons involved in the handling of associational funds.

Bill Claffey, pastor of the Hillcrest Baptist Church and chairman of the recreational/activities policy committee, recommended that someone, possibly a college student, be employed at $5.00 per hour to serve as a coordinator for activities at the PBA building. He suggested that the money for paying this person would be raised by increasing the amount charged for use of the building from $25.00 to $40.00, and that $5.00 be charged for each hour above three hours instead of the present $2.00. After considerable discussion, an amendment was made by Thomas Brown that the basic charge be set at $30.00 for the first hour and $5.00 for each additional hour. The amendment was approved and the motion as amended was approved.

Barry Nealy reported plans for a new church building for the Vietnamese Mission, sponsored by the Southside Baptist Church. The building would be built on the PBA property, probably right next to the existing parking lot, so that the mission could use the lot for parking during their services. The mission already has $20,000 in hand, with another $7,500 in sight from the sponsoring church, and other sources. The estimated cost for the building materials will be about $100,000. Nealy appealed to the churches to encourage members with building skills to volunteer to help build the building, so as to save money. He said that February 4 would be the "kickoff date" for this project, but that actual construction would not begin until May. Nealy further explained that it was hoped that other churches in the Association would help the mission raise at least another $20,000 before construction begins. This would leave about $50,000 that would have to be borrowed and that is about all that the young mission can handle at this time.

Barry Nealy then presented a motion as follows: The Missions Development Council has consulted with the PBA Property Committee in selecting a site for the proposed construction of a Vietnamese Worship Center. The Council recommends that the 4,000 square foot building adjoin the existing parking area on the west facing Sharpe Road and set back from the road the same distance as the PBA office building.

Dennis Blackmon then commented that he saw a need for a property survey by a qualified person to make sure that no mistakes are made by locating buildings in the wrong place on the property. He said that he hoped to get this done soon.

Barry Nealy then moved that $2,500 from the PBA Mission Fund be allocated to the Vietnamese Mission toward the cost of the building. This was approved.

Patricia Frazier, PBA WMU director, gave the WMU report. She told of several events that had taken place during the last three months and spoke of a few that are scheduled to come soon. Her report was received as information.

Barry Nealy told of a mobile chapel that has been located in Hidden Forest Mobile Home Park at Level Cross, North Carolina. The Willomore Baptist Church will sponsor a mission chapel for this park. He pointed out that the Association also has a ministry going on in six apartment complexes. He said that although about a third of Greensboro's population lived in multifamily housing, only about 9% are active in any church. Nationally,96% of apartment dwellers are unchurched.

Dr. Vaughan asked for a clarification as to who is responsible for the Vietnamese Church financially. Dennis Blackmon responded by saying that the sponsoring church, Southside Baptist Church, will underwrite the loan on the building, but that the mission itself will have the primary responsibility for making the payments on the loan. He said that several other churches have made contributions to the Vietnamese work from time to time and that he hoped they would continue to do so. The Association is not responsible for the debt.

Barry Owen, youth minister at Pleasant Garden Baptist Church, spoke at length and with enthusiasm about the importance of every church providing a ministry to the youth in its area. He told of several youth events that are coming up and invited the churches to participate in them.

Dennis Blackmon presented the name of Ed Roberts as the nominating committee's recommendation for the new association brotherhood director. There were no other nominations and he was elected unanimously.

Sara Parker announced that the next executive board meeting would be held Tuesday, March 9th., 7:30 p.m., at Rolling Roads Baptist Church.

She then closed the meeting with prayer.

Those present were invited to come down to the lower level and share in some refreshments and fellowship after the meeting.

Vice Moderator, Michael Barrett, called the March 9, 1993 meeting of the Piedmont Baptist Association Executive Board to order and recognized Ward Burch, pastor of the host church Rolling Roads Baptist Church. Rev. Burch welcomed us and then read a passage of Scripture from Isaiah 42nd. chapter and led in prayer.

Austin Lovin read the minutes of the last meeting and asked for corrections and additions. A correction was made on page two concerning the percentage of apartment dwellers who are unchurched-96% being correct. The minutes were approved as corrected.

Lee King, associational treasurer, gave a brief treasurer's report. He said that about $22,450 was received from the churches in February. Lucille Grubbs, who usually prepares the report for the treasurer, is recovering from a knee operation, so the full report was not ready. The report was received as information.

Wilson Stewart, chairman of the Finance Committee, spoke about the Stewardship Banquet scheduled for May 4th. He also called attention to some shifting of funds from one item to another in the budget. His comments were received as information.

Barry Nealy reported on preparations for a ministry with the mobile chapel at Hidden Forest Mobile Home Park and stated that there are now six apartment ministries in progress, with two of them having become "satellite churches." He told of plans for raising the additional money needed for the Vietnamese church building. His remarks were received as information.

Pat Frazier, associational WMU director, spoke of recent WMU activities and pointed out that several age level activities are planned for the near future. She commented that the WMU women are not content to study about missions, but are becoming more and more action oriented. Received as information.

Lee King reported on an offer to purchase the old associational office building on 1030 Homeland Avenue. The offer is for $119,000 (our asking price), with $10,000 down, to be paid over the next several months, with a year's lease of the building at $1,000 a month and with the balance of $109,000 at the end of the lease. None of the $10,000 is refundable if he fails to follow through on the purchase. The monthly rent will be over and above the purchase price. He moved that we accept the offer. Seconded and approved unanimously after several questions were answered.

Manuel Cunnup reported for the Counseling Ministry Committee. The committee had sent out a questionaire to all of the churches in the Association and fifteen of them responded, with twelve of them favoring an associational counseling program and three did not. Two of our larger churches are in the process of starting their own counseling programs. The committee has decided to give these churches time to see what they can do before proceeding further on the associational level.

Manuel also reported on Family Ministries. He said that there is an ample supply of helpful resource materials for this ministry, but he has found that few of our churches are using them. He expressed concern for the fact that our churches are not doing much of anything to help our families, despite the many problems that exist today that work against the family as God intended it to be.

Manuel told of a program for a pastors' conference in May that would discuss the need for a Family Ministry in the churches. Also, on May 27, from 7:00-9:00 p.m. there will be a Family Ministry Orientation for pastors and family ministry directors from each of our churches. Stephen E. Sumerel, from the Baptist State Convention, will be the featured speaker and will bring samples of available resources and speak about what can be done. Received as information.

A. L. Parker told of an attempt to get a seminary extension class started again in the Association. He asked for pastors to let him know if they are interested in attending such a class if one is conducted. He and

Gerald Primm have been asked to try to get it started, but said that he had been advised to make sure there is enough interest among the pastors before scheduling anything.

Dr. Parker also told of his wife, Sara's having been hospitalized with a high fever.

It was reported that Baptist Men continue to help in the rebuilding of churches and homes in South Florida.

In answer to a question, it was announced that lights for the PBA parking area have been purchased and that it is expected that they will be installed within the next week to ten days.

It was moved that we send a card from the Association to Sara Parker, Dr. Philip Broyles and Rev. Jack Morris, all of whom are being treated for serious illnesses. It was suggested that the associational office handle this. Motion approved.

The next Executive Board Meeting will be held July 12 at Rankin Baptist Church.

Randall Lolley, pastor of First Baptist Church Greensboro, led in the closing prayer.

A special called meeting of the Piedmont Baptist Association Executive Board was held April 8, 1993 at the association office. Mrs Sara Parker, moderator, called the meeting to order and explained that this meeting had been called to consider one item of business.

She then introduced Dennis Blackmon, PBA Director of Missions, who read a passage of Scripture and led in prayer.

Brother Blackmon then stated that the purpose of the meeting is to consider a motion for the Association to borrow the money needed to complete the construction of the building for the Vietnamese Mission that now meets in the Southside Baptist Church's facilities and is sponsored by that church. The building is to be built on the PBA's property, adjacent to its parking lot.

He said that it had been assumed all along that the Southside Baptist Church, as the sponsor of the mission, would borrow the money in their name, but the church now asks the association to assume this responsibility for several reasons: One is that the church is already heavily in debt since relocating and building a new facility. Also, the church now has the opportunity to purchase some property between them and the Motel 6 and the additional obligation of mission building would make that more difficult. A third reason is that they felt uncomfortable assuming responsibility for a loan for a building that is to be built on property belonging to the association. The other, and one of the strongest reasons, is that the church thinks that support for this mission will come more readily if it is an associational project, rather than a church project.

Mrs Parker then called for a motion to authorize the association to borrow this money for the mission building. Cecil Livengood moved that we authorize the association to borrow up to $75,000 for the purpose of erecting this building.

Austin Lovin seconded the motion and several questions were asked by different persons. It was clear that the money would be borrowed from the Baptist State Convention and that every attempt will be made to keep the amount needed to within $50,000, or at the most, $60,000. The reason the amount named was $75,000 was to make it unnecessary to come back to the association for further action if the costs run over the target amount. This money will be mostly for building materials. It is hoped that volunteers can be enlisted for the labor. Cecil Livengood said that the monthly payments on a ten year loan of $50,000 at 8% interest would be $606.

Mrs Parker then called for the vote and it was unanimous in favor of the motion to borrow the money.

She then led in a closing prayer and the meeting was adjourned.

The Executive Board of the Piedmont Baptist Association met on July 12, 1993 at Rankin Baptist Church.

Moderator Sara Parker opened the meeting and recognized Bill Slack, minister of music for the Rankin Baptist Church, who welcomed the group in the absence of the pastor.

Mr. Slack then read the 100th. Psalm and Acts 1:8 and led in prayer.

Since everyone present had a copy of the minutes, the Moderator suggested that they take a few moments to scan them instead of having the Clerk read them. This was done and there being no additions or corrections, they were declared approved as printed. (Sanford Smith moved that they be accepted as printed.)

The Treasurer's report was presented by Dennis Blackmon, director of missions for the Piedmont Baptist Association. He called attention to the key figures in the report. It was accepted as information.

Dennis Blackmon introduced Wade Akins, Southern Baptist missionary to Brazil, who spoke at length about a special program which he has developed for his area and which is now being adopted by the Brazilian Home Mission Board. It is called "Pioneer Evangelism". It involves intense training of lay people in how to witness to others about their faith in Christ. It has been used to get the message out to entire cities, with thousands of professions of faith in Christ as their Savior being the result. He said that Brazil is today one of the most open countries in the world to the Gospel. He invited our Association to come down and help them. He also told of a concrete church building which will seat up to 175 persons, that was designed by an American and which can be erected in five days, beginning with the concrete slab floor already in place. They have built many of these already, despite the fact that many told them it couldn't be done.

Dennis Blackmon then told about a proposed pairing up of our Association with two associations in Maryland, just north of Baltimore. He then submitted the names of nine persons to form a committee to look into both the Brazil work and the work in Maryland and bring back a recommendation to the Annual Meeting in November. Those names were: Mike Barrett, Ken Kelley, Ron Vernon, Ed Roberts, Pat Frazier, Lottie Dix, Sara Parker, Bud Parrish, and Roger Howerton. Sanford Smith moved that they be elected. Seconded and carried.

Otis Davis, pastor of Sedgefield Baptist Church, presented the report of a special committee which had been set up to examine the duties of associational officers and to recommend any changes needed to make what the constitution says match what the officers are actually doing. The report was as follows: (*minutes corrected 9-14-93)

1) The Treasurer will serve as chair of the Finance Committee.
2) Not less than 30 days prior to the Annual Meeting, nominations for each of the offices should be sent to the Nominating Committee. The nomination should include assurance that the person to be nominated has been contacted and is willing to serve. The Nominating Committee continues to bear the responsibility to be certain that qualified persons are nominated. Therefore, in the absence of qualified nominees they should seek out qualified persons for nomination. Persons not previously

presented to the Nominating Committee may be placed into nomination at the Annual Meeting, but only with the prior consent of the person to be nominated. Here, prior will refer to anytime before the beginning of the session when the elections will take place. At least 60 days prior to the Annual Meeting a form for nominations will be printed in The Challenger.

3) The PBA be asked to make the following changes: Each church will be represented on the Executive Board by the Pastor, one (1) other staff person, the Sunday School Director, the WMU Director,the Brotherhood Director, Chairman of Deacons, Chairman of Budget and Finance Committee and two (2) others that the church will choose. (Change is to increase number from 4 to 9 and specify 6 of the 9 persons rather than 1 of 4.)
   Each church shall be entitled to send to a meeting of the Association as messengers, the Pastor, one (1) additional staff member and not less than six (6) of its other members. Each church will be entitled to one (1) additional messenger for each 200 members of that church above 300 members. Churches are encouraged to send as many of their Executive Board representatives as possible to serve them as messengers. (Change is to increase from 4 to 9 the basic number of messengers and to include the suggestion which is the last sentence.)

Mr. Davis moved that the Treasurer be made the chairman of the Finance Committee. Seconded and carried.

He than made a motion about the election of the Moderator, Vice Moderator, Treasurer and Clerk. Seconded and carried.

Barry Nealy, Church Extension Director, reported on several activities that the Association has been involved in recently. It was received as information.

Pat Frazier, WMU Director, gave a good report on several associational WMU activities. This was also received as information.

Gerald Primm spoke briefly about the work of the Christian Action League and its efforts to prevent a bill which would allow the voters of the state to vote on whether or not they wanted a state lottery.

The meeting was adjourned with prayer by Leroy Parker.

The Executive Board of the Piedmont Baptist Association met on September 14, 1993 at Immanuel Baptist Church.

Mrs. Sara Parker, moderator, opened the meeting and called on the host pastor, Henry Newton, for scripture, prayer and welcome.

1) Gerald Primm and Sara Parker be added to the list of those present.
2) Nominations were to be submitted 30 days in advance of the Annual Meeting rather than as printed in the minutes.
3) The Brotherhood Director be added to item 3.

A motion was made by A. L. Parker and seconded by Wade Wylie to receive these as corrected. The Moderator asked that these minutes be revised and be presented at the next executive board meeting.

Wade Wylie reviewed the financial report. He reported that we are $9,000 plus in debt to ourselves in reserve funds. Shubal Stearns shows $18,000 plus with a goal of $25,000. He further stated we need to attain the goal in order to do all we plan. Several churches are to be applauded for their gifts to date.

Mr. Wylie presented the 1994 budget. A note was made that some support ministries were decreased. A few, including WMU and Youth, were increased. Staff salaries increased 2.75% with current cost of living at 3.6%. Lucille Grubbs requested to work part-time so her salary shows a reduction, while Jean Warren was increased to full-time salary. Unanimous approval was given to recommending this budget.

Barry Nealy presented a recommendation to add a part-time Church and Community Ministries Director to the present associational staff. A funding agreement has been worked out with the Baptist State Convention through the office of Neil Peyton. Audrey Wommack has agreed to accept this position effective October 1, 1993. She will work 20 hours per week. The job description was mailed to the PBA Executive Board members prior to the July meeting. Details are approved by the PBA Personnel Committee. The CCM Director will be responsible to the Associate Director of Missions. The job description is as follows:

1) Assist Associate Director of Missions in enlisting sponsor and co-sponsor churches for ministries to multihousing residents.

2) Enlist and train coordinators, chaplains, and other volunteers for ministries to multihousing residents.

3) Assist in negotiations with managers and supervisors to initiate activities in multihousing communities.

4) Introduce coordinators to managers and help them build and maintain good working relationships.

5) Assist coordinators in designing 90-day activity calendars and finding necessary volunteers to lead activities.

6) Assist Associational Survey Director with resident interest surveys in multihousing communities, as needed.

7) Arrange training for leaders of Big A Clubs, Backyard Bible Clubs or Vacation Bible Schools.

8) Serve on Associational Missions Development Council.

9) Consult with Associate Director of Missions in submitting written proposals for ministry projects.

10) Make requests to the Home Mission Board, SBC for Mission Service Corps workers or other short-term volunteers.

11) Help develop ministries to reach specific target groups through recreation, sports, fitness programs, literacy, self-help seminars, or other appropriate activities.

12) Assist with ministry to internationals; especially students and those living in multihousing.

Henry Newton made the motion, seconded by Wade Wylie, that a CCM Director be funded from Shubal Stearns in cooperation with the Baptist State Convention on the following reduction basis:

First Year	Second Year
$6,000 from BSC	$5,000 from BSC
4,100 from PBA Missions Offering	$5,100 from PBA
9,600	
500 travel	
$10,100 total	

Dr. Blackmon reported that 45 PBA churches and 2 missions plus 2 outside churches were represented at the All Church Leadership Training on September 9 and 10 at Southside Baptist Church. Many new leaders expressed their opinions on the high quality of training given. Many churches were not well represented.

Dr. Blackmon stated that "research and development" is important in churches as well as business or industry. He encouraged churches to emphasize training for leaders. Churches were asked to elect a Christian Life Council representative.

Pat Frazier, WMU director, shared the WMU report. The July meeting at Guilford Baptist Church had about 160 in attendance. A number of churches requested help in strengthening local WMU organizations. The August 30th training had some 175-200 attending.

Ed Roberts, brotherhood director, reported on plans for a Baptist Men's project to re-roof a four-plex apartment on October 1 and 2. He also shared the efforts of the mission team who went to Michigan in July.

Geneva Metzger told us that Scott Stearman did not come to work with international students. Mary Odom is working in this capacity following recent retirement. An appeal was made for friend family volunteers.

Rev. Clay Cook appealed for volunteers to complete repairs on apartments for homeless families. Two families now occupy these units. Two other units need to be finished.

Sanford Smith told of work at Mundo Vista. Foundation work is needed until December.

* The following correction was made to the July 12, 1993 executive board minutes:

NOMINATING COMMITTEE

This has been a good year for cooperation from those who were asked to serve in associational leadership as well as the good work of the special committee assisting with some job descriptions and a better procedure for nominations which will certainly lead to more input in the nominating process.

In the July Executive Board meeting, the Board voted to increase participation in the election of the four general officers. All are invited to make nominations. However, it is asked that you get the consent of the nominee before submitting your nomination to the nominating committee. Your nomination may be made anytime between now and 9:00 a.m. on November 4, 1993. Nominations may be sent to the PBA office by October 29, 1993 or presented to Rev. Otis Davis, chairman of the committee, no later than 9:00 a.m. on November 4, 1993.

Rev. Michael Barrett, who is serving as vice-moderator, is also considered moderator elect. Therefore, this year nominations should not be sent for moderator as they will be in the future. You are encouraged to send your nominations for vice-moderator, treasurer, and clerk. Mr. Lee King who has served the PBA very well for more than five years has asked not to be reelected because of increased work responsibilities. Rev. Austin Lovin is currently serving as clerk.

Otis Davis, Chairman

DIRECTOR OF MISSIONS

Probably the most outstanding feature of the 1992-1993 associational year has been the construction of the building for the Vietnamese congregation. No one knows exactly how many people have been involved in the construction. The number certainly goes into the hundreds. Most of the churches in the Association have had volunteers to participate. Many have made financial contributions. The Vietnamese themselves have led the way both in money contributed to the project as well as time given in volunteer work. The building should be occupied by the end of the year.

Volunteer participation has continued to be one of the outstanding characteristics of the PBA. It would literally require many pages to just list the names of all the people who have served as volunteers in the Association during this past year. Volunteers have helped with work in the office, assisted with cutting the grass, helped with repairs on the four unit house to provide short term transition housing for the homeless, as well as serving on the committees and councils of the PBA and all the ministries that are carried out under the direction of each one.

Unfortunately information taken from the annual church letters would seem to indicate that there was a drop of more than 500 in average Sunday School attendance across the Association. Only about 20% of our churches had any increase at all. Of those only 2 had increases of more than 10. Baptisms will remain virtually unchanged from last year. Even with the drop in average Sunday School atendance the churches report an increase of almost $300,000 in undesignated receipts. They report an increase of $36,000 given through the Cooperative Program and a decrease of $12,000 given to the Piedmont Baptist Association.

In spite of these negatives, this has been an outstanding year for expansion of ministries and training. With several new pastors in our Association and increased focus on basic ministries, we anticipate 1994 being an outstanding year for reaching out and ministering to the spiritual and physical needs of Greensboro and Guilford County.

Dennis Blackmon

CREDENTIALS COMMITTEE

The Credentials Committee report is very brief. The reason being we have had no work to do. No pastor or church at the present time has inquired about affiliating with the Association. The Committee stands ready to assist any church or pastor with such a desire.

Vernon Williams, Chairman

ORDINATION COMMITTEE

At the request of Pleasant Garden Baptist Church, members of the Ordination Committee and other local ministers met on September 3 to question Brother Ronald Smith, Jr. for ordination to the gospel ministry. Brother Smith is attending Southwestern Seminary and is pastoring a church in Texas. After about two hours of thorough and interesting exchange, the committee voted unanimously to recommend that the church proceed with Brother Smith's ordination. The ordination service was held on the following Sunday.

Ralph Webb, Chairman

RECREATION AND ACTIVITIES POLICY COMMITTEE

The Recreation and Activities Policy Committee has met several times during the past year to make adjustments to the policies regarding the use of our PBA facilities.

The Committee recommended to the Executive Board that a "coordinator" be employed to be on the premises during recreational and other associational activities to assist with security and damage control of the facilities. The fees and hourly rates for the use of the facilities were increased to offset the cost.

We will continue to try to make access to the facilities as open and simple as possible so that our churches will be encouraged to use them regularly.

CHRISTIAN LIFE COUNCIL

The Christian Life Council came into being as the result of a motion adopted at the 1991 Annual Meeting of the Association. It began organizing in late 1992 and had its initial meeting on October 19, 1992.

Meeting almost weekly for the next three months, the Council identified and prioritized thirteen areas of moral and ethical concern. These were reported in "The Challenger", January, 1993. Other actions were taken as follows:

1. Letter to the key leadership of each associational member church encouraging the formation of a Christian Life Committee within their church.
2. Formation of a Gambling Task Force.
3. Participated in the Associational All Church Leadership Training.
4. Currently working on the formation of a Christian Education Task Force.
5. Currently pursuing the idea of a Christian Life newsletter.

The Council continues to meet monthly in order to develop a structure to meet the informational needs of all the members of the Association in the area of moral and ethical issues. We ask for your prayers and involvement both at the church and associational level. If you have a keen interest in any of the issues, please let one of the council members know.

CHURCH SECRETARIES CONFERENCE

Another year has gone by and the secretaries have had another good year of sharing, fellowship, and getting to know one another better. The Secretaries' Conference meets on the second Thursday of each quarter. To try and find a central location and in an effort to get more of our secretaries to become a part of the conference, we decided in our March meeting, held at the K & W Cafeteria at Friendly Shopping Center, to have our meetings at K & W in March and September. The June and December meetings, if possible, will be held at one of our churches.

This year's June meeting was held at Sedgefield Baptist Church at which time we invited the church staff members. A "planned picnic" was prepared by Mrs. Winners Restaurant and we were able to eat under the picnic shelter. After a wonderful lunch, we were entertained by a "last minute quartet" which consisted of Dan Alderman, Dr. Bruce Anthony, David Lindeman, and Ryland Young. They sounded great! As a special feature, Ethel Waters was portrayed by Ryland Young as he sang her favorite song, "His Eye Is On The Sparrow", which was quite amusing. It was truly a wonderful time and the turnout was great.

We have also continued our support for the Vietnamese Mission. As outgoing president, I would like to encourage all pastors to let their secretaries join us at our quarterly meetings. As a group, we pray for one another, share with one another, and just enjoy the opportunity to get away from the office.

A special thanks to all for the help and support I received during these past two years. May God bless each of you. My prayer for each of you is that we all will continue to seek God's perfect will for our lives and keep our eyes on Him who gives us strength and blessings each day.

In The Love of Christ Our Wonderful Savior,
Millie Paschal, President

FAMILY MINISTRY

Most of our efforts in Family Ministry this year have been spent in orientation and organization. We had a meeting for pastors on April 12th. in which we apprised them of the need of Family Ministry in the church and introduced them to the many resources available in meeting this need.

On May 27th., at Magnolia Street Baptist Church, we had an orientation meeting for pastors, workers in Family Ministry, and others interested in Family Ministry. The leader for this meeting was Steve Sumerel, director of Family Ministry for the North Carolina Baptist State Convention.

In June, we had a meeting for all interested in the Singles Ministry. Our interest was to re-activate the Singles Ministry program in our Association. This meeting was held at the Friendly Avenue Baptist Church. Lynn Apperson, our new singles director, led this meeting, and virtually established our new Singles Ministry. She now has enlisted a Singles Ministry council to work with her. They already have many good things planned for singles in the new year.

September 9th. and 10th., three of our four directors participated in the associational All Church Leadership Training Conference held at Southside Baptist Church. I, Manuel Cunnup, led a Family Ministry Orientation Workshop. Lynn Aperson led the workshop for Singles and Wofford Boyd led the workshop for Family Finance.

We are now organized and staffed to carry out the Family Ministry program in our Association. Serving us this new year will be:

Manuel Cunnup - Director
Lynn Apperson - Singles Director
Joyce Setchfield - Family Enrichment Director
Wofford Boyd - Family Finance Director

SENIOR ADULT MINISTRY

1992-93 has been an exciting time for senior adults in our Association. One of the high lights was the senior adult rally at Pleasant Garden Baptist Church. There was a house full of seniors, some even came from other associations to participate. Pleasant Garden folks were expert in the hosting of this event.

There was also the trip to Myrtle Beach for the Christmas show at Carolina Opry. This was enjoyed by all who participated. Our trip to Atlanta to the Senior Adult Convention sponsored by the Southern

Baptist Convention was a real success. There are many opportunities for seniors in serving our Lord. I am hopeful that more churches will participate in the future.

Herb Meadows, Director

SUNDAY SCHOOL

This year has been a productive year for Sunday School work in the Piedmont Baptist Association. Three primary training events were held, the first being a zone training conference held at Southeast Baptist Church for the southeast zone. The second was the Vacation Bible School clinic guided by Gwen Hall. The third was the associational All Church Leadership Training held at Southside Baptist Church with Neil Jackson. This was well attended both nights, and Neil was well received by workers in our Association. ASSISTeam members were also involved in meeting the needs of specific churches, sometimes as a group, and at times in one-on-one consultation.

This year will complete my two years as ASSISTeam director, and I pass the reins to the able hands of Ron Vernon at Florida Street. It has been a joy to serve, especially with such a wonderful team. I want to express my appreciation, and I am sure yours, to each member:

Gail Ledbetter, Asst. Director and Children
Larry Whicker, General Officers
Kay Underwood, Preschool
Keith Harwood, Youth
Gene Ledbetter, College and Career
Esther Gray, Adult
Jeff Whetstine, Singles
Gwen Hall, Vacation Bible School

Mark Gray, Director

DISCIPLESHIP TRAINING

This past year we had a number of young people involved in Bible Drill under the leadership of John Setchfield. We made Discipleship Training available in one of the sessions of the PBA All Church Leadership Training. We have recruited a Discipleship Training team for 1993-94 and are making plans to help our churches do all they can to "Make Disciples of All Nations".

Lee Newton, Director

EVANGELISM

Jesus desires for His people to present the Gospel to every person in this generation. His promise in Acts 1:8 involves every local church in:

* Total penetration of its geographic area with the Gospel, sharing the Gospel in a way in which every person can respond with understanding.

* Total participation of the church's membership in sharing Christ, reaching the world by equipping and engaging every Christian in witness and ministry.

The Evangelism Council has two priority emphases coming up in 1994 to help us lead our churches in total penetration and total participation.

1) Life Expose' with Jerry Johnston. This has been scheduled for March 13-17. We will be having a Family Crusade beginning Sunday night, March 13-16, at First Baptist Church in Greensboro. We will conclude with a Life Rally for Youth at the coliseum complex on Thursday night. Jerry will, hopefully, be in sixteen to twenty schools during the week. We will need the support of the churches to make this possible.

2) Here's Hope 95 Revivals. I hope you have already received some information about this. The Emphasis is Two-fold:

A. Sixty days of soulwinning with the kick-off date of Soul-Winning Commitment Sunday, January 8, 1995. The goal is to have 10% of your membership to commit to share their faith with one person a day for 60 days. What a harvest!!

B. Simultaneous revivals scheduled for April 2-9, 1995. Wouldn't it be great to have 100% participation for this effort. I trust God can count on you!

The Association will host three great events in preparation of "Here's Hope":

1) Local Church Steering Committee Training Rally
2) Associational Prayer Retreat
3) Associational "Here's Hope" Rally

Your Evangelism Council is here to assist you. The council members are:

Chairman - Michael Barrett
Secretary - Jean Warren
Enlistment Chairman - Steve Walsh
Media/Publicity Chairman - Chris Conner
Prayer Chairman - Lawrence Clapp
Prospect Discovery and Cultivation Chairman - George Worrell
Youth Chairman - Mickey Moore

PROVERBS 11:30, "HE THAT WINNETH SOULS IS WISE."

Michael Barrett, Chairman

STEWARDSHIP

Stewardship is a major doctrine taught in the Bible. It is the desire of this committee to help our churches and church members to grow in the grace of giving. Giving is the true element of worship. In the beginning, the very first act of giving to God was Cain and Abel who brought offerings to God. Abel's gift was accepted but Cain's was unacceptable. We must teach our church members to give out of a heart of love and gratitude. If there is anyway that our council can be of assistance please call on us.

During the year Dr. O. D. Martin led a training session on April 26th. at Immanuel Baptist Church. He also led our stewardship sessions at the All Church Leadership Training held at Southside Baptist Church on September 9th. and 10th. We had a total of 14 in attendance the first session and 9 for the second session. Our subject was "The Church's Stewardship Ministry" which was very profitable to all in attendance.

You are to be commended in your giving to the Association as the economy has been unstable over the past twelve months. At this point the Association's receipts from the churches is up by 2.5% over last year. If you have not yet prepared your 1994 budget, let me encourage you to increase your gifts by at least 1/2% of your undesignated receipts over what you gave this past year.

Let me encourage you to give to the Shubal Stearns Offering for local missions if you have not done so. The receipts through August were $18,957.81. Our goal is $25,000.00. Missions begin locally and extend to the far reaches of the earth.

We appreciate the support of all the churches in the Association.

Wade H. Wylie, Director

YOUTH MINISTRY

This year we witnessed some tremendous events that God did in our Piedmont Baptist Association. I believe it was because of prayer that we have had the kind of cooperation from many churches in our area.

This year we had several goals we wanted to accomplish. Through prayer and hard work and cooperation we completed all of our goals. Let me share them with you.

Goal 1: To start a basketball league for teenagers grades 8-12 at the association gym. This past year we had 7 teams to begin our league and we look to have more teams this year. This was a great opportunity for churches to reach other youth for Christ and to provide their church kids with recreation and a opportunity to play basketball. This is a ministry that we hope more churches will take advantage of because it is a great way to build relationships with kids and share Christ with them.

Goal 2: To have an associational youth event that will reach hundreds of teenagers with the Gospel. This past March we had the privilege of having a group of world class athletes called Strike Force. Strike Force does some amazing feats of strength to get peoples attention like bending steel bars with their teeth, blowing up hot water bottles until they explode, breaking concrete blocks with their head and elbows, all this for the purpose of getting people's attention to share Christ. The greatest accomplishment for us was the opportunity to be on 9 public high school campuses to present an assembly program of hope to teenagers. Strike Force spoke to over 7,000 teenagers in one week. We also witnessed many coming to Christ that week. We recorded over 200 decisions for Christ. I believe many teenagers were encouraged and helped as a result of this event.

Goal 3: To have an associational and state wide training for local youth pastors and a youth conference for teenagers. This event was held October 1st. and 2nd. at Southside Baptist Church. A total of 30 youth workers came to this one day training with Jim Burns who is the president of National Institute of Youth Ministry based out of California. Jim has authored over 23 books and speaks to thousands of teenagers each year. He shared with us how to do relational youth ministry and nuts and bolts of youth ministry. This was a great training for all those who attended.

On Saturday we had Jim Burns speak to teenagers from his book, Handling Your Hormones which was about love, sex and dating. We also had the the privilege of having singer songwriter Billy Lord. We were encouraged by those who attended and by the information that was shared. We had a great day of learning and a day when many questions were answered for our teenagers. We were discouraged by the number of churches who didn't attend this conference. It causes much concern on our part to plan an event of this magnitude and only a few churches in our Association to attend. To bring this kind of quality and training to our area and have little support from our Association is discouraging. Then we wonder why North Carolina has the third highest pregnancy rate of any other state in the nation. When we have so many things which are competing for our kids attention at school and the increase of alcohol, drugs, and promiscuity among our church kids it is a shame to us and our churches when we don't make something so important priority in our churches. I believe it is time for us to wake up in our churches and start making youth ministry priority. Our future depends on it.

Goal 4: To have a weekly prayer time for all youth pastors for the purpose of praying for each other's ministries, associational youth events and for our teenagers. We presently have about eight churches where we meet to pray for each other. If God is going to do anything great in our Association, it will be because we seek Him and we ask Him to bring revival to our city. Nothing happens I believe apart from prayer.

WOMAN'S MISSIONARY UNION

When Woman's Missionary Union SBC was begun in 1888, the women made a deliberate choice to support Southern Baptist Missions. Our choice is still the same today. We believe that missions is the heartbeat of God and that God's purpose is to redeem all creation. He endows each Christian with gifts and directs the use of these gifts so that His purpose can be realized. This year to emphasize our theme, "Lead On", we have tried to develop WMU leaders and members to be models of strong, servant leadership. We have tried to encourage and enable all people to recognize their potential for servant leadership in their spheres of influence. We have tried to lead people in our Association to seek missions leadership roles and find a place to exercise spirit endowed gifts in missions.

October 1992 was the beginning of our "Lead On" emphasis. Many WMU's in our Association studied the book written for this emphasis, With A Servant Heart, to deepen understanding of leadership roles in missions.

110 women gathered at Stevens Memorial Baptist Church to observe the Baptist Women's World Day of Prayer. As a Christmas project the women brought 400 bottles of 10 ounce lotion to the meeting which was sent to the women inmates at Central Prison in Raleigh, North Carolina as a part of the Christmas package prepared by the North Carolina WMU. We also contributed $150.00 out of the associational WMU budget to provide funds for the purchase of items which were in short supply but were needed for the completion of the Christmas packages. An offering of $640.00 was taken at the meeting for the Women's Department of the Baptist World Alliance.

On Saturday, November 7, 1992, 112 GA's gathered at Calvary Baptist Church for the GA Fall Fling. They brought 654 toothbrushes to be packaged in the gifts for the women inmates at Central Prison in Raleigh. Evelyn Hill, retired missionary to Thailand, was the main speaker and she captivated the girls as she spoke of her experiences and demonstrated the Thai dress.

November 21, 1992 the Acteens met at Stevens Memorial Baptist Church for the Foreign Mission study. Felicity Gordon taught the study, Land of a Million Gods, by Cathy Butler. Special guest speakers, Vijaya and Jothi Kumar shared about their native land of India. The Acteens engaged in learning activities involving crafts, games and cooking. A luncheon was served at the end of the study featuring Indian dishes which the Acteens helped to prepare. Later that same day many WMU ladies provided food and attended the annual Thanksgiving Dinner for our international students.

Our WMU Focus Week Banquet was held February 9, 1993, at Florida Street Baptist Church with 348 people in attendance. Frances York, missionary to Ivory Coast, West Africa, was our speaker and the trio, Assurance, of Lankford Baptist Church, provided the special music. An offering of $1,025,00 was taken that night for our Vietnamese Mission building fund.

On February 13, 1993, Pleasant Garden Baptist Church hosted a retreat with Esther Burroughs of the Home Mission Board as guest speaker. 245 people attended this brunch. Special music was provided in the form of a duet by Sharon Walsh and Pat Gamble of Southside Baptist Church.

Piedmont Association's WMU was well represented at the annual meeting of North Carolina State Woman's Missionary Union held at Ridgecrest Baptist Assembly on March 26, 1993. Several conference leaders were from our Association and numerous churches sent delegates from our area. There were over 2,500 women in attendance.

The GA Spring Fling was held at Friendly Avenue Baptist Church on April 1, 1993. The girls participated in a poster contest.

On April 6, 1993 we had the annual meeting of our associational WMU. Over 130 ladies were present at Pinecroft Baptist Church. The election of our officers was conducted that evening, reports given by age-level directors, and a visit made by Annie Armstrong. Our guest speakers were Becky and Larry Doyle who shared with us about their work with Triad Hispanic Ministry. The offering taken for the Doyles ministry that evening exceeded $700.00.

Our Acteens attended their banquet at Lawndale Baptist Church on April 22, 1993. Lucy Lunsford of Pleasant Garden Baptist Church shared about her mission trip to Romania and Laura Chambers from Calvary Baptist Church provided special music. Brenda Newnam from Calvary Baptist Church talked about Activator Trips and encouraged the girls to consider participating in the program. Acteens from Reedy Fork Baptist Church presented the prayer calendar and the Good News Baptist Church Acteens had the most in attendance.

Clean-up day was held at Mundo Vista on April 24, 1993, with many WMU ladies from our Association participating.

The Baptist Young Women attended a banquet at Calvary Baptist Church on May 14, 1993 and 5 churches were represented at the event. Becky Doyle was guest speaker.

93 GA's and mothers attended the Mother/Daughter Weekend at Mundo Vista on May 14-15, 1993. Hoover Lee taught the girls some basic

Chinese and Patricia Frazier presented a monologue on Lottie Moon. The girls had time for arts and crafts, swimming, etc.

Our Mission Friends Day Camp was held Saturday, May 30, 1993 at Friendly Avenue Baptist Church with 21 people in attendance.

80 Acteens and their mothers attended a brunch at Pleasant Garden Baptist Church on June 26, 1993. The Acteens were models in a fashion show and Diane Keck Daniels spoke to the Acteens about inner and outer beauty of the Christian.

160 women gathered at Guilford Baptist Church on July 13, 1993 for the Baptist Women's Prayer Retreat. A light meal was served and then the prayer retreat was led by the First Vice President of the NC State WMU, Donice Harrod, of Nashville, North Carolina. She led the women in a study called "Heart's Cry" and instructed us in the principles of prayer. An offering of $226.00 was collected to assist youth in attending camp sponsored by Youth for Christ and to support our own GA camp at Mundo Vista.

WMU Council members attended training sessions at Caraway Conference Center on July 31-August 1, 1993. On August 30, 140 women attended leadership training at Sixteenth Street Baptist Church. Several state workers led conferences this year.

WMU participated in the PBA All Church Leadership Training held September 9-10 at Southside Baptist Church. Peggy Garrison from Stanley, North Carolina led the WMU conference entitled "Volunteer Missions".

The WMU Council has had the privilege this year of visiting in many churches in our association to help strengthen visiting WMU organizations or to help begin new organizations. We assisted in beginning Mission Friends and GA's at Lankford Memorial Baptist Church in November of 1992. Baptist Women's groups were started at Friendship Baptist Church and Temple Baptist Church. The ladies at Revival Mission Baptist Church have not only organized Baptist Women but have actively participated in several associational WMU activities. We thank the Lord for every opportunity that He has given us to strengthen established work, to begin new work, and to involve ourselves in ministries where He is already at work. We do, indeed, serve a great and magnificent God!

Patricia S. Frazier, WMU Director

BROTHERHOOD

Our Baptist men have worked on the Vietnamese building many Saturdays during the summer and fall. A few also responded individually to disaster relief needs during the Mississippi flood.

The major organized effort this year was re-roofing our PBA apartment building in October. This was done in just two days by about thirty men from seven PBA churches.

These four apartments will help lots of homeless families during the next five years. Praise the Lord for these mission successes!

Ed Roberts, Director

MISSIONS DEVELOPMENT

The Missions Development Council manages several areas of ministry outlined in the briefs which follow. The promotion director, Rev. Ken Kelley of Northeast Baptist Church, received training at Ridgecrest during Home Missions Week. He is available to train church missions councils.

Our major project for 1993 was construction of the Vietnamese worship center on PBA property across from our offices. Scores of volunteers led by Chris Morgan of Southside Baptist Church have almost completed the building. About twenty PBA churches donated directly to buy materials and $5,000.00 from associationl missions funds also went to this cause.

Homeless Housing Task Force

"Housing for the Homeless" is a program which was established in May, 1993 by the Piedmont Baptist Association when we saw an increasing need for housing of homeless people in the Greensboro area. We have seen people with children in Greensboro who, due to circumstances beyond their control, have found themselves on the street and reduced to living under crowded conditions in motels. Also, we are seeing additional needs for housing for the Vietnamese families who are being brought to the Greensboro area to make a new start.

We were fortunate to find a fourplex apartment at 1813 Walker Avenue in Greensboro. The Association negotiated with HUD to lease this property for one dollar ($1.00) per year for a term of five (5) years under the condition that the Association be solely responsible for all repairs and renovations necessary to make each of the four apartments livable.

The Association has begun renovations and repairs to these four apartments. With volunteer help, we have now been able to place Vietnamese families in the first two units. A new roof has been installed on the apartment and the Task Force is trying to finish the last two units and place families in them. The Task Force appreciates all that each of you have done to make this project succeed.

Overnight Hospital Emergency Ministry

We did not have many requests this year for overnight accomodations for families with loved ones in the hospital, however, we were able to help when we were needed. To those who need the assistance, I am sure this type of help is greatly appreciated and an encouragement to them.

The assistance is still available at these hospitals- Cone, Women's, and Wesley Long. We also still have two motels who will work with us on this program.

I think this program is an important ministry to the community. I trust those who need this service will be made aware of its availability and thus take advantage of the help it can offer.

Ernest Jones, Director

Multihousing

Reaching people with Jesus' love in multi-housing communities continues to be a challenge for our Association. As of the 1990 census there were almost 86,000 people living in multihousing within Greensboro city alone. Only 3-5% of those people attend church anywhere if Greensboro statistics resemble those of cities where such surveys were completed.

Ongoing ministries during 1992 included Willow Bend Apartments on Lawndale; Applewood Apartments on Old Battleground; Claremont Courts at White Oak Community Center; Random Woods on Fairfax Road; Coliseum Motel on High Point Road. All of these ministries are presently functioning with the exception of Coliseum Motel due to changes in management. Activities have included Vacation Bible School, upholstery classes, adult Bible classes, tennis lessons, carnivals, cookouts, etc.

A new ministry was begun in June by Willomore Baptist Church at Hidden Forest Estates, a mobile home park at Level Cross, with approximately 160 units. Present activities include weekly worship and special events.

The overall need is an increase in volunteer power. Summer missionaries Elizabeth Blackmon and Joelle Nealy worked diligently with multihousing ministries during the summer months. An Acteen Activators team came from Maryland to lead a week long Backyard Bible Club in Random Woods community in August.

As the associational Church and Community Ministries Director, I will be consulting with present multihousing coordinators regarding priority needs and seeking/training volunteer leadership for any new ministries.

People truly do need the Lord.

Literacy Ministry

This past year, over two dozen Baptists from the PBA, in libraries, churches and businesses, worked one to one with adults in our community who struggle to read and write. In Guilford County alone, there are over 35,000 adults who do not read well enough to read the Bible-or the newspaper, a hymn book, their child's Sunday School paper, even the bulletin.

1993 was a year of transition for the literacy efforts of the PBA. Ms. Myrtle Ballard, who had coordinated the outreach for many years, finally found her replacement in Terry Portis. Terry is program coordinator for Reading Connections, a private, non-profit corporation that is an affiliate of Literacy Volunteers of America. A missionary, Ruth Colvin, founded Literacy Volunteers of America thirty years ago and today it has over 455 affiliates and 55,000 active tutors.

Having the PBA efforts coordinated through the offices at Reading Connections has been a real advantage for the volunteers from our Association. Not only does each person have their own distinct ministry, but they also have access to the support and training available through a professional literacy organization.

Volunteering to help an adult learn to read better only requires two or three hours each week for about six months. Next year, it is hoped that we can more than double the number of Christians who are burdened for the functionally illiterate in our community and serve as volunteer tutors. 90% of the people who struggle each day because of poor reading and writing skills do not attend church because they are too intimidated by all the reading that goes on.

A literacy orientation session is held each month to give more information about functional illiteracy in our community and free training opportunities. You can call the associational offices to get information on the next one. We need people who love to read the Word of God for themselves and who want to give someone else that chance.

Terry D. Portis, Director

INTERNATIONAL STUDENT MINISTRY

During the 1992-93 year, the International Council planned and carried out four regular social events for the year: Fall picnic in September, Thanksgiving dinner in November; Spring picnic in April; and a mountain trip in June. We have also continued to sponsor a recreation time on the second Friday night of each month called "Fun Friday" and held in the recreation building at Greensboro FBC. We have again depended on local churches for food and American participants for each of these. This year 35 of our churches have helped with food for these events, and the Council appreciates that help. Our concern is that 17 of our churches and missions did not help at all, and we believe that they are missing a great blessing from not participating. We are also trying to get a different church to help with food and hosts/hostesses at the "Fun Fridays".

We had students and volunteers attend the two statewide International Retreats at Mars Hill College in October and at Caswell in April. We had about 15 students and volunteers go to each retreat. We are especially appreciative of the financial support that the NC A & T International Agricultural Program department gave to help A & T students attend.

This year we only had 21 families represented in the "Friend Family" program, down from 25 the year before. This is the most effective program we have where there is a long term relationship and time to discuss important issues and where many students are first introduced to Christ. WE ALWAYS HAVE THE NEED FOR MORE FAMILIES THAN WE HAVE WHO VOLUNTEER FOR THIS IMPORTANT MINISTRY. It is more likely that a student would respond to the gospel in this "family" setting than anyplace else. Our social events really are just supports to this ministry. WE NEED PEOPLE.

The 1993-94 school year is underway. Hank and Mary Odom are our International Ministers for the year. This is a joint ministry funded through the state WMU, the Youth/Campus Ministry Division, both in Cary, and the local Baptist Campus Ministry. We are happy to have them working alongside our Council.

We had over 100 people at our fall picnic on September 18th. at the PBA facility. We had about 65 people at our first Fun Friday on September 12th. We will be contacting churches to help with this event.

Our biggest needs now are for MORE FRIEND FAMILIES and more people to attend the social events. We get good participation from churches for food, but few will bring members to stay for the event.

We continue to lift this ministry up to you as FOREIGN MISSIONS ON OUR DOORSTEP. If you will join us, you will be the recipient of the blessings while making a positive Christian influence on these students whom God has brought to our city.

CHAPLAINCY MINISTRY

Greensboro Police Department
Wofford Boyd, Chaplain

The Chaplaincy to the Greensboro Police Department continues to be a vibrant ministry. The ministry is well received and requests for services continue to increase.

In addition to the usual work of the ministry, the Department has opened another satellite office. This satellite is in the Carolina Circle Mall and creates another point of contact for the Chaplain to meet and serve the officers. The Carolina Circle satellite houses the Fourth District patrol officers, as well as the Tactical Division and Canine Unit.

This satellite houses four (4) line-ups per day for patrol officers and two for the Tactical Division. Since these officers come in for line-up and afterward go directly to the field, my contacting them requires my being there at the specific time they arrive to prepare for line-up. I then make contact, sit in on line-up, watch them depart to the field, and afterwards move on to my other work. Often I ride with one of these officers on patrol.

The same affect is working at the District III Satellite and the

Vice/Narcotics Division. Also, a fourth satellite is on the drawing board and will create a need for even further contact.

In the spring of this year, with the help and support of Captain Brian Emerson, commanding officer of the Personnel Services Division (and member of Pleasant Garden Baptist Church), I compiled and distributed a survey to each member of the Department. The survey began with questions as to individual opinion of the Chaplaincy program. The questions moved on to how the ministry has served you and ended with questions as to the individual's request for services. Of the 277 surveys returned, every one was favorable, positive, and complimentary.

Those returning the surveys have requested services in promoting Christian growth, Christian family life, Christian money management and family budgeting, living the Christian life, managing police stress, police/family stress, premarital guidance, retirement planning and others.

Some requested personal, individual contact and/or counseling. I have responded to those and we are designing a plan for implementing these group studies. The plan will be presented to the Training Committee and passed on to the Chief for approval.

The exciting part of this is the requests for services. Officers checked a list of services they need and want. That says "trust" on the part of the officers. It also speaks of the need for services which we are providing through this ministry.

Our efforts, coupled with programs the Department has in place, are making a valuable contribution to the officers who serve our community and especially to their families. Also included in the services are other members of the Department.

Thank you for supporting the ministry to the Police Department. Thank you for letting me be your ministry voice to the men and women of the Greensboro Police Department.

Guilford County Sheriff's Department
Reginald Cook, Chaplain

I was a sinner one day, but the Lord showed me a better way. The Lord Jesus Christ took my hand and He made me stand. Now I know I am a better man; He touched me and saved my soul. Now all my friends, say to me that Jesus is the best thing that ever happened to me.

Ministering to inmates in the jail and prison sometimes gets hard, but the Lord has always shown me some joy in it. Yes, it has been hard this year, but many individuals have accepted Christ as their Saviour and many have rededicated their lives.

Some years ago an inmate named John accepted Christ and went on to prison. When he got to prison, the department of correction decided to release him. John got out of prison a new Christian with no one to help him so he backsled and ended up back in jail. I said to him, "What happened?", and he said, "I went back on the Lord." I told him that I would talk to him later.

The next week I saw John again and he told me that he had made it right with the Lord. I talked to John and he told me some men came in one Saturday morning and he made it right with the Lord.

Everytime I see John now he is talking about the Lord. He talks to other inmates and he talks to the floor officers. John's life is centered around doing what Jesus Christ wants him to do. This inmate has started Bible study in the cell block. John told me that Jesus is the best thing that ever happened to him.

I want to thank God for all the things He has done for me. I want to thank the PBA as a whole for their support, prayers, and their friendship. Thanks to the PBA staff for their support to me, and also special thanks to Chaplain Smith and Chaplain Fleming.

Beauford Smith, Chaplain

The Chaplaincy Ministry at the Guilford County Sheriff's Department Continues to be a helping hand to many people. Our ministry reaches out to the department personnel and their families, also to the inmates and their families. Counseling continues to be a strong part of our work. The Bible says, "Come now, and let us reason together, saith the Lord:" (Isaiah 1:19a).

The volunteer ministry continues to be a vital part of the chaplaincy work. Through their dedication in sharing the gospel, many inmates receive new hope as they make decisions for Christ. We are now scheduling alcohol and drug abuse counseling. As Christians, we know that the greatest rehabilitation is to change a person's heart. Proverbs 23:7 says, "For as he thinketh in his heart, so is he:".

The ministry to the department personnel is shared in several ways. The Chaplain's monthly newsletter features a devotion, Bible question, prayer request, and general information about the personnel. Also there is a lot of dialogue with personnel about their work, their family, and the Bible.

The church members of the Piedmont Baptist Association are the real reason that the chaplaincy program is a success at the Sheriff's Department. Your prayers and support in giving money, hygiene items, and religious reading material is what opens up ways for us to witness for our Lord and Saviour. This year we have provided over 3,100 hygiene items, 441 Bibles, and numerous Bible studies in the Greensboro jail. We also have mailed out 500 letters for indigent inmates. We had over 550 inmates in Greensbsoro to accept Christ as Saviour. In High Point, there were over 450 inmates who were born again. There were many more decisions made that have not been reported at this time. We want to praise God for this harvest.

This year, it has been my pleasure to work with Reginald Cook as chaplain in the Greensboro jail, and George Brice as chaplain in the High Point jail. To the Piedmont Baptist Association staff, thank you for your support and encouragement.

Last, but not least, I am grateful to the churches of the PBA for the opportunity to serve as chaplain at the Guilford County Sheriff's Department.

Sandy Ridge Prison Unit
David Fleming, Chaplain

We thank all of you for your strong support and involvement in the Sandy Ridge Prison Ministry. With your help many lives have been touched and changed.

One of our goals at Sandy Ridge is to help these men learn to be givers rather than takers; giving their lives to God, the church and the community. This year the inmates were allowed to work with church volunteers and two off unit renovation projects. The first was to assist with renovation of cabins at the Vineyard Christian Camp and the other with repairing the roof for the PBA apartments for the homeless.

These projects working together with Christians built self-esteem in the inmates and gave them an opportunity to give something back to the community.

The inmates took up a special Christmas offering for the Juvenile Detention Center and used the money to provide a Christmas party for the youth. Several inmates visited the center, shared testimonies, sang songs and distributed gifts.

The inmates also participated in Crop Walk For World Hunger. Eight inmates walked and collected over $200.00 for this project.

Volunteers from our churches provided special Christmas programs and gifts for the inmates, staff, and their families. Our PBA volunteers also provided refreshments for our special Easter and Thanksgiving services.

Throughout the year we provided cook-outs, ballgames, Gospel sings, food and shelter, literature, Bibles, cosmetic items, clothing and transportation for inmates, their families, staff and their families.

With the assistance of Christian volunteers, we held 2 revivals, 52 Sunday worship services, 50 Bible studies, 50 Yokefellow meetings, and various off unit services in our local churches.

My personal ministry involved preaching, teaching, counseling with inmates, staff and families and providing pastoral care in crises such as death, sickness and family ministry.

I attended bi-monthly state chaplains meetings and a stress workshop with Prison Fellowship.

God continues to bless us as we are faithful in serving Him. Through our prison work 11 men accepted Christ, 37 rededicated their lives to God, 2 men now feel the call to full-time Christian service and many have returned to the community as new creatures in Christ never again to lead a Life of Crime.

God shares His love through us His servants. All things are possible with God...even the life of a criminal can be changed. The answer to crime in America is Jesus Christ.

RECREATION

With the addition of recreation facilities at the new PBA office on Sharpe Road, we have been able to expand the programs which can be provided to PBA churches. The following recreation activities were provided this year:

From December, 1992 to March, 1993, the PBA sponsored an adult men's basketball league. Eight churches participated in the league. Pleasant Garden Baptist Church won the league regular season and was also the tournament champions.

From December, 1992 to March 1993, a youth boys basketball league was sponsored by the PBA. Seven churches participated in this league. Gate City Baptist Church won the league regular season and was also the tournament champions.

On July 23 and 24, Gate City Baptist Church hosted the Annual PBA Men's Softball Tournament. Nine churches participated in the tournament. Northside Baptist Church won the tournament championship with Lankford Memorial Baptist Church finishing second and Hunter Hills Baptist Church third.

On August 20 and 21, Northside and Lankford Memorial Baptist Churches represented the Association in the State Baptist Men's Regional Tournament in Fayetteville, NC.

On September 25, 1993, the Seventh Annual PBA Invitational Golf Tournament was held at the Bel-Aire Golf Course. Twenty-five teams participated in the tournament. Gate City Baptist Church won the tournament championship with Northside Baptist Church finishing second and First Baptist Church Summerfield third.

Special thanks should be given to Mr. Bobby Barton and Mr. Barry Owens for their assistance on the recreation committee. Pray for our recreation programs in order that we may be an effective witness for Christ.

PROVIDERS AND RECIPIENTS OF HEALING

Our healing team now consists of 5,852 employees. The Medical Center (NCBH and BGSM) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsyth County. In our 806-bed facility, we had 23,247 inpatient admissions. Our Outpatient Department, physicians' clinics, and other related departments received 490,667 patient visits.

Our chaplaincy division joined with our health-care professionals to provide spiritual and emotional healing. With 15-40 chaplains present at various times, 52,934 ministries were provided to patients, families, staff and groups.

A new department of our Pastoral Care program named the Center for Congregational Health was given birth. Its purpose is to (1) train Intentional Interim pastors; (2) train church leaders; (3) provide a minister's assessment program; (4) establish a Minister's Help Line providing an opportunity for church leaders to receive guidance via a telephone call. The Pastoral Counseling Division opened a new counseling center in Wilmington bringing our total counseling centers to 11 across the state. The centers provided 16,205 counseling sessions.

POINTS OF EXCELLENCE

(1) The Joint Commission on Accreditation of Healthcare Organizations ranks Baptist Hospital in the top 9% of all hospitals in the nation. (2) We performed our first pancreas transplant and first double organ transplant (pancreas and Kidney) this year. (3) We are one of only 26 comprehensive cancer care centers in the nation, treating more cancer patients than any hospital from Baltimore, Md. to Atlanta, Ga. (4) Quality infant through adolescence care in our Brenner Children's Hospital. (5) Our neonatal transport team is the largest in North Carolina and one of the 10 largest in the U.S. (6) Our Level I (highest awarded) Trauma Center has 2,100 admissions a year.

SUPERB FINANCIAL STEWARDSHIP

In the midst of escalating health-care costs, we have a proven record of excellent stewardship. (1) The latest report of the North Carolina Database Commission comparing hospital major services charges vs. Baptist Hospital reveals, for our most frequent diagnoses: Duke- 36% higher; Carolina's Medical Center (Charlotte) -

36.5% higher; UNC Chapel Hill - 28% higher; Average statewide - 9% higher (2) We are one of only 17 similar hospitals nationally with a "AA" bond credit rating. (3) Averaging the last two years and the projection for 1993, the Consumer Price Index will average 3.9% and the Medical CPI will average 9.7%. Baptist Hospital charge increases for the same period will average 3.3%, well under both the above mentioned indexes.

EXPANSION FOR MEETING THE NEEDS OF THE FUTURE

Nursing Center at Oak Summit Opening in July, this 170-bed facility provides skilled and intermediate care. The center will be one of only a few in the state to provide care for ventilator-dependent patients.

Emergency Department/Dietary Under construction at the present time to be completed by June 1995, this facility will total 750,000 square feet. Our current ER was designed to handle 29,000 patients annually, but it is handling more than 40,000. Our new ER capacity will be 70,000 annually. This building will also house three floors of patient private rooms, our Pharmacy Department, and a 35-bed Day Hospital, new kitchen and cafeteria.

J. Paul Sticht Center on Aging and Rehabilitation Construction on this facility begins in November of 1993 and is scheduled for completion in January 1996. It will include geriatric care, research, and education; psychiatry; and also provide comprehensive acute rehabilitation services including nutrition assessment, physical, outpatient, speech, and recreational therapy.

BAPTIST BENEVOLENT CARE FUND Last year Baptists across our state gave $422,000 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospital bills. The churches and individuals help make this ministry possible and we are grateful.

In conclusion, it is readily seen that this healing ministry we share together says to our patients and their families: "We care about your health-care needs, your spiritual and emotional needs, and your financial burdens, and we express our caring through service."

Len B. Preslar, Jr., President

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC.

1993: The Best of Times

Did you know that:

In 1993, North Carolina reached place number ten (10) among all the states in the United States in regard to the size of its adult population over the age of sixty-five (65).

The fastest growing segment of North Carolina Baptist life is composed of those adults eighty-five (85) and older and that by the year 2,000 that age category will double in size.

That by the year 1996 North Carolina's "Baby Boomers" will be turning fifty-five every 18 seconds.

That by the year 2010 one out of every two people living in North Carolina will be fifty years of age or older?

What do figures like those above mean for North Carolina Baptists?

They point to the fact that one of the greatest needs facing our Convention as we move into the year 2,000 is the provision of quality, affordable long-term care services to functionally impaired Older Adults through the expansion of existing long-term care facilities, and through the development of creative approaches to long-term care such as rural home health services, community day care programs, and respite programs for homebound care providers.

In an attempt to meet the above mentioned need, Baptist Retirement Homes of North Carolina, Inc. in 1993:

Opened the Rickman Nursing Care Center in Asheville, North Carolina (a 100 bed Medicaid certified nursing care facility). The Rickman Center is a state-of-the-art long-term care facility that has been developed to meet the needs of the poor elderly in Western North Carolina. (80% of the resident population will be recipients of benevolent funding).

Renovated the Albemarle Baptist Home in Stanly Baptist Association and renamed it the Taylor House. The Taylor House has no financial requirements for admission and is designed to provide care to the assisted living level of care resident, regardless of his/her ability to pay for the long-term care services provided.

Developed a new addition to the Brookridge Health Care Unit in Winston Salem in order to provide an area for small group work with residents suffering from dementia. This state-of-the-art program will enable Baptist Retirement Homes staff to improve the quality of life experienced by members of its resident community who are mentally impaired.

Baptist Retirement Homes is keenly aware of the fact that without the support of North Carolina Baptists none of the above would have been possible. As a result of the prayers and funding that the "Homes" receives through the Cooperative Program and the North Carolina Offering For Older Adults, it has been able to offer hope to many Older Adults whose future would have been uncertain without the caring involvement of North Carolina Baptists. It is because of you that our institution has been able to make life for many Older Adults in 1993...The Best of Times.

Thank you North Carolina Baptists for your support!

William B. Stillerman, President

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

Chris starts college at North Carolina State this fall on a football scholarship. After leading Thomasville to a state championship in 1991, Chris also earned national honor society recognition, was active in the community counseling drug abusers...and became a Christian at Mills Home.

Kathy married a Christian young man who was a volunteer at Broyhill Home, where she lived. She continues her education at Haywood Technical College while working and becoming a young wife. She and her husband, Kris, are members at Woodland Baptist Church, where she was active in leading children's programs, even as a Broyhill resident.

Several rows of supportive staff members cried during the wedding when the minister asked, "Who gives this woman to be married?" Child care worker Jim Johnson responded, "Her mother and I do."

"Her mother," was Jim's wife, Vivian. Together, Jim and Vivian helped Kathy develop from an angry and withdrawn child, to a beautiful, confident, Christian leader.

Ashley was growing up too fast...and her parents didn't know how to handle it. They wanted to treat her like a child; she wanted adult freedoms. When their constant clashing came to blows, they knew they needed help.

Through the family clarification program at Mills Home, both Ashley and her parents learned the roles they played in the family conflict, and how to listen, forgive and adjust in the future.

"We're very grateful to Baptist Children's Homes," said Ashley's mother, Victoria. "I don't know what we would have done. I don't know what would have happened to Ashley. I've had friends say to me, 'I never knew there was a place like that.'"

Well, there is a place like that.

Thank God.

Baptist Children's Homes in 1992-93 served 1,453 children and their families through programs of intentionalized services at 13 facilities across North Carolina.

Those facilities include four residential care campuses; seven emergency care homes; two homes for behaviorally troubled girls; therapeutic camping for boys; a maternity home; a home for teen-age mothers and their babies and a model daycare facility.

Baptist churches, through the Thanksgiving Offering, Cooperative Program and direct gifts funded about one-third of BCH's $10 million budget. A significant source of income continues to be from estate gifts from those who remember children in their wills.

BCH's model daycare service took a giant step June 27 when the new $1 million, 10,000 sq. ft. Fleshman-Pratt Early Childhood Education Center was dedicated. It will accommodate 75 infants, toddlers, and two-year olds.

During dedication, Robin Britt, N.C. Secretary of the NC Department of Human Resources, said BCH is "a true model of how young children can be shaped, nurtured and loved," and that "we will be looking at institutions like the Fleshman-Pratt Early Childhood Education Center as we find models to replicate."

T. Winfield Blackwell, president of the Fleshman-Pratt Foundation, whose lead gift started construction of the building, said, "Think how many children will be raised and shaped by the dedicated staff who serve here, and surely a goodly number will be developed, not only to be good citizens, but active ministers in God's service."

Churches interested in beginning or improving their daycare ministry can get free help from director Mary Lou Dickey, call (919) 472-3503.

BCH also dedicated a counselor's lodge at Cameron Boys Camp; completed a strategic planning cycle for the next three years; celebrated the 50th anniversary of Odum Home in Pembroke; completed a three-year partnership with the Baptist Children's Homes of Sao Paulo, Brazil; and produced a new video about BCH, available August 15.

Swelling with emotion at the dedication of her new building, Daycare Services Director, Mary Lou Dickey, promised, "We will not fail" those who trust BCH with their children.

Michael C. Blackwell, who celebrated his 10th anniversary as president of BCH July 1, echoes that promise. "Baptist Children's

Homes has been a cutting-edge ministry for North Carolina Baptists since 1885. As a disintegrating society moves the edges further and further, we're honing our ministry sharper and sharper. Thank you, North Carolina Baptists, for your support."

HOME MISSION BOARD, SBC

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). Headquartered in Atlanta, Ga., the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

At the end of last year, 4,868 missions personnel were serving in the United States, the Caribbean, American Samoa, and Canada. The HMB also had endorsed more than 2,200 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 2,400 Mission Service Corps volunteers were serving on home mission fields. During the year there were 367,847 baptisms and 1,281 church starts.

Approximately half the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1992, gifts to the offering totaled $37.61 million, up almost 6 percent from the 1991 total. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1993 Annie Armstrong Easter Offering goal is $38 million. About 36 percent of the HMB's income comes from the denomination's Cooperative Program.

Home missions is a partnership of the HMB, state conventions, associations, and churches. The HMB's strategy is to help start churches, ministry endeavors, and evangelism efforts that will grow to self-support or be carried on by local churches or associations.

The following is a summary of program/support ministry highlights from 1992:

Chaplaincy Ministries The 2,293 Southern Baptists now serving as chaplains and pastoral counselors reported 24,000 professions of faith and 4,600 baptisms.

Alternatives to Abortion Workers in 23 crisis pregnancy centers received training from the HMB. As a result of the ministry of these centers, 2,164 babies were born and 832 women found faith in Christ.

Church Loans More than 1,100 churches had active loans totaling $115 million. These loans purchased, refinanced, remodeled, or constructed 106 buildings and purchased 9 building sites.

Language Missions Home missionaries and pastors in the Language Church Extension Division serve among 102 ethnic groups using 98 languages and dialects.

Personal Evangelism During the Southern Baptist Convention in Indianapolis, 1,353 Volunteers canvassed 45,235 residences, conducted a religious survey, and shared the gospel with 2,905 individuals, 361 of whom made professions of faith.

Prayer and Spiritual Awakening A national team began efforts to enhance effective prayer and revival ministries in churches. The Intercessory Prayerline grew from 7,500 calls in 1985 to 130,000 last year.

Volunteers Over 71,000 Southern Baptist adults, college students, and youth group members volunteered for long and short term projects. More than 58,000 volunteers responded to disaster relief efforts in Florida, Louisiana, and Hawaii.

Special Ministries Southern Baptists minister to seamen in 37 port cities and 200 missionaries are involved in ministries related to college students, resorts, special events, and diplomats.

Proceedings
Centennial Celebration
and
100th. Annual Meeting
Piedmont Baptist Association
November 4 and 5, 1994

The Piedmont Baptist Association is 100 years old in 1994. An event this important called for something special in the way of a celebration and that is just what we received. A special Centennial Committee joined with the Program Committee over a year ago and began working on plans for an appropriate observance of this historic milestone in the life of the PBA.

Twenty-seven churches agreed to design and make a church banner for display at the Annual Meeting. Thirty churches agreed to a historical display and Austin Lovin, associational clerk, was asked to write a history of the first one hundred years of the PBA. After researching the minutes of all of those years, he wrote a forty page history which was printed and distributed to messengers at the 1994 Semi-Annual Meeting in the Spring. It was decided that the First Baptist Church, Greensboro, one of the original five churches when the Association was organized, would be the best place for such an event.

The Celebration began on Friday, November 4, at 7:00 p.m. An estimated six hundred persons, or more, were present. The Moderator, Michael Barrett, welcomed everyone and called for any guests from outside the Association to stand and be recognized. A group from the First Baptist Church Liberty who had been invited because their church had been one of the five original churches, stood and were recognized. He then praised the work of the Program and Centennial Committees. Highlights of the program for this session included music by a one hundred voice choir, under the direction of Ron Freeman; a parade of banners; a presentation of an associational centennial quilt which included squares prepared by twenty-five different churches; a series of historical vignettes by members of Greensboro and Gibsonville First Baptist Churches, followed by historical monologues by Pat Frazier and Manuel Cunnup. Mrs. Frazier played the part of Miss Fannie Heck, a pioneer leader in North Carolina for the WMU. Manuel Cunnup presented another of his now famous impersonations of Shubal Stearns. A message by Dennis Blackmon, director of missions, followed the vignettes, in which he accepted the challenge of our historical heritage. A stirring message by guest preacher, Dr. Bill Bennett, a former pastor of Sixteenth Street Baptist Church, completed the night's program.

On Saturday, November 5, from 11:00 a.m. until 1:30 p.m., the historical displays by the churches were set up on tables in the church fellowship hall and everyone was invited to come and view the various displays and to enjoy the gospel music supplied by several singing groups from our churches. A delicious luncheon was served by the North Carolina Baptist Men from one of their disaster vans. From 1:30-2:00 p.m. a gospel music concert was presented in the main auditorium of the church.

The final session of the celebration began at 2:00 p.m. and opened with an announcement of the celebration, followed by a second parade of the church banners. The banners were all attractive, displaying skill and creativity by those who made them. A musical proclamation of faith was then sung by the congregation in the form of a series of choruses.

The Moderator, Michael Barrett, pastor of Pleasant Garden Baptist Church, called the meeting to order. He then recognized Austin Lovin, Friendly Avenue Baptist Church, who moved that those messengers who had already registered and those who would yet do so, constitute the Association for the purpose of conducting business. His motion was seconded and carried.

The first item of business was the adoption of the 1995 budget. Monica Long, Rolling Roads Baptist Church and associational treasurer, called attention to the budget printed on pages 18 and 19 of the Book of Reports. She pointed out that it represented an increase of only about 4 1/2% over the budget for the year just completed. She then moved that it be adopted. The motion carried unanimously.

The second item of business was the election of officers. The Association had indicated that it preferred an open vote with nominations from the floor. Both the moderator and the vice-moderator had indicated that they did not want to be elected for a second year.

Gerald Primm, Eller Memorial Baptist Church, nominated Deryl Holliday, pastor of First Baptist Church Summerfield, for moderator. There being no other nominations, Bobby Matthews, Northside Baptist Church, moved that he be elected. The motion carried unanimously.

Bob Stutts, First Baptist Church Greensboro, nominated Jay Love, a staff member at Cornerstone Baptist Church, as Vice-Moderator. There were no other nominations, so Jay Love was elected as Vice-Moderator.

Jim Fleet, Eller Memorial Baptist Church, nominated Austin Lovin for clerk. There were no other nominations, so Vernon Williams, Pleasant Garden Baptist Church, moved that he be elected. The motion carried unanimously.

Helen Lineberry, First Baptist Church Greensboro, nominated Monica Long for treasurer. When there were no other nominations, Lucille Smith, Rolling Roads Baptist Church, moved that she be elected. The motion carried unanimously.

Sara Parker, Friendly Avenue Baptist Church, presented the Nominating Committee report. She explained that most of those listed in the Book of Reports on pages 20 and 21 had been elected at the Semi-Annual Meeting in the spring, but there were some vacancies that have been filled since then.

Mrs. Parker called particular attention to those who had been added since the Spring meeting and moved that the report be accepted as printed. George Worrell, pastor of Lawndale Baptist Church and director of evangelism, requested that Don Shelton and David Horton be added to the Evangelism Council. Mary Odom, Central Baptist Church and director of Ministries to International Students, requested that Ola Moy and Sherrill Cobb be added to the International Student Ministry. The motion was amended to include them. The report was then adopted as amended.

Vernon Williams presented the Committee on Committees report. Michael Barrett, moderator, asked that Tom Brown and Gloria Walker be added to the list of appointees by the Moderator for the Committee on Committees for next year. Vernon Williams then moved that the report be adopted with these additions. The motion carried.

Dennis Blackmon, Lawndale Baptist Church and director of missions, asked Lucille Grubbs to accompany him to the podium, where he recognized her for her seventeen years of service in the PBA office; she retired the end of September, 1994. Monica Long then presented her with a beautiful jewelry box as a token of appreciation of her many years of faithful service.

Sara Parker, chairperson of the Centennial Committee, recognized several persons who had made major contributions to the efforts of this committee in preparing the program and getting everything ready for this Annual Meeting. These included Monica Long, Austin Lovin, Otis Davis, Ed Roberts, Jack Swanson and Manuel Cunnup. Monica Long came to the podium and praised Sara Parker for her leadership of the joint committees.

Ward Burch, pastor of Rolling Roads Baptist Church, led in the reading of a responsive reading which he had composed especially for this celebration.

The Glory Bound Quartet, First Baptist Church Summerfield, presented special music.

Pete Boone, Florida Street Baptist Church, introduced the guest preacher for this session, Jack Wilder, a former pastor of Florida Street Baptist Church now living in Norfolk, Virginia.

Ron Freeman, minister of music, First Baptist Church Summerfield, led in singing of the hymn, "When We All Get To Heaven". Rev. Wilder used selected passages from Acts for his text and he delivered a very moving message about what it takes for a church to be successful in today's world.

The Moderator asked the newly elected officers to come to the platform where he presented the gavel to the new Moderator, Deryl Holliday.

The Annual Meeting was closed with the benediction by Michael Barrett.

There were 105 messengers from 31 churches and 100 registered visitors for the Saturday afternoon session which was the only business session conducted.

Respectfully submitted,
Austin Lovin, Clerk

PROCEEDINGS
SEMI-ANNUAL MEETING
PIEDMONT BAPTIST ASSOCIATION
May 5, 1994

"Share Jesus Now" was the theme of the Semi-Annual Meeting held at Sixteenth Street Baptist Church on May 5, 1994. Moderator Michael Barrett, pastor of Pleasant Garden Baptist Church, opened the meeting at 3:30 p.m. by calling for testimonies of what God was doing in our churches. Austin Lovin, Friendly Avenue Baptist Church; Norman Livengood, Grace Baptist Church; and Deryl Holliday, Summerfield First Baptist Church responded.

Jack Morris, pastor of Sixteenth Street Baptist Church, welcomed those present.

Richard Hipps, pastor of Guilford Baptist Church, read Ephesians 4:1-16, where Paul emphasizes the importance of Christians having a unity of spirit, and then he led in prayer.

Miriam Davis sang "He Is Here" and lifted us all closer to God.

Austin Lovin, clerk of the Piedmont Baptist Association, moved that those messengers who had already registered and those who would yet do so, constitute the Association for the conduct of business. Seconded and carried.

Monica Long, secretary for Sixteenth Street Baptist Church and chairperson of the program committee, moved that the printed program be adopted as the order of business, with such changes as might become necessary. Seconded and carried.

Ron Freeman, minister of music for Summerfield First Baptist Church, led in the singing of a hymn.

Sara Parker, Friendly Avenue Baptist Church and chairperson of the nominating committee, gave the committee's report: Mark Gray, Sunday School director; Lee Newton, discipleship training director; Pat Frazier, WMU director; Ed Roberts, brotherhood director; Roy Carter, youth director; Herb Meadows, senior adult director; George Worrell, Evangelism Director; Wade Wylie, stewardship director; Randall Minix, recreation director; Manuel Cunnup, family ministry director; Bud Parrish, pastoral ministries director; A. L. Parker, Seminary Extension Director; Barry Nealy, missions development; Ken Brannon, church library media center director; Lawrence Clapp, bold mission prayer coordinator.

Michael Barrett, chairman of the evangelism council, reported for the council. He called attention to plans for simultaneous revivals April 2-9, 1995, preceded by sixty days of witnessing by the churches. The theme for the revivals will be "Here's Hope-Jesus Cares For You". This will be promoted via the media statewide. In preparation for this, there will be an All Church Leadership Training Rally at Southside Baptist Church, September 12-13, which will include a training session for leaders in evangelism. Each church is urged to elect an evangelism council and plan to participate in the revivals.

Edward Erwin, pastor of Bessemer Baptist Church, and chairman of the constitution committee, presented five proposed changes in the constitution, all of them designed to clarify their meaning and to bring the constitution in line with what has already been approved as practice by the Executive Board. After time for reading of the proposed changes, Dr. Erwin asked if the body wanted to deal with the changes separately, or as a whole. Austin Lovin moved that the five amendments be voted upon as a whole. Seconded and carried.

During the miscellaneous business period, Ron Freeman presented the Standard of Excellence Award to Dennis Blackmon. It had been awarded to the PBA Music Council for its music program. Dennis Blackmon praised the Music Council for having earned this recognition.

Sara Parker, chairperson for the Centennial Celebration committee, reported that the committee had met seven times and that plans were well under way for the Annual Meeting in the fall. She said that there would be lots of music, a parade of church banners, a PBA quilt-composed of squares designed and prepared by the churches, two special speakers have already accepted the invitation to come for the event, and churches will set up booths at tables at Greensboro First Baptist Church on Saturday morning, November 5. Food will be provided, at a modest cost, by the PBA Brotherhood for lunch on Saturday. She also shared a conversation she had with a lady who told how Asheboro Street Baptist Church men and women had helped start a church in their community. It became the Community Baptist Church in southern Guilford County.

Dennis Blackmon gave the Director of Missions report. He praised Sara Parker and others who have been working as volunteers for the PBA. He spoke of the various ministries of the Association and emphasized how vital a good offering for the Shubal Stearns Offering for Associational Missions would be. He asked all of the churches to at least give their people an opportunity to contribute to this offering.

He then yielded the remainder of his time to Lawrence Clapp, pastor of South Elm Street Baptist Church and prayer chairman for the "Here's Hope" Crusade planned for next year. Dr. Clapp led the body in a special prayer for our nation and for our churches as a part of the observance of the National Day of Prayer.

Ron Freeman led the group in singing the hymn, "I Am Resolved".

Otis Davis, recently retired pastor of Sedgefield Baptist Church, introduced Eugene Lawhorne, pastor of Buchanan Baptist Church, and preacher for the doctrinal sermon.

Thomas Brown, pastor of Northside Baptist Church, read the Scripture, 1 Corinthians 15:17-20.

Miriam Davis refreshed our souls again with the singing of "There Is A River".

Gene Lawhorne preached a message on the doctrine of the Resurrection of our Lord Jesus Christ. He emphasized that the resurrection was absolutely essential to the Christian faith, since it proved that Jesus was indeed the Son of God and that we worship a living Savior.

The afternoon session was closed with prayer and with thanks to God for the banquet we were about to share, by George Worrell, pastor of Lawndale Baptist Church.

After the delicious banquet, we returned to the sanctuary and Walter Thomas, vice moderator, called the evening session to order and presided over the remainder of the meeting. Since we began at 6:45 p.m., some persons involved in the first item of business were not present, so a few other matters were inserted at this point while we waited for everyone to arrive.

David Fleming, chaplain for Sandy Ridge Prison Unit, announced that a prison crusade by Bill Glass and Associates was planned for June 3, 4, and 5. It will involve thirteen state prisons.

Beauford Smith, chaplain for Guilford County Sheriff's Department and Jail, asked for prayer for the family whose six year old daughter was killed in a one car accident near Thomasville and for the mother and three year old son who are critically injured in the hospital. The husband and father is a deputy sheriff.

Prayer for the family who lost a small daughter when she was drowned in a yard pool last week was also requested. Ed Roberts led in prayer. We sung the hymn, "Praise Him".

Sara Parker then introduced the Centennial Emphasis, which consisted of brief remarks by four different persons on subjects related to the Centennial Celebration. Austin Lovin told of seven outstanding leaders in the Association's history; Manuel Cunnup spoke of the special importance of the Cooperative Program in the financing of the work of the State and Southern Baptist Conventions; Monica Long described the plans for the Celebration, including the church banners, the associational quilt, etc.; Steve Walsh, pastor of Southside Baptist Church, spoke on the subject, "Who Are We?"

Barry Nealy, associate director of missions, introduced the Focus on Ministries of the PBA. He then introduced Audrey Womack, who has been working on multihousing ministry and with the homeless. She moved that a Crisis Ministry, which would dispense food, clothing and assistance to the needy, be approved. It was approved.

Susan Harris told of participating in the Lifeline Ministry for children in the

Random Woods apartment complex. She and Audrey Womack hope to have ministries operating in eight different apartment complexes this summer.

Clay Cook told of efforts to provide temporary housing for families through four apartments that have been rented from HUD.

Barry Nealy then told of the construction of the Vietnamese Mission Chapel, of a mission being established in Julian by Pleasant Garden Baptist Church, and that at long last, a Hispanic pastor has agreed to come to minister to the 3,500-4,000 Spanish speaking persons living in the associational area. South Elm Street Baptist Church will sponsor this work.

We were then led in singing the hymn, "To God Be the Glory", by Dan Alderman, minister of music for Sixteenth Street Baptist Church.

Barry Nealy introduced the speaker of the evening, Rev. Larry McElreath, from the Evangelism Department of the Baptist State Convention of North Carolina. Before Rev. McElreath Spoke, the Sixteenth Street Gospel Quartet sang two well loved hymns, "The Old Rugged Cross" and "Leaning on the Everlasting Arms".

Rev. McElreath's text was Mark 1:14-20 and he spoke on growing an evangelistic church. Some of the marks of an evangelistic church are: 1) a spirit of love and friendliness, 2) a spirit of expectancy, 3) awareness of the Supernatural, 4) a team spirit, 5) a positive attitude, 6) a current, live, prospect list, 7) evangelism should result in professions of faith and church membership by Baptism.

He said that every church should have two prospects for each resident member of the church and that at least one out of ten members be trained in personal witnessing.

Speaking of the simultaneous revivals planned for next April, he urged the churches to have an eight-day revival, Sunday through the following Sunday.

He closed by saying that evangelism ought to be the bottom line for everything the church does, and that we have to be willing to take risks.

Vice Moderator Walter Thomas called upon A. L. Parker to close the Semi-Annual Meeting with prayer.

EXECUTIVE BOARD MINUTES

The meeting of the Executive Board of the Piedmont Baptist Association was called to order at 7:30 p.m. on January 13, 1994 in the Piedmont Baptist Association building by the moderator Michael Barrett, pastor of Pleasant Garden Baptist Church.

Dennis Blackmon, director of missions for the PBA, welcomed the board members to the associational activity center. It was the first time several of them had been in it. Dr. Blackmon invited them to tour the rest of the building after the meeting was over.

Ron Freeman, being absent, Dennis Blackmon read the 126th. Psalm and led in prayer.

Since a copy of the minutes of the last meeting was included in the material given to each board member, the reading of the minutes was dispensed with and Austin Lovin, associational clerk, moved that the minutes be approved as printed. This was seconded and approved.

Monica Long, associational treasurer, discussed the treasurer's report which was also printed for each board member. She called attention to how tight things had been financially, but she reported that the churches had given about $6,000 more in 1993 than the year before. She encouraged members to go back to their churches and ask them to increase their gifts to the PBA in 1994.

Monica also explained about the fact that the gym, in which we were meeting, was available to our churches for youth activities or for other purposes. Maintaining such a facility is expensive, so a charge of $25 for the first hour and $10 for each hour after that helps to defray the cost of maintenance, plus we now have a staff person who is present during all activities to help eliminate the abuses that had been done to the building.

Manuel Cunnup, family ministries director, reported on the progress of the Family Enrichment Ministry. He spoke about a conference, "Marriage Under Construction For A Lifetime", to be held February 18th. and 19th. On Saturday, the 19th. there will be four simultaneous conferences to choose from. He reported that an associational singles ministry is meeting monthly at Friendly Avenue Baptist Church.

Ralph Webb reported on two mission partnerships. One is with the Maryland Baptist Convention and the other is with Brazil. A church building mission for Brazil is scheduled for April 14-26, 1994. The cost per individual to go will be $1,700. $10,000 will be needed for materials and supplies for the buildings. Dennis Blackmon played a five minute excerpt from a message delivered by a Brazilian missionary who was in Memphis last year. He described how they hoped to start 3,000 new churches by the year 2,000. It is called "Pioneer Evangelism."

Michael Barrett, evangelism chairman, made the report on the Family Life Crusade scheduled for March 13-17. He said that our churches would be asked to cancel their Sunday night and Wednesday night services on the 13th. and 16th.

and urge their members to attend the Crusade. A packet of materials about the Crusade was being sent to each church.

Patricia Frazier, WMU director, made the WMU report. She told of several meetings that were held last fall and of others which are scheduled for this spring.

Dennis Blackmon reported that the sale of the Homeland property still has no firm offer to buy. One man wants the building, but he is bogged down in bureaucratic red tape with the small business administration. He asked the Executive Board to authorize the officers of the Association to sell the property at the best price obtainable. Cecil Livengood, from First Baptist Church Greensboro, moved that such authority be granted. It was seconded and approved without objections.

Monica Long told of plans for the PBA Centennial Celebration on November 4 and 5, 1994. It will include a meeting on Friday night, with a parade of banners from each church, music, and inspirational message on our associational heritage. On Saturday morning from 11:00 a.m. until 1:30 p.m. the churches will have booths with information about its history. Food will be available at a nominal cost, furnished by the Baptist Men in the PBA; barbecue, hot dogs, etc. and drinks. From 2:00-4:00 p.m. another meeting will be held for business and an inspirational message about the challenge of the future for the PBA.

It was announced that there will be a need for corporate sponsors for the Family Life Crusade to help raise several thousand dollars that will be needed.

An announcement was also made about a Hispanic mission building that will be built by volunteers on property near Kernersville in the Pilot Mountain Baptist Association. An appeal was made for volunteers.

Dennis Blackmon told of a seven hour "Experiencing God Teleconference" this spring. He asked how much interest there was in participating in this. It will involve costs for the individuals for materials and the telephone hookups. There was some interest indicated. He stated that a minimum of a dozen would be required.

Cecil Livengood moved that we adjourn. We all stood to indicate our approval.

The March 8, 1994 meeting of the executive board was called to order by Walter Thomas, member of Guilford Baptist Church and Vice-Moderator of the PBA. Dr. A. L. Parker led in prayer.

Rev. Richard Hipps, pastor of Guilford Baptist Church, welcomed us to the church and told of a very unusual church he had known in Brazil. It had seven different congregations meeting in its building and has started 20 of the 50 churches in the area where the church was located. He then read Isaiah 65:17 to the end of the chapter.

Austin Lovin, associational clerk, moved that the minutes of the last meeting (copies of which were given to everyone present) be approved as printed. There being no corrections, the motion was approved.

Monica Long, PBA treasurer, presented the treasurer's report (copies had been given to all present). There being no corrections or questions, the report was approved as printed.

Rev. Edward Erwin, pastor of Bessemer Baptist Church, presented some revisions of the constitution that will be voted on at the semi-annual meeting in May. They were received as information.

Dr. Barry Nealy reported on the status of the Jerry Johnston Crusade, which will be held beginning this coming Sunday, March 13th. He reported that about $9,000 had been received from 30 churches and that he hoped to have at least 150 counselors ready to help during the invitations during the Crusade.

Richard Hipps, who is a former missionary to Brazil, gave a mission partnership testimony. He took a group of 12 persons to Brazil to check on the Central Baptist Church's need for more space. This church is starting a new church in a city that has no Christian church of any denomination.

Monica Long reported on the number of churches that have already committed themselves to participate in the Centennial Celebration in October. William Bennett and Jack Wilder have been secured as speakers. There will be a workshop April 28th. to train workers from the churches in how to make the quilt and banners. She then outlined the program.

Sara Parker asked permission to display the associational quilt in a prominent place at the PBA office. Permission was given, with only one negative vote.

Fred Hardin, pastor of a new church in the Climax-Julian area, told about how they began in January with 5 people and on March 6th., they had 40 present for their first official worship service. They are meeting in the Southeast Community Center.

Dr. Barry Nealy reported on the Crisis Ministry. They are now leasing 5 houses from HUD for $1 a month and renting them to Vietnamese and others in need of temporary housing. The Baptist Men have helped renovate four apartments that were in bad shape. They also have ministries in 6 apartment complexes. Most of the work is being done by volunteers. He spoke of two satellite churches also. He then asked if there was sufficient interest on the part of churches to undertake setting up a ministry to the poor at a suitable place in Greensboro. He had in mind giving food, clothing, etc., along with a loving Christian witness to those who need it. He stated that it would require a minimum of 10 churches who would supply volunteers for half a day a week to operate such a center. Considerable discussion was carried on, with Dr. Dennis Blackmon speaking in favor of such a ministry. It was pointed out that Urban Ministry does much of the same type of thing, but that they do not give much attention to Christian witnessing. No decision was made, but Barry Nealy asked those present to go back to their churches and find out how they feel and then call him.

There being no further business, James Allred moved that we adjourn. The motion was passed with a standing vote.

Ed Roberts led in the closing prayer.

There were 39 persons present from 20 churches and missions.

The July 14, 1994 meeting of the Executive Board was called to order by Rev. Austin Lovin, PBA clerk, in the absence of the Moderator and Vice Moderator of the PBA, at Central Baptist Church.

Dr. Robert Mott, pastor of Central Baptist Church, welcomed us to the church. He shared with us their plans to build a new church. He led the congregation in responsive reading #598, "The Witness of the People." Dr. Mott led in prayer.

Rev. Austin Lovin, clerk, presented minutes of the last meeting for consideration for approval. Dr. A. L. Parker moved that the minutes of the last meeting be approved. Motion passed.

Dr. Dennis Blackmon, PBA director of missions, gave a review of how the churches are giving to the Association. Copies of the financial report had been given to all present. Dr. Blackmon gave a report on the Shubal Stearns Offering and how the money is used. There were no questions concerning the report.

The Centennial progress report was given by Sara Parker. She gave a report on how the committee is progressing on the Centennial Celebration in the fall. The quilt squares and banners of each church are on schedule. Two former pastors of PBA will be the speakers for this meeting, Jack Wilder and William Bennett.

Dr. Barry Nealy introduced the new Hispanic pastor and his wife, David and Sandra Duarte. Dr. Nealy shared with us about the Hispanic work.

Dr. Blackmon gave a report on the Homeland Avenue property. There have been several prospects, but no offers.

Dr. Blackmon read a motion from Friendship Baptist Church: The church be allowed to use the PBA office for their Sunday and Wednesday night services at a cost of $100.00 per month for utilities. Motion by Sara Parker and seconded by Doris Henderson. Motion approved.

Rev. Clay Cook gave a report on the Crisis Ministry. The Center opened on June 21, 1994 and is using three rooms in Magnolia Street Baptist Church. The ministry provides a food and clothing closet. Rev. Cook said that the ministry needed volunteers and he also urged churches to give donations for this ministry. He then gave a report on how the ministry works.

Mrs. Lucy Lunsford from Pleasant Garden Baptist Church gave an informational report on their missionary trip to Romania.

Dr. Barry Nealy gave a report on the partnership trip to Maryland. This trip was a working trip to dry in a church building. Also the PBA is in a partnership with Brazil.

Dr. Blackmon gave a report on an upcoming mission trip by Guilford Baptist Church to Brazil September.

Fred Hardin, pastor of the new mission church, Bethany Baptist Church, Julian, North Carolina, gave a report on the progress of the church. Their first worship service was on March 6, 1994, with forty in attendance. This new church is sponsored by Pleasant Garden Church. The church is in the process of buying five acres of land.

Geneva Metzger gave a report on the International Student Ministry. She made an appeal for Mary Odom on recruiting volunteers for the Friend Family Program for international college students.

Audrey Womack made a report on the Multihousing Ministry. This work includes ten types of ministry.

Audrey Womack made the following proposal: Christian Ministry Resources of Matthews, NC presented a video series at the May 1994 Key Leadership Conference at Ridgecrest. It was entitled "Reducing the Risk of Child Sexual Abuse in Your Church." The PBA has ordered the manual, A Complete and Practical Guidebook: Reducing the Risk of Child Sexual Abuse in Your Church. I and the associational staff would like to make a proposal that a committee be formed to review the guidebook upon arrival and present proposed policies at the September executive board meeting. This committee could be comprised of a local church pastor, a local church youth minister, two lay persons, and an associational staff person.

Geneva Metzger made a motion to accept the proposal. Reginald Cook seconded. Motion approved. The Moderator will appoint a committee.

Carl Kellam made a motion to adjourn, seconded by Fred Hardin.

The next meeting will be Tuesday, September 20, 1994 at Good News Baptist Church.

The Executive Board meeting of the Piedmont Baptist Association met at the Good News Baptist Church on September 20, 1994, The meeting was called to order by the vice moderator, Walter Thomas.

Philip Noble, pastor of the Good News Baptist Church, welcomed members of the Executive Board to the church. He then read a passage of scripture from Ephesians 4 and led in prayer.

After time was allowed for the members to read the minutes of the last meeting, A. L. Parker moved that they be accepted as printed. Motion carried.

Monica Long, treasurer, presented three items of business:

1. She presented the treasurer's report for June, July and August. She reported that the month of August was the best month in income for the Association in many years, and that it brought us up to meeting the budget thus far for the year. She moved that it be approved. Seconded and carried.

2. She then presented the 1994-95 associational budget and asked that the Executive Board approve recommending it to the PBA Annual Meeting in November. After several questions were asked and answered, Monica moved that the Board approve recommending the proposed budget to the Annual Meeting. Motion carried.

3. The third item was a recommendation from the officers of the Association that in view of the difficulties we have experienced in finding a buyer for the Homeland Avenue property who can get bank financing, that we keep the asking price at $119,000, but be willing to finance the sale ourselves over a period of not more than fifteen years, with $25,000 down and the amount of interest, the selling price and the other matters involved to be open to negotiation. The realtor's fees will come out of the down payment. Sara Parker

moved that this recommendation be approved. Seconded and carried.

Dennis Blackmon, PBA DOM, explained that Rev. Duarte, the new Spanish speaking pastor, was in critical need of a better car, but that he is unable to get bank financing because he has been here such a short time. He asked that the PBA guarantee a loan for either a new or good used car in whatever way the bank would require. Gerald Primm moved that this request be approved. Seconded and carried.

Barry Nealy requested that the Board approve the PBA getting out of the housing business. He explained that they now have five apartment units, plus one single-family house, which they lease from HUD and rent to families who are unable to afford regular housing. It has been a fruitful ministry, but some increased expenses ($3,000 in property taxes), along with a shortage in this year's Shubal Stearns offering of about $4,000, has made it too expensive for the PBA.

John Mikles moved that we not renew our contract with HUD when it expires, which will be soon. After lengthy discussion and questions, Ralph Webb called for the question. This was approved and the vote was taken on the motion not to renew. The motion carried with two votes against.

Sara Parker then reported that plans for the Centennial Celebration at the Annual Meeting, November 4 and 5 were complete and that things were on schedule for that meeting. Monica Long reported that the associational quilt was almost complete and that it was really beautiful. Twenty-five churches had a part in the quilt. Many of the churches either already have their banners ready, or are working on them.

Gerald Primm, chairman of the personnel committee, called Mrs. Lucille Grubbs to the front and presented her a check for $500 from the Association in appreciation of her seventeen years of service as administrative secretary for the PBA. She will be retiring at the end of this month.

It was announced that there would be a reception for Mrs. Grubbs in the church fellowship hall immediately following the close of the meeting.

A. L. Parker moved that we be adjourned.

The closing prayer was led by Debra Neyland

Most of those present moved into the fellowship hall for the reception. There was a beautiful cake and other refreshments and each person had the opportunity to express their personal appreciation to Mrs. Grubbs.

Austin Lovin, PBA Clerk

Director of Missions

One hundred years, *A Century of Service*, have been completed in the Piedmont Baptist Association in 1994. From 5 churches, scattered over 3 counties in 1894 the Piedmont Baptist Association has become 4 associations made up of 166 churches and 5 missions. Ordinary men and women, working with limited resources, but energized by the supernatural power of God, have achieved extraordinary results. Praise God for all He has done.

During the past year the Centennial Committee has put in many hours of work to mark this historic milestone. Much can be learned from looking back at the example of those who have gone before us. We do well to learn from the commitment of these dedicated servants of God.

Who was William H. Eller?

For example most of us know the name Eller from the Eller Memorial Baptist Church. But who was this Eller that is memorialized by that church? In brief he was a committed Christian who after retirement became a missionary of the PBA at the age of 54 (1896). He served for 24 years. He was directly involved in starting at least 11 churches including, Eller Memorial, Friendly Avenue, Clifton Road, Northside, Magnolia Street, Bessemer, and Florida Street. He was never officially pastor of any of the churches he helped to start. At the time of his death in 1923 it could truly be said that he had done more to win Greensboro, and Guilford County to Christ than any other one person.

William H. Eller arrived during the first year of the PBA when there were just 5 churches with 562 members. In 1924 the year after his death there were 40 churches with 7,489 members. They baptized 672 people. In 1992 the 1 association had grown to 4 associations with 166 churches and 5 missions, 69,745 members and 1,271 baptisms.

The PBA alone in 1992 had 53 churches with 30,457 members and 609 baptisms. There is much to rejoice in as we reflect on all that has been done. There is also much need for reflection and opening our souls to God that He might renew our zeal for Him and our concern for the lost. There are more lost people in Guilford county today than the total population of the three counties combined in 1924 and yet we are reaching fewer people with the gospel than they.

As one reads through all the reports of activities and ministries in the PBA in 1994 it is easy to see that ministry opportunities are everywhere. Many very excellent things are being done. The Association has many extremely dedicated volunteers for whom we are indeed grateful to God. Our churches are involved in a greater variety of ministries than ever before. We have buildings and wealth that could not have been imagined in 1894 or even in 1924.

Yet with all that, proportionately we are only reaching one fourth the number of lost people as we did in 1924 . The ministries of the PBA will reach only a limited number of lost people. They will baptize none; new Christians are baptized into churches not associational ministries.

Churches must take the lead in doing evangelism, maturing disciples, and worshiping our great God. The Association has historically been and should continue to be an encourager of churches in those endeavors.

Are we prepared for starting our next 100 years?

Our challenge for the next century, or until Christ's return, is to discover how to be as effective in using what God has given us in carrying out His mission and our commission as were the founders of the Piedmont Baptist Association. While we have greater resources of material wealth, education, equipment, and techniques the most important resources continue to be spiritual. Could it be that we have not been as effective in appropriating the spiritual resources as were our early leaders?

Our world is much more complex. It is not necessarily more hostile or more immoral or more resistant to the gospel. No one has ever come to Christ in any circumstance or any age without the work of the Holy Spirit.

As we allow God to guide us in a centennial self-evaluation we should recognize that God cannot be pleased with our bringing so few to faith in Him. He cannot be pleased with 20% of His sheep being completely strayed from the fold with no one in pursuit or even noticing their absence. He cannot be pleased with 30% or less present to worship Him on any Sunday. He cannot be pleased with a commitment to Him that is limited only to Sunday mornings.

The commitment that is needed for the next 100 years is not a commitment to numbers but a commitment to God. If we are what He wants us to be, and do what He wants us to do He will produce the increase just as He has always done. By the grace of God let us begin the next 100 years of the Piedmont Baptist Association by committing ourselves to being exactly what God wants us to be for His glory.

MISSIONS DEVELOPMENT COUNCIL

Our Association completed another year of growth in ministry to complement our centennial. We finished building the Vietnamese Chapel in the Spring. A new ministry began in June! The PBA Crisis Center provides food and clothing to the needy and offers referral to one of our Southern Baptist churches in the area where they live. It is located at Magnolia Street Baptist Church. Two new churches began! Pleasant Garden Baptist Church sponsors Bethany Church in Julian, North Carolina and Sumner Baptist Church sponsors a Hispanic Church in Greensboro. Ministries to international students, the homeless, illiterates and people in multihousing each had their best year yet in PBA! They continue to increase in the numbers of volunteers and those touched by these services in Christ's name. Our two partnership missions teams to Maryland aided churches there in reaching people and building a new worship center.

Detailed reports in these areas of ministry follow. Rev. Ken Kelley serves as promotion director for our council. He can train a missions council in your church to serve needs in your area. Let us hear from you about serving Christ in your neighborhood or with other churches.
God gives the increase!

CHAPLAINCY MINISTRY

GREENSBORO POLICE DEPARTMENT

Wofford C. Boyd, Chaplain

The ministry to the Police Department continues to be a vibrant experience for the men and women of the Police family.

Personnel continue to accept the services of the ministry and reach out for the help offered by the Chaplain. Men and women of the Department have concerns of family, career, life and faith as the rest of the population, yet they have some that are escalated by and/or peculiar to the law enforcement community. These special concerns entail the area where the Police Chaplain has a particular advantage to minister.

Having a minister present in the department who, first is immediately available to them, and second, specializes in the special concerns and needs of the law enforcement family, offers them a benefit that is not to be found in any other setting. After officers and support staff face the situations with their own emotions, psychological and spiritual fall-out, they need someone to help them deal with their own reactions.

The Police Chaplain is there in place at those times with his particular skills and gifts, to help these folks as they deal with the aftermath of their experience. In a sense, an officer can be a victim of a crisis into which he is called to intervene. For some the stress of that experience or the accumulated affect of several such experiences create personal problems in career, health, family, and personal well-being.

The Chaplain is here to offer services to those who will accept it, so that the intensity of "life in the streets" does not take its toll also in the lives of the officers and their families. Often the "whisper" of the gospel is heard in these occasions.

Piedmont Baptist Association is to be commended for the care and concern out of which this ministry was born, developed and continues to be sponsored. People are helped, lives are improved, marriages are rescued, and occasionally a soul finds peace in Christ.

Thank you for allowing me to be your ministry voice to the Greensboro Police Department.

GUILFORD COUNTY SHERIFF'S DEPARTMENT

Beauford R.Smith, Chaplain

The Bible says, "be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear" (1st Peter 3:15). This year at the Guilford County Sheriff's Department, we were able to share that hope to a multitude of people. We were able to do this through the many dedicated volunteers that come each week to share their hope with the inmates.

This has been a busy year and many positive things have happened in the ministry at the Guilford County Law Enforcement Center. We are thankful for all of the volunteers that come every week to witness to the inmates. They have been faithful and the Lord has blessed their work.

The Chaplaincy Ministry now has two programs in place to help inmates overcome their alcohol and drug use. Each week alcohol and drug counselors give lectures and testimonies to the inmates on overcoming their addiction. These programs have had good participation.

The Greensboro and High Point jails have been close to capacity all year. This has been a record year for people being booked into jail. There have been 11,000 booked in Greensboro and 5,510 in High Point. The distribution of hygiene items, tracks, reading material, Bibles, pencils, paper and envelopes continue to open doors to witness to inmates. This has been a record year in providing over 6,000 hygiene items to inmates. There have been over 600 decisions made for Christ in the Greensboro jail. We have provided over 500 Bibles to the inmates. Also, over 550 letters have been mailed for indigent inmates. All these services are made available by the churches of the Piedmont Baptist Association. We thank the churches and their members for their prayers and support.

This year we were able to have Pat Rucker come on the jail chaplain's staff as an Assistant Chaplain for the women in the Greensboro jail. She has been a blessing to our work with her Bible studies, and by providing the women with their hygiene needs.

As Department Chaplain I have had the opportunity this year to talk with many officers and administrative personnel concerning their family and spiritual lives. There are many fine officers who have dedicated themselves to make our county a safer place to live. It is a privilege to be able to work with these people.

Just recently one of the fine officers, Gregory Hawks, lost his life while on duty. It had been sixty-seven years since the last deputy sheriff had died in the line of duty. I was asked to preach the funeral of this officer. I strived to encourage the department personnel and also to help the family in their grief, by sharing with everyone that God does care about them.

I am thankful for all the help the PBA staff has given me this year. A thank you to all the churches and their members of the association for providing hygiene items and money for our work.

It has been my privilege this year to have worked with George Brice, in the High Point jail, and Reginald Cook and Pat Rucker in the Greensboro jail.

Reginald Cook, Chaplain

"Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me." (Rev. 3:20)

The above scripture is one of the greatest in the Bible, because God was trying to tell the church at Laodicea something. God was saying in short, that they were not doing what was right; the church had been diluted with error. The church had been luke warm and God did not like that. This church was not doing the work of the Lord.

I am proud to be part of the Piedmont Baptist Association because they are trying to do the work of the Lord through their many ministries.

The jail and prison ministry is the hardest ministry to me because we deal with people who have done all types of crime. But God loves them as well as he loves people who have not committed crime. God doesn't love the crime, but the person's soul.

Being a chaplain it is my job to lead as many people to our Lord as I can. It is my job to let the inmate and the office know that Jesus Christ came to seek and save those who are lost. It is my job to tell the truth, that Jesus does stand at the door and knock "at our heart" as he did at the church of Laodicea.

During this past year many inmates have accepted the Lord, Jesus Christ as their Saviour. Many inmates have told me that they appreciate all the things we do for them. Several ex-inmates have come to my church to visit and let me know they are staying with the Lord. One inmate has joined Outreach Church and comes regularly.

On a personal note, I give thanks to all the Piedmont Baptist Association members for letting me serve as chaplain in the Guilford County Jail and Sandy Ridge Correction Center. I thank the PBA staff for their love and concern for me as a person.

Thanks to David and Beauford for their love and support.

SANDY RIDGE PRISON

David Fleming, Chaplain

Recently, there has been a lot of talk about reducing the crime rate in our country. Do we have a solution to our crime problem? As Christians we have the only solution, which is changed lives through Jesus Christ. When a prisoner becomes a Christian he is set free indeed and can learn to return to society as a law-abiding citizen. Prison Reform is not about building more prisons, it's not about concrete and steel. Prison reform is about building relationships with your fellow man. Building relationships is what we do in the Sandy Ridge Prison Ministry. We get involved with the inmates, share Christ with them, and help them get established in a local church. When an inmate can be accepted into a local church and feel he is loved and can belong, then prison reform begins. When God changes lives old things are passed away and all things become new. Through our work, prisoners can become new creatures in Christ.

During the past year many volunteers assisted us in the Prison Ministry. We participated in a Bill Glass Crusade, Project Angel Tree, and Crop Walk for World Hunger. Also, we provided special programs such as, Christmas projects, Thanksgiving service, Easter service, ballgames, cook-outs, singings and renovation projects.

The inmates were personally involved in providing a Christmas program in the Juvenile Detention Center. They also conducted two revivals in local churches. Inmates were allowed to attend revival services and share testimony and special music. Several inmates helped with Project Angel Tree and others walked to raise money for Crop Walk.

Volunteers assisted with worship services held in the Prison Chapel. These services included, 50 Bible studies , 25 Gospel sings, over 100 worship services and a special Christmas program.

Some volunteers were unable to be personally involved with the ministry, however, they provided, food, clothing, shelter, cosmetic items, funds for utilities, literature and writing materials.

In my personal ministry, I counseled inmates, staff members, and their families, visited the sick in hospitals, distributed food, clothing, cosmetic items, Bibles and other literature. I also spoke in churches and before civic groups, to create awareness and share how God changes lives even if people are in prison.

Through our sharing and witnessing many lives were touched and changed. Some of the inmates received Jesus Christ as Saviour, some rededicated their lives, some requested prayer, some were called to the ministry, some united with our churches and were reunited with their families. God has blessed us this year in the Prison Ministry. Let's continue to serve Him in the coming year.

Remember, prison reform is really about building relationships with your fellow man. It's about unconditional love. It's about loving your neighbor as yourself.

MISSIONS DEVELOPMENT
Crisis Center Ministry

The Crisis Center has been a dream of many for years. It finally came into being this year. Our opening date was June 21 1994. We are thankful to Magnolia Street Baptist Church for providing the facilities we now occupy.

As of the end of September we, at the Crisis Center, have served 30 families. Of those families we had a total of 51 children. The Center has been able to provide food and clothing to each family and spiritual materials.

Of course we would not be able to operate without the volunteers who have so graciously given of their time- Margorie Fick, Mary Pegram, Ray Mason, Thelma Wilson, Hazel Smith, Jill Foster and Audrey Womack.

We are thankful to the churches and other places who have made referrals. We are open Monday, Tuesday, Thursday and Friday from 1:00 - 4:00 p.m. and we continue to need your referrals as we endeavor to lend a helping Christian hand.

Let me say we still need prayers but most of all we need volunteers and your financial support. Let us hear from you. The telephone number for the Crisis Center is 274-3500.

Clay Cook, Director.

Homeless Housing Task Force

This task force has been in operation for approximately one and a half years now and we have seen great things happen in this short time. We have renovated all the units in the fourplex apartment at 1813 Walker Avenue. We have been able to help seven families with a new start in life. The four units on Walker Avenue and the house on Terrell Street are presently occupied.

At the present time, the Association is investigating the possibility of setting up a non-profit organization and seeking funds to purchase these units. You will hear more about this at a later time.

We still need to do some work on these units and if you are willing to give a few hours of your time, please contact the associational office.

Clay Cook, Chairman

Overnight Hospital Emergency Ministry

Even though there has been no requests for assistance recently, the program is still in place. The ministry is still available at Cone, Women's and Wesley-Long Hospitals for those who need accommodations but are unable to pay. This assistance program is a real blessing and asset to those who have family members who are seriously ill and need to be with them. I trust those who really need this assistance are aware it is available and will take advantage of the program.

Ernest Jones, Director

Literacy Ministry

The Piedmont Association was involved in literacy missions in several ways over the last year. A growing number of churches are making their facilities available for tutors and small group leaders to meet with their students. Through funds designated for literacy missions, easy-to-read Bibles were provided to about 20 adults just learning to read. Over 25 adults received help with basic reading and writing skills from volunteer tutors who are members in associational churches.

Literacy volunteers help people with skills they need for everyday living and working while being a witness of the love and concern of Jesus Christ. 35,000 adults in our county are functionally illiterate. If someone you know needs help, or if you would like to be a volunteer tutor you may call Terry Portis at 230-2223.

Terry Portis, Director

International Ministry

There was an increase in international student participation during the year 1993-94. The four regular social events planned and carried out by the council were well attended with the largest number of 225 at the annual Thanksgiving dinner.

Also the "Fun Friday" events on the second Friday every month have had as many as 80 present each time. This event is for playing games and sharing friendship and is always in the First Baptist Church recreation building with a different church each month providing refreshments. Other churches have been generous in food preparation for the larger events. It is always important to have a number from our churches to be present at the events to meet and interact with the students.

There were 32 Friend Families or Singles who were assigned 64 students including spouses. This was an increase over the 21 who served the year before and represented 16 churches.

To help increase the number of volunteers needed for this ministry, three orientations were conducted in different parts of the Association during early August and two sessions were presented during the "All Church Leadership Conference" in September. The coordinator of this ministry prepared a new "Friend Family" guidebook and went to welcome and distribute information to the students at the six colleges in Greensboro, plus nearby Elon, as the school year began.

More than 500 international students are enrolled in the schools.

Students and volunteers attended the two State Wide International Retreats at Mars Hill in October and Caswell in April. The Council is grateful to the churches who provided the necessary transportation for the almost twenty participants for each event.

Some much needed furniture and other household items were contributed to several students living off campus. Many copies of the Bible were distributed and portions of the Scripture or Christian booklets were shared at different events. Many students have joined local churches during the year and some have made commitments of Christian faith.

The Council has two additional members, Ola May and Sheryl Carns to serve for the coming year which will represent a total of ten different churches.

It is the request of this Council that *more people and pastors of our churches pray for and participate in this ministry.* In so doing, there will be more recipients of the blessings which come from sharing friendship and a positive Christian influence to the many from over the world that have come to our own "Jerusalem." Please remember to give to the Shubal Stearns Offering which helps to make this ministry possible, along with the support given by the Youth/Campus Ministry Division of the State Convention.

CREDENTIALS COMMITTEE

Our report is very brief due to the fact that no church or mission has requested our services.

The best news is that no church affiliated with the Association has requested to withdraw from the fellowship.

The Committee stands ready to help any church or mission that desires to affiliate with the Association. So far as we know all registered messengers are to be seated at the Annual Meeting of the Association.

Vernon Williams, Chairman

CONSTITUTION COMMITTEE

In the last year the Constitution Committee met to review and update the constitution and by-laws for the Piedmont Baptist Association. During the process of the review, it was brought to our attention several matters that required revision. To that end, the Constitution Committee brought several proposed amendments to the constitution before the Executive Committee and the Piedmont Baptist Association. The amendments were designed to clarify some portions of the constitution that were ambiguous in language, to match current practice with theory, and to incorporate changes already adopted by the Executive Committee. During the Semi-Annual Session of the Piedmont Baptist Association, there was a period of amiable discussion in the business session, and all amendments were then passed. I want to express my appreciation to all members of the committee for their excellent work.

Ed Erwin, Chairman.

ORDINATION COMMITTEE

Ralph Webb, Chairman.

CHRISTIAN LIFE COUNCIL

During 1993-94 the Council continued to work on the staffing of the various study-information task forces. With this effort the Educational Issues Task Forces became operational with Dr. Keith Schimmel as its chairman. Also, the Council is close to having the beginnings of the Sanctity of Human Life Task Force with the enlistment of a chairperson. To better inform the associational membership of Christian Life issues, a decision has been made to incorporate an "Issues" Newsletter as an insert to The Challenger.

Keith and the Educational Issues group have spent their first few months of activity pursuing the interest and initial feasibility of a Christian educational system for Guilford County. This work is moving along with the formation of the Pastoral Council to consider such things as organizational structure, incorporation of a development department and possible help available from the Educational Issues Task Force for churches wanting to begin school ministries.

Remember, the focus of the Christian Life Council continues to be one of establishing study-information groups, which are to provide information our associational members would use to become involved in issues of a moral and ethical nature effecting families and their welfare. The Council encourages members of associational churches to become involved by indicating an interest to be considered as a task force member in one of the following areas (which are non-prioritized):

Sanctity of Human Life
Race Relations
Educational Issues
Social Welfare and Justice
Gambling (Lottery)
Drug and Alcohol Abuse
Health and Medical Issues
Ecology
Sexuality
Family Issues
First Amendment Issues
Cults and Demonology

The Council wishes to thank Michael Staton for his contribution as he leaves for a new work, and to welcome William Claffey and Arnold "Butch" Culbreth, Jr. as new members.

STEWARDSHIP

This past year has been somewhat disappointing. We started the year minus one member on our council and during the year Monica Long and Ward Burch resigned. We appreciate the faithful service they have given to the Stewardship Council. We welcome the addition of T.E. Pardue, Ernest Jones and Dennis Blackmon to our council.

On April 19, 1994, Talmage Williams, coordinator for the Division of Stewardship, Baptist State Convention, led a session at the Pastors' Conference at Shoney's' Restaurant.

The "All Church Leadership Training" sessions were held in September 1993 at Southside Baptist Church. O. D. Martin taught "The Church's Stewardship Ministry" book both nights.

On September 12 and 13, 1994 Randy Minix, a certified public accountant in Greensboro will lead our training sessions in "Taxation as Related to Churches, Pastors, and Staff." Randy is most qualified as he specializes in this area of work.

Our Council is ready to assist you in any way possible in stewardship. We want to say thank you to the churches for your financial support as well as the giving of yourselves to the Lord's work in Guilford County.

FAMILY MINISTRY

Our Marriage Enrichment Council was successful in planning and conducting an exceptional conference on February 18-19 of this year. Over one hundred people attended the conference. The Family Enrichment Council, directed by Joyce Setchfield, was responsible for this great endeavor.

The theme of the conference was MARRIAGE: UNDER CONSTRUCTION FOR A LIFE TIME. It culminated in a unique opportunity for many couples to enrich their marriage. It was held at the Florida Street Baptist Church. It began with a delicious meal prepared by Frances Boone and her extraordinary team. At the conclusion of the banquet, Steve Sumerel of the Family Life Department of the Baptist State Convention, spoke and inspired us in knowing how we might better communicate within our marriages.

After this the following workshops were held:

Marriage Before Children - led by Steve Sumerel
Marriage in the Parenting Years - led by Janice Odom
Marriage in the Empty Nest Years - led by Charles Wilson
Marriage in the Retirement Years - led by Manuel Cunnup

Hopefully we look forward to many more conferences like this one.

Also, our Family Enrichment Council conducted a very good parenting seminar. It was held Friday, April 22, at Parkway Baptist Church. Dr. Robert Shackleford, Assistant Professor of Sociology at Gardner Webb University, led a one hour seminar on discipline and building your child's self esteem. The following, four workshops were held:

* Teaching Values In a Value-less Society
* Communicating With Children and Teens
*Helping Children Cope With Divorce
*Fathers Are Parents Too

Our Family Ministry suffered a great loss this summer when our Director of the Marriage Enrichment Council, Joyce Setchfield, resigned. Her husband, John, Minister of Education at First Baptist Church, Greensboro, was called to serve as pastor of a church in Morganton. We will miss her and John greatly. She did a great job directing our Marriage Enrichment Council. He did a great job directing our Sunday School Assist Team.

But, we have been very fortunate. Immediately, stepping in to replace Joyce, Susan Small accepted the position as director. Susan is the mother of four children, the wife of Attorney John Small, and a member of Parkway Baptist Church. She is a graduate of Southeastern Baptist Seminary, and a devoted Christian. This ministry will be in capable hands. She has many good things she will be proposing soon for our Association and churches.

Manuel Cunnup, Director

RECREATION MINISTRY

The following recreational activities were provided this year:

Softball

Twenty teams from PBA churches participated in the BAU Men's League and twelve teams from PBA churches participated in the BAU Women's League.

On August 19-20, Gate City Baptist Church hosted the PBA Men's Invitational Tournament at their recreation field on Hilltop Road. Six churches participated in the Tournament.

Golf

On September 17, 1994, the annual PBA Invitational Golf Tournament was held at the Bel-Aire Golf Course. Twenty-six teams from association churches participated in the tournament. Gate City Baptist Church won the team championship.

Basketball

During 1993-94 Tte adult men's and youth boy's basketball leagues were conducted at the PBA facility on Sharpe Road. Twenty men and youth teams from PBA churches participated in the league. Lawndale Baptist Church won the adult men's championship and Gate City Baptist Church won the youth boy's championship.

Recreation in a Christian environment can often serve as an effective ministry for our associational churches. Pray that our recreation programs will be an effective witness for Christ.

Randy Minix, Director

SENIOR ADULT MINISTRY

Senior Adults are still a growing force within our Southern Baptist work. Our plans were changed this year yielding to the activities around our Annual Meeting and the Centennial Celebration. We are looking forward to our annual Christmas journey to the Myrtle Beach Christmas shows. More plans are in the works for 1995. Be watching The Challenger for announcements concerning times and places.

MUSIC

The PBA Music Council met regularly throughout the year to organize and implement a music program for the PBA. The council members are: Ron Freeman, Joye Brannon, Roger Ward, Dan Alderman and Fran Moseley.

October 18,1993.

A keyboard workshop was offered to keyboard players in the PBA. Dr. Jim Good, professor of music at Southeastern Seminary, led the workshop, giving ways for keyboard players to enhance their playing skills and to improve their worship services. This event was led by Joye Brannon of First Baptist Church, Greensboro. Twelve churches were present.

December 14, 1993.

Ron Freeman met with Neal Eller of the Baptist State Convention, about churches that could make up a mass choir to be used at the Evangelism Conference. Two of our churches were chosen and responded. They were Eller Memorial and Rolling Roads.

January 29, 1994.

The Music Council presented "Celebrations of the Heart" at First Baptist Church, Greensboro. The purpose of the event was to give instruction on areas of creative worship. There were various workshops available for those who attended the event to get hands-on training from local and nationally known leaders. The workshops available were: Mine, Sign Language, Clowning, Drama

Music, Worship Leadership and Praise Banners. Nationally known mine artist, Mark Templeman, was brought in to give instruction and lead in the creative worship service that capped off the day. Seventy-seven attended and twelve churches were represented.

February 28, 1994.

A banquet was held to honor all music leadership in the churches of the PBA. There was an overview of the PBA music-related events coming up during the year. There was entertainment by groups and individuals from several churches in the Association. The event was held at Florida Street Baptist Church. The event was planned and organized by Joye Brannon of First Baptist, Greensboro, and Roger Ward of Florida Street Baptist. Eighty people were in attendance from 13 churches.

March 13-17, 1994.

The combined choirs from many of the churches of the PBA came together to sing for the Jerry Johnston Crusade, held at First Baptist Church of Greensboro. Eddie Rackley from the Providence Baptist Church in Raleigh, was brought in to direct the choir and lead the music in the church. On the final night of the crusade, the event was moved to Grimsley High School gym and Christian artist, Mark Cable was brought in to provide music for the event.

April 11, 1994.

An open meeting for all directors and ministers of music was held to inform them of events and to get input from them on future events for the PBA.

May 5, 1994.

At the Semi-Annual Meeting, Ron Freeman, Director of Music for the PBA, presented Dennis Blackmon, D.O.M., with the Standard of Excellence Award, given to the PBA music council for providing music events and training that meet State and S.B.C. guidelines. Music was provided by groups and individuals from the PBA.

July 18-21, 1994.

The annual Children's Choir Camp was held at Florida Street Baptist Church. The event was again, a great success. The camp was led by Roger and Susan Ward, along with many helpers from the PBA. The musical, "A Technicolor Promise" was presented by the children. The final concert held Thursday night, was again given to a full house and enjoyed by all. Ninety-eight children from 11 churches attended.

July 28, 1994.

Because of the high cost of music and the need for a music budget in many of our churches, the Music Council offered a "Cantata Swap Shop" at Sixteenth Street Baptist Church. Churches from the PBA made available Christmas musicals that they had in stock, to churches to use for the Christmas Season.

September 12, 1994.

A 75-voice choir made-up of singers from 6 of the churches of the PBA provided music from "God With Us," for the All Church Leadership Training Session at Southside Baptist Church, for the worship time. The choir was led by Fran Moseley of Cornerstone Baptist Church. The sound was provided by Roger Ward of Florida Street Baptist Church.

During the training session, choir members from the churches of the PBA rehearsed music that will be sung for the annual meeting in November. This choir was led by Ron Freeman of First Baptist Church, Summerfield.

DISCIPLESHIP TRAINING

This past year we had a number of young people involved in Bible Drill under the leadership of John Setchfield. We made Discipleship Training available in two sessions of the PBA "All Church Leadership Training." We are available to help all our churches do all they can to "make disciples of all nations."

BROTHERHOOD

Baptist Men (and often with their wives) have responded to mission tasks at their churches in our Association, our state, nation and the world.

Work has been done on the homeless properties here in Greensboro, repairs made at Camp Mundo Vista at Asheboro, and in Lexington, S. C. response was made to a disaster recovery call. In addition, Sandy Smith, Southeast Church, has recently returned from Prague, Czechoslovakia where he is working through our N.C. Baptist Men on a special project.

There are many other projects of building churches, repairing homes, prison/jail ministry, rest-stop ministry, evangelism, etc. that are being done by Baptist Men. I encourage all men to subscribe to "Men on Mission" by calling 1-800-395-5102. It's free and tells how Baptist Men are getting involved in missions. Men need to realize that God can use every skill in missions work.

I encourage every Brotherhood/Baptist Men President to subscribe to MANDATE. This is a video produced by N. C. Baptists and has a program for each month featuring a mission theme with Home, Foreign, State and Associational emphasis. Less than $2.00 per month is the cost. The same 800 number above will get you this subscription.

Do you need to begin a Baptist Men's work at your church? We can help. Call the PBA office or me at 855-8082.

Ed Roberts, Director.

WOMAN'S MISSIONARY UNION

How exciting it has been this past year as members of Woman's Missionary Union to participate in what God is doing all over the world! God has richly blessed each member of our organization, as we have conscientiously striven to involve individual churches and families in mission opportunities within our Association and elsewhere. "Serving In Christ's Name" has been our main focus in promoting missions and reaching out to the lost in our various communities in Guilford County this year.

In October 1993, our associational WMU director, Patricia Frazier and our associational Acteens' director, Kim Still, made a weekend bus trip to WMU headquarters in Birmingham, Alabama. All WMU directors and their assistants on the associational level in North Carolina made the trip to tour the WMU facilities in Birmingham and to talk personally with executive director, Dellanna O'Brien. The trip was uplifting, inspirational and reassuring in refocusing the attention and efforts of all WMU members and the main purpose for which our organization exists-*missions*.

One hundred twenty-eight women gathered at South Elm Street Baptist Church for the observance of the Baptist Women's World Day of Prayer on Monday night, November 1, 1993. The women brought gifts of 1,000 inkpens and 500 packs of chewing gum to be given to women prisoners at the N. C. Central Prison in Raleigh. These gifts were given in support of the N. C. State WMU project to provide Christmas gifts for the prisoners. In addition, an offering of $730.15 was given by the ladies of our Association that night to support the Baptist Women's Department of the Baptist World Alliance. Women from several churches in our Association took part in the program that evening; Sharon Walsh of Southside Baptist Church provided the special music; Lucy Lunsford of Pleasant Garden shared about her recent trip to Romania and Cheryl Cobb of Rankin Baptist Church presented the prayer calendar. Prayer was offered up that evening for Cheryl's appointment to the foreign mission field by the Foreign Mission Board and for the work of Baptist women around the world.

December 3-5, 1994 Acteens from four PBA churches attended a conference at Ridgecrest which featured speakers such as Marsha Spradlin and conferences on mission endeavors and opportunities for Acteens.

On January 15, 1994 two hundred and one ladies attended a brunch at Pleasant Garden Baptist Church. Marsha Spradlin was the inspirational speaker and the ladies trio from Florida Street Baptist Church provided the special music. Shannon Wyrick, assistant associational WMU director, presented the prayer calendar.

The WMU Focus Week Banquet was held at Florida Street Baptist Church on Tuesday, February 15, 1994. Three hundred ninety-eight people were inspired by a concert performed by pianist, Janice Maness, and organist, Sharon Shearer who are both members of Sixteenth Street Baptist Church. Our speaker, Joyce Smith, missionary to the deaf, challenged us not only by her testimony but by signing her benediction in song.

The GA's attended a Home Mission study at Florida Street Baptist Church on Saturday, February 26, 1994. Six churches were represented at this study by thirty-five people. The GA's in attendance brought canned foods for the needy.

Our associational WMU Annual Meeting was held at Rankin Baptist Church on March 21, 1994. Judy Knight, missionary to Yemen, was guest speaker. The ladies trio from Reedy Fork Baptist Church provided the special music with Donna Staton as piano accompanist.

Alma Hunt, former executive director of WMU SBC, was a featured speaker at the Annual Meeting of our North Carolina WMU at Ridgecrest on April 8-10. Missions Extravaganza was a tremendous success this year with over 2,000 women in attendance.

Both the Mission Friends leader salad supper on April 11, 1994 and the Mission Friends Day Camp on May 21, 1994 were held at Friendly Avenue Baptist Church and were led by Melinda Kington of Pinecroft Baptist Church.

Our GA's attended their annual Spring Fling at Immanuel Baptist Church from 10:00 a.m.-12:00 noon on April 16, 1994. Over one hundred GA's from several associations in our state attended a Mother/Daughter Camp at Mundo Vista on May 27-28, 1994. This camp was planned and led by our associational GA director, Debbie Reynolds, and her assistant, Joyce Greene.

Scores of women from our Association attended the 25th. year anniversary of Camp Mundo Vista on May 21, 1994. Sara Parker of Friendly Avenue Baptist Church served on the original camp committee over twenty-five years ago and was a special guest at the festivities at the camp during this year's celebration.

Acteens met at Pleasant Garden Baptist Church for a banquet on April 21, 1994. Helen Ledford, volunteer worker with migrants in the Oakridge area, was the speaker for the evening. Helen is a member of Central Baptist Church.

One hundred and five women gathered at Rolling Roads Baptist Church for a prayer retreat led by Sandy Harrison of Statesville, N. C. on July 12, 1994.

Our WMU Fall Leadership Training was held at Sixteenth Street Baptist Church on Monday night, August 29, 1994. One hundred thirty women participated in the training sessions which were held that night for all age levels.

The WMU Associational Council met quarterly to pray and to plan the work of the organization. Members of the council attended training at Caraway in July 1994. Patricia Frazier taught four workshops for N. C. State WMU this past summer and will be involved in training for the changes in WMU in 1995.

This has been a good year! The Lord has blessed us in our efforts and he is to be praised for every life that has been touched because of our ministry. As members of Woman's Missionary Union, our prayer is constantly that God will empower us with His Holy Spirit, that He will use us mightily in the Kingdom's work and that we will "Serve In Jesus Name."

Patricia S. Frazier, Director

NORTH CAROLINA BAPTIST FOUNDATION, INC.

With the 75th anniversary of the chartering of the N.C. Baptist Foundation approaching, it is exciting to reflect on the fulfillment of dreams of the founding fathers. The prayerful deliberation that led to the vote in the 1919 Baptist State Convention meeting for the beginning of "a trust agency" envisioned a viable entity which would promote and manage funds given by individuals for perpetual support of several struggling institutions and the mission programs at the heart of this missionary minded denomination.

As of December 31, 1993, the Foundation held $45,878,748 under management. In 1993, $1,243,217 was distributed to Baptist work and $1,196,748 was distributed to individuals for a total income distribution of $2,439,965.

The income distributions for the entire 74-year history of the N.C. Baptist Foundation totals: $7,009,154 income paid to individuals and $10,011,893 to Baptist churches, institutions and mission causes for a grand historical total of $17,021,047.

In 1993, the staff of the Foundation consisted of seven full time employees and two persons who provided part-time service in accounting and legal services. In May of 1994, Rev. Coy H. Jeans, Jr. was employed by the Foundation Boards as Western Area Manager of Trust and Endowment Development. Rev. Jeans will serve individuals in western North Carolina through estate stewardship planning to better provide for families and Christian endeavors. He will also work very closely with Associations and churches in the area. We encourage western North Carolina Baptists to contact Rev. Jeans at his office in Marion at 704-652-9548. The Foundation's main office is located at 201 Convention Drive, Cary, N.C. 27511, telephone 919-380-7334.

Baptist Children's Homes of North Carolina

No matter how much adults try to convince themselves otherwise, children suffer when parents divorce.

Amber suffered. Because she blamed her mother for household turmoil, and because she was young and confused, Amber told her mother she hated her. She stopped communicating and became withdrawn. She chose wrong friends and attempted to take her own life.

In today's atmosphere, when divorce rocks as many marriages as it misses, thousands of children like Amber look for anchors. And in today's atmosphere, just as in the atmosphere of the 1880s and every year since, Baptist Children's Homes provides that anchor for hundreds of children.

In 1992-93 BCH served 1,469 young people and their families. Probably an all-time high.

Through services provided at 13 facilities statewide, BCH offered residential care, maternity care, a home for teenage mothers and their babies, therapeutic camping, model day care, emergency care and behavioral change.

Through the Cooperative Program, church budgets and the Thanksgiving Offering, Baptist churches provided about one-third of the $11 million necessary to care for those children. Other revenue comes from payment for services on a sliding scale, foundations and corporations and individual gifts. A significant source of help comes from individuals who remember Baptist Children's Homes, and the children it serves, in their estate planning.

"I couldn't handle what was going on at home," Amber said, after a year in the intensive group process at Kennedy Home. "I wanted a way out. I saw (suicide) as the only way. I had totally turned my back on God."

Under the tutelage of Kennedy Home Baptist Church's pastor, Amber has rededicated her life to the Lord and was baptized. She is now memorizing Scripture and doing devotions.

Between her renewed faith and the peer group process, Amber has begun to resolve the differences with her mother. When she graduates from Kennedy Home, she plans to live with her mother and sister.

"Just being able to talk through it with a group and with staff helped make it better," Amber said. "They helped me understand mom may have moved out, but she never left me. She's always been supportive."

Working through problems at BCH involves identifying your problems, putting a name to them. That helps a child realize he/she is not a "problem child" but is a "child with problems."

"If I was alive without this place, I wouldn't be in a happy life," Amber said. "I'm really thankful there are places like this."

Amber's gratitude expresses the feelings of hundreds of children each year, and the staff who serves them. Many young people need BCH. Thankfully, many Baptist adults are committed to providing their needs, for Jesus' sake.

North Carolina Baptist Hospitals, Inc.

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report, not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

PROVIDERS AND RECIPIENTS OF HEALING

Our Hospital healing team now consists of 5,777 employees. The Medical Center (North Carolina Baptist Hospital and Bowman Gray School of Medicine) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsyth County. In our 806-bed facility, we had 23,545 inpatient admissions during our fiscal year 1993-94. Our Outpatient Department, physicians' clinics, and other related departments received 523,672 patient visits.

DEPARTMENT OF PASTORAL CARE

Our chaplaincy division joins with our health -care professionals to provide spiritual and emotional healing. With 15 to 35 chaplains present at various times, 58,747 ministries were provided to patients, families, staff and groups. Mission dollars from the Cooperative Program enabled this ministry to be carried out.

The Center for Congregational Health, in its second year of ministry as a part of our Department of Pastoral Care, continues to expand and strengthen.

The Pastoral Counseling Division now operates 12 counseling centers across the state. These centers provided 26,716 hours, a five percent increase over the previous year.

In December 1994, Dr. Dewey Hobbs will retire as Director of the Department of Pastoral Care. His eleven years of leadership and ministry have brought quality and expansion in every facet of the department.

BAPTIST BENEVOLENT CARE FUND

Last year Baptists across our state gave $425,734 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospitals bills. The churches and individuals help make this ministry possible and we are grateful.

EXCELLENT FINANCIAL STEWARDSHIP

In the midst of escalating health-care costs, we a have proven record of superb stewardship.

(1) The latest report of the North Carolina Database Commission comparing the average of other state academic medical center charges vs. Baptist Hospital for our most frequent diagnoses reveals our charges are 21% lower.

(2) We are one of only 17 hospitals nationally with an "AA" bond credit rating.

(3) Averaging the last two years and the projection for 1994, the Consumer Price Index will average 2.8% and the Medical CPI for hospitals will average 8.9%. Baptist Hospital rate increases for the same period will average 1.8%, under both the above- mentioned indexes.

MEETING THE CHALLENGES OF THE FUTURE

The health care environment is and will continue to be changing. Baptist Hospital is proactively facing these changes on a daily basis. Below are listed several visions which have recently been or will soon be realized.

Nursing Center at Oak Summit

Opened in July 1993 this 170-bed facility offers four levels of care. It is also one of only a few nursing centers in North Carolina that provides care for ventilator-dependent patients.

Emergency Department/Dietary Building

Progressing toward a late 1995 opening, this facility will expand our ED capacity to 70,000 visits annually.

J. Paul Sticht Center on Aging and Rehabilitation

Housing a total of 128 beds, it will contain a geriatric day hospital which will aid the transition from hospital to home, inpatient rehabilitation nursing units, a psychiatric floor, geriatric research and education. Completion is targeted for 1996.

At Home Health Care

Our Home Health Solutions provides our local region with parenteral nutrition and intravenous antibiotic therapy, chemotherapy and pain management. Home Health Specialists provides nursing care, personal care and physical and occupational therapy.

Center for Research on Human Nutrition and Chronic Disease Prevention

Our continued partnership with Bowman Gray School of Medicine enables our Medical Center to provide the highest quality of research, education, and patient care.

COMMUNITY HOSPITAL ASSISTANCE

Developing relationships with community hospitals such as Stokes Reynolds in Danbury and Hoots Hospital in Yadkinville enables us to assist them in lowering costs as well as providing quality hospital and outpatient care.

QUALCHOICE OF NORTH CAROLINA

Joining with BGSM and Wake Forest University, Baptist Hospital has developed a managed care plan. Our design is one which offers affordable quality health care while providing the insured freedom of choice. This plan will be opened for public enrollment beginning January 1, 1995.

A CLOSING WORD

We continue to esteem our heritage, celebrate our current capabilities, and strive to position ourselves for the future. Your partnership, prayers, and utilization of our services inspires our dedication to our mission. We are grateful to God and to the North Carolina Baptist family.

PROCEEDINGS
101ST ANNUAL MEETING
NOVEMBER 2, 1995

The theme of the 101st Annual Meeting of the Piedmont Baptist Association held November 2, 1995 at Cornerstone Baptist Church was "That All May Hear."

Moderator Deryl Holliday, pastor of First Baptist Church Summerfield, called the morning session to order at 9:30 a.m. He then called on Nicholas Holman, pastor of the host church, who welcomed the Association to Cornerstone Baptist Church and then read a passage of Scripture and led in prayer.

Austin Lovin, associational clerk and member of Friendly Avenue Baptist Church, moved that those messengers from the churches who had already registered and those who would register later, constitute the Piedmont Baptist Association for this 101st. Annual Meeting. Seconded and approved unanimously.

Steve Walsh, pastor of Southside Baptist Church, due to the absence of Jill Foster, presented the report of the Program Committee and moved that the printed program, with such changes as might be necessary, be adopted as the program for this Annual Meeting. Seconded and carried unanimously.

Dennis Blackmon, director of missions for the Piedmont Baptist Association, recognized new pastors and staff members from the churches. He asked any new pastors and/or staff members to please come forward and introduce themselves. Only one or two were present.

Herb Meadows, associational music director and member of Southside Baptist Church, led the congregation in singing of three well-known hymns.

Moderator Deryl Holliday called attention to the minutes of the meetings of the PBA Executive Board as printed in the Book of Reports and gave time for the messengers to scan them. He then asked if there were any additions or corrections that needed to be made. There being none, he moved that the minutes of the Executive Board be approved as printed. Seconded and carried.

The Committee on Committees report was presented by Vernon Williams, retired pastor of Pleasant Garden Baptist Church. He moved that the report be adopted. Seconded and carried.

Sara Parker, Friendly Avenue Baptist Church, presented the Nominating Committee report and added that the Committee was nominating Deryl Holliday for moderator; Jay Love as vice-moderator; Austin Lovin as clerk; and Monica Long as treasurer, for another year. She moved that the Nominating Committee report be adopted. Seconded and approved unanimously.

Monica Long presented the treasurer's report and moved that it be adopted. Seconded and carried.

Reports on various ministries of the PBA came next. Beauford Smith, Chaplain for the Guilford County Jail and Sheriff's Department and also pastor of Colfax Baptist Church, presented the Chaplains' report; Barry Nealy, associate director of missions for the Piedmont Baptist Association, reported on the Vietnamese Mission and refugees; and David Duarte, pastor of the new Hispanic Mission, told of progress in that work.

The Moderator then asked if there were any items of miscellaneous business. There were none, so Herb Meadows led in the singing of a medley of well-known hymns.

Mark Gray, associational Sunday School director and pastor of Sharpe Road Baptist Church, gave the Sunday School report, emphasizing the availability of ASSISTeams to help our churches improve their Sunday Schools.

Patricia Frazier, associational WMU director, was not present so the WMU report was deferred until later.

Ken Kelley, pastor of Northeast Baptist Church, read a portion of Scripture, Col. 1:3-14, and led in prayer.

Jack Morris, pastor of Sixteenth Street Baptist Church, introduced the preacher of the Annual Sermon, Richard Poindexter, pastor of Rankin Baptist Church.

Herb Meadows sang a solo entitled "The Next Time He Comes" and then Richard Poindexter preached the Annual Sermon from the text Colossians 1:3-14.

At the close of the sermon, because we were running at least thirty minutes ahead of time, the Moderator opened up the floor for testimonies about good things that were happening in the churches. Several people responded. There were also requests for prayer and time was taken for this.

Jay Love, a staff member at Cornerstone Baptist Church, announced that lunch was ready and waiting and gave directions to the dining hall.

The morning session closed with a prayer of thanks for the food we were about to receive.

After a delicious meal and the rich fellowship that accompanied it, the afternoon session opened with a medley of songs by a quartet made up of music directors from four of the churches. They set the tone for an exciting afternoon!

Herb Meadows then led the congregation in singing a medley of hymns.

Sara Parker gave the WMU report for Patricia Frazier, who could not stay for the afternoon session. Sara did such a good job that the Moderator commended her, saying that he would let her give his report the next time he had one to present.

Herb and Marie Meadows sang a duet, "O For A Thousand Tongues To Sing."

The Vacation Bible School Report was given by Gail Ledbetter. It included testimonies by Mark Gray, Sharpe Road; Sarah Heathcock, Southside; and Pat Cronin, new pastor of Friendly Avenue Baptist Church. They told about the success and importance of Vacation Bible School in their churches.

Herb Meadows led the congregation as they sang another medley of hymns.

The Director of Missions report was given by Dennis Blackmon. He focused on the continued slow decline in attendance in Sunday Schools in the PBA as an area that needs improvement; and on the increase in the number of baptisms reported by the churches as an encouraging sign of progress.

David Horton introduced the denominational speaker, Gregg Mathis, pastor of the Mud Creek Baptist Church, Hendersonville, NC, member of the Baptist State Convention's General Board, and a teacher at Fruitland Bible Institute.

Before Gregg Mathis spoke, Sharon Walsh, wife of pastor Steve Walsh of Southside Baptist Church, sang a solo, "Blessed Is He Who Comes In The Name of The Lord."

Gregg Mathis took his text from Romans 1:14-17, where the Apostle Paul talks about owing a debt to all peoples to share the Good News of the Gospel of Salvation by God's grace, through faith in Jesus Christ. Mathis delivered a powerful and moving sermon on this text.

At the close of the sermon, the newly elected general officers of the Association were called to the front and recognized by Dennis Blackmon and those present. They were: moderator-Deryl Holliday; vice-moderator-Jay Love; clerk-Austin Lovin; and treasurer-Monica Long. Dennis Blackmon led in a prayer of dedication for the new officers.

The meeting was adjourned by the Moderator.

PROCEEDINGS
SEMI-ANNUAL MEETING
MAY 4, 1995

The Semi-Annual Meeting of the Piedmont Baptist Association was held at Calvary Baptist Church on May 4, 1995. The moderator, Deryl Holliday, pastor of First Baptist Church Summerfield, called the meeting to order at 3:30 p.m. He then recognized Terry Larsen, pastor of the host church, who welcomed the Association to their church.

Debra Neyland, who was scheduled for the Scripture and prayer, had not yet arrived, so the moderator led us in prayer.

Austin Lovin, member of Friendly Avenue Baptist Church and clerk of the Association, moved that those who had registered along with those who would yet do so, shall constitute this Association for the purpose of conducting business at this session. The motion was seconded and carried.

Jill Foster, chairperson of the program committee and a member of Calvary Baptist Church, moved that the printed program be adopted as the order of business, with such changes as may become necessary. The motion was seconded and approved.

Sara Parker, chairperson of the nominating committee and a member of Friendly Avenue Baptist Church, presented the nominating committee report. She read the names of those being nominated, noting that two offices, that of discipleship training director and youth director, remained unfilled as of the present date. She then moved that those named be elected: Deryl Holliday, moderator; Jay Love, vice-moderator; Austin Lovin, clerk; Monica Long, treasurer; Mark Gray, Sunday School director; Patricia Frazier, WMU director; Ed Roberts, brotherhood director; Herb Meadows, music director; Herb and Marie Meadows, senior adult directors; George Worrell, evangelism director; Wade Wylie, stewardship director; Randall Minix, recreation director; Manuel Cunnup, family ministry director; "Bud" Parrish, pastoral ministries director; A. L. Parker, seminary extension director; Jane Perkins-Rolnick, church library/media center director; Lawrence Clapp, Bold Mission Prayer coordinator; Barry Nealy, missions development director. It was seconded and carried without opposition.

George Worrell, pastor of Lawndale Baptist Church and director of evangelism for the Association, introduced four men who gave testimonies about Partnership Evangelism. David Lane, Lawndale Baptist Church, told of the PBA team going to Brazil to build a church building and do personal witnessing. They completed the building in time for three days of evangelistic services. Although the church only had eighty members, the one hundred fifty seats were filled for the final service on Sunday. Several persons made professions of faith in Christ as Savior.

Michael Barrett, pastor of Pleasant Garden Baptist Church; Randall Vanover, minister of education Hunter Hills Baptist Church; and Deryl Holliday , pastor of Summerfield First Baptist Church, told of their church's participation in the Here's Hope Simultaneous Revivals in April of this year. George Worrell closed this segment of the program by announcing that the goal for the number of baptisms for the year is 800 (100 more than reported last year).

The Moderator then called on Debra Neyland who read Scripture and had prayer.

Herb Meadows, a member of Southside Baptist Church and the associational music director, led us in a medley of verses from some of the old hymns.

Herb Meadows then presented the music report. He emphasized the value of the children's choir camp. Over one hundred children participated last summer and he called on the churches and parents to help double the number this year.

Mark Gray, pastor of Sharpe Road Baptist Church and Associational Sunday School Director, gave the Sunday School report. Mark had his left arm in a cast and strapped to his body because of a fall from a roof while helping a member of his church.

Mike Perry, regional consultant for the Southern Baptist Sunday School Board in Nashville, spoke briefly on behalf of his work as consultant. He offered his services to any of the churches.

Dee Willis, a member of Lawndale Baptist Church and chairman of the associational Christian Life Council, reported on the need for churches and individual members to become involved in working for ethical conduct and the righting of wrongs in our country. He distributed a survey sheet, designed to inform him as to which of our churches have Christian Life Councils and which ones would be interested in getting one started. He asked that the survey sheets be filled out and turned in before we left, if possible.

It was the time for miscellaneous business, but nothing was presented. Michael Barrett, pastor of Pleasant Garden Baptist Church, suggested that we use this time for a special prayer for the victims of the bombing in Oklahoma City and for our country and its need to repent and return to God. The Moderator then called on Rev. Barrett and Wilson Stewart, pastor of Jessup Grove Baptist Church, to lead us in this prayer. It was also pointed out that this was appropriate because today was World Day of Prayer.

Dennis Blackmon, director of missions for Piedmont Baptist Association, gave his report. He called attention to the fact that ten of our churches did not report a single baptism during the past year, there had been a sharp drop in the average attendance in our Sunday Schools this past year and that only about one half of our churches even take an offering for the Shubal Stearns Offering for Associational Missions. On the positive side, he reported that after only a year, the Vietnamese Mission Church was already running out of room in its new building. This mission church reported fourteen baptisms this past year. Also, Friendship Baptist Church, one of our Black congregations, with only forty-nine members had reported twelve baptisms. Pleasant Garden Baptist Church continues to lead the way in our Association with another year of fifty or more baptisms; Hunter Hills is responding enthusiastically to the leadership of their new pastor; Lawndale Baptist Church is involved in a housing project ministry, with five persons baptized from this; and the Woodlake Baptist Church, with only eighty members, baptized nine persons last year. Lastly, after years of fruitless search for an Hispanic pastor, the Hispanic Mission Church is finally in operation under the leadership of Rev. David Duarte.

Gerald Primm, retired pastor of Eller Memorial Baptist Church, introduced the preacher of the doctrinal sermon for the day, Thomas Brown, pastor of Northside Baptist Church.

Steve Walsh, pastor of Southside Baptist Church, read a portion of Scripture and led in prayer. Mrs. Sharon Walsh then thrilled us with her rendition of "Amazing Grace".

Thomas Brown announced that his subject was on our being servants of God with an emphasis on the encouragements we receive from the Bible about this. He spoke about five great truths from the Scripture: 1. We are commissioned by the greatest authority in the universe to be his servant. 2. We are inspired by the greatest event in human history-Jesus' death on the cross for mankind. 3. We are strengthened by the greatest power-the indwelling Holy Spirit. 4. We are arrested by the greatest realization-that the battle is not ours, but God's. 5. We are motivated by the greatest emotion-Love!

Following Rev. Brown's sermon, we were led in prayer and thanksgiving by Ron Freeman, minister of education and music of Summerfield First Baptist Church, for the meal we were about to partake of.

After the delicious meal, the evening session began with a choral presentation by a volunteer choir composed of singers from several of our churches and led by Herb Meadows.

Jay Love, vice moderator and youth minister of Cornerstone Baptist Church, led in prayer to open the evening session. He also presided over most of the session.

Herb Meadows led us in singing some hymns which we knew well enough not to use our hymnals.

Jill Foster then introduced the speaker of the evening, Roy Smith, executive director of the Baptist State Convention of North Carolina.

Dr. Smith announced his text as 1 Corinthians 3:9, "We are laborers together with God". He emphasized the importance of the district association because it was first in time and also closest to the local churches. He explained how the associations, state conventions, and the SBC, Home and Foreign Mission Boards work together to assist the churches in carrying out the Great Commission. To accomplish this, we must all work together to: 1. Strengthen our church through revival. 2. If we talk the talk of a Christian, let us also walk the walk through holy living. 3. Accept the opportunity to become personally involved in evangelizing the world. Volunteerism by more and more of our people is the key to this. 4. We must be faithful in proclaiming the whole gospel to the whole world.

The final feature of the session was a focus on Piedmont Baptist Association missions, with an emphasis on the importance of the Shubal Stearns Offering for Associational Missions in funding these many mission projects.

Dennis Blackmon had those present who were involved in any of the various mission projects in the Association to come to the front and stand so we could all see something of how many people were involved. Each project was introduced and then one of those present explained what they were doing. Included were: Multihousing, Church Extension (Vietnamese and Hispanic), New Church Starts, Housing for the Homeless, Partnership Missions, Benevolence (Crisis and Hospital Ministries), International Student and Friend Family Ministry, Chaplaincy Support, and Literacy.

Dr. Blackmon closed with an appeal to all our churches to at least use the bulletin inserts about the Shubal Stearns Offering and have someone at the door of their church to receive the offering from as many as wanted to give.

Wade Wylie, a member of Pleasant Garden Baptist Church and stewardship director, presented the Shubal Stearns Offering budget and moved for its approval. This was seconded and carried unanimously.

Patrick Cronin, the new pastor of Friendly Avenue Baptist Church, was recognized.

Deryl Holliday, moderator, then reassumed the podium and declared that this session was adjourned.

A total of 176 persons registered for the two sessions, with 81 messengers, 25 pastors, plus visitors.

Executive Board Minutes

January 12, 1995

The Piedmont Baptist Association Executive Board met on Thursday, January 12, 1995 , 7:30 p.m., at Lindley Park Baptist Church. There were 46 members present from 18 of our churches

In the absence of the moderator, vice-moderator, Jay Love, called the meeting to order.

Mrs. Bishop, from Lindley Park Baptist Church, welcomed us, in place of the pastor, Rev. James Wall, who is recovering from back surgery. Mrs. June Rash read the Scriptures and led in prayer.

Special music was presented by "Vision", a youth choral group from Calvary, Eller Memorial and Gate City Baptist Churches. They distributed brochures, describing their music ministry.

Austin Lovin, associational clerk, called attention to the minutes of the last meeting, printed in the program given to each one present, and asked if there were any corrections or additions. Dennis Blackmon asked that the number "101st" Annual Meeting be changed to "100th" and that we number it correctly from here on. This amendment was seconded and approved. The minutes were then approved as amended.

Monica Long, associational treasurer, presented the treasurer's report, which was also printed in the program. She explained that we were still "in the black", but that we had been forced to draw on the reserve account until it is now almost depleted. Mrs. Minix moved the treasurer's report be approved and it was seconded and carried.

Dennis Blackmon reported on plans for a Simultaneous Revival Crusade April 2-9, 1995. He told of a special evangelistic rally coming up on February 20th. at Lawndale Baptist Church. He said that there would be an inspirational speaker and that training would be offered for the committees involved in preparation for the revivals. He stressed the importance of personal witnessing by members of all of the churches participating in the revivals.

Vernon Williams, chairman of the committee on committees, presented the names of several persons to fill vacancies in PBA committees-ordination committee, Ron Hill; program committee, Susan Ward and Norma Brown; partnership missions committee, Kathleen Chambers and Ivadell Moody; audit committee, Harold Poe.

Dennis Blackmon reported that we had been unable to sell the Homeland Avenue property and that this had caused him to wonder if God was trying to tell us to keep it. In view of this, he presented a three-part motion:

1. That we elect a committee of 10 (Sara Parker, Mike Barrett, Jim Kincaid, Walter Thomas, Helen Lineberry, Mary Odom, Bruce Anthony and Lottie Dix, if she is willing to serve, plus the moderator, Deryl Holliday and the director of missions, Dennis Blackmon as "ex-offici" members.

This Committee would explore the possibility of raising enough money to pay off the debt on the Homeland property (about $80,000).

2. This Committee would also be asked to consider what use we could make of the Homeland Avenue property that would be in keeping with the stated purposes of the PBA.

3. If the Committee decides that it is feasible and wise to keep the Homeland Avenue property, they are asked to recommend a plan for raising the needed money to pay off the debt.

Several questions and comments were asked and offered and Vic Dowd called for the question. This was unanimously approved and Vernon Williams moved that Dennis Blackmon's motion be approved. Seconded and carried.

The Vision choral group then blessed us with music.

It was announced that the Program Committee needs invitations from our churches to host the PBA Semi-Annual Meeting on May 4, 1995.

A. L. Parker moved that we adjourn. A standing vote approved this motion.

Vice-moderator, Jay Love, offered the benediction.

March 14, 1995

The executive board of the Piedmont Baptist Association met on March 14, 1995 at Colfax Baptist Church. There were 54 members present.

The moderator, Deryl Holliday, pastor of First Baptist Church Summerfield, called the meeting to order and recognized the host pastor, Beauford Smith, of Colfax Baptist Church, who welcomed us and read the 100th Psalm and led in the opening prayer.

Copies of the minutes of the last meeting had been given to each one present, so reading of the minutes was dispensed with by common consent.

Dennis Blackmon, director of missions for the PBA, presented the treasurer's report in the absence of the treasurer, Monica Long. Dr. Blackmon discussed the budget, pointing out that several mission projects of the Association are funded by the Shubal Stearns Offering instead of through the regular budget. He encouraged all of our churches to at least take the offering, since there were several churches that did not report anything for this offering in 1994.

Austin Lovin, clerk for the PBA and a member of Friendly Avenue Baptist Church, was asked to take the chair while Moderator Holliday presented the report on the Homeland property. He briefly reviewed the history of our three-year effort to sell this building and concluded by announcing that the final papers had been signed that afternoon and that the building had been sold for $108,000. After all commissions and fees have been paid, the Association received a net amount of about $100,700. This will enable us to pay off everything and retain a balance of about $17,000. This money will enable the

Association to purchase several items that have been deferred because of lack of funds.

Dennis Blackmon rose to pay tribute the Shirley Barrick's extraordinary efforts to sell the building and suggested that it would be appropriate for a letter of commendation and appreciation be sent to her for her efforts. Wilson Stewart, pastor of Jessup Grove Baptist Church, moved that such a letter be written. It was seconded and approved unanimously.

The congregation was led in the singing of a hymn, "To God Be the Glory", by Boyce Humphrey, music director for Colfax Baptist Church. Robert Mott, pastor of Central Baptist Church, Oak Ridge, accompanied us at the organ.

Larry Thompson, pastor of Sumner Baptist Church, made the report on the Hispanic Mission. The Sumner Church is the primary sponsor of this work, with several other churches contributing financially or in other ways. Rev. Thompson asked for other churches to assist in this work. He also reported that the mission members had just completed a move from the Homeland building, that had been sold, to quarters provided by Lawndale Baptist Church.

David Duarte, pastor of the Hispanic Mission, spoke further about this move and expressed hope that they eventually would have their own building to worship in. He announced that they have worship services on Saturday afternoon and Sunday morning, following Sunday School. In answer to a question, he stated that he knew the pastor of the Hispanic Mission sponsored by the Union Grove Baptist Church near Kernersville in the Pilot Mountain Baptist Association. He explained that they kept in touch with each other, but that there is no close cooperation since the other work is in another association.

Dennis Blackmon praised the Hispanic Mission and its pastor.

Dennis Blackmon reported on a request from the Baptist Athletic Union, that promotes softball games and other sports among our churches. The city of Greensboro has been making it more and more difficult for them to use the city's ballfields, so they have asked that the PBA allow them to have the use of enough land on the Sharpe Road property for them to lay out at least three playing fields, and to eventually provide lighting for night games.

Dr. Blackmon stated that, in view of the fact that there is the possibility that a retirement home will one day be erected on this property, that we will have to proceed carefully in responding to this request. He suggested that a motion be made that would direct the Baptist Athletic Union to work with the PBA Recreational Council and the PBA Properties Committee with the view to coming up with a concrete proposal that could be brought to the Semi-Annual Meeting of the Association May 4, 1995, or to the Executive Board at a later meeting.

Larry Thompson moved that this be done. It was seconded and carried unanimously.

Clay Cook, member of Colfax Baptist Church and chairman of the

Housing Task Force, reported on their work. He stated that the PBA had leased a large house on Walker Avenue from HUD three years ago for $1 a year. Since then, the Association, with the help of volunteers, has extensively renovated and upgraded the four two-bedroom apartments in the house and has made them available to homeless families for limited periods of time until they could afford their own housing.

The renovations have greatly increased the value of the property and if we allow HUD to take it back when the present lease runs out in 1997, they will be able to sell the house for a sizable profit. Rev. Cook suggested that instead of allowing this to happen, that the PBA should buy the house for about $80,000 and continue to use it to help the homeless. He stated that his plans called for raising the money for the purchase apart from the associational budget.

Cecil Livengood, a member of First Baptist Church Greensboro, moved that a study be made to see if the purchase of this house would be possible and practical. It was seconded and carried.

In response to a question, Barry Nealy, associate director of missions for the PBA, reported that the Vietnamese Mission has grown from an attendance of about 100 to about 140 since moving into their new building about a year ago. They are already beginning to think about the need for more space. The mission also has a van which the pastor purchased for the church.

Clay Cook reported that the Crisis Center, located in the Magnolia Street Baptist Church building, is alive and well. He thanked the many volunteers who have staffed this ministry and supplied clothing and food to the needy. He told of receiving a call from a woman who was about to commit suicide. He was able to talk her into giving him a chance to get her some help. He was able to do this through the Pleasant Garden Baptist Church, where the woman had attended and was known by one of the staff.

The Moderator asked for invitations for the July 13 and September 12 meetings of the Executive Board. The First Baptist Church Summerfield invited the Executive Board for the July meeting and Rankin Baptist Church for the September meeting. This was accepted with thanks.

A. L. Parker moved that we adjourn. He was asked to lead in the closing prayer.

July 13, 1995

The Executive Board of the Piedmont Baptist Association met on Thursday, July 13, 1995 at the First Baptist Church Summerfield. There were 46 members present.

Moderator Deryl Holliday, pastor of First Baptist Church Summerfield, called the meeting to order and asked Roger Barricks, a staff member, to welcome those present on behalf of the church and read a portion of Scripture and lead in an opening prayer.

Herb Meadows, Southside Baptist Church and associational music director, led in the singing of a medley of well-known hymns.

Moderator Holliday suggested that we dispense with the reading of the minutes since everyone present had a copy of them. It was agreed upon by common consent.

Monica Long, associational treasurer and member of Rolling Roads Baptist Church, presented the treasurer's report. She stated that because the June income from the churches fell short of expectations, the Association had to borrow $2,100 from designated accounts to meet expenses. She expressed hope that a surge of income from the churches in July and August would more than take care of this shortage.

Dennis Blackmon, director of missions, also made an appeal to those present to urge their churches to come through with their contributions.

Monica Long moved the approval of her report, including an approval of the actions already taken of borrowing $2,100 from designated accounts. It was seconded and approved.

In response to a question, Dennis Blackmon reported that the Homeland building had been sold for about $108,000 and that this had been used to pay off the balance on the new building on Sharpe Road. There is a balance of about $19,000, which is earmarked for new equipment for the PBA office, but they are moving slowly on this until the total financial picture improves.

Dennis Blackmon introduced his report on the ministries of the PBA and called upon Barry Nealy, assistant director of missions, who began his report by telling of the need for churches to sponsor several Cuban refugees who will be coming to the Triad area soon. The cost for each refugee would be about $500.00. In addition, they will need help in finding housing, taking care of legal work, transportation, and help in finding a job.

Barry Nealy then spoke of housing for the homeless, He explained that this program is designed to help a homeless person to move to the point where they can rent their own apartment. To do this, they must have some kind of income and part of what they pay for our housing is accumulated for their use when they are ready to rent their own quarters. Several families have already done this.

He reported that the Crisis Ministry, which furnishes clothing and other household needs to the poor, is still in operation with about twenty volunteers helping out in one way or the other. He said there is still a need for more volunteers.

David Duarte, pastor of a new and growing Hispanic mission church, told about a Fathers Day program and dinner which thirty-five people attended. He hopes to have forty or more children for their Vacation Bible School.

Audrey Womack, director of Multihousing Ministries, told of several ministries already in operation in apartment complexes. "Rosey" told of a ministry at Sixteenth Street Baptist Church. She said that eighty-five people were enrolled, nineteen of them from Sixteenth Street Baptist Church. "Rosey" had a cart with food on it for the needy and she spoke about dealing with family problems.

Dennis Blackmon commented about the many ministries now being carried on through the PBA and he paid tribute to the many volunteers who do most of the work.

He then told of Pastor Vo, of the Vietnamese Baptist Church, and of his desire to return to Vietnam for a month's visit. It will cost about $6,000 and he appealed to those present to help him raise the money for the trip.

Reginald Cook, assistant chaplain at the Guilford County Jail, reported on the jail ministry. He said that he cannot keep enough Bibles because the demand for them by the prisoners is so great. He asked for money for Bibles. Gerald Primm, retired pastor of Eller Memorial Baptist Church, offered to get him at least one hundred Bibles as soon as possible. Reginald said that he has already given away five hundred Bibles. He mentioned that a group of men from Friendly Avenue Baptist Church have been going to the jail each Saturday. He also reported that thirteen former prisoners are now preaching the Gospel.

Dennis Blackmon spoke about the Bill now before the State House of Representatives for a state lottery and urged us to write our state representatives, asking them not to support this Bill. A. L. Parker and Gerald Primm also spoke on this issue.

Shirley Barbee told about the ministry to international students.

Ed Roberts, Lawndale Baptist Church, spoke enthusiastically about the blessings he received as a member of a mission team that went to Brazil.

There being no old or new business to be considered, A. L. Parker moved that we adjourn. Seconded and carried.

Deryl Holliday led in the closing prayer.

September 12, 1995

Rev. Jay Love, Vice Moderator, called the meeting to order in the absence of Dr. Deryl Holliday. Rev. Richard Poindexter, host pastor, was asked to lead the group in worship. He welcomed the executive board and then read from the first chapter of Proverbs. After a brief commentary, he led the group in prayer. Everyone was invited to refreshments and fellowship following the session.

Mrs. Monica Long brought the financial report. It was approved. She noted that receipts were low, about $5,400 below budget. However, expenditures for August were also limited so the actual shortage equaled about $1,000. Still, the reserve fund had already been reduced from the normal $25,000 to under $4,000 so the churches were urged to increase giving and send any funds that are due for the present month.

Her report of the Shubal Stearns offering indicated that it also fell far behind prior years. Only 18 churches and one mission participated. Other churches need to understand that this offering supports all mission ministries.

Some of these will have to be limited or even discontinued if the offering does not reach a higher level. Churches that have not taken this offering were asked to receive it at least on a single Sunday morning.

The 1996 budget was considered as printed in the agenda. This includes a 4.9% increase from the prior year and totals $339.570.81. The executive board voted to recommend this budget to the Association in its annual session without modification. Again, note was made that giving must increase in order to meet the costs of such a budget.

Rev. Ted Goslen was invited to speak to the group about home mission work through his ministry as pastor of the First Baptist Church of Waimea, Hawaii. He invited our churches to send a construction team in early 1996 to frame a two-story building for the church. The upper floor will house the pastor's family. This will save the church about $10,000 a year in rent. Bible study classes are now meeting under a tarpaulin, sometimes in temperatures of 40 degrees. Ted grew up in Lawndale Baptist Church. Lawndale will spearhead this effort and invites other volunteers to help. Further information is available through Barry Nealy at the PBA office.

Barry Nealy told the group that the PBA partnership committee recommended earlier this year that the Association would support individual church teams for evangelism and building since no funding was given toward a second Brazil chapel project for 1996. The 1995 team built a chapel in Osorio, Brazil. The Association provided money for materials as part of its agreement with the Brazilian Home Mission Board. It would require $9.000 to repeat such a project for next year, but the Shubal Stearns offering has not even met costs for local ministries. It cannot fund a building. Other churches sending partnership teams are Guilford and Immanuel. Guilford plans to send a large team in November to Porto Allegre, Brazil for both construction and evangelism. Immanuel sent Winfred Gallimore to Brasilia, Brazil to lead a building team in late August. He has agreed to lead one or two annually and would be happy to have others go with him. Contact can be made with Barry Nealy on any such effort.

Dr. Dennis Blackmon added that we are doing these things to fulfill the Great Commission. All the ministries PBA has begun since 1988 are in jeopardy unless our vision matches the Lord's intention for us. God continues to open doors for service. He also gives resources to meet needs. Our management has been good, but ministries increase while funds are decreasing from churches. We face a time within about one year in which we must choose to either give more toward these ministries or reduce the work we do. This is a critical time for decisions about our Association.

The executive board members for 1996 should be elected by their churches now to begin serving at the meeting January 18, 1996. Dr. Blackmon encouraged churches to specify who will serve and inform the PBA office of names and addresses. A form was mailed with the Annual Church Profile for this purpose. Clerks are urged to return this along with other information. Churches volunteered to host the executive board for 1996 by the following schedule:

January 18, 1996	Pleasant Grove Baptist Church
March 12, 1996	Magnolia Street Baptist Church
July 11, 1996	Colfax Baptist Church
September 10, 1996	Northside Baptist Church

Information was shared related to plans Pastor Hoa Vo has to visit Viet Nam with his wife to see their parents after 21 years in America. They hope to return to Viet Nam in early 1996. Pastor Vo intends to share the gospel and preach while there. We need to pray for his safety and success. Southside Baptist Church is sharing his expenses. Churches or individuals can designate offerings for Pastor Vo and send them to PBA or to Southside.

Rev. Gerald Primm urged the group to conclude with a prayer time for strengthening the Association. Rev. Love agreed and asked Brother Primm to lead this concluding prayer. Afterward the group was dismissed for fellowship.

ORDINATION COMMITTEE

The Ordination Committee met once in 1995. Dr. Deryl Holliday, pastor of First Baptist Church Summerfield requested the committee examine Roger Barricks. Roger had worked with their senior adults for over twenty-seven years.

On April 13 the committee met at First Baptist Church Summerfield with Gene Lawhorne, chairman; Daniel Lowe, Deryl Holliday and Roger Barricks present.

Roger was examined at length concerning his salvation experience, call, doctrine, his personal Christian growth, family, knowledge of denomination, and other areas considered essential to the life and work of an ordained Baptist minister. Following this time of sharing and questioning, Daniel Lowe very highly recommended that First Baptist Church proceed with the ordination, which the committee did.

Roger was ordained as Minister to Senior Adults on May 7, 1995

WHAT IS AN ASSOCIATION

There are many different definitions of an association. Without being too technical let us just say that **an association is churches in a specified area doing the things that Christ created the church to do.** To that it could be added that the churches do this voluntarily. They do it cooperatively.

The book of Acts and the letters of Paul frequently refer to the church at Jerusalem. However, a careful study of the "church" at Jerusalem reveals that it was more of an association of churches than a church. The real fellowship, praying, Bible study, and ministry, as well as evangelism took place in the homes scattered all over the city. Today we have church buildings all over the city. Acts should serve as a model of the association as much as a model of the church.

WHO NEEDS THE ASSOCIATION?

That question is asked, but not as frequently as people ask who needs the church. The difference is really in who asks the question. Seldom do members of the church ask, "who needs the church." Almost never do leaders of departments or classes or groups within the church ask "why do we need the rest of the church anyway." Or, put differently, "what do we get out of being members of this church." Such questions could be the beginnings of a church split. They certainly represent strained fellowship whether division ever results or not.

Going back to the Jerusalem model we can recognize that the questions are just as destructive on the associational level. As churches become larger it is not possible to know and have close fellowship with all members. The voice of each leader becomes weaker. Organization becomes more complex. Change takes longer. However, large, strong churches have a lot of advantages. All of these things are true of associations.

Who does need the church? Obviously, every born again child does. Who needs the association? Every Baptist does. If we are going to impact our city the way the church scattered over Jerusalem impacted Jerusalem, then the church scattered over Greensboro and Guilford County must recognize that we need one another. We can do more together than we can separately.

DIRECTOR OF MISSIONS
Dennis Blackmon

God continues to work in the midst of PBA churches. He continues to give His people enlarged visions. He continues to provide the power and the resources to make the visions a reality. Praise God from whom all blessings flow!

God continues to lift churches to new heights. Lawndale and Pleasant Garden both finished the year with more than 600 in average Sunday School attendance, record highs for both churches. Hunter Hills had 121 baptisms for the year while Willomore had 65. God is so good!

God continues to open doors of opportunity. The opportunity to minister to Cuban refugees recently opened. Several families have come into the area sponsored by PBA churches. Some are Baptists who are already making a contribution to the Hispanic mission. The door for Vietnamese refugees has remained open and many Vietnamese have come during the past year. Both the Vietnamese and Hispanic missions have continued to minister to the physical, cultural, and spiritual needs of people. Many are learning of Christ's love and grace and are responding to the gospel.

God continues to use PBA churches to take the gospel to others beyond Guilford County. During this last year God had led PBA churches and members to minister in many states in the U.S. and a number of foreign countries in Eastern Europe, Asia, Central and south America, and Africa.

God continues to develop leaders in our churches. The associational All Church Leadership Training continues to be a blessing to our churches. Even though fewer churches participated this year than in the past, more than 300 people participated. The training for VBS workers this year was the best in the Association for many years. Many churches continue to do an outstanding job of training and discipling within their individual churches.

God continues to use some well proven approaches to bringing people to Christ. VBS was well used and used creatively by Sharpe Road Baptist Church. they had 3 schools, one with their summer child care program, one off site, and one with the church that combined the SBC curriculum with the Market Place curriculum. Other churches returned to a daytime program with similar attendance to the nighttime program. nut they reached a lot more unchurched people from the community. God provided all the workers they needed.

God continues to do a great work in and through the churches of the PBA. Some of the churches that were down and discouraged a year or two ago have seen God moving in their midst once again. Some have struggled during this year. God is still on His throne. He still has all power in Heaven and in Earth. He can still bring dry bones to life. Let us pray for our fellow strugglers who are experiencing fewer victories. Let us encourage them to press on. The wind of the Spirit can still bring new life. Let us not just pray and encourage, let us also extend a hand. ***God continues, Praise His Holy Name!***

ASSOCIATE DIRECTOR OF MISSIONS

Barry Nealy

Our churches have seen a year of harvest from their investments in evangelism and new churches! Most of our leaders are enthusiastic for the work we planted last year in Bethany Mission and the Hispanic Mission. Both now average over 40 in worship attendance every week. Both have warm, tireless pastors who are sharing the gospel, nurturing new converts and leaders and continuing to school themselves in ministry skills. Our Vietnamese Mission is still developing and has outgrown their building erected by PBA volunteers just two years ago. I praise the Lord for allowing me to guide and support these works of love in Christ's name.

At the same time, people are coming to Christ through multihousing satellite churches. These churches worship outside the traditional buildings of their sponsors in mobile chapels or clubhouses owned by the apartment community. They sponsor various activities in recreation, children's activities and support groups for residents of apartments or mobile home parks. This type of approach began in our Association five years ago and is producing new believers at a record pace now, with about 60 converts this year. With time, wisdom and effort all these satellites will produce effective witnesses for Jesus Christ. I thank the Lord for Audrey Womack and her enthusiastic leadership in developing these ministries. We witness answered prayers constantly in these arenas.

Our housing ministry and crisis center continue to help people meet their basic needs and share Christ. Clay Cook of Colfax leads these efforts. We recruited and trained over 20 volunteers who serve regularly. Scores of families were assisted. Only the Lord can put such personal resources into His work. My part is simply praying, contacting and training these leaders. Thank you for your mission support through Piedmont Baptist Association.

Thanks also for sending a construction team to Osorio, Brazil in May. I was a team member and received a boost from seeing first hand the hard work and strong witness of those who went. PBA gave $7,500 for buying materials in our partnership with the Brazilian Home Mission Board. Our team was top notch. There were none better among the ten I have worked with in the past.

CHURCH COMMUNITY MINISTRIES

The following churches served as sponsors for multihousing ministries in 1995: Lawndale, Calvary, Pleasant Garden, Willomore, and Sixteenth Street. The multihousing communities being touched by the love of Christ included Applewood Apartments, Clayton Estates, Coliseum Motel, Hidden Forest Estates, Random Woods Apartments, Bradford Green, Lakespring Courts, Smoketree Apartments. Various on-site activities included weekly Bible Study and worship, Backyard Bible Clubs, evangelistic visitation, cookouts, crafts, recreation. Seven additional churches were presented the concept of multihousing ministry and encouraged to serve as sponsors.

The greatest news of all is the 60 souls who prayed to receive Christ as their personal Savior! There are thousands more lost souls in our city waiting to hear the Gospel of Jesus Christ. I ask that pastors, church staff, missions leaders, deacons, and the church body as a whole in this Association allow me the opportunity to share with your church the concept of multihousing ministry and then seek God's will in this for your church. People truly need the Lord.

Audrey Womack, Director

CHAPLAINCY MINISTRY

Guilford County Sheriff's Department
Beauford R. Smith, Chaplain

The election of B. J. Barnes as Sheriff has brought about a year of change. After meeting Sheriff Barnes, he said, "I appreciate the Chaplains being here". He is very receptive to our work.

Thousands of people have entered the doors of the Guilford County Jail this year. 10,128 people have been booked into the Greensboro Jail and 4,906 people have been booked into the High Point Jail. The Bible describes this situation, "For wide is the gate and broad is the road that leads to destruction and many enter through it." (Matthew 7:13 niv)

The distribution of hygiene items, tracks, reading material, Bibles, pencils, paper and envelopes continues to open the way to share Jesus Christ with inmates. This year the Chaplain's office has provided over 4,700 hygiene items to 1,122 inmates, distributed over 500 Bibles and mailed 775 letters for indigent inmates. Over 500 decisions have been made for Christ (God has the true figures). All of these services are made possible by the churches of the

Piedmont Baptist Association. We thank the churches and their members for their prayers and support.

The Chaplaincy Ministry continues to supervise the Alcoholic Anonymous and Narcotics Anonymous Programs to help the inmates overcome their addiction. Another program has been added this year; The Reading Connection, which helps inmates prepare for their GED.

The departmental newsletter continues to be a vital part of sharing God's love and concern for all.

I am thankful to all the volunteers who are so faithful to come to the jail every week and share with the inmates a message of encouragement from our Lord and Savior, Jesus Christ.

Last, but not least, I am grateful to the churches of the PBA for the opportunity to serve as chaplain at the Guilford County Sheriff's Department.

Reginald Cook, Chaplain

"Praise God For Another Year"

As I began to look back over the past year. I can remember many things. I can remember some good things and some bad things, but life must go on whether it's good or bad.

To reflect on some good things, I remember when I sat down and led a young man, whom I didn't know, to our Lord and Savior Jesus Christ. This young man was ready for a change. Before I could explain how a person can be saved, he said, "I want to be saved". He accepted Jesus Christ as his Savior and immediately wanted to know how he could learn more about Jesus and where he could go to school or college to do this. It is great news that this man accepted Jesus as Savior but it is also special because he was a believer of the Islamic faith for many years.

Chaplain Smith led a young lady to Jesus Christ. During the conversation he found out she was living with a man but they were not married. She called the man and told him unless they got married while she was in jail, she was not coming back to live with him. A few weeks later they got married.

Yes, God is still blessing the Jail and Prison Ministry through the churches of the Piedmont Baptist Association.

Over the years Outreach Baptist Church has received some of the fruits of the Jail and Prison Ministry. On the first and second Sunday an ex-inmate comes and plays our piano and leads the music. Another ex-inmate comes and visits our church regularly.

On Sunday morning at Sandy Ridge Prison, we have an ex-inmate who leads some of our services and other ex-inmates who come just to be in the worship service. Many of the ex-inmates tell us that they come back to show others that Christ really works.

I feel God is pleased with the churches of the PBA for providing the ministry to those who are behind bars. When a person is behind bars he or she is suffering, but the suffering is better when they see someone cares for them. I feel God is pleased every time a person gets saved who is behind bars.

Thank you PBA and all the churches for letting me serve as Chaplain; I love being a chaplain. Thanks to the PBA staff for all of their love and support.

"Chaplains Go Where The Church Cannot"

"Chaplains go where the church cannot" is the Home Mission Board Theme for the Chaplaincy Division this year. Can you imagine as a church member going out to a site where the Bomb Squad is training or going behind closed doors where officers are being debriefed after a shooting incident. Think of a church member being called to the hospital when an officer is injured or perhaps an officer is involved in a critical situation that is so unsettling that a supervisor asks you to check on the officer and his personal well being to see if you can assist. Who can walk into the work area of detectives or the crime lab staff to say, "Hi guys, how's things", and to hear, "Chaplain, we're glad you came out with us today."

"Chaplains go where the church cannot." Intervening in these situations is the work of the Chaplain-and does not God have a message for these officers and the civilian staff who support them? Does not God have concern and care for the stress, emotional and spiritual needs of these people who govern under his authority? As willing as we would be to go, the church at large does not get a chance to minister on a call to a domestic squabble or to the neighbors at a murder scene.

As concerned as we are for these individuals, as much as we would like to help, as willing as we would be to go, when would the church get a call to go?

"Chaplains go where the church cannot". The church does go, through the chaplain whom they place in the department. The chaplain is allowed on the scenes, because along with his skills and training, the department prepares him to be there on their behalf. The chaplain can do his work of supporting the officers while they protect the community.

The church cannot be there when an officer is investigated because of unfounded complaints, when the defense attorney turns the trial from the accused to allegations of incompetence of the arresting officer. When the daily duty of dealing with man's inhumanity to man becomes to much for one to bear, the chaplain is there.

The chaplain is there, present in the department, immediately available. His training specializes in the concerns and needs of the law enforcement family, offering them a benefit that is not to be found in any other setting. The police chaplain is there with his particular gifts and skills to minister to these folks in the aftermath of their experience. Some accept only friendly greetings, others plummet the depth of their pain and spiritual quests. Often the "whisper" of the gospel is heard in these occasions.

"Chaplains go where the church cannot." People are helped, lives are improved, marriages are rescued, and occasionally a soul finds peace with Christ. Piedmont Baptist Association is to be commended for the care and concern out of which this ministry was born, developed and continues to be sponsored.

Thank you for allowing me to be your ministry voice to the Greensboro Police Department.

"Chaplains Go Where The Church Cannot!"

Sandy Ridge Prison
David Fleming, Chaplain

The churches in the PBA continue to be actively involved in the Prison Ministry.

Your personal witness, your giving and outreach has led several to Jesus Christ. Because of your presence, prisoners have received Christ, rededicated their lives, and now live a law abiding lifestyle.

During the past year our ministry provided 93 worship services, 50 Bible studies, and 35 Gospel Sings.

Several churches provided cook-outs, ballgames, cosmetic items, food, clothing, shelter Bibles and religious materials.

A special staff appreciation cook-out and Gospel Sing was provided at the PBA picnic area. This was a wonderful opportunity to witness and share God's love with the prison staff.

In my personal ministry, I counseled with inmates, staff, and families. I visited the hospitals, attended funerals and performed several marriage ceremonies.

Our presence and personal witness led 9 men to Jesus Christ, 22 men rededicated their lives to God and some were released and returned to Sandy Ridge as ministry volunteers.

Our highlight each year is always the Christmas project which provides gifts for inmates and their children. Churches are asked to provide wrapped gifts which are distributed to the inmates on Christmas Eve. This service is a great witness opportunity and we usually have 100% attendance.

During the Christmas Eve service we sing Christmas Carols, share testimonies and have a devotion. Men who do not regularly attend church will participate in our Christmas Eve service. This is another great opportunity to witness and we thank all of you who help with this project.

If your church is not involved in Prison Ministry, why not begin your ministry at Sandy Ridge Prison this year.

We encourage you to become actively involved in prison ministry. I am available to share this outreach opportunity in your church; call me, 294-3605.

"Love your neighbor as yourself"

MISSIONS DEVELOPMENT
Barry Nealy, Director

Our Missions Development Council has several components. Each person on the council takes responsibility for a ministry area. The council coordinates all PBA ministries whose reports are printed below. Rev. Ken Kelley promotes missions development in our churches and is available to train a council for your church. He trains church missions leaders at our All Church Leader Training each year, but stands ready to go to any church asking for training. Other leaders are reporting on their ministries in the following paragraphs.

Our new churches (called missions or mission churches) are coordinated through this council, although each one has a sponsoring church. Our current mission churches include Bethany (an anglo mission in the Julian area, sponsored by Pleasant Garden), Vietnamese (sponsored by Southside), and Hispanic (sponsored by Sumner & co-sponsored by South Elm Street and Lawndale). A number of refugee families have settled in Greensboro through sponsorship of the churches of our association [four Cuban families & twelve Vietnamese families]. Bethany Mission has purchased land and moved into a temporary chapel provided by the Baptist State Convention. The Vietnamese Mission now overflows their recently constructed building with an average worship attendance of over 120. The Hispanic group leaped from attendance of 12 to averaging about 45 just from August until October! They will soon organize into a mission church. We praise God for their progress during the past year!

International Ministry

There continues to be an increased involvement with people of different nationalities and cultures in the PBA, which provides us one of our greatest mission opportunities within easy reach and with minimum obstacles. While a different approach must be used than in our witness to American contacts, as Paul said in 1 Corinthians 9:22, "We can be made all things to all men, that we might by all means save some."

In addition to the on going work with different ethic groups who live and work among us, the Association continues to sponsor activities directed to internationals who study in our colleges and universities. Elon College, which was included in contacts during the passed year, brings the total to 7. Approximately 40 families, or single individuals, "adopted" more than 70 internationals with whom they could build bridges of understanding and offer Christian encouragement or a witness. Sixteen different churches were represented by these.

In addition many more churches have given support to the activities each second Friday of the month in the Greensboro First Baptist gym, or to one of the four major social events of the year. Supplying transportation to the state fall or spring retreats, sponsored by the N. C. Baptist State Convention is yet another way needs are met, along with helping to locate necessary apartment furnishings for students who cannot live on the campus. One church, Pleasant Garden, gave a generous donation to supplement money from the Shubal Stearns Offering which helped to purchase the many Bibles and Scripture portions that are distributed at the different events.

At the request of some international student wives, an English class using the book of Mark from the Bible was conducted weekly during the spring semester at College Park Baptist Church by the help of volunteers from four churches to teach the eight who attended. There is a need for this to continue.

Members of several churches expressed love and sympathy to a Nigerian student, James Keku, whose father, a retired Baptist minister, came here for surgery but did not recover. They also gave financial help to send the body home for burial.

Two high lights of the year were the participation of several nationals in the Baptist Women's World Day of Prayer program in November, and the Thanksgiving Banquet attended by almost 250 from 34 different countries with a wonderful program by the sign language troupe, Handmade.

A council of twelve members representing ten different churches meet each quarter to plan the activities to be conducted with the students. Three council members, whose service was greatly appreciated. have withdrawn during this year. These were: Martha Lou Pearman, (Lawndale), Betty Hamilton (Guilford), and Larry Thompson (Sumner). New council members are: Shelia Flynn (Lawndale), Ladel Kay (Guilford), and Larry Jackson (Pleasant Garden).

Orientation sessions have been offered to prepare volunteers to become involved in this ministry. MORE HELP IS NEEDED and Mary H. Odom at 668-2338 will be glad to inform you of the wonderful opportunities to allow "Your love for all people to grow more and more". Thessalonians 3:12.

Mary Odom, Coordinator

Crisis Center Ministry

The Crisis Center Ministry has been in operation since June 1994. We are thankful to Magnolia Street Baptist Church for the use of their facilities for this ministry.

We have experienced much growth since our beginning. We have been able to help many families who would not, otherwise, have any food and clothing. Our largest month was this past July when we had 20 families to come through the Center. However, physical food is not our only concern. We want to provide Spiritual food as well. We have many opportunities to witness and tell them about Jesus Christ. We have seen several accept Christ because of our witness. We praise the Lord that we have been given these opportunities to witness to these people.

The only way we can continue to give aid to people in need is with your help. Thanks to the 18 faithful volunteers who are dedicated to the task of assisting at the Center. To the churches who continue to support us with food and gifts, we thank you.

Please continue to pray for us and that God will send us more volunteers. Pray also that God will continue to use us to help those who are in need.

Clay Cook, Director

Homeless Housing Task Force

The Housing of Homeless families is still going strong. All of the units at 1813 Walker Avenue are filled at this time. So far, as a family is ready to move out, the Lord sends another to fill the vacancy.

The only way we can succeed in this project is with the help of the entire associational family. We want to take this opportunity to say *"Thank You"* to the many volunteers who have so graciously given of their time and skills to do the repairs and cleaning needed from time to time. Also for your gifts of needed furniture and other items, we thank you.

It is the desire of many in the Association to purchase this property at 1813 Walker Avenue. We were given the "ok" by the Executive Board to study the possibilities of purchasing this property. We have pursued several avenues and some seem to have closed, yet, we feel this is what God wants us to do in order to provide housing for the needy and help them take their place once again in society.

Please pray that these avenues will open once again and we will be able to purchase this valuable property and that someone will come forward who will help provide the funds needed to purchase this property.

Clay Cook, Chairman

Overnight Hospital Emergency Ministry

There has not been much activity in this program this year. The ministry is still available at the local hospitals to anyone who needs assistance due to a family illness. I think this is a good ministry to have and is a real blessing for those who need the assistance.

Ernest Jones, Director

LITERACY

In Guilford County there are 35,000 adults who struggle with basic reading and writing tasks in their everyday living and working. You are not likely to find these folks in your church, because 90% of them never attend church. Church, with all its reading of bulletins, hymns and Scriptures, is simply too intimidating. The functionally illiterate adults in our community are generally hardworking, family-oriented people who often come from family and life situations that made it impossible to learn to read well as a child. These adults have difficulty reading to their children, filling out a job application, or reading the daily news. The Piedmont Baptist Association and its member churches assisted functionally illiterate adults this past year by providing easy-to-read copies of the Bible, by recruiting volunteers to serve as one-to-one tutors, and by opening up their facilities for training and tutoring. If you would like to become involved in this effort, please call Terry Portis at Reading Connections, 230-2223.

Terry Portis, Director

CHRISTIAN LIFE COUNCIL

During 1994-95 the Council continued to work on the staffing of the various study-information task forces. With this effort The Sanctity of Human Life Task Force is being active while continuing to achieve full staffing, with Kimberly Schimmel as it chairperson. The Educational Task Force has been stalled during most of this year. The "ISSUES" newsletter as an insert to THE CHALLENGER continued to be a target, but we just didn't have enough staff to do it during 1994-95.

Your Council was very encouraged by the attendance at the Christian Life session at the All Church Leadership Training Conference. There were 16 persons present representing 9 different association churches.

Remember, the focus of the Christian Life Council continues to be one of establishing study-information groups. These groups are to provide information our associational members would use to become involved in issues of a moral and ethical nature effecting families and their welfare. The Council encourages members of PBA churches to become involved by indicating an interest to be considered as a task force member in one of the following areas (which are non-prioritized):

Sanctity of Human Life
Gambling (Lottery)
Sexuality
Race Relations
Drug and Alcohol Abuse
Family Issues
Educational Issues
Health and Medical Issues
First Amendment Issues
Social Welfare and Justice
Ecology
Cults and Demonology

The Council expresses best wishes to William Claffey and Arnold "Butch" Culbreth, Jr. who found they just did not have time to be contributing members; and to welcome Lisa Harris (Mrs. Randy) of Hunter Hills Church.

Dee Willis, Chairman

STEWARDSHIP

God has blessed our Association greatly over the years, spiritually and physically. We appreciate the loyal support of our churches and would like to challenge our churches to continue their support and if possible, increase their financial giving as there are many needs in our Association's area. Giving is the result of being a child of God not because you are a child of God. We give ourselves first and then our resources. In Acts of the Apostles, Chapter 1 verse 8b it says, "Ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria and unto the uttermost part of the earth". Notice Jerusalem is listed first, that is Greensboro/Guilford County.

Last September Randy Minix led a training session for pastors and staff regarding how to handle their particular tax problems. During the ACLT sessions September 18 and 19, 1995, we will have training sessions for lay workers, treasurers, finance, and stewardship personnel led by lay people from some of our churches.

I would like to urge you to send in your Shubal Stearns offerings as our local missions are supported totally by this offering.

Thank you for your generous support of the Piedmont Baptist Association.

Wade Wylie, Director

EVANGELISM

HERE'S HOPE SIMULTANEOUS REVIVALS

The Here's Hope National Evangelistic effort has two key parts:

1. To lead 10% of the average Sunday School attendance in Southern Baptist churches to share the Gospel sixty times in sixty days, January 9-March 9, 1995.
2. To deliver the message of hope to the lost of our nation through simultaneous harvest revivals, March 12-September 30, 1995.

The Piedmont Baptist Association voted that the date for our Associational Simultaneous Revival would be April 2-9, 1995

The calendar of events for the PBA was as follows:

January 21	Associational People Search
January 29	Soul Winning Commitment Day
February 1	One Day Witness Clinic
February 5	Begin 60 day Witnessing Campaign
February 20	Associational Evangelism Conference to train local church revival committee chairmen

On October 14, 1994, a letter was mailed to all pastors in the PBA encouraging them to put the dates of April 2-9, 1995 on their church calendars, secure an evangelist and singer, and review the revival materials already provided for their church in preparation for the upcoming Here's Hope Revivals.

The Evangelism Conference on February 20, 1995 was hosted by Lawndale Baptist Church. The guest speaker for the Kick-Off Rally was Rev. Larry Wynn, pastor of Hebron Baptist Church in Dacula, Georgia. The Rally was designed to aid all churches in preparation for their revivals. The following workshops and conference leaders were offered:

Pastors Class	Dr. George E. Worrell
Family Matters	Dr. Nicholas Holman
Fellowship	Rev. Jack Morris
High Roaders	Rev. Ron Hill
Praise Worship	Rev. Don Shelton
Prayer Triplets	Dr. Lawrence Clapp
Special Events	Rev. David Horton
Tele-Marketing	Rev. Mark Ball

Our records indicated that 27 churches in the PBA participated in the Here's Hope Revivals.

ALL CHURCH LEADERSHIP TRAINING-September 18-19, 1995

The Evangelism Council, chaired by Dr. George Worrell, offered a "Dialogue With Pastors" at the All Church Leadership Training. The dialogue workshop was well attended and offered insight to many of our pastors and laymen in the Association.

The Evangelism Council has already met to discuss plans for 1996.

George Worrell, Director

WOMAN'S MISSIONARY UNION

The year 1994-95 has been an exciting one for missions education and growth in our Association. WMU leaders within the various churches and those on the WMU associational council have striven to focus on the new changes within the WMU organizational structure which will become effective October 1, 1995. The transition from old to new promises to be beneficial to WMU members, as we begin a major emphasis to involve Christians from all walks of life in missions. The year 1995 has truly been for us "A Time to Grow". Growth always involves change; we eagerly look forward to that which God will do through and in us in 1996. At the same time, we praise Him for the growth that has occurred this past year in WMU.

The Baptist Women's World Day of Prayer was held November 7, 1996 at Immanuel Baptist Church with 160 ladies from 23 churches in attendance. The theme for our program centered on water, and its physical and spiritual aspects for women in different parts of the world. International students from local campuses and an exchange student from Russia attended the meeting. Some of the international students participated in the program by acting out ways women use water in various countries around the world. Helen Ledford, artist from Central Baptist Church, opened our meeting by drawing a visual pertaining to "Living Water", Penny Bethea, member of another denomination, provided our special music, and Shannon Wyrick from Sixteenth Street Baptist Church, delivered the scripture lesson. An offering of $914.36 was taken that evening for the work of the women's department of the Baptist World Alliance. The women brought 369 bottles of deodorant to the meeting. These bottles were sent to the N. C. State WMU office and were placed in a Christmas gift box with other items and given to the women prisoners at the Raleigh Correctional Center. The GA's in our Association collected bags of hard candy for this same project and brought them to the Fall Fling on November 19, 1994, at Sharpe Road Baptist Church which featured a missionary from Kenya.

On January 20, 1995, Barbara Joiner, author of Count It All Joy, spoke to our Acteens at Pleasant Garden Baptist Church, encouraging them to become involved in missions more deeply by becoming "Activators". Barbara also spoke at a WMU brunch the next morning at Pleasant Garden Baptist Church. There were 228 ladies in attendance.

Our Focus Week Banquet was held at Florida Street Baptist Church on Tuesday, February 14, 1995, with Phyllis Foy, specialized worker, as the featured speaker. Phyllis spoke to the 300 in attendance about our attitude toward missions involvement.

The annual meeting was held at Parkway Baptist Church on March 20, 1995 with 110 ladies attending. At this meeting the associational WMU leaders were elected, a budget approved, and an inspirational program given. Debbie Wright of South Elm Street Baptist Church provided the special music, and former associational WMU director, Pat Kirkman, delivered a challenging message.

The GA Spring Fling was held at First Baptist Church Summerfield on April 7-8, 1995. Thirty-seven girls attended this sleepover. The GA Mother Daughter Retreat was held at Mundo Vista on May 26-27, 1995 with 120 mothers and daughters in attendance.

Our Mission Friends leaders met on February 28, 1995 and again on April 24 to plan the day camp. The speaker for the day camp held at Friendly Avenue Baptist Church on May 20, 1995 was Evelyn Hill, former missionary to Thailand.

Acteens met at Friendly Avenue Baptist Church on April 29, 1995 for a brunch and the guest speaker was Evelyn Hill.

Baptist Women and Baptist Young Women met at Lawndale Baptist Church on July 18, 1995 to participate in a prayer retreat led by former missionary to Zambia, Ruby Fulbright. There were 76 women in attendance. Special prayer was offered for the WMU director at Rolling Roads Baptist Church, Emmette Brown, who was critically ill with cancer. She soon went home to be with the Lord.

Fall Leadership Training was held at Sixteenth Street Baptist Church on August 28, 1995, with emphasis being made on "Risking the Journey". One hundred and thirty ladies attended the training sessions.

Joellen Stewart led a tutoring seminar for 35 people at Friendly Avenue Baptist Church on September 7-9, 1995. Fourteen hours of training was given and participants who completed the entire course received Home Mission Board certification to tutor. Our vision is that tutoring ministries will spring up all over our Association.

Having experienced growth in quality and missions involvement this past year, we now look ahead to the new year. We are enthusiastic about the "new" WMU and we are willing to "Risk the Journey" in 1996. We praise the Lord for every life that has been blessed as a result of our efforts this year as we tried to follow the leadership of the holy spirit.

Patricia S. Frazier, Director

BROTHERHOOD

There is a lot of Brotherhood/Baptist Men's work being done in the PBA. In addition to just meeting, eating, and fellowship, Baptist Men are getting involved in "doing" missions.

Examples are winterizing a home for a church lady with limited income; roofing a home for an elderly couple; helping to winterize and upgrade the cabins and other buildings at Camp Mundo Vista. Two PBA churches are building Disaster Response Units. These will be outfitted with chain saws and other equipment to respond to areas hit by hurricanes or tornados.

Members of our Baptist Mens groups are also being trained to work in the Baptist Men's feeding unit that responds to calls at major disasters. Men and their wives also responded to calls for three and four day disaster response teams to go to places like Florida, Georgia, and Alabama in recent days.

There are almost unlimited ways that Baptist Men can become involved in missions. The key word to a successful Baptist Men's organization is *"involved"*. We have too many "meetings"---not enough "involvement".

Bill Perdue conducted an excellent RA conference at the recent PBA All Church Leadership Training Conference. It was so good, we will do it again soon. We want RA's in every church and Baptist Men taking the leadership role.

Brotherhood/Baptist Men leaders should be subscribers to MANDATE, a quarterly video dealing with missions. They make excellent "starters" for your meetings. Also, you should have a copy of NORTH CAROLINA BAPTIST OWNER's MANUAL. This has a program suggestion for every month 1995-96. Order these by calling 1-800-395-5102.

May we help you? Bill, myself and others are ready and willing to help you organize Baptist Men or RA's.

Ed Roberts, Director

SUNDAY SCHOOL

This past year has been a productive year for Sunday School work in the Piedmont Baptist Association. There were two primary training events sponsored by the ASSISTeam. In the spring a successful Vacation Bible School clinic was held at Florida Street Baptist Church. This fall we participated in the ACLT (All Church Leadership Training) hosted by Southside Baptist Church. Attendance was very good at both these events and the training offered was well received.

One of the best ways to receive training continues to be inviting one or more members of the ASSISTeam to lead a training event in your church. All our leaders are very capable, each being a specialist in their age-group or area of ministry. This past year, our team members have led conferences in a number of our associational churches. Feel free to utilize these gifted leaders in helping your people be successful in their service to Christ.

This coming year the leadership of the ASSISTeam will be passed to the capable hands of Dennis Woods. Dennis is the director of Christian Education at Friendly Avenue Baptist Church. I am sure Dennis and Team will be ready to assist you in any way.

Mark Gray, Director

MUSIC

I want to start this report by thanking those in our PBA churches who have supported our music ministry. We started with a good response to our evangelistic rally at Lawndale Baptist Church last fall. We made some progress on a swap shop for Easter music in January. Again we had a good response for our leadership conference in September. Several directors and workers met then to plan next year's calendar.

We also started plans to catalog all the music that is in closets and music rooms in the PBA churches. If our plan works, we will be able to put to use thousands of dollars worth of music that for many reasons is not being used. We realize this is a monstrous undertaking, but some talented dedicated servants have agreed to help.

Our Children's Music Camp, "We Like Sheep", in July was well attended with an average of 100 for the week. Thanks to Melody Parsons, director, and her group.

Herb Meadows, Director

SENIOR ADULT MINISTRY

Many of our senior adult groups have experienced good things in their ministries during this past year. During our recent leadership conference there was a good and productive meeting of senior adults. Many leaders were present and much was accomplished. There was a new emphasis on ministry. Ofcourse, there was talk about eating and traveling but the greater part of the planning was centered on ministry, outreach, and the need to meet the needs not only of those in church, but those who do not have a church home or family. We are hoping that becoming a senior adult will not mean retirement but will be a real beginning of time to better serve our Lord.

Herb and Marie Meadows, Directors

RECREATION

The following recreational activities were provided this year:

Softball

Softball leagues were conducted by the Baptist Athletic Union (BAU). Twenty teams from PBA churches participated in the BAU Men's League and twelve teams from PBA churches participated in the BAU Women's League.

Golf

On September 16 1995, the annual PBA Invitational Golf Tournament was held at the Bel-Aire Golf Course. Twenty-six teams from association churches participated in the tournament.

Basketball

During 1994/95 the adult men's and youth boy's basketball leagues were conducted at the PBA facility on Sharpe Road. Twenty men and your teams from PBA churches participated in the league.

Volleyball

Initial plans have been established to provide a coed volleyball league in 1995/96 at the PBA facility on Sharpe Road. Additional information will be provided at the annual coaches meeting.

Facilities

A joint committee of the PBA Recreation Committee and directors of the BAU has been formed to consider the future development of athletic fields at the PBA facility. Preliminary meetings have been held to coordinate activities. All PBA churches who participate in recreation activities will be asked to provide both financially and laymen for this project.

Recreation in a Christian environment can often serve as an effective ministry for our associational churches. Pray that our recreation programs will be an effective witness for Christ.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

For six-year-old Malinda, darkness brought sleepless nights listening to her mother's boyfriend beat her brother and sister-and praying she wouldn't be next, watching her mom choose her lover's whims over her children's needs, and finally, being abandoned on Christmas Eve in pouring rain on a dirt road.

Her darkness, more than just a light switch clicked off, swirled with pain, fear, confusion and despair.

Today, a bright-eyed teenager living at Broyhill Home, one of four Baptist Children's Homes residential campuses, Malinda finally sees light. After becoming a Christian in 1992, she can forgive her mom and let go of her painful past. "Learning to deal with my issues is a lot easier since I became a Christian,"said Malinda. "I'm happy here at Broyhill. The people believe in me, support me and are here for me."

Believing in children and families, offering light to pierce their darkness has been Baptist Children's Homes' goal since its beginning 110 years ago.

Serving 1,513 children and families in 1993-94 in 12 facilities across the state, BCH provides intentionalized programs of residential group care, emergency care, therapeutic camping, maternity care, teenage mother/babies, model day care and behavioral change for girls. Gaston County emergency care cottages in Dallas, operated on a yearly contract basis, were not renewed with BCH following Gaston County's decision to change the facilities' direction to a level of service BCH doesn't provide.

Commemorating 110 years of ministry, BCH's published Intent to Serve, a history depicting the first decade of BCH's child-centered, family-focused services. Each church was to receive a complimentary copy in the Fall of 1995.

Founded in 1970, the Baptist Maternity Home in Asheville celebrated in October 25 years serving over 900 young, unmarried, pregnant women who were given a quiet, supportive atmosphere to make decisions about their future.

A chapter of BCH's life closed with the death of alumni, employee and friend Bill Sisk. Investing 52 years of himself, Sisk, who came to Mills Home at age 8 and returned to work on staff 42 years, died May 21, 1995.

Adding to the light, Baptist churches, through the Cooperative Program, designated gifts and the Thanksgiving Offering funded about one-fourth of BCH's $12 million budget with gifts totaling $2,934,304.

Trustee Jim Goldston held his sixth annual Goldston's Carnival for Children raising $28,633 and providing two fun-packed days of rides, games, entertainment and food for children and area residents.

Putting words into action described numerous individuals who gave time and effort with special campus work projects.

Trustees, intent on strengthening BCH's leadership position and continuing its tradition of giving light to families and children, approved a $10.1 million campaign, "Light Their Way," to raise money for special projects, operational needs and endowment. The campaign will run September 1995-May 1997.

Many children, like Malinda, suffer in darkness. Many families linger in pain waiting for answers, waiting for help. Because of Baptists' support, BCH is able to "Light Their Way," offering hope, security and love.

NORTH CAROLINA BAPTIST FOUNDATION, INC.

The messengers present at the Baptist State Convention meeting 75 years ago, when the establishment of the Baptist Foundation was approved, believed that the services to be provided by the Foundation could benefit both the individuals who would use its services as well as Christian purposes for which the Convention had organized many years earlier.

With a well trained and dedicated staff, the Baptist Foundation is now in position to assist any Baptist church member who has a desire to preserve their estate for their families and provide greater financial service to their church, association, missions, Baptist institutions or the Convention in its program of work.

Those who have become involved with the Foundation thus far, many of whom no longer are alive today are providing critically needed resources for either their family members and/or the Christian causes they dearly love. In many instances their use of a trust or endowment fund has helped reduce income and/or estate taxes and increased the value of assets they left for their families at their death. In addition, they continue to provide for sharing the Gospel with the income from endowment funds they created while they were living.

Many North Carolina Baptists are today enjoying the benefit of increased retirement income through the creation of an annuity trust with the transfer of property or other assets which the foundation sold and invested under guidance of professional managers. When these trusts were created, the individuals were provided tax benefits which enhanced their estates. In most cases, the income they now receive is greater than that received prior to starting the trust. At some future date of their choosing, the assets in trust will serve the Lord in ways chosen by the donors.

During the past year, an area manager was employed to serve the western portion of the state. A twelve-minute video, "Pillars of the Church", was prepared which shares through personal example how the Foundation can serve every church member. A copy of this video is available by request in writing to 201 Convention Drive, Cary, North Carolina 27511. Personal and confidential assistance is available by calling our office at 919-380-7334 or written request directed to the above address.

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC.

Making Life for Older Adults...
The Best of Times

As a result of the wonderful support given by North Carolina Baptists, 1995 will be remembered as one of the finest years in the forty-four year history of the Baptist Retirement Homes of North Carolina, Inc. The following are some highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired Luther Osment of Sylva, North Carolina as its first full-time Chaplain. Rev. Osment's work responsibilities include ministry to the residents of the Brookridge Retirement Community in Winston Salem and the Western North Carolina Baptist Home in Asheville.

Reaffirming its commitment to the idea that retirement should be a "step up" for Older Adults, the final phase of the renovation of The Taylor House Facility in Albemarle was completed in the Fall of 1995. The renovation of The Hamilton Baptist Home in Martin County was also begun in 1995 and hopefully will be completed by year end. When the renovation of The Hamilton Baptist Home is completed, all of the facilities operated by the Baptist Retirement Homes will be "state-of-the art."

In recognition of the changing profile of institutionalized Older Adults (47% of the "oldest old" in North Carolina suffer from some form of dementia), the Young Solarium addition was completed in the Fall of 1995. The Young Solarium will house a new small group program designed to enhance the quality of life experienced by institutionalized Older Adults suffering from dementia.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston Salem...a unit where frail Older Adults can receive IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults who may not need institutionalized care, the Baptist Retirement Homes developed a new home and community based service program. In Home Care, Inc...the new service designed primarily to extend the amount of time that frail Baptist Older Adults can remain in the home environment.

You North Carolina Baptists for helping us make life for Older Adults... **The Best of Times!**

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.

This year has been a significant one for the Christian Action League of N. C. as we gave leadership and support to local communities in their battle against the proliferation of alcohol, provided a voice for Christian morals and ethics in the halls of the legislature and continued our battle against on-going legislation concerning the lottery and other anti-family issues.

1. Legislative Issues:

A. Alcohol

The alcohol industry sought to implement state-wide Liquor-By-the Drink and beer/wine sales through legislative action. House Bill 599 would have implemented LBD without a vote of the people. The Christian Action League prompted churches to action and strong opposition developed from across the state, the bill was withdrawn and died in committee.

B. Lottery

In the 1995 Session of the General Assembly, there were four lottery bills introduced. Several times in the past decade, gambling forces were able to secure the passage of a lottery measure in the Senate, but not in 1995. Lottery legislation was defeated in the Senate by a 28-20 vote. In the House, HB 838 (Lottery for School Buildings) was brought out of committee by an unusual parliamentary move and placed on the House calendar. Calls and prayers from CAL members and the Christian community were honored when the measure was sent back to committee where it remained until the end of session.

We praise the Lord for this victory and for the fact that N. C. remains the largest state in the nation that has no state-sponsored lottery. However, we request your prayers as the Christian Action League will continue to be on the front-line fighting this battle again in 1996.

C. Abortion

The Christian Action League and other Christian organizations have continuously lobbied for abolition of the state abortion fund. House Bill 229 has passed and will cut the abortion funding from $1.2 million to $50,000 and then to be used only in cases of rape or incest

For many years we have been working for legislation requiring Parental Consent before a minor can obtain an abortion. House Bill 481 was adopted this year providing this "common sense" legislation.

D. Abstinence Education

Another proposal that the Christian Action League has been working on became law this year. House Bill 834 (Teaching Abstinence Until Marriage) is pro-family and supports biblical and moral values. This bill requires schools to offer a program encouraging abstinence until marriage and also provides for parental review of teaching materials before comprehensive sex education instruction can be implemented.

2. League Leadership:

Rev. Johnny R. Henderson became the League's Executive Director in July upon the retirement of Coy C. Privette. Johnny brings a wealth of experience to this position. A trustee since 1977, he is the North Carolina Baptist Men's Correctional Ministries Coordinator and serves on the Executive Committee of Prison Fellowship of North Carolina. Also, his church was featured on ABC News last year for its outstanding prison ministry.

We are grateful to God for the prayer and financial support that the League receives from the churches of your association. May others join you as we seek to be the "Salt and Light" in a world hostile to Biblical ethics and morality.

HOME MISSION BOARD, SBC

"Christ for Our Nation"

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). With national offices in the Atlanta, Georgia area, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

As of December 31, 1994, there were 4,913 missions personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada. This is only 87 short of the Bold Mission Thrust (BMT) goal of 5,000 home missionaries. The HMB also had endorsed more than 2,300 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 2,000 Mission Service Corps volunteers were serving on home mission fields, exceeding another BMT goal six years early. During the year there were nearly 1,300 church starts. Southern Baptist churches baptized 378,463 people in 1994, an increase of nearly 30,000 over 1993.

Approximately half of the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1994, gifts to the offering totaled $37,177,500 about 2 percent more than the 1993 total and the second largest in HMB history. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1995 Annie Armstrong Easter Offering goal is $50 million, in commemoration of the HMB's 150th Anniversary. About 35 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1994:

Chaplaincy Ministries-The 2,364 Southern Baptists now serving as chaplains and pastoral counselors reported more than 24,000 professions of faith.

Church Loans-The Church Loans Division closed 107 church loans totaling $21.5 million, including $3.9 million of refinancing.

Language Missions-Home missionaries in the Language Church Extension Division serve among 102 ethnic groups and 97 American Indian tribes, using 102 languages and dialects, in addition to sign language.

Volunteers-Volunteers continue to serve in record numbers and represent more than $100 million in value to the HMB. In 1994, nearly 80,000 persons served as volunteers, about 5,000 more than in 1993. Mission Service Corps missionaries, numbering 2,016, and serving in 1,385 locations, represent a cadre of committed people responding to God's call to be personally involved in home missions

Christian Social Ministries-More than 2,500 volunteers were trained to teach English as a second language, tutor children and youth, and assist adult non-readers.

Church Extension-Through Praxis, 47 men and 31 women from six Southern Baptist seminaries participated in church planting during the summer.

Special Ministries-International ministries were conducted at the United Nations, in Washington, D.C., in 40 port cities, and among international students.

Prayer and Spiritual Awakening-The Home Missions Intercessory Prayerline received 82,000 calls in 1994.

PROCEEDINGS
102ND ANNUAL MEETING
NOVEMBER 7, 1996
9:15 a.m. to 3:00 p.m.

The theme of the 102nd Annual Meeting of the Piedmont Baptist Association held November 7, 1996 at Summerfield First Baptist Church was "Time for Awakening", Romans 13:11.

The Moderator, Deryl Holliday, pastor of First Baptist Church Summerfield, called the meeting to order and welcomed the messengers and visitors to the church. He then read a short passage of Scripture and led in prayer.

Austin Lovin, associational clerk, and member of Friendly Avenue Baptist Church, moved that those messengers who had already registered, and those who would later do so, constitute the Piedmont Baptist Association for this Annual Meeting. It was seconded and carried.

Jill Foster, member of Calvary Baptist Church and chairperson of the Program Committee, presented the printed program and moved that it be adopted as the order of business for this session with such changes as may be necessary. It was seconded and approved.

Dennis Blackmon, director of missions for Piedmont Baptist Association and a member of the Hispanic Mission (Sumner Baptist Church), recognized the new pastors and church staff members who had come since the last Annual Meeting. He also informed us that thirteen of our churches were presently without pastors. This is an unusually high number for this area.

Herb Meadows, PBA music director and member of Calvary Baptist Church, led in the singing of the hymn, " I Am Resolved".

Moderator, Deryl Holliday, presented the report of the Executive Board. He moved that it be approved as printed; it was seconded and approved.

Monica Vaughan, PBA treasurer and chairperson of the Finance Committee and member of Rolling Roads Baptist Church, presented the associational budget for 1997 and commended the churches of the Association for their generous giving to the Shubal Stearns Offering and to the associational budget. She then moved that the budget be adopted as printed; it was seconded and approved.

Thomas Brown, chairman of the Committee on Committees and pastor of Northside Baptist Church, presented the report of the Committee on Committees. He moved its adoption with the addition of Austin Lovin and A. L. Parker to serve on the Committee on Committees. It was seconded and approved.

A. L. Parker, Chairman of the Seminary Extension Committee and member of Friendly Avenue Baptist Church, presented the report of the Seminary Extension Committee. He gave a brief background history of seminary extension in this Association and reported that two new courses were now being offered. One course is being taught by Mark-Lile King, pastor of Brandt Oaks Baptist Church, and another taught by Wilson Stewart, pastor of Jessup Grove Baptist Church.

Ann Smith, First Vice President of the Baptist State Convention and member of Southeast Baptist Church, brought greetings from the State Convention staff and encouraged those present to attend the Baptist State Convention of North Carolina on November 11-13, 1996 at the Greensboro Coliseum.

There was no miscellaneous business so we moved to the next item on the agenda.

Larry Jackson, member of Pleasant Garden Baptist Church, spoke of having won a Chinese student, who was an atheist, to faith in Christ after giving him a Bible. He went on to urge more people to become Friend Families to international students. He pointed out that many of them return to their own countries and assume places of power.

Mary Odom reported that they have forty-one Friend Families this year which is an increase of nineteen over last year. She also urged others to help in this ministry. She told of how her husband, Hank now deceased, had won an Arabic student to Christ by befriending him and giving him good advice from time to time.

Barry Nealy, associate director of missions and member of Lawndale Baptist Church, reported on Friendship Baptist Church's building progress and on the Vietnamese Baptist Church.
He asked for volunteers to come out and help them complete the roof and begin the interior of the Friendship Church building. He said that the Vietnamese Church has grown steadily under the leadership of its pastor, Hoa Duc Vo, and they are now averaging about one hundred fifty in the morning worship service. The Sunday School classes are badly overcrowded and they need to build more educational space. They are working toward doing this next year. Pastor Vo has also helped start Vietnamese churches in High Point and Burlington.

Mary Odom, coordinator for International Student Ministries, and member of Central Baptist Church in Oak Ridge, North Carolina, told of several answers to prayer and led in prayer for the ministries of the PBA. Dennis Blackmon asked those present to break up into small groups and pray for the PBA.

Two of our pastors who are retiring were given special recognition. Dennis Blackmon read a statement written by Gerald Primm, who could not be present, praising Bill Claffey and his ministry to six churches. He is retiring as pastor of the Hillcrest Baptist Church. He was given a plaque commemorating the occasion.

Al Lineberry spoke words of praise for Randall Lolley, who is retiring as pastor of First Baptist Church Greensboro. Al Lineberry reviewed the many important posts Randall lolley had held in his long and successful ministry. He was also given a plaque. Both men then responded with thanks and appreciation for the honors bestowed upon them. Randall Lolley also praised the work of Dennis Blackmon who had led the First Baptist Church in a long range planning process several years ago.

David Duarte, pastor of the Hispanic Baptist Mission, led in singing the hymn, "Because He Lives". He then sang a song about the blood of Christ in Spanish accompanying himself with his guitar.

George Worrell, evangelism director and pastor of Lawndale Baptist Church, gave the evangelism report. He told of four "great awakenings" that have occurred in America beginning in the late 1700's. He pointed out that no such event had taken place during the 20th. century. He told of the last one which was a laymen's movement and it had tremendous impact for good throughout America.

He then spoke of the Bill Glass Crusade which is scheduled for May 25-June 1, 1997 in the Greensboro Coliseum. He told of how this started with a few men who were concerned about Greensboro's spiritual needs and of the five hundred fifty persons who came to the kickoff banquet a the Koury Convention Center. He emphasized the need to be much in prayer for this Crusade and also to reach out to lost friends and relatives.

Jake Thornhill, pastor of Hunter Hills Baptist Church, led in prayer for the Crusade.

Mark Gray, pastor of Sharpe Road Baptist Church, read Matthew 17:14-20 which was the text for the Annual Sermon by Terry Larsen. He then led in prayer.

Jill Foster introduced her pastor, Terry Larsen, pastor of Calvary Baptist Church.

Herb Meadows sang a solo with recorded accompaniment entitled, "He Came To Me", in the place of the Men's Chorus who could not be present until the afternoon session.

Terry Larsen preached the Annual Sermon. His text was about Jesus' healing of the epileptic boy after his disciples had been unable to help him. He brought out several important lessons to be learned from this.

Jill Foster told about the Baptist Nursing Fellowship and a meeting they will have soon.

Sanford Smith, Southeast Baptist Church, announced the North Carolina Baptist Men's Mission Conference scheduled for January 31-February 1, 1997 at First Baptist Church Greensboro. Dennis Blackmon recognized those who had been nominated by their churches as "faithful servants". He asked that the officers of the Association and those whose names were on the list of faithful servants walk to the rear of the sanctuary and be the first in line for the noon meal. He then called upon Jack Morris, minister of education for Friendly Avenue Baptist Church, to close the morning session with a prayer of thanks for the food we were about to enjoy.

The afternoon session was opened with a hymn by the Men's Chorus directed by Mike Jones, Calvary Baptist Church. They sang "His Love Is A Boundless Love".

Two pastors told of prayer ministries that were being conducted by their churches. Jake Thornhill told of several prayer ministries by Hunter Hills Baptist Church including prayer for those who are planning on having an abortion, a Watchman Ministry, praying for the church. He told about how prayer for him helped him catch a plane from New York in time to preach on Sunday. Also, how the congregation prayed for ninety days before deciding almost unanimously to relocate the church for a more effective outreach.

Michael Barrett, pastor of Pleasant Garden Baptist Church, told of a WMU group that prayed for a missionary to go to Albania and that one was sent with tremendous response the first year. He also told of a Watchman Ministry consisting of around-the-clock prayers every Wednesday and involving up to forty-eight people. He told of a young man from New York who had been saved but was now burdened about his family. He asked us to pray for George.

Michael Barrett then called upon Vernon Williams, former pastor of Pleasant Garden Baptist Church, to lead in prayer.

Dennis Blackmon gave the Director of Missions report. He spoke of some of the encouraging signs and also of how our Sunday School attendance is lower than it was thirty years ago. He cited the work of First Baptist Church Greensboro in starting the Lawndale and Hunter Hills Baptist Churches forty years ago and how these two churches were now baptizing more people and giving more to missions than First Baptist Church. He urged other churches and pastors to go and do likewise.

Dennis Blackmon then had the newly elected officers of the Association to stand at the front and led in an installation prayer for them. The officers are: Jay Love, Moderator; Mark Gray, Vice Moderator; Austin Lovin, Clerk; Beauford Smith, Asst. Clerk; Monica Vaughan, Treasurer.

We were again favored by special music by the Men's Chorus led by Herb Meadows. They sang an arrangement of "When The Roll Is Called Up Yonder".

George Worrell introduced the denominational speaker, Morris Chapman, president of the Executive Committee of the Southern Baptist Convention.

The Men's Chorus then sang "Steal Away To Jesus" led by Ryland Young, Rankin Baptist Church.

Morris Chapman expressed his thanks at being invited to speak for us and told of a few highlights of the work of the Executive Committee. He explained that it directs the work of the Southern Baptist Convention in between the annual meetings of the SBC. It is their responsibility to carry out the wishes of the SBC as expressed by the vote of the messengers at the annual meetings. He reported that this past year had seen a record in Cooperative Program gifts of $148,000,000 and that this past October's receipts were 12% ahead of a year ago.

His text was from Revelation 3:7-11 which was Christ's words to the church at Philadelphia. He emphasized that when God opens doors of opportunity for churches no man can shut them and when God shuts other doors, no man can open them.

He closed his message with an invitation for all who would to come and kneel at the front for a time of prayer. We first had a few moments of silent prayer then groups of two or three prayed aloud and Morris Chapman closed the session with his own prayer.

The Moderator then called for a motion to adjourn. Edward Roberts, Lawndale Baptist Church, made the motion. It was seconded and carried unanimously.

Respectfully submitted,
Austin Lovin, Clerk

PROCEEDINGS
SEMI-ANNUAL MEETING
May 2, 1996
3:15 p.m.-8:00 p.m.

The semi-annual meeting opened with special music by the Senior Adult Choir of Pleasant Garden Baptist Church, directed by Paul Marth. They sang two hymns, "How Beautiful Heaven Must Be" and "This Joy".

Deryl Holliday, moderator and pastor of First Baptist Church Summerfield, called the meeting to order and recognized the host pastor, Ron Vernon, pastor of Florida Street Baptist Church. Mr. Vernon welcomed us to Florida Street Baptist Church.

Mike Jones, associate pastor Calvary Baptist Church, read a passage of Scripture from 2 Timothy and led in prayer.

Austin Lovin, associational clerk, and member of Friendly Avenue Baptist Church, moved that those messengers from the churches who had already registered, and those who would do so later, constitute the Piedmont Baptist Association for the purpose of conducting business. Seconded and approved.

Jill Foster, chairperson of the Program Committee, and member of Calvary Baptist Church, moved that the printed program be approved, along with such changes as may be required. She called attention to one change-the WMU Highlight, which was scheduled for 3:45 in the afternoon, was moved to the first order of business for the evening session at 7:-00 p.m. Seconded and approved.

Sara Parker, chairperson of the Nominating Committee, and member of Friendly Avenue Baptist Church, presented the Nominating Committee's report as follows:

Jay Love, Moderator; Mark Gray, Vice Moderator; Austin Lovin and Beauford Smith, Clerks; Monica Vaughan, Treasurer; Randy Vanover, Sunday School Director; Mark Ball, Discipleship Training Director; Debbie Reynolds and Kim McDowell, WMU Directors; Music Director, Herb Meadows; Youth Director, Johnny Greeson; Herb and Marie Meadows, Senior Adult Directors; George Worrell, Evangelism; Wade Wylie, Stewardship Director; Randall Minix, Recreation Director; Ken Clark, Family Ministry Director; A. L. Parker, Seminary Extension Director; Bud Parrish, Pastoral Ministries Director; Barry Nealy, Missions Development Director.

She moved that the report be approved. Seconded and approved.

George Worrell, chairman of Evangelism and pastor of Lawndale Baptist Church, presented the Evangelism report. He reported that the churches of the Association had baptized 742 persons this past year which was one of the finest years for evangelism in PBA churches in fifteen years. This compares with 1984 when 749 baptisms were reported and 744 in 1991. Over the last five years, the churches have averaged 655 baptisms per year which exceeds the previous five year period, 1986-1990 when only 560 were baptized. The goal had been 800 for the year ; we didn't quite reach it, but this improvement is encouraging.

Twelve churches required fewer than 25 members to baptize 1 based on total membership. That number includes some of the smallest and some of the largest churches in the PBA. The ratio of baptisms to PBA total members was 1:40.7. This compares favorably to the SBC ratio for the last few years of between 1:45 and 1:48. He moved that the report be adopted. Seconded and approved.

It was announced that an evangelistic crusade is scheduled for April 27-May 4, 1997, with the Bill Glass Evangelistic Team conducting it. Churches were urged to begin praying for and preparing for this crusade now. Attention was also called to the fact that Billy Graham will hold a crusade in Charlotte this coming September. Dennis Blackmon, director of missions for the PBA, suggested that the Association go on record as approving the Bill Glass Crusade. George Worrell responded by moving, "That the churches of the PBA participate in the Bill Glass Crusade." Seconded and approved.

Herb Meadows, associational music director and member of Southside Baptist Church, led in singing two hymns, "I Stand Amazed In The Presence" and "Love Lifted Me."

This was followed by testimonies about the good work being done in four of our churches:

Beverly Browning told of how God had blessed the weekday preschool ministry at Cornerstone Baptist Church; Roger Barricks told of the ministry carried on by senior adults at First Baptist Church Summerfield; Bobby Matthews told of the way God had blessed Northside Baptist Church with steady growth in recent years; Lawrence Clapp, pastor of South Elm Street Baptist Church, told of his church's ministry to college students, especially those at UNCG.

Miscellaneous business followed.

Joan Justice, member of Calvary Baptist Church and chairperson for the Credentials Committee, reported that the Committee had been conferring with the Rising Ebenezer Baptist Church, but that this church has decided to wait until they have a permanent pastor before asking to be received into the PBA. She reported that because of this, they have no recommendation at this time.

Ken Kelley, chairman of the Strategic Planning Committee and pastor of Northeast Baptist Church, presented a recommendation that the number of Executive Board meetings be reduced from four each year to two in alternate quarters from the Annual and Semi-Annual Meetings and that the time for these meetings be moved from the evening to noon following the Pastors' Conference on the third Monday of the month. The hope is that this change will result in more pastors attending the Executive Board meeting. It was stated that if this experiment did not produce the hoped for results, they would later recommend a return to the present schedule. He moved that this change be approved. Seconded and after a brief discussion was approved unanimously.

Barry Nealy presented a plaque from the Baptist State Convention to Pleasant Garden Baptist Church for outstanding growth. Paul Marth accepted the plaque on behalf of his church.

Dennis Blackmon began the director of missions report by recognizing Richard Hipps, pastor of Guilford Baptist Church, who told of the blessings his church had received as the result of participating in helping a new mission church in Brazil.

Dennis Blackmon then spoke at some length about the importance of the Shubal Stearns Offering in financing several ministries of the PBA. He urged every church to at least give their people an opportunity to contribute to this offering. He pointed out that if this was done, reaching the goal of $25,000, even the earlier goal of $50,000, was well within our reach.

Herb Meadows led in singing the hymn, "We're Marching To Zion."

Shirley Barbee, member of Southside Baptist Church, introduced her pastor, Steve Walsh, who was to preach the doctrinal sermon.

The Senior Adult Choir presented special music again by singing "If I Be Lifted Up, I'll Draw All Men Unto Me."

Steve Walsh took his text from Psalm 19:7. The title of his sermon was "Our Relationship To God". He emphasized the importance of the Word of God, the Bible, in our salvation and in the growing of a mature Christian.

Following the sermon, time had run out, so a vote to extend the time for five minutes was approved to allow time for announcements.

The Christian Life Council offered information on various candidates for political office.

Jim Fleet announced a "Family Policy Matters" meeting that will be held May 16, 1996 at 6:30 p.m. at Hunter Hills Friends Church on Merritt

Drive.

David Duarte, pastor of the Hispanic Mission, led in the closing prayer and in the thanks for the meal we were about to be served.

The kitchen staff at Florida Street Church served another of those delicious suppers for which they have become famous throughout the Association!

Following the missions banquet, the evening session was called to order at 7:00 p.m.

The first order of business was a special tribute to Patricia Frazier, who was stepping down after six years as associational WMU Director. Numerous scenes from her impersonations of Annie Armstrong were flashed on a big screen and also on two TV sets in the front of the auditorium. Michael Barrett led in the presentation of the tribute. It was climaxed by Mrs. Irma Duke, State WMU Executive Secretary, who praised Mrs. Frazier's work in the Association and throughout the state for WMU. Mrs. Duke then led in a prayer for God's blessings upon Mrs. Frazier.

Hoa Duc Vo, pastor of the Vietnamese Baptist Mission Church, led in prayer. Before he prayed, he told of his plans to return to Vietnam to see his parents and of the possibility that he would not be able to come back to the U.S. after this visit. He asked for prayer for him about this. He then led in prayer, much of which was spoken in his native language.

Herb Meadows led in singing "O For A Thousand Tongues To Sing".

Terry Larsen, pastor Calvary Baptist Church, introduced the speaker of the evening, Randy Kilby, president Fruitland Baptist Bible Institute.

Mr. Kilby preached on several of the "I am" statements by Jesus in the Gospels. He cited passages from the Gospel of John, beginning with John 8:58, "Before Abraham was, I am!" He followed this with statements from John 6:35, 8:12, 10:7, 10:17, and the 11th. and 14th. chapters.

Following the message, a series of dramatic pantomimes of the many ministries of the PBA were presented on two stages on either side of the pulpit area. The spotlight would move from first one and then to the next. This was called, "Focus on PBA Missions".

This was followed by several newly elected directors of various ministries, who stepped into a pair of empty shoes which had been placed earlier across the pulpit area. As each person stepped into his or her shoes, they stated which responsibility they were accepting. It was impressive!

The last item of business was the approval of the Shubal Stearns Offering Goal of $25,000 and how it would be divided:

Church Extension (Vietnamese, Hispanic) $9,000; Multihousing $8,000; New Church Starts $2,500; Housing for Homeless and Refugees $1,000; Partnership $1,250; Benevolence (Crisis Center, Hospital Ministries) $1,000; International Student $700; Chaplaincy Support $500; Literacy $500; Special Needs $550.

Monica Vaughan, chairperson of the Finance Committee, moved that it be approved. Seconded and approved unanimously.

The Moderator called for a motion to adjourn. He received several responses. Seconded and approved.

Executive Board Minutes

January 18, 1996

The Executive Board of the Piedmont Baptist Association met on Thursday, January 18, 1996, 7:30 p.m., at Pleasant Grove Baptist Church.

Moderator Deryl Holliday, pastor of the First Baptist Church Summerfield, called the meeting to order. He called attention to the printed program and asked if there were any changes or additions that needed to be made. There being none, he declared the printed program would be followed in the meeting.

Herb Meadows, Minister of Music from Southside Baptist Church and associational music director, led those present in singing a medley of well known hymns. He followed this with a solo, "Some Call It Heaven, But I Call It Home".

Ralph Metcalf, pastor of the host church, welcomed us to Pleasant Grove Church. He then read a portion of the 112th Psalm and led in prayer.

Austin Lovin, from Friendly Avenue Baptist Church and associational clerk, asked if there were any corrections and/or additions needed in the minutes. There being none, he moved that the minutes be approved as printed without the necessity of reading them aloud. This was seconded and carried.

Monica Vaughan, from Rolling Roads Baptist Church and associational treasurer, presented the finance report. She reported that the total receipts from the churches during 1995 exceeded $300,000 for the first time ever, for a total of $316,000 plus. This was still short of budget needs and forcing the use of about $16,000 in reserve funds. She commended the churches for their giving record and urged that they continue to support the Association on a consistent basis. She moved that the report be approved. It was seconded and approved.

Dennis Blackmon, from Iglesia Bautista Hispana and associational director of missions, gave the evangelism council report in the absence of the chairman. He reported that an interdenominational group of laymen had volunteered to underwrite the "basic" cost of an evangelistic crusade for Greensboro.. The evangelist would be Bill Glass and the proposed dates for the crusade would be May 18-25, Sunday through Sunday, 1997. This is still just in the planning stages and a recommendation concerning this would be forthcoming at a later date. He suggested that we all make a note of the proposed dates and clear our church calendars for it.

Barry Nealy, from Lawndale Baptist Church and associational assistant director of missions, gave the missions development report. He called on Audrey Womack, associational church community missions director, to tell about "Project Hope": A few months ago Eric Pace of Pleasant Garden Baptist Church was asked by Audrey Womack to lead a witness effort to alcoholics and drug abusers living at the Coliseum Motel. This was the site of a PBA/Immanuel Baptist Church ministry led by Clay Cook for several years. Much had changed with the residents. Eric had been saved from these problems and was bold in sharing Christ with people door to door. He reported a number of conversions and looked for ways to assist those who wanted a new life. His greatest desire was to provide a church home for them. He soon carried this same type ministry to Southgate Inn and Smith Ranch Motel.

Michael Barrett, Eric's pastor, supported his lay ministry completely and enlisted other members of Pleasant Garden Church to serve with him. With assistance from Audrey Womack, a plan called "Project Hope" was developed to open a worship/ministry center in an accessible location. The Baptist State Convention has provided funds for startup expenses for the ministry.
We praise the Lord for dozens who have come to Christ and now have real hope.

Barry Nealy then praised the work of many volunteers who are working in the various ministries of the PBA. He encouraged our churches to seek out new ways to minister to needs in their own communities.

Barry Nealy moved that the Executive Board authorize the Vietnamese Mission to build additional facilities on the one acre of property that had originally been specified for their use. The Association retains ownership of the land. He brought the following recommendation: The Missions Development Council recommends that Piedmont Baptist Association approve the use of additional property for educational space for the Vietnamese Mission Church. This would remain within the original one acre approved for use. We further recommend that the PBA Property Committee collaborate with church representatives in final plans for such an addition to the present building with a view to future development of the entire PBA property.

Barry Nealy also reported that the Hispanic Mission was alive and well and that it has baptized a number of persons, with others scheduled to be baptized soon. Attendance at last Sunday's service was about 35, even with the snow.

Richard Poindexter, from Rankin Baptist Church and chairman of the Partnership Missions Committee, gave his report. He said the Committee is looking into the possibility of the PBA working with a Baptist Association located along the Texas Mexican border over a period of years. A recommendation concerning this will be presented at a later date.

Dennis Blackmon reported that the Hispanic Mission had already baptized a number of persons and that others were awaiting baptism in the near future. He also explained how we might become involved in the Mexican Border Mission.

Miscellaneous business was as follows:

James Fleet, Florida Street Baptist Church, moved that we allow the County to use the gym at the PBA office for a voting place. Dennis Blackmon had reported that this was what the County had asked for. The motion was seconded and approved.

Dennis Blackmon called our attention to a problem that has come up because of so many churches having to cancel their worship services when the snow and ice makes travel unsafe. He learned that Channel Two had decided not to include churches in their list of closings from here on. He reported that he called the station and tried to get them to change their mind, but to no avail. One or two of the other local stations still include churches.

The Chairman of the Christian Life Committee presented a problem that has developed because one of the churches in the PBA had announced that it would host a worship service conducted by Planned Parenthood. The name of the church was purposely withheld, but the Committee presented a press release which would make it clear that the Piedmont Baptist Association and the majority of Southern Baptists are opposed to what Planned Parenthood stands for-abortion, freedom of choice by pregnant women, Roe versus Wade court decision, etc. After one statement was deleted by common consent, the motion to approve the following press release was seconded and approved:

"It has been publicly reported that a church that is affiliated with the Piedmont Baptist Association is hosting Planned Parenthood's service to commemorate the 23rd. anniversary of Roe vs. Wade.

The Executive Board of the Piedmont Baptist Association acknowledges the right of any individual Baptist or Baptist church to support whatever they choose.

However, this Executive Board of the Piedmont Baptist Association goes on record as opposing Planned Parenthood, Roe vs. Wade, and especially the killing of 1,500,000 innocent lives a year. We along with other Southern Baptists urge our churches and institutions to work vigorously to encourage the kind of mature responsible lifestyles that would make unwanted pregnancies rare. Until that becomes a reality we urge support of efforts such as the Greensboro Pregnancy Care Center to provide support for those who face a difficult pregnancy. We also encourage counseling and continuing support for the millions of women who have continued to suffer from feelings of guilt because of their abortions.

The Southern Baptist Convention has consistently opposed abortion. The 1976 Convention concluded its resolution against abortion by saying, '...we reject as contrary to Southern Baptist doctrine and tradition any suggestion that Southern Baptists should become political activists in support of permissive legislation.' The SBC has consistently taken the position that "Every decision for an abortion, for whatever reason, must necessarily involve the decision to terminate the life of an innocent human being."

The overwhelming majority of Southern Baptists and Southern Baptist Churches continues to draw from the Word of God a firm conviction of the sanctity of human life.

Ed Vaughan, First Baptist Church Greensboro, invited everyone to his second annual pancake supper on January 26th. in the gym of the PBA office building. Any profit will go to the PBA.

There being no further business, it was moved that we adjourn, this was approved by a standing vote. The meeting was closed with prayer by Thomas Brown, pastor of Northside Baptist Church.

March 12, 1996

The Executive Board of the Piedmont Baptist Association met March 12, 1996 at Magnolia Street Baptist Church.

Vice Moderator Jay Love presided in the absence of the moderator, Deryl Holliday. He called the meeting to order and Herb Meadows, associational music director and member of Southside Baptist Church, led the group in singing a medley of well-known hymns. Mr. Meadows then sang a solo, "My House Is Full, But My Fields Are Empty", with a recorded accompaniment.

The host pastor, Norman Livengood, read Isaiah 53rd. chapter and led in prayer, after welcoming the executive board members to Magnolia Street Baptist Church.

The Moderator asked those present to look over their copy of the minutes of the last board meeting to see if there were any changes that needed to be made. After time was allowed for this, Austin Lovin, associational clerk, and a member of Friendly Avenue Baptist Church, moved that the reading of the minutes be dispensed with and that they be approved as printed. Seconded and approved.

There was no financial report available.

Jill Foster, member of Calvary Baptist Church and chairperson of the Program Committee, presented the program for the Semi-Annual Meeting scheduled for May 2, 1996. The theme for the meeting will be "That All May Hear". The afternoon session will include testimonies from churches which have been reaching out to the lost and unchurched, followed by a doctrinal sermon. The Evangelism Committee will make a progress report on the Bill Glass Crusade, scheduled for this spring. The Stewardship Banquet will follow. The evening session will include a message from Randy Kilby, a faculty member at Fruitland Baptist Bible Institute, Hendersonville, North Carolina.

Mike Jones, chairman of the Partnership Committee and a member of Calvary Baptist Church, made the Partnership Committee report. He asked that the Board authorize two men to go to Laredo, Texas to make plans with the associational leaders there for a possible five-year cooperative effort to strengthen the churches in that association. He moved that this authorization be

approved: "1) that the Missions Committee continue dialog with representatives of the Frio River Baptist Association in Laredo, Texas, and with appropriate representatives of the Nuevo Laredo Association in Mexico, to determine the feasibility of establishing a three to five year cooperative mission venture which would utilize resources from those two associations and that of the PBA; 2) that two members of the Missions Committee, Dennis Blackmon and another as yet unnamed committee member, go to Laredo to gather information, to assess the area, and to work with local representatives in developing a joint mission strategy; and 3) that the 1996 PROJECT REQUESTS AND NEEDS LIST which was compiled by Roger English of the Frio River Baptist Association and relates to church needs in the Nuevo Laredo Association, be shared with the churches of the PBA."
He explained that the churches in that association are planning to draw up a "wish list" of some of their needs with the idea that churches in the PBA might help them with their needs. Seconded and carried.

Barry Nealy, associate director of missions for the PBA, gave the report on plans for building a church building for Friendship Baptist Church on land they have purchased on Sharpe Road. He made a plea for volunteers to help in the construction of this building just as they did for the Vietnamese building.

Barry Nealy then presented a list of what the PBA will ask from the Baptist State Convention of North Carolina for the 1997 year in the way of aid to mission projects. The list included chaplains for the county jail, police department and the Sandy Ridge Prison Unit, also our CAM Director: Chaplains-$1,800 (PBA $135,600); CCM Director-$3,500 ($7,000); The list also included the Vietnamese and Hispanic Mission, plus three other proposed mission churches yet to be started. Hispanic Church-$6,000 (PBA $6,600); New Church NE Greensboro-$6,000 (PBA $5,000); Cedilla Satellite Church-$5,000 (PBA $3,000); Adam's Farm New Church-$6,000 (PBA $6,000). He moved that the funding request be approved. Seconded and approved.

A. L. Parker, Pastor Emeritus for Friendly Avenue Baptist Church, gave the report of the Seminary Extension Center . He gave a brief history of previous efforts to begin a Seminary Extension Center and then announced that the Committee would meet again soon to select teachers and try again to start a Center.

Barry Nealy made the report on a request for a study on attendance at the PBA executive board meetings. He pointed out that the attendance had not been as good as it could be and requested authorization for the Strategy Committee to make a study of the attendance and see if they can come up with ways to increase the attendance. He moved that this be done. Seconded and approved.

Otis Davis, pastor of Bessemer Baptist Church, announced that the church had voted to relocate and asked our prayers for them as they try to work out the when and where.

Paul Mason introduced Larry Patterson, the new pastor of Stevens Memorial Baptist Church.

Mike Jones announced that the State Convention will have a new youth evangelism team available for this summer. He urged our churches to use the team.

There being no further business, the meeting was closed with prayer.

There were only 54 persons who signed the attendance sheet, but Audrey Womack counted 64 persons present.

July 11, 1996

The Executive Board of the Piedmont Baptist Association met on Thursday, July 11, 1996, at Colfax Baptist Church.

Deryl Holliday, moderator and pastor of First Baptist Church Summerfield, called the meeting to order. Herb Meadows, associational music director and member of Southside Baptist Church, led in singing a medley of well known hymns without accompaniment. He then blessed us with a solo, "Till We See Christ", with a recorded accompaniment.

Beauford Smith, pastor of the host church, welcomed us and invited us to remain for some refreshments after the meeting. He then read the First Psalm and led in prayer.

The Moderator announced that we would dispense with reading the minutes of the last meeting. There being no objection, he moved on to the next order of business.

Monica Vaughan, associational treasurer and member of Rolling Roads Baptist Church, presented the treasurer's report. She explained disbursements and receipts were not included due to a new process being developed for the financial report. She promised that a full report would be given at the next meeting. She then moved that the report be approved. It was seconded and carried.

Barry Nealy, associate director of missions for PBA, gave the report on the association's crisis ministry. He distributed a list of questions having to do with how our churches minister to those with physical and material needs. He asked each person to answer the questions as best he could and return the questionnaire to him. His purpose was to encourage the churches to utilize and support the association's crisis center instead of attempting to handle all requests themselves.

Brother Nealy then reported on the status of Friendship Baptist Church's building project. He explained why this project had been delayed and announced that framing of the building would begin on Saturday, July 20th. at 8:00 a.m. Volunteers will be needed then and for succeeding Saturdays until the building is completed.

Dennis Blackmon, director of Missiona of PBA, gave a short demonstration of how our new video projector operates by showing a video projected on one of the walls. He then brought a recommendation from the finance committee that this piece of equipment be available to churches for only

$10 a day which is much cheaper than similar equipment can be rented commercially. A motion was made and passed by unanimous vote. He then spoke at length on the theme of the video, "Start Something New". He urged our church leaders to be willing to start new missions, ministries, types of worship services, etc.

A. L. Parker, associational seminary extension director and pastor emeritus of Friendly Avenue Baptist Church, gave the seminary extension report. He announced that after several years the seminary extension program was being revived and that the first course was already scheduled to begin August 27, 1996.

He then introduced Wilson Stewart, pastor of Jessup Grove Baptist Church and teacher for the course. Brother Stewart recalled some of the history of seminary extension work in the Association and announced a five year series of courses leading to a certificate in Christian Ministries. Other courses and degrees are planned for later. This course will cost $35.00 which will include two books. The course is open to anyone and the deadline for registration is August 9th. The classes will be taught each Tuesday from 6:30-8:30 p.m. at Jessup Grove Baptist Church.

Dennis Blackmon spoke about difficulties encountered in getting pastors and other leaders from most of our churches to attend the executive board meetings. He announced that the Association will experiment with having only two executive board meetings a year with the two general meetings in the Spring and Fall taking the place of the other two. He stressed that this was only an experiment and was subject to change if the need arises. The Association voted in the Semi-Annual Meeting to make this change.

He also talked at length about the need for new missions, etc. and about why so few of our pastors attend executive board meetings. Some suggestions were offered by those present.

Mary Odom, association director of internationals and ethnic ministries, and member of Central Baptist Church gave a report on the ministry to internationals and ethnics. She told of a reception for international students before the Fall semester begins and appealed for church members to come to it and meet the new students. She also appealed for more volunteers for Friend Families who would "adopt" an international student.

The closing prayer was led by Wilson Stewart, Deryl Holliday, and Mildred Presson, a member of First Baptist Church Greensboro.

Thirty seven people signed the attendance sheet which included four pastors.

Respectfully submitted,
Austin Lovin, Association Clerk

PARTNERSHIP MISSION COMMITTEE

Two representatives from this committee, Dennis Blackmon from the PBA office and Mike Jones from Calvary Baptist Church, made a trip to Nuevo Mexico to meet with David Campbell. Plans were discussed about joining in a partnership of evangelism, increasing attendance in existing churches and helping to build churches in new areas. This is still under study, however, plans will start in 1997 if possible to assemble information and make the final decision

We hope the churches in the Association will promote a mission trip next year. We encourage youth groups, choirs, adults and senior groups to be a part of this much needed work.

We want to recognize the partnership work already done by some of our churches:

A group from Guilford Baptist Church led by Rev. Richard Hipps went to Eldorado do Sul, Brazil in March and again in September to build a church and a house for the pastor and fifteen houses for needy families. Also Audrey Womack, PBA Church-Community Ministries Director, went with the group in September.

The pastor of Pleasant Grove Baptist Church, Rev. Ralph Metcalf, who leads a non-profit evangelism trip to Sao Paulo, Brazil each year, went in September. Two visitors from Sao Paulo met with us to share the results of the work going on there during our partnership and of many churches being built in new communities now.

Rankin Baptist Church sent five adults and one child to Youngstown, New York to work in a mission point there. They met in a V.F.W. Hall on Sunday morning for worship. They met at Rev. Denny Webb's home for Sunday and Wednesday evening services and had a Backyard Bible Club during the day.

Rev. Hoa Vo, pastor of the Vietnamese Baptist Church, and his wife Lou made a thirty day evangelism trip to Vietnam. They were also able to visit their families whom they had not seen in twenty-one years.

Lottie Dix, Committee Member

PERSONNEL COMMITTEE

The Personnel Committee met during the year to review personnel performance and salaries for 1997. Recommendations were made to the Finance Committee regarding recommended salaries for 1997.

Bobby Matthews, Chairman

ORDINATION COMMITTEE

The Ordination Committee of the Piedmont Baptist Association has been very active during the past year. We met and examined four candidates from the following churches:

Calvary	Dale Elwell, Minister to Students
Pleasant Garden	Dan Bare, Minister of Youth
Sumner	Jeff Webster, Youth Director
Willomore	Johnny Greeson, Minister of Youth and Education

The Ordination Committee found each of these individuals to be God-called, doctrinally sound, and ministerially capable men. It was recommended that each church proceed with ordination.

David Horton, Chairman

PROPERTIES COMMITTEE

The Properties Committee completed several projects this year:

1. Painted interior walls of the gym.
2. Secured and spread mulch in shrubbery area in front of PBA Building.
3. Wrapped pipes and water tank in pump building to prevent freezing.
4. Cleared fallen tree from and repaired utility building adjacent to ballfield which was caused by storm damage. Repairs are complete except for painting of building.
5. Repaired broken water pipes when water froze in house.
6. Removed fallen trees and cleared up all rubbish from damaged areas of picnic shelter and tobacco barn. Work to repair damaged buildings pending.

Maintenance of property and grounds is an ongoing project with removal of debris and mowing of cleared areas; Also keeping roadways cleared throughout the woods and over other areas of the property.

TIME FOR AWAKENING
Dennis Blackmon, Director of Missions

In the words of Romans 13:11, "It is Time to Awaken". America is in great peril. Throughout history, since the first family of creation man has gone through cycles. At times society has drawn close to God and then times of spiritual darkness has lulled God's people into sleep. Romans 13:14 refers to making provision for the flesh and its lusts. America today is probably not as bad yet as the darkest days of history. However, the sleep is certainly greater than any in America during the last 150 years.

Five years ago the Piedmont Baptist Association adopted a five year plan that we called ***Missions '96: Awakening Churches...Magnifying Jesus.*** Many have prayed for spiritual awakening here and throughout our land. More recently that desire has begun to be expressed by many throughout the SBC. We are grateful that at least the desire for awakening is beginning to be stimulated. We are thankful to God for the many who have prayed faithfully for awakening. We praise God for those who have sought to lead their churches to exemplify holiness and follow Christ as the only Lord of their lives.

During these years a general spiritual awakening has not yet been sparked in Greensboro and Guilford County. Hopefully we are closer to it than we were. More churches are talking about their prayer ministries than they were. More men are organized to pray for their pastors, other church leaders, and their churches than before. Many churches have studied **Experiencing God** or **Fresh Encounter** or other materials calling for deeper commitment to and dependence upon Christ.

Several churches have experienced prolonged periods of growth. Baptisms are up greatly in these churches. Several of these older established churches are regularly establishing new all time highs in Sunday School attendance as well as baptisms.

Across the PBA there are some positive signs. Attendance is up and giving is up. More money is being given to missions than ever before through the Cooperative Program, all special missions offerings, and to the local associational missions efforts. The PBA has been involved in touching more lives in more different ways than ever before in its history.

For all these things we thank and praise God. We praise Him for working in us all, both to do His will and His good pleasure. Yet in spite of it all we know that we are only seeing mere trickles of life giving water. Why do we not see the rivers of living water (the Holy Spirit) flowing from us? (John 7:37-39)

It is our prayer that the leadership of PBA churches and the leadership in the PBA will become broken before God as we long for a flood tide of Spiritual Awakening. Let us pray for one another as we humble ourselves before God in this year to come. Let us pray especially for our Strategic

Planning Committee as it leads us in seeking to know and to clarify the vision that God has for us. Let us pray that we will become united in seeking first the Kingdom of God and His righteousness.

ASSOCIATE DIRECTOR OF MISSIONS

Barry Nealy

Our mission ministries continue strong. They recruit new workers well because each ministry does a specific task to meet human needs while sharing the gospel. Leaders focus on their task of meeting needs in Christ's name so there is no bickering, only evaluation and adjustments. I praise the Lord for the cooperation of our churches in these ministries. Clay Cook, Henry & Claudine Martin, and Harriet Kanoy have become enthusiastic missionaries in their own community through Piedmont Baptist Association. The Lord keeps bringing other volunteers to serve. Several offered their time and talent during our annual leadership training event in September. You can do the same or simply get information by calling our office. Joe Lang has become our volunteer recruiter. He is a retired pastor who wants to keep serving the Lord. He is available to speak to groups at your church about needs in associational ministry or administration.

New churches emerge slowly in a community that has many congregations. Support for Friendship's construction this year has been good so far. Church leaders are thankful and continue to work hard to complete the building. Both Bethany Mission and the Vietnamese Mission hope to build in 1997. Bethany wants to erect its first unit on its property on the edge of Randolph County in the Julian community the Hispanic Mission also uses the mobile chapel each Sunday evening for outreach to people in southeast Guilford County. The Vietnamese have far outgrown their building and hope to double its size by adding educational space. Bessemer is beginning a satellite church in the area along Hicone Road in Northeast Greensboro with the intention of relocating within two years. There is a refreshing vision in this church.

Homeless housing and the crisis center have attracted new volunteers this year. Two youth groups from PBA churches have painted, cleaned up and rebuilt the parking area for the apartments which housed seven families in 1996. I am grateful that our Shubal Stearns offering reached a record level this year. Thanks for your encouragement and gifts to Piedmont Baptist Association.

CHURCH COMMUNITY MINISTRY
Audrey Womack, Director

This year our multihousing ministry had a total of 108 Bible Studies, 64 Worship services and approximately 80 volunteers. The communities where activities were held included: Applewood Apartments, Clayton Estates, Coliseum motel, Smith Ranch Motel, Southgate Inn, Hidden Forest Estates, Random Woods Apartments, Village Park, Westview Valley, Lawndale Square and Laments. The churches which participated in these ministries included Lawndale, Calvary, Pleasant Garden, Willomore, Gate City, Hunter Hills, Southside, Guilford, and Parkway.

Ofcourse the greatest news of all is the reported 59 souls led to Christ!

Our goal is for three to five new ministries each year. Please pray that our PBA churches will answer the call to reach their neighbors in multihousing for Christ.

CHAPLAINCY MINISTRY

Greensboro Police Department
Wofford C. Boyd, Chaplain

The ministry to the Greensboro Police Department continues to offer support, counsel, and Christian presence to those who police this city.

As in industry and business, cutbacks are the rule of the day. The city continues to annex, creating greater need and more calls to answer. The Department has not increased in size and there is more and more work to be done by the same number of personnel. This affects every aspect of the individual-career, peace of mind, family and spiritual life, etc. In order to meet the demands of the job, individuals draw from other areas of his or her life and support system. This over taxes those systems and creates imbalance.

Holy Scripture says much about balance as to maintaining a healthy life and personhood. The ministry, among other things, is here to remind and help individuals maintain that balance. We also deal with the aftermath when imbalance takes its toll.

This year has been one of helping members of the Department deal with the change in workload and their concern for feeling they might be losing control. They long for support, structure, and meaningful work experience. Attending that need is the Department's responsibility. It offers excellent opportunity for the Chaplain to help individuals deal with these very basic needs and to share God's concern for them.

Sharing with folks that God is concerned for their professional life and for their spiritual well-being amid it all is significant ministry. That is much of what this ministry accomplishes. Sometimes one finds peace with God. Other times, one finds rest for his soul. "All things to all people." ".....might save some, " "unto one of the least of these." It is fascinating to watch it happen.

Piedmont Association is providing a vibrant ministry. Thank you for allowing me to be your ministry voice to the men and women of the Greensboro Police Department.

Guilford County Sheriff's Department
Beauford R. Smith, Chaplain

The ministry of the Piedmont Baptist Association reaches out to people of all walks of life. One part of the ministry is at the Guilford County Sheriff's Department. This ministry revolves around the Sheriff's Department personnel as well as the inmates.

The Detention Center in Greensboro has been overcrowded all year. The Center's capacity is 288 beds; but on numerous occasions, the count has reached 350. The High Point Detention Center also deals with the same overcrowding. 10,780 people have been booked into the Greensboro jail while 5,666 have been booked into the High Point Jail.

Volunteers continue to play a major role in getting the Good News of Jesus Christ to the inmates. Their faithful dedication to this work has brought many people knowledge of Jesus Christ as Savior and Lord. I am thankful for their hard work. It is a joy to work with them.

The total work of the jail ministry has resulted in over 500 decisions for Christ. We distributed over 800 Bibles and New Testaments. We also distributed 5,584 hygiene items to 1,499 inmates. There were over 100 correspondence studies distributed. Over 1,000 books were distributed for inmate reading. (Matthew 25:34-40)

As department Chaplain, I have the privilege to work with all the department personnel. Many of the officers face danger and frustration as they carry out their duty to protect the citizens of Guilford County. I have been able to share with them encouragement through counsel, prayer, and Bible discussion.

The department newsletter gives me the opportunity to share with the personnel and their families the Good News of Jesus Christ through a monthly devotion.

Last, but not least, I am thankful to the Piedmont Baptist Association church members for their support and prayers. Without their support, we would not be able to do our work at the Sheriff's Department. Please continue to pray for us that we will be faithful in glorifying God through all that we do at the Sheriff's Department.

I have enjoyed working with Chaplains Reginald Cook and George Brice this year. The PBA staff has made our work more effective and it has been my privilege to work with them.

Reginald Cook, Chaplain

"If Anybody Can, God Can"

The Chaplains praise God for another good year. We praise God for life, health and strength to do the work He has called us to do.

The above title says, "If Anybody Can, God Can". That statement is very powerful to me because I believe with all my heart, mind, soul and spirit that God can do anything.

Sometimes your faith in God is all you have to stand on when working as a Chaplain in the jail and prison. The inmates are trying your faith, the officers, even the people who you work with. Genesis 1:1 says, "In the beginning God created the heaven and the earth". My understanding and faith in God says, "If Anybody Can, God Can."

When an individual is hooked on drugs, I will tell him that God can deliver him from any drug. When a person tells me he cannot stop drinking alcohol, I tell him that God can do anything. Yes, I also tell the inmate that God can deliver him from coming back to jail and prison. Maybe I am wrong for telling these people that God can do anything, but that is my belief.

This year has been a good year for the Chaplains. Many individuals have trusted the Lord Jesus Christ and many others have rededicated their lives to Him.

I personally thank God for the Piedmont Baptist Association (all churches), the staff and for the two ex-inmates who have made Outreach Baptist Church better since they have been there.

Sandy Ridge Prison
David Fleming, Chaplain

Let us praise God for His goodness and mercy. He has blessed us this year with souls being saved and lives miraculously changed through our Prison Ministry.

Our churches and volunteers provided 52 worship services, 50 Bible studies, over 100 Gospel sings and various evangelistic services. Our church members assisted with our Yokefellows' talk sessions and provided food for our fellowships.

Some volunteers were not personally involved, but donated books, clothes, food, tracts, cosmetic items, and money for special needs.

One church sponsored a cook-out for the staff in recognition of Staff Appreciation Day. The same church sponsored a cook-out and Gospel sing for the inmates.

We appreciate all of you who help us with Christmas gifts for staff and inmates and assist us with special services during Christmas, New Years, Thanksgiving, July 4th. and Easter.

Eighteen inmates participated in Crop Walk for World Hunger. They raised $250.00 during this project. The inmates took up an offering for the Juvenile Detention Center, purchased gifts and shared testimonies with the youth.

In my personal ministry, I spoke in churches, schools, and civic groups for promotion of Prison Ministry. I counseled staff, inmates and families, attended funerals and visited in the hospitals as needed.

As a result of our personal witness for God, six men received Jesus as Saviour. A correctional officer was called into the ministry and licensed to preach by his church. Also, an inmate was accepted into John Wesley College on study release and has been licensed by his church to preach.

May God bless each of you for your dedication in giving of your time, money, and yourself to the Prison Ministry.

"The Answer to Crime is Christ."

MISSIONS DEVELOPMENT
Barry Nealy, Director

The Missions Development Council of our Association plans and coordinates all the ministries which we do together. It also examines needs for new ministries and develops them. There is a member on the Council to represent each ministry. Our philosophy is that the people who are serving should be the ones who decide how ministries develop. We find it easy to make changes and to add or give up services because the persons working in the ministry understand why changes should be made. They are usually the ones who suggest them. Besides a person from each ministry area, we have a promotion director and a survey director. Rev. Ken Kelley has trained and served as promotion director for several years. We lost him to a church in Alabama this year. Thank you, Ken, for a good job. We pray the Lord will bring us another leader to train people in missions planning.

Our four mission churches are doing well. Bessemer Baptist Church has begun a satellite church in Madison Elementary School near Northeast High School and plans to purchase ten acres of ground soon. The Missions Development Council will assist in every way possible with this effort. Friendship is now erecting its first building. Your church can help with this project. We hope there will be another construction project in 1997 at Bethany in the Julian, NC area. Directors of other ministries give their reports in the following paragraphs.

International Ministry

In addition to the ongoing work with different ethic groups who live and work in our city, the Association continues to sponsor activities directed to Internationals who study in our colleges and universities.

Many planned activities during the year were supported by different churches. Approximately 35 families or single individuals adopted more than 60 Internationals. Seventeen churches were represented by these families or by each of the twelve council members of the International Ministry. At least two "special friends" to students reported a first time commitment from their students to Jesus Christ. Many Bible translations and scripture portions were shared which were purchased from donations from one church to the ministry or by the portion of the Shubal Stearns Offering given to sponsor the varied activities including teaching Conversational English using the book of Mark from the Bible. Three volunteers have taught eight different Internationals Conversational English this year.

Two outstanding events of the year included the Baptist Women's World Day of Prayer in November and the Thanksgiving Banquet. Many from other countries participated in both these events. The well attended

Thanksgiving banquet had 35 countries represented and Native Americans presented the program assisted by special Chinese musicians.

At orientation sessions for students on the college campuses, the opportunities provided by the PBA were presented and workshops were conducted to prepare volunteers from the churches to become involved.

Next year one new council member, Evelyn Hill of Friendly Avenue Baptist Church, will replace Ola Moy who has served faithfully for several years.

More help is always needed and Mary Odom (telephone: 668-2338) will be glad to inform you of the wonderful opportunities to which the key verse for this ministry is found-2 Corinthians 4:1: "It is God Himself, in His mercy who has given us this wonderful work of telling His Good News to others, so we never give up."

Crisis Center Ministry

The Crisis Center Ministry has been in operation since June 1994. We are thankful to Magnolia Street Baptist Church for use of their facilities for this ministry.

We have experienced much growth since our beginning. We have been able to help many families who would not, otherwise, have any food and clothing. The Center is serving on the average 18 families each month. However, physical food is not our only concern. We want to provide spiritual food as well. We have many opportunities to witness and tell them about Jesus Christ. Due to one of our churches providing the Center with some Bibles, we are able to give each family a Bible. We praise the Lord that we have been given these opportunities to witness to these people.

The only way we can continue to give aid to people in need is with your help. Thanks to our faithful volunteers who are dedicated to the task of assisting at the Center and to the churches who continue to support us with food and gifts.

Please continue to pray for us and that God will send us more volunteers. Pray also that God will continue to use us to help those who are in need.

Clay Cook, Director

Homeless Housing Ministry

The housing of homeless families is still going strong. All of the units at 1813 Walker Avenue are filled at this time. So far, as a family is ready to move out, the Lord sends another to fill the vacancy.

The only way we can succeed in this project is with the help of the entire associational family. We want to take this opportunity to say "thank you" to the many volunteers who have so graciously given of their time and skills to do the repairs and cleaning needed from time to time. We thank you also for your gifts of needed furniture and other items.

The Housing Ministry has taken a change in direction. The units at 1813 Walker Avenue are now being used to house refugee families. Two of the units are used for Vietnamese families and the other two are housing Cuban families who are sponsored by some of our churches. Also, Greensboro Housing Authority is paying rent for the two units housing the families from Vietnam at this time. We hope to get this type of agreement with them for the Cuban families as well.

Please pray that these avenues will come to pass and we will be able to continue to serve these families as they try to make a new start in this land of ours. Also, pray that we will be able to reach them for Christ through the help of our two language missions.

Clay Cook, Director

Overnight Hospital Emergency Housing Ministry

During the past year I received calls from the hospital chaplains and was able to give assistance to some individuals in need.

The assistance program can be a real blessing to those who need to be at the hospital with a family member but are not in a financial situation to do so. I think a ministry like this provides a good and beneficial service to the community. I trust that those in need of assistance will continue to take advantage of the Hospital Emergency housing program

About twenty to thirty years ago, God blessed our city with a Bill Glass Crusade. Bill was an all pro football player for the Cleveland Browns. After leaving professional football at the height of his career he devoted his life to preaching the Gospel in area-wide Celebrations and prisons throughout America.

In addition to his evangelistic ministry, Bill is a highly sought after motivational speaker in colleges, universities, military and executive forums. He is also the author of nine books, among them: "Free At Last", Expect To Win", and "Plan To Win". His latest book is entitled, "How To Win When The Roof Caves In", and he is currently completing another work to be published soon.

Bill and his wife, Magis, have three children and seven grandchildren, and reside in the Dallas, Texas Metro area.

Each church will benefit from the crusade as it involves its people. Often the lost people will go to a crusade even when they are reluctant to attend the local church. When church members bring their non-Christian friends to hear the gospel at the coliseum they open the door for the Holy Spirit to draw them to Jesus Christ. The event is scheduled-Now is the time for prayer and participation.

MUSIC

This year was not as eventful as it was planned. We started with a wonderful music appreciation banquet at Florida Street Church on February 29th. It was a wonderful time of fun, fellowship and food.

Our big event of the year, the childrens' music camp, had to be canceled. The dear lady who was working to lead this had a miscarriage just ten days prior to the beginning of our camp. We tried unsuccessfully to get someone else. For our childrens' sake, this must cause us to work harder than ever for next years event. Please help us make the next camp the best ever.

Herb Meadows, Director

SENIOR ADULT MINISTRY

I'm sure all senior adults would agree that annual reports seem to come about every six months. Here it is. Time to reflect a little about the past year.

As usual we still have lots of things to do and not enough time to do them. Many of us have retired from life's vocation but there is no place to retire from serving our Lord. He has blessed the PBA with many wonderful seniors who continue to walk daily with their Lord. When churches look for faithful servants, they know there is help among their senior adults.

Many things are happening among our PBA seniors-a trip to Branson Missouri, our barbecue in October, and a trip is planned to Myrtle Beach for the Christmas shows.

Thanks to all who serve and fellowship together in our PBA.

Yours and His,
Herb and Marie Meadows

SEMINARY EXTENSION

We are happy to announce that Seminary Extension is alive and well. Two classes were planned for this associational year.

The first class was taught by Dr. Mark-Lile King, pastor of Brandt Oaks Baptist Church. There were seven students.

The second class is being taught by Dr. Wilson Stewart, pastor of Jessup Grove Baptist Church, and there are 27 students in this class.

Many thanks to the committee members serving with me. The future is bright.

A. L. Parker, Director

BROTHERHOOD/BAPTIST MEN

More and more of our Baptist Men/Brotherhood units in our churches have discovered that involving men in missions, assuring that the men are "doing" missions is the key to growth and development. The tired, old "meet, eat, burp and go home" meetings are disappearing. When Baptist Men meet, they meet to evaluate their latest mission project and/or plan the next mission project. One church I am aware of has renamed their unit "Men on Mission" to more correctly identify what they are all about.

Piedmont Baptist Association Baptist Men are involved in missions in several different ways, for example:

✓ Two Churches have or are in the process of building a disaster response unit. This is a trailer type unit equipped with chain saws, generator, ropes and other equipment to respond to tornado/hurricane disasters. Men have been trained in "how to respond". Training is provided through the Baptist Men's office in Cary.

✓ One church has provided a "Coffee Break" at an interstate highway rest stop on a holiday weekend. Free coffee, a tract, and a witness is provided.

✓ Men have volunteered to serve on the Baptist Men's feeding units which have most recently been involved in responding to Hurricane Fran victims. Before one can serve on these units, they must be trained specifically for this kind of work.

✓ Men and, in some cases, their wives, volunteer for clean-up and "mud out" work following a hurricane, tornado, or flood. Some have even gone to neighboring states in this mission work.

✓ Local mission projects are being done, such as: weather-proofing a home for a person with very limited income; putting a roof on for an elderly couple who could not afford to have it done; working on the new mission church building; working at the PBA homeless apartment building; and many numerous other projects.

The Baptist Men are not "the men's WMU"! I have found that the WMU teaches missions, prays for missions, gives to missions; and they do the greatest job in the world. Our world-wide mission program would not be the best of any evangelical denomination if it were not for our WMU.

I have found that our men prefer to "get their hands dirty", work up a sweat and see some physical evidence of their labor. They prefer to "get into something", accomplish a task, step back and enjoy that in which they have been involved. Translate this into what Baptist Men in your church are capable of doing. Men with a multitude of skills, knowledge and, I really believe, a built-in desire to "do something". I believe that men really want/desire to DO MISSIONS. A Baptist Men's organization in your church can direct all this talent and skills into doing missions.

It has been a real blessing to be your Brotherhood/Baptist Mens Director for the past few years. I have had the opportunity to meet and work with so many of you, visit and speak at many of our churches, and "doing missions" with many of you. You have been so very supportive. Sam Bainbridge, my friend of many years, is to be your new director. He introduced me to Baptist Men several years ago, for which I shall always be grateful. We've worked together and prayed together. I encourage you to work with him, pray for him and be responsive to his leadership.

Ed Roberts, Director

FAMILY MINISTRY

I appreciate those who met with me on various occasions to explore areas of family Ministry which need to be addressed.

Too often we immediately envision family ministry as concerning the statistical man, wife, and 2.3 children. But this is no longer all that can be addressed under the umbrella of family ministry. As we move toward the dawning of a new millennium, there must be attention paid to singles, single parents, divorcees, young couples, older couples and seniors. This first year has been a learning experience and a time to develop long range plans for several exciting events:

✦ As of now we have Dr. Gary Chapman scheduled to conduct a one night marriage encounter conference on April 22, 1997.

✦ Through the Sunday School Board we are planning a Festival of Marriage to be held at Caraway, date to be determined.

✦ We are presently working on a program for singles, to enable our churches to reach out to singles and incorporate them with the churches' various ministries.

It is my goal to strengthen families, no matter what their make-up may be, and despite a continuous assault from today's society. The family was the first institution God created and it still is the core of what God plans to do in our world.

Ken Clark, Director

STEWARDSHIP

We are grateful to the churches of the Piedmont Baptist Association for their continued financial support of our budget.

As you prepare your budgets for the coming year, please consider raising your support by 1/2% of your undesignated receipts.

This past September 9th., Dr. Jim Sanderson of Resource Services. Inc., led a breakfast session on Stewardship at Immanuel Baptist Church. Pastors and all persons who serve in any financial position were invited. In addition to the instructions by Dr. Sanderson, he provided written information concerning budget enhancement concepts and stewardship illustrations by men such as Dr. Stephen Olford, Charles Swindol, John Wesley and several other sources.

Again it is time to turn in our Shubal Stearns offering. If you haven't, please do so as soon as possible. As you know, this offering supports our local missions and Greensboro/Guilford County is our Jerusalem.

Our council appreciates your continued support. If there is any way we may be of assistance regarding stewardship, please let us know.

Wade H. Wylie, Director

WOMAN'S MISSIONARY UNION

Woman's Missionary Union has focused its efforts on educating and stimulating women and girls to become involved in doing missions for over one hundred years. Even though WMU changed its organizational structure this year, its purpose continues to remain the same: *Missions.* The organization, Baptist Women, became known as Women on Mission and the organization, Baptist Young Women, merged into Women on Mission. With the theme, "Risk The Journey", women of all ages have united as never before to reach the world for Christ by praying, giving, and going.

The PBA WMU leadership team attended training during the summer of 1995 at Camp Caraway in Asheboro, N.C. The Team conducted two separate training sessions to educate WMU leaders in our Association. One session was held Monday night, August 28, 1995, at Sixteenth Street Baptist Church and the other at Eller Memorial Baptist Church on a Saturday morning several weeks later.

Women from around the world participated in the Baptist Women's World Day of Prayer held November 6, 1995 at Lindley Park Baptist Church. One hundred thirty-five women were in attendance and brought five hundred containers of talcum powder to contribute to the state WMU's Christmas gift box for women prisoners at Central Prison in Raleigh.

On February 13, 1996, Sue Andrews, missionary to Burkino Faso, spoke at our Focus Week Banquet at Florida Street Baptist Church. Special music was provided by an Acteen duet from Pleasant Garden Baptist Church.

Our annual meeting was held on April 22, 1996 at Pinecroft Baptist Church with Joanne Peale Peek as guest soloist and Patricia Frazier as speaker.

On July 9, 1996 one hundred fifteen women gathered for the Women on Mission Prayer Retreat held at Parkway Baptist Church. Linda Selleck, led us in prayer time, played the harp and informed us about Quaker women of the nineteen century who impacted our world through missions.

Leadership training was held at Friendly Avenue Baptist Church on August 26, 1996 at which time Betty Roberts of Lawndale Baptist Church was elected to the position of associational WMU Director.

I would personally like to thank all of the members of WMU in our Association for the honor and privilege of serving as your Director for the last six years. They have indeed been some of the most rewarding years of my life.

Patricia S. Frazier, Director

RECREATION

Due to limited recreation facilities, our recreation programs have been limited to adult and youth programs generally in cooperation with the PBA gym facility on Sharpe Road and the Gate City Baptist Church recreation field.

The following recreational activities were provided this year:

SOFTBALL

Twenty teams from PBA churches participated in the adult Men's Softball League and twelve teams from PBA churches participated in the Women's Softball League.

Gate City Baptist Church hosted the women's softball tournament on June 21, 1996 to June 29, 1996.

GOLF

On September 21, 1996, the annual PBA Invitational Golf Tournament was held at the Bel-Aire Golf Course. Twenty-four teams from association churches participated in the tournament. Parkway Baptist Church won the first place team championship with Sharpe Road Baptist Church finishing second and Northside Baptist Church, third.

BASKETBALL

During 1995/96, the adult Men's Basketball League was conducted by the PBA at the gym facility on Sharpe Road. Twelve teams from PBA churches participated in the league.

During 1995/96, the Youth Basketball League was conducted on Saturday mornings at the PBA gym on Sharpe Road. Gate City Baptist Church won the league championship with Good News Baptist Church finishing in second place.

Recreation in a Christian environment can often serve as an effective ministry for our association churches. Pray that we will be able to expand our programs in 1996/97.

Randy Minix, Director

PRAYER MINISTRY

Prayer is the vital link between God and His people. It is our source of life, our bloodline. We must never do anything until it has been immersed in a great deal of prayer. Every ministry must be totally committed to God through prayer.

As pastors, we cannot expect our church families to pray, unless we pray. This year, all of the pastors of the Piedmont Baptist Association were assigned Prayer Partners. The Prayer Partners were grouped by twos. The Prayer Partners were asked to pray with each other once a week (they could meet and pray or pray by phone).

In the days forthcoming, we are going to have a Prayer Conference on Monday evening, January 13, 1997 at 7:00 p.m. The conference will be held at South Elm Street Baptist Church. Leading this conference will be the Rev. Norm Sanders. Norm has been with the Billy Graham Evangelistic Association for over twenty-five years. Norm is the Public Relations Director for the Cove in Asheville, N. C. The Cove is located at the Billy Graham Training Center in East Asheville.

Norm has learned a great deal about prayer through his years with Dr. Graham. Norm understands that we are truly in a time of spiritual warfare. He has some deep insights into God's Word as it relates to our prayer lives.

This conference will be for Pastors, Ministerial Staff, Church Leadership, Deacons, Sunday School Leadership, Missions Leaders, and laypersons. Please make your plans to attend this very important time of prayer and renewal.

Many of our churches have committed to participate in the Bill Glass Crusade. There will be an emphasis on prayer for this event. We will be informed about the events surrounding the Crusade through the Steering Committee for the Crusade.

We are going to have an emphasis on prayer for our pastors. Each chairperson of deacons in our PBA churches, will be contacted concerning this special emphasis on prayer for the pastor. An instructional booklet will be sent to these leaders in order to guide you as you pray specifically for your pastor.

Lawrence E. Clapp, Director

Baptist Children's Homes of North Carolina

Primed for excitement after three hours waiting under a bright summer sky, hundreds of spectators craned their necks and peered toward downtown Asheville June 26 when Michael Owen jogged into view carrying the Olympic Torch on outstretched arm. Michael, one of 1,422 children Baptist Children's Homes served in 1995-96, lives at Broyhill Home in Clyde, one of 12 facilities BCH operates in North Carolina.

Smiling and waving to the crowds holding aloft tiny flags and cameras, Michael lifted the symbol of international unity and pointed to friends among those who lined the parade route.

The entire Broyhill Home campus showed up, cheering wildly. They ate picnics at the end of Michael's route, and swarmed him when he passed the flame to the next carrier - a bicycle rider.

It could have been a family reunion, or a school scene, or a re-creation for a movie on family support. But Michael, and most of his supporters, are children who have suffered unspeakable abuses at the hands of adults they trusted to care for them.

And the adults who waded into that mob scene of joy at the end of Michael's run are called of God to help young people like Michael and those who surrounded him deal with those issues, and to overcome them.

As a boy, Michael was so ashamed of his clothes he ran home from school, never stopping to make friends. Worse, he endured almost nightly beatings from his father. He was eleven years old before he realized other boys weren't beaten every night. Four years later he found the courage to tell his father he was leaving.

"Go ahead, call someone," he yelled. "Leave."

Michael left. After six months in emergency care at Mills Home in Thomasville, he established a more permanent residence at Broyhill Home. Slowly, quietly his emotions mounted within him until one night he erupted and spilled forth his story, the years of secrets and lies, to his child care worker, Betty Porter. "She stayed up with me and we talked a long time," Michael said. That was his first lesson in trust and unconditional love.

"Broyhill has changed my life so much," Michael said. "For almost a year I didn't trust anybody, but finally I felt a calmness I know was the Lord. Here I found the Lord and now I try to live every day for Him."

Michael's story is repeated hundreds of times each year at Baptist Children's Homes of North Carolina. Not all are as dramatic as a boy who grew from a punching bag to a torch bearer.

But at four residential campuses, six emergency care cottages, two homes for behavioral troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, more than 1,400 children and their families find help in a troubled time.

During the past year BCH received almost $1.5 million through the Cooperative Program, and $663,000 through the Thanksgiving Offering. Total church gifts of almost $3 million comprised 16.2 percent of BCH operating revenue.

BCH is in the midst of a $10.1 "Light Their Way" Campaign to raise money for operations, capital needs and endowment. At the halfway point in June, More than $5.4 Million had been committed to BCH through the campaign.

Videos of the children's presentation at the 1995 State Baptist Convention are available by calling the communications office at (800) 476-3669. You can also ask for the latest videos to tell you about your ministry to children and families through Baptist Children's Homes of North Carolina.

Although Michael carries many found memories of Baptist Children's Homes with him as he heads for college this Fall, his earliest amazements were the secure sleep he got when he laid his head down, and of receiving his first pair of Nikes so he didn't have to be embarrassed by his appearance.

From head to toe BCH cares for children and families. Thank you for helping to Light Their Way.

Michael C. Blackwell, President since 1983

HOME MISSION BOARD, SBC HMB

Christ for Our Nation

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). With national offices in the Atlanta, Georgia area, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations and minister to people in the name of Christ.

As of December 31, 1995, there were 4,857 missions personnel serving in the United states, the Caribbean, Guam, American Samoa, and Canada. The HMB also has endorsed more than 2,400 chaplains who are serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. Nearly 2,300 Mission Service Corps volunteers are serving on home mission fields. During the year there were 1,458 church starts, the second highest number in 10 years. Southern Baptist churches baptized 393,811 people in 1995, an increase of nearly 15,000 over 1994.

Approximately half of the HMB's support comes from the annual Annie Armstrong Easter offering for Home Missions. In 1995, gifts to the offering totaled $38,908,339, the largest in HMB history. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1996 Annie Armstrong Easter Offering goal is $42 million. About 35 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1995:

Chaplaincy Ministries-The 2,412 Southern Baptists now serving as chaplains and pastoral counselors reported more than 27,000 professions of faith. During the year, 179 Southern Baptist ministers were endorsed for the first time by the Chaplains Commission of the SBC.

Church Loans-The Church Loans Division closed 98 church loans totaling $25 million, including $3.4 million of refinancing.

Associational Administrative Service-In more than 1,025 associations, 950 associational missionaries have an extremely significant role in leading churches to strategize and work in partnership to evangelize, minister, and start churches in all places and among all people groups.

Language Missions-Home missionaries in the Language Church Extension Division worked among 106 ethnic groups and 98 American Indian Tribes, using 106 languages and dialects, in addition to sign language.

Volunteers-Volunteers continue to serve in record numbers and represent more than $100 million in value to the HMB. In 1995, more than 70,000 persons served as volunteers. Mission Service Corps missionaries, numbering 2,193, represent a cadre of committed people responding to God's call to be personally involved in home missions. They were responsible for leading more than 5,600 people to Christ.

Prayer and Spiritual Awakening-The Home Missions Intercessory Prayerline received 82,000 calls in 1995. Missionary prayer requests were given in more than 178,000 English and Spanish *PrayerGrams*.

Mass Evangelism-This department assisted in implementing the *Here's Hope, Jesus Cares for You* Harvest Revivals. An estimated 25,000 to 35,000 churches participated in some portion of the *Here's Hope* emphasis.

Alternatives to Abortion Ministries-As a result of ministries in 37 crisis pregnancy centers, 806 persons prayed to receive Christ and 1,823 babies were born.

"Touching Lives With Hope"

HOSPITAL HIGHLIGHTS FOR 1996

Division of Pastoral Care

During this year the 18 to 40 Chaplains present at various times at the Hospital made over 55,000 pastoral contacts. As of July 1, 1996, the counseling centers will be called CareNet, Inc., of The North Carolina Baptist Hospitals, Inc. Over 26,000 hours of counseling were provided through the eleven centers across the state of North Carolina. Two additional centers will open in the fall of this year.

The Center for Congregational Health has, since inception in 1992, provided ministry at some level to over 225 North Carolina Baptist Churches.

Mission dollars from the Cooperative Program enabled the above ministries to be carried out and to touch thousands of lives.

BAPTIST BENEVOLENT CARE FUND

North Carolina Baptists joined us in a mutual mission through the Mother's Day Offering. We channeled every penny of the MDO, which amounted to $461,647, to help patients who had no health-care insurance and no financial means to pay their hospital bills. We are grateful to everyone who made this ministry possible.

POINTS OF EMPHASIS AND PROGRESS

Financial Stewardship-The Medical Center is constantly seeking ways to lighten the financial burden of those who are ill. Recently the room rates were reduced by $50 per day.

Aegis-This is an alliance of primary-care clinicians who serve patients regardless of their medical plans or HMO/PPO affiliated. "Aegis" means protection or sponsorship: Aegis Family health Centers is a network of primary care physicians affiliated with The Medical Center. It now has 33 providers in 10 practice sites.

Qual Choice of North Carolina-QualChoice is The Medical Center's managed care company. Eighteen months old, it serves approximately 30,500 enrollees, giving quality health-care and patient/physician choice.

Regional Integrated Information Network-RIDS is a regional computer network now in the pilot phases. The network allows providers in the region to exchange patient information electronically, saving time and money. RIDS is a plan which assists communities in our service area to develop a coordinated continuum of care. In this plan, primary care physicians, community hospitals, nursing homes and other patient care providers link their services with those of The Medical Center. The desired outcome is improved patient care and cost-effective services.

The J. Paul Sticht Center on Aging-The Center devotes itself to the special problems of older adults. when the center moves to its new home in 1996, its services will not only provide specialized health care but will also include a day care program for the elderly that will serve as a link between hospital and home, helping to reduce rates of rehospitalization and premature placement in nursing homes.

A CLOSING WORD

Since its founding in 1922, the Hospital has taken pride in our ministry of service. In doing so, we seek to make tomorrow's patient care and tomorrow's workplace constantly better. That has been our mission historically, and it continues to this day. I firmly believe that our best lies yet ahead, and I am committed to that reality.

Respectfully submitted,
Len B. Preslar, Jr. President

Making Life for Older Adults…

The Best of Times

he continuing goal of Baptist Retirement omes is to provide more and better services or Older Adults. During 1996 several evelopments have moved us toward this goal.

Some new staff members have been added to help provide the kind of total care which residents need and deserve. Tanja Keay has been employed as Vice President of the Health Services Division. Paulette Richmond came as the new manager of the Hamilton Baptist Home. Carla Hyde was named director of the small group program for residents with dementia, a program designed to enhance their quality of life. Patricia Fling is the director of the In Home Care program which began a few months ago. Dr. Earl Watts, an Associate Professor at the Bowman Gray School of Medicine, is serving as the medical director for In Home Care.

Early in the year, renovation of the Hamilton Baptist Home was completed providing a more attractive and comfortable place for residents in that facility. The new Cecil and Gertrue Young Solarium at the Rickman Nursing Center in Asheville will provide space for the small group program for residents with dementia. At Brookridge, renovated space in the Assisted Living section, and named "Stokes Court", will house the new Assisted Independent Living Unit. A new passenger van will facilitate transportation for residents at the Taylor House in Albemarle as they attend church, keep appointments, go shopping, or participate in social/recreational events.

During the year, Baptist Retirement Homes has provided assistance in the planning for Cliffwood, a new continuing care retirement community being built in Fayetteville. Two Fayetteville churches, First Baptist and Snyder Memorial Baptist, have formed a non-profit corporation to lead this project. A 27 acre site has been selected. Plans call for 105 Independent Living units, 20 beds in Assisted Living, and 20 beds in a nursing care unit. All units will be available on a rental basis with no entrance fees.

The James M. Hayes Society has been formed to recognize and thank those persons who remember the Baptist Retirement Homes in their estate planning. Thirty-three charter members constitute this group named in honor of the "Homes" founding superintendent.

Finally, we recognize with deep gratitude those North Carolina Baptists who gave through their churches to support the ministry during the past year. Through the cooperative program, the special February Offering, and other church gifts, the "Homes" received a total of $1,030,052 during the 12 month period ending September 30, 1995.

The trustees and staff are grateful to North Carolina Baptists for helping us to make life for Older Adults…The Best of Times!

Highlights *from the* FOREIGN MISSION BOARD

FALL 1996

We will lead Southern Baptists to be on mission with God to bring all the peoples of the world to saving faith in Jesus Christ.

As in all past years, our Lord has abundantly blessed the work of the Foreign Mission Board through countless ways. We wish to thank all Southern Baptists for their roles which undergird the FMB. Without the concerted, cooperative effort of all Southern Baptist churches, the work and mission of the FMB would be only a shadow of its present position.

We are distinctly privileged to follow our Lord's command found in the Great Commission. Each year brings us closer to taking the gospel to all nations (best rendered as ethno-linguistic people groups).

The following annual growth levels reflect the combined reports from all foreign mission points as of the start of this year:

- A record number of newly constituted churches: 2,612
- Total number of countries where missionaries reside: 131
- Total number of baptisms overseas: 287,806
- Number of new people groups touched by the gospel: 41
- Baptisms among least-reached peoples: 6,548
- Total number of missionaries: 4,129
- Total number of short-term volunteers: Over 15,000
- Total number of newly appointed missionaries: 544
- Record amount of Lottie Moon Offering: $89.9 million
- Increase in enrollment in discipleship programs: 74%
- Number of new cities opened to the gospel: 528

Southern Baptists support the Foreign Mission Board in multiple ways.
Daily prayer assistance tops the list. Likewise, sacrificial giving through the Cooperative Program and the Lottie Moon Christmas Offering have provided innumerable opportunities to spread the gospel. As missionaries preached, taught, healed and counseled, you were there. The Foreign Mission Board counts it an honor to partner with you to spread the Good News of Jesus Christ to every shore.

NORTH CAROLINA BAPTIST FOUNDATION, INC.
1995 ANNUAL REPORT

The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased individual collective financial support. The Baptist Foundation is committed to assisting individual church members through creative stewardship methods to provide permanent financial undergirding of these ministries.

As of December 31, 1995, the Foundation held $55,608,452 under management. In 1995, $3,144,471 was distributed to Baptist work and $1,125,383 was distributed to individuals for a total distribution of $4,269,854.

The income distributions for the entire 76 year history of the N. C. Baptist Foundation totals: $9,673,682 income paid to individuals and $13,458,579 to Baptist churches, Institutions and mission causes for a grand historical total of $23,132,261.

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.
Annual Report 1996

In a recent survey released by the Family Research Council, 66% of those polled said that our country was headed down "the wrong track". When asked whether the nation's wrong direction could be attributed to the lack of jobs and economic health or a decline in moral values and family breakdown, over 60% indicated the latter. We at the Christian Action League agree that our state and nation need a restoration of biblical, moral and family values. In 1996 we were honored to assist communities in their battles for civic and moral righteousness and to promote laws in the General Assembly that have helped to restore family values to the State of North Carolina.

A. Christian Values

The Christian Action League joined with other Christian organizations to promote Christian Heritage Week in North Carolina, March 17-23. We experienced a wonderful week as presentations and commemorations were held in many churches, schools and communities across our state. The week culminated with an awards ceremony and reception for the winners of the state-wide essay contest and their families. The League provided decorations and programs for the event and hosted the reception at the State Archives and History Building in Raleigh.

The League undertook a project in association with the American Rights Coalition to distribute thousands of copies of the Ten Commandments throughout North Carolina. To date, over 5,000 copies of the 11 x 14 prints have been distributed throughout the state to individuals and churches.

B. Lottery

We saw renewed efforts to push a lottery bill through the General Assembly for a state-wide referendum. Representative Fitch introduced two lottery bills: HB 6060 (Rules Committee) and HB 838 (JII Committee). the League actively lobbied against these bills and both bills died in their respective committees. North Carolina continues to be the largest state in the nation and the only state in the Bible belt with no state-sponsored gambling. Please keep us in prayer as the League faces this battle each year.

C. Sex Education

CAL actively lobbied for HB 834, Abstinence Until Marriage, a law that mandated that abstinence until marriage be the focus in sex education in North Carolina schools and was passed in the 1995 session. CAL and other pro-family, Christian organizations have been working with the Dept. of Public Instruction and State Board of Education in 1996 encouraging them to implement the law through abstinence-based curricula. We have also assisted communities in seeing that this law is properly implemented at the local level.

D. Homosexuality

CAL participated in efforts to get SB 1487 (No Same-Sex Marriage) passed during the short session of the General Assembly. The bill passed both houses and became law.

Alerted our members in the Winston-Salem area about the Family March on June 30 and encouraged them to notify their churches to participate. This march was in response to the homosexual community march held in that city. The Family March attendance was estimated at 8,000.

E. **Abortion**

The League actively supported Representative Decker's HB 624, a Woman's Right to Know. This bill would have required the doctor to share vital information with the patient about the risks of abortion and would require a 24-hour waiting period. We were disappointed that the bill did not pass this session; however, we will work for its passage again next session.

F. **Alcohol**

CAL assisted several communities in setting up an organization to combat liquor referendums.

My friends, we are living in times when the Christian community needs to exercise spiritual discernment and stand strong for Biblical principles that further righteousness, strengthen families and bless our state and nation. We are grateful to God for the prayer and financial support that the League receives from the churches of your association that allow us to be on the front lines in this spiritual warfare.

Johnny R Henderson, Ex. Dir. Joe S. Lennon , President
